Chairman & President

April 18, 2019

Dear Fellow Stockholders:

You are cordially invited to attend the 2019 Annual Meeting of Stockholders of Old Point Financial Corporation, the holding company for The Old Point National Bank of Phoebus and Old Point Trust & Financial Services, N.A. The meeting will be held on Tuesday, May 28, 2019 at 6:00 p.m. at The Hampton Roads Convention Center, 1610 Coliseum Drive, Hampton, Virginia. The accompanying Notice and Proxy Statement describe the matters to be presented at the meeting. Also accompanying the proxy statement is our 2018 Annual Report to Stockholders that will be reviewed at the Annual Meeting.

We are pleased to be using the Securities and Exchange Commission rule that allows companies to furnish their proxy materials over the Internet. As a result, we are mailing to many of our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of this proxy statement and our 2018 Annual Report to Stockholders. The Notice of Internet Availability of Proxy Materials contains instructions on how to access those documents over the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how to obtain a paper copy of our proxy materials, including the proxy statement, our 2018 Annual Report to Stockholders and a proxy card. All stockholders who do not receive a Notice of Internet Availability of Proxy Materials will receive a paper copy of the proxy materials, including a proxy card, by mail. We believe that this process will benefit our stockholders by expediting their receipt of the proxy materials, reducing the cost of printing and distributing our proxy materials and conserving natural resources.

Please complete, sign, date, and return your proxy card or follow the instructions on your proxy card or Notice of Internet Availability of Proxy Materials to vote by telephone or over the Internet as soon as possible. Whether or not you will be able to attend the Annual Meeting, it is important that your shares be represented and your vote recorded. If you decide to attend the Annual Meeting in person, you can revoke your proxy any time before it is voted at the Annual Meeting (provided that, if your shares are held in "street name" through a bank, broker or other holder of record, and you plan to vote in person at the Annual Meeting, you should contact your bank, broker or agent to obtain a legal proxy or broker's proxy card to bring to the meeting as proof of your authority to vote the shares).

We appreciate your continuing loyalty and support of Old Point Financial Corporation.

Sincerely,

Robert F. Shuford, Sr.
Chairman of the Board and President

PROXY STATEMENT

2019 ANNUAL MEETING OF STOCKHOLDERS

To be held on May 28, 2019

General

This proxy statement is furnished to holders of the common stock of Old Point Financial Corporation (the Company) in connection with the solicitation by and on behalf of the Company's Board of Directors of proxies to be used at the Company's 2019 Annual Meeting of Stockholders (the Annual Meeting) to be held Tuesday, May 28, 2019, at 6:00 p.m. at The Hampton Roads Convention Center, 1610 Coliseum Drive, Hampton, Virginia.

Electronic Notice and Mailing; Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on May 28, 2019.

Pursuant to the rules promulgated by the Securities and Exchange Commission (the SEC), the Company has elected to make its proxy materials available to stockholders over the Internet or by delivering paper copies of these materials by mail. Accordingly, on or about April 18, 2019, the Company mailed a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to some stockholders and shortly thereafter mailed paper copies of the proxy materials to some stockholders. If you received a Notice of Internet Availability by mail, you will not automatically receive a paper copy of the proxy materials by mail. Instead, the Notice of Internet Availability contains instructions on how to access and review this proxy statement, form of proxy card and our 2018 Annual Report to Stockholders and vote via the Internet. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability. As of April 18, 2019, and for a period through the date of the Annual Meeting, all stockholders will have the ability to access all of the proxy materials at www.envisionreports.com/opof.

The proxy materials include:

- * Our proxy statement for the Annual Meeting; and
- * Our 2018 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Voting and Revocation of Proxies

If you are a stockholder of record, you may vote in person at the Annual Meeting or by proxy. You may vote your shares by proxy in one of the following ways: (1) use the toll-free number on the proxy card to submit your proxy via telephone; (2) visit the website shown on your proxy card or Notice of Internet Availability to submit your proxy via the Internet; or (3) if you have received a printed copy of our proxy materials, complete, sign, date and return the proxy card in the postage paid envelope provided with such printed materials.

If your shares are held in "street name," through a broker or other nominee, that institution will send you separate instructions describing the procedure for voting your shares and you will need to follow those instructions in order to vote your shares. Many brokers also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your brokerage firm on your vote instruction form. As the record holder of your shares, your

broker is required to vote your shares according to your instructions. Under the current rules of the New York Stock Exchange, or NYSE, if you do not give voting instructions to your broker, it will still be able to vote your shares with respect to “routine” items, but will not be allowed to vote your shares with respect to “non-routine” items. The ratification of Yount, Hyde & Barbour, P.C. as our independent registered public accounting firm (proposal four) is considered to be a routine item under the NYSE rules and your broker will be able to vote on that proposal even if it does not receive instructions from you, so long as it holds your shares in its name. The election of directors (proposal one), the advisory vote on the compensation of the Company’s named executive officers (proposal two), and the advisory vote on the frequency of future advisory votes on the compensation of the Company’s named executive officers (proposal three) are “non-routine” items. If you do not instruct your broker how to vote with respect to these items, your broker may not vote your shares with respect to these proposals. “Broker non-votes” are shares held by customers that may not be voted on certain matters because the broker has not received specific instructions from the customers.

If you are a stockholder of record, you may change or revoke your proxy at any time before your shares are voted at the Annual Meeting, by any of the following methods: (1) submit a written notice of revocation to the Secretary of the Company by the close of business on May 27, 2019; (2) submit a completed proxy card bearing a later date than your original proxy card by the close of business on May 27, 2019; (3) use the toll-free number shown on the proxy card to submit your proxy via telephone, by 6:00 p.m., Eastern time, May 28, 2019; (4) visit the website shown on your proxy card or Notice of Internet Availability and follow the instructions to submit your proxy via the Internet, by 6:00 p.m., Eastern time, May 28, 2019; or (5) attend the Annual Meeting and request to vote in person.

If your shares are held in “street name” through a bank, broker or other holder of record, you should follow the instructions from your bank, broker or agent to revoke your proxy or change your vote.

Voting your shares via telephone or via the Internet, or sending in a proxy card will not affect your right to attend the Annual Meeting and to vote in person. If your shares are held in “street name” through a bank, broker or other holder of record, and you plan to vote in person at the Annual Meeting, you should contact your bank, broker or agent to obtain a legal proxy or broker’s proxy card to bring to the meeting as proof of your authority to vote the shares.

Proxies will extend to, and will be voted at, any properly adjourned session of the Annual Meeting. If a stockholder specifies how the proxy is to be voted with respect to any proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a stockholder fails to specify with respect to such proposals, the proxy will be voted FOR the election of the director nominees in proposal one; FOR the approval of the compensation of the Company’s named executive officers in proposal two; for an EVERY YEAR frequency for future advisory votes on the compensation of the Company’s named executive officers in proposal three; and FOR the ratification of the appointment of Yount, Hyde & Barbour, P.C. as the Company’s independent registered public accounting firm in proposal four, as set forth in the accompanying notice and further described herein.

Voting Rights of Stockholders

Only those stockholders of record at the close of business on March 19, 2019, are entitled to notice of and to vote at the Annual Meeting, or any adjournments thereof. The number of shares of common stock of the Company outstanding and entitled to vote at the Annual Meeting is 5,142,979. The Company has no other class of stock outstanding. The presence of a majority of the shares entitled to be voted, represented in person or by proxy, will constitute a quorum for the transaction of business.

Each share of Company common stock entitles the record holder thereof to one vote for each matter to be voted upon at the Annual Meeting. Abstentions and broker non-votes on a matter will count toward a quorum, but will not be included in determining the number of votes cast with respect to a matter. Stockholders cannot cumulate their votes in the election of directors.

In an uncontested director election, if a quorum is present, each director will be elected by the affirmative vote of a majority of the votes cast with respect to the director’s election. An “uncontested director election” means an election in which the number of nominees does not exceed the number of directors to be elected, such as this year’s director election. Votes may be cast in favor of or against a nominee, or stockholders may abstain from voting with respect to a nominee. A vote against a nominee is counted as a vote cast and will have the effect of a vote withheld per the terms of the Company’s Articles of Incorporation. Abstentions and broker non-votes do not count as votes cast and, therefore, will have no effect on a director’s election.

With regard to the advisory vote on the frequency of future advisory votes on the compensation of the Company's named executive officers, stockholders may vote for a frequency of every year, every two years or every three years, or may abstain from voting. If a quorum is present, the frequency that receives the highest number of votes in favor, even though less than a majority, will be the frequency that is recommended by the stockholders. Therefore, abstentions and broker non-votes will have no effect.

For all other proposals, votes may be cast in favor or against, or stockholders may abstain from voting. Approval of these other proposals (specifically the advisory vote to approve executive compensation and the ratification of the Company's independent registered public accounting firm) requires the affirmative vote of a majority of the votes cast on the matter. Thus, although abstentions and broker non-votes count toward a quorum, they are generally not counted for purposes of determining whether such a matter has been approved and will have no effect.

Directions to Annual Meeting

To obtain directions to attend the Annual Meeting and vote in person, please contact Sandra Routten, the Company's Corporate Administrative Officer, at (757) 728-1231.

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Company. In addition to the use of mail, solicitations may be made by our officers and regular employees of the Company, The Old Point National Bank of Phoebus (the Bank) and Old Point Trust & Financial Services, N.A. (the Trust Company) in person or by telephone, facsimile, or electronic transmission. We will not compensate our officers and regular employees for this work beyond their regular compensation. We anticipate that brokerage houses and other nominees, custodians, and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of the stock held of record by such persons, and the Company will reimburse them for their charges and expenses in this connection.

PROPOSAL ONE ELECTION OF DIRECTORS

The thirteen persons named below, all of whom currently serve as directors of the Company, will be nominated to serve as directors until the 2020 Annual Meeting of Stockholders (the 2020 Annual Meeting), or until their successors have been duly elected and have qualified.

The persons named in the proxy will vote for the election of the nominees named below unless your proxy indicates that you wish to vote against the nominee (which will have the effect of a vote withheld) or abstain from voting. The Company's Board believes that the nominees will be available and able to serve as directors, but if any of these persons should not be available or able to serve, the proxies may exercise discretionary authority to vote for a substitute proposed by the Company's Board.

The Board does not believe that these family relationships are material to an evaluation of the ability or integrity of these individuals or their ability to act in an independent manner. The Board is not aware of any involvement in legal proceedings by any of the Company’s directors, director nominee or executive

officers that would be material to an evaluation of the ability or integrity of any director, director nominee or executive officer.

In connection with the majority voting standard, the Board of Directors has a Director Resignation Policy, under which an incumbent director who does not receive the required majority vote for re-election in an uncontested director election must submit a written offer of resignation to the Chairman of the Board of Directors promptly following the election. The Nominating and Corporate Governance Committee will then consider the offer of resignation and whether to recommend to the Board of Directors to accept or reject it, taking into account the Board of Directors' fiduciary duties to the Company and its stockholders. If a director's offer of resignation is rejected, the director will continue to serve on the Board of Directors until a successor is elected, or until the director's earlier resignation, removal from office or death. If a director's offer of resignation is accepted, the Board of Directors has the discretion to fill any resulting vacancy or decrease the number of directors, as allowed by the Company's bylaws. A director who submits an offer of resignation pursuant to this policy may not participate in the Board's or Nominating and Corporate Governance Committee's deliberations or voting regarding whether to accept or reject the offer of resignation.

The Board of Directors recommends that stockholders vote "FOR" the individuals nominated above to serve as directors.

PROPOSAL TWO

ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

Section 14A of the Exchange Act requires that the Company's stockholders have the opportunity to provide an advisory, non-binding vote to approve the Company's executive compensation as disclosed in this proxy statement pursuant to the SEC's compensation disclosure rules. Accordingly, the Company's stockholders are hereby given the opportunity to cast an advisory vote to approve or not approve the compensation of the Company's named executive officers as described below, by voting for or against this proposal.

The Compensation and Benefits Committee of the Board of Directors has designed the Company's executive compensation to motivate, attract and retain employees who play a significant role in the organization's current and future success. The Compensation and Benefits Committee and the Board structure executive compensation to motivate these employees to maximize stockholder value by achieving performance goals while limiting risk appropriately and maintaining the safety and soundness of the organization. For a full description of these executive compensation practices, please see the description provided under the heading "Executive Compensation," including the "Compensation Discussion and Analysis".

The Company believes that its executive compensation and compensation practices and policies are reasonable in comparison to its peer group, are focused on pay-for-performance principles, are strongly aligned with the long-term interest of stockholders and are necessary to attract and retain experienced, highly qualified executives important to the Company's long-term success and the enhancement of stockholder value. The Board of Directors believes that the Company's executive compensation achieves these objectives, and, therefore, recommends that stockholders vote "for" the proposal.

Because this vote is advisory, it will not be binding on the Board of Directors and will not be construed as overruling any decision made by the Board of Directors. The Compensation and Benefits Committee and the Board of Directors will take into account the outcome of this advisory vote when considering future executive compensation arrangements, but they are not required to do so.

We anticipate that the next advisory and non-binding vote to approve the compensation of the Company's named executive officers will occur at the 2020 Annual Meeting.

The Board of Directors recommends that stockholders vote "FOR" this proposal to provide advisory approval of the compensation of the Company's named executive officers.

PROPOSAL THREE

ADVISORY VOTE ON THE FREQUENCY OF ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

Section 14A of the Exchange Act requires that the Company's stockholders have the opportunity to recommend how frequently the Company should provide an advisory vote at least once every six years on the Company's executive compensation, as disclosed pursuant to the SEC's compensation disclosure rules, such as Proposal Two beginning on page 11.

By voting on this proposal, stockholders may indicate whether they would prefer that the advisory vote on the Company's executive compensation occur every one, two or three years. Stockholders also may abstain from casting a vote on this proposal.

After careful consideration, the Board of Directors has determined that an advisory vote on the Company's executive compensation that occurs every year is the most appropriate alternative for the Company, and therefore the Board of Directors recommends that stockholders vote for a one-year frequency for the advisory vote on the compensation of the Company's named executive officers.

In formulating its recommendation, the Board of Directors considered that an annual advisory vote on the Company's executive compensation will allow stockholders to provide the Company with their direct input on the Company's executive compensation philosophy, policies and practices as disclosed in the proxy statement every year. Additionally, an annual advisory vote on the Company's executive compensation is consistent with the Company's policy of seeking input from, and engaging in discussions with, stockholders on corporate governance matters and executive compensation.

Stockholders may cast their votes on the preferred frequency of the advisory vote on the compensation of the Company's named executive officers by choosing the option of one year, two years, three years or abstain from voting when voting on this proposal. The option of one year, two years or three years that receives the highest number of votes cast by the stockholders will be the frequency for the advisory vote on the Company's executive compensation that has been recommended by the stockholders. The Board of Directors will take into account the outcome of the vote when considering how frequently to provide an advisory vote on the compensation of the Company's named executive officers in the future. However, because this vote is advisory and not binding on the Board of Directors or the Company, the Board of Directors may decide that it is in the best interests of the Company and its stockholders to select a frequency of advisory vote on the Company's executive compensation that differs from the option that receives the highest number of votes from stockholders. Stockholders are not being asked to approve or disapprove the recommendation of the Board of Directors. We anticipate that the next vote on the frequency of advisory votes on the compensation of the Company's named executive officers will occur at the 2025 Annual Meeting of Stockholders.

The Board of Directors recommends that stockholders vote for a frequency of "EVERY YEAR" for future advisory votes on the compensation of the Company's named executive officers.

PROPOSAL FOUR

The Audit Committee has appointed Yount, Hyde & Barbour, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019. Yount, Hyde & Barbour, P.C. rendered audit services to the Company for the fiscal year ended December 31, 2018. Corporate Governance and Board Leadership

The Board of Directors is the Company's governing body, elected by the stockholders, and responsible for hiring, overseeing and evaluating Management, in an effort to fulfill the Company's Strategic Plan, while balancing business risks. The Board has delegated various responsibilities and authority to different Board committees, which include the Executive Committee, Audit Committee, Directors Loan Committee, Compensation and Benefits Committee, Nominating and Corporate Governance Committee, and Board Risk Committee.

Management is charged with the day to day operations of the Company and its affiliates, with direction from the Board of Directors, and in a manner consistent with the Company's Strategic Plan and Code of Ethics. The Chief Executive Officer and Management are required to seek the advice and, at times the approval, of the Board with respect to extraordinary actions undertaken by the Company.

Mr. Shuford, Sr. holds the combined role of Chairman, President and CEO. The Board believes Mr. Shuford, Sr. is best suited to lead the Company's execution of strategy considering his vast Company and industry knowledge. The Board believes that the combined role of Chairman, President and CEO promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance. Robert F. Shuford, Jr. serves as Chairman of the Board, President and CEO of the Bank, and Mr. Jordan, II serves as Chairman of the Trust Company Board, President and CEO of the Trust Company. The Board believes that this leadership structure is currently the most effective for the Company.

In addition, Dr. Greene serves as Chairman of the Independent Directors. He is a liaison between the Chairman and the Independent Directors and has the authority to call meetings of the Independent Directors and preside over executive sessions to discuss various matters, including director elections. He participates in retaining consultants who report directly to the Board, assists the Board and Company officers in assuring compliance and implementation of governance principles, and advises the Independent Directors in fulfilling their roles. As Chairman of the Compensation and Benefits Committee, he also oversees the process of hiring, firing, evaluating, and compensating the CEO. Dr.

Greene's professional background, experience and education make him instrumental in serving as Chairman of the Independent Directors for the Board of Directors. The Board periodically reviews its leadership structure to determine if it is still the most appropriate for the Company.

Board Role in Oversight of Risk

The Board of Directors has responsibility for oversight of the Company's risk. The Board of Directors manages risk through representative participation on the Company's committees. Minutes and reports of committee meetings are reviewed by the Board. Policies for all major risk areas are approved annually by the Board. Independent review and monitoring functions within the Company report to respective committees addressing areas of financial, liquidity, operational (including cybersecurity), credit, fiduciary, and compliance risks. Committees with a major role in risk oversight are the Audit Committee, Directors Loan Committee, Compensation and Benefits Committee, Strategic Planning Committee and Board Risk Committee.

The Audit Committee, composed of independent directors, oversees the Company's management of significant risks by reviewing the scope of work and reports from the Company's independent registered public accounting firm, internal audit, the independent loan review firm and the regulatory management function. The Audit Committee also reviews the scope of and reports, from the independent loan review firm.

The Directors Loan Committee analyzes lending activities, significant credits, and evaluates credit risk.

The Compensation and Benefits Committee assesses the fairness of, and the risks associated with, the compensation and benefits structure.

The Strategic Planning Committee evaluates global risks in the development of the Company's strategic plan. The Board Risk Committee oversees the management of the Company's Enterprise Risk Management Program.

As circumstances warrant, the committees present reports to the Board of Directors regarding the respective committee's analysis of the risks and steps the committee recommends that the Board and management take to address these risks.

Board Committees and Attendance

The Board of Directors is comprised of a majority of "independent directors," as defined by the listing standards of the NASDAQ Stock Market. Independent Directors do not receive consulting, legal or other fees from the Company other than Board and committee compensation. Although companies affiliated with certain of these directors provide goods and services to the Company, the Board of Directors has determined in accordance with the NASDAQ listing standards that these Independent Directors have no relationships with the Company that would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. The Independent Directors are Messrs. Adams, Chisman, Evans, Glasser, Keefe, Langley, Dr. Greene and Mrs. Thacker.

The Board reviews each director's independence status on an annual basis to ensure compliance with NASDAQ listing standards. In addition to reviewing the relationships and transactions disclosed under "Compensation and Benefits Committee Interlocks and Insider Participation" and under "Interest of Management in Certain Transactions" below, the Board also considered the relationships discussed below in determining each director's independence status.

The Board considered the relationship between the Company and the law firm of Glasser & Glasser, of which Mr. Glasser is a partner, which law firm received fees of approximately \$8,600 for performance of legal services for one of the Company's subsidiaries in 2018. The Board also considered the relationship of Mr. Glasser and Crown Center Associates LLC with the Company (discussed under "Interest of Management in Certain Transactions"). The Board has determined that these relationships do not interfere with Mr. Glasser's ability to act in an independent manner.

During 2018, there were 13 meetings of the Board of Directors of the Company. Each director attended at least 75% of all meetings of the Board and committees on which he or she served.

The Independent Directors also met in regularly scheduled executive sessions in January, March, June, and December of 2018.

The Company has not adopted a formal policy on Board members' attendance at its annual meetings of stockholders, although all Board members are invited and encouraged to attend and, historically, most have done so. Twelve of the thirteen Board members attended the Company's 2018 Annual Meeting.

The Board of Directors of the Company has standing Executive, Audit, Compensation and Benefits and Nominating and Corporate Governance Committees.

Executive Committee. Current members of the Executive Committee are Messrs. Shuford, Sr. (Chairman), Shuford, Jr., Glasser, Dr. Greene and Mrs. Thacker. The Executive Committee serves in an advisory capacity, reviewing matters and making recommendations to the Board of Directors. The Executive Committee met four times in 2018.

Audit Committee. Current members of the Audit Committee are Mrs. Thacker (Chairman), Messrs. Adams, Evans, Keefe and Dr. Greene. The Board of Directors has determined that all of the members of the Audit Committee satisfy the independence and financial literacy requirements for audit committee members under the NASDAQ listing standards and applicable SEC regulations. In addition, at least one member of the Audit Committee has past employment experience in finance or accounting or comparable experience which results in the individual's financial sophistication. The Board of Directors has also determined that Mr. Adams qualifies as an "audit committee financial expert" within the meaning of applicable regulations of the SEC promulgated pursuant to the Sarbanes-Oxley Act of 2002.

The Audit Committee assists the Board in its financial reporting oversight duties, internal controls, audit function, whistleblower policy, and other matters relating to corporate governance. The Audit Committee is responsible for the appointment, compensation, retention and oversight of the work of the Company's independent registered public accounting firm. The Audit Committee reviews on a regular basis the work of the Company's internal audit department, regulatory compliance monitoring, and loan review functions. It also reviews and approves the scope and detail of the continuous audit program, which is conducted by the internal audit staff to protect against improper and unsound practices and to furnish adequate protection for all assets and records. During 2018, the Audit Committee met five times.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Audit Committee Charter is posted on the Company's website of www.oldpoint.com under the "Community" link, then the "Investor Relations" link and then under the "Governance Documents" link.

Compensation and Benefits Committee. Current members of the Compensation and Benefits Committee are Dr. Greene (Chairman), Messrs. Chisman, Evans, Keefe and Mrs. Thacker. The Board of Directors has determined that the members of the Committee are "independent directors" (within the meaning of Rule 5605(a) (2) of the NASDAQ Listing Rules). In addition, no Committee member is a current or former employee of the Company or any subsidiary or affiliate. While the Committee members are not required to have certain qualifications or special knowledge, they each have held or currently hold high-level management and employee supervisory positions in their respective fields that include duties relating to compensation of employees at multiple levels.

The Committee reviews and recommends compensation adjustments for all exempt employees (including senior management) and compensation arrangements for the Board of Directors. The Committee submits its recommendations to the full Board for final approval. The Committee met four times in 2018. The dates, meeting times and agenda items for committee meetings are set in accordance with the subject matter to be discussed and are determined by the Committee Chairman and the Human Resources Director. The Committee also administers the Old Point Financial Corporation 2016 Incentive Stock Plan (the Incentive Stock Plan).

The Compensation and Benefits Committee operates under a written charter adopted by the Board of Directors. The Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Compensation and Benefits Committee Charter is posted on the Company's website of www.oldpoint.com under the "Community" link, then the "Investor Relations" link and then under the "Governance Documents" link.

Nominating and Corporate Governance Committee. Current members of the Nominating and Corporate Governance Committee are Dr. Greene (Chairman), Messrs. Adams and Glasser and Mrs. Thacker, each of whom is "independent" for this purpose according to NASDAQ listing standards. The Nominating Committee was formed in 2016 and, in

early 2018, was renamed the Nominating and Corporate Governance Committee to address the Board's corporate governance duties. The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board of Directors. The Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Nominating and Corporate Governance Committee Charter is posted on the Company's website of www.oldpoint.com under the "Community" link, then the "Investors Relations" link and then under the "Governance Documents" link. During 2018, the Nominating and Corporate Governance Committee met three times.

16

The Nominating and Corporate Governance Committee is responsible for, among other things:

- developing and recommending to the Board criteria for the selection of new directors and recommending to the Board nominees for election as directors and appointment to committees;
- developing, recommending modifications to, and monitoring and enforcing compliance with our corporate governance practices, including our Board Code of Ethics and other policies and procedures, to the Board;
- advising the Board on corporate governance matters, including as appropriate obtaining updates on corporate governance developments from professional advisors.

A formal Board evaluation covering Board operations and performance is conducted annually by the Committee to enhance Board effectiveness. The full Board completes annual self-evaluations to assess the performance of the Board as a whole and, separately, the performance of each of its individual directors. Results are considered by the full Board. In addition, the following Board committees conduct annual self-evaluations to assess their performance: Audit, Compensation and Benefits, and Nominating and Corporate Governance.

The Committee annually reviews with the Board the experience, qualifications, attributes and/or skills required of directors. This review includes an assessment of independence, diversity, age, skills, experience and industry backgrounds in the context of the needs of the Board and the Company, as well as the ability of current and prospective directors to devote sufficient time to performing their duties in an effective manner. Directors are expected to actively participate in Board discussions and exemplify the highest standards of personal and professional integrity. In particular, the Committee seeks directors with established strong professional reputations and expertise in areas relevant to the strategy and operations of our businesses.

While the Company does not have a formal diversity policy for the selection of directors, as a matter of practice, the Committee considers diversity in the context of the Board as a whole and takes into account diversity, which may include personal characteristics (such as gender, ethnicity or age) and experience (such as industry, professional or public service) of current and prospective directors, when selecting new directors to facilitate Board deliberations that reflect a broad range of viewpoints. The Committee's charter gives it responsibility to develop and recommend criteria for the selection of new directors to the Board, including but not limited to diversity, age, skills, experience, time availability and such other criteria as the Committee shall determine to be relevant at the time. In addition, the Committee seeks director candidates that will result in the Board of Directors consisting of a majority of "Independent Directors" at all times.

The Committee considers candidates for Board membership recommended by its members and other Board members, as well as by management and stockholders. While there are no formal procedures for stockholders to submit director candidate recommendations, the Nominating and Corporate Governance Committee will consider candidates recommended in writing by stockholders entitled to vote in the election of directors. Such written submissions should include the name, address, and telephone number of the recommended candidate, along with a brief statement of the candidate's qualifications to serve as a director. All such stockholder recommendations should be submitted to the attention of the Company's Secretary at the Company's principal office located at 1 West Mellen Street, Hampton, Virginia 23663 and must be received by January 2, 2020 to be considered by the Committee for the next annual election of directors. Any director candidate recommended by a stockholder will be reviewed and considered by the Committee in the same manner as all other director candidates based on the qualifications described in this section. From time to time the Nominating and Corporate Governance Committee may also engage a third-party search firm to identify prospective Board members.

In addition to recommending to the full Board whether or not current directors should be nominated for re-election, the Nominating and Corporate Governance Committee also identifies new candidates in the event of a vacancy on the Board. The Committee identifies potential director candidates from a variety of sources, including management, consultants and other individuals likely to possess an understanding of the Company's business and knowledge of

suitable candidates. The Committee evaluates the experience, qualifications, attributes and skills of candidates for membership to the Board of Directors. Following this evaluation process, candidates are recommended by the Committee for nomination by the full Board of Directors. The full Board then selects nominees to recommend to the Company's stockholders in the annual election process or appoints new directors to serve until the next annual election.

17

Compensation and Benefits Committee Interlocks and Insider Participation

Current members of the Compensation and Benefits Committee are Dr. Greene (Chairman), Messrs. Chisman, Keefe, Evans, and Mrs. Thacker. None of these individuals is or has been an officer or employee of the Company or any of its affiliates. Furthermore, none of the Company's executive officers has served on the board of directors or compensation committee of any company of which an executive officer of such company served as a director of the Company or as a member of the Compensation and Benefits Committee.

During 2018 and through the present time, there have been transactions between the Company's banking subsidiary and certain members of the Compensation and Benefits Committee or their associates, all consisting of extensions of credit by the Bank in the ordinary course of business. Each transaction was made on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other unrelated persons. In the opinion of management, none of these transactions involved more than the normal risk of collectability or presented other unfavorable features.

DIRECTOR COMPENSATION

The Compensation and Benefits Committee considers Board compensation on an annual basis in most years based on an informal survey of board compensation paid by peer financial institutions. The Committee also engages Pearl Meyer & Partners (Pearl Meyer) to conduct periodic comprehensive competitive market assessments of the Company's non-employee director compensation program. During 2018, the fees paid in cash were for non-employee director attendance at Board meetings and committee meetings, and each non-employee director was paid an annual retainer fee. Non-employee directors of the Bank and Trust Company receive \$600 and \$350, respectively, for each Board meeting they attend. The non-employee directors on the Peninsula Regional Board and Southside Regional Board receive \$150 for each Regional Board meeting they attend. The non-employee directors of the Bank and Trust Company receive \$200 for each committee meeting they attend except for the Bank's Investment Committee meetings for which members receive \$150 and the Bank's Director's Loan Committee, Compensation and Benefits Committee, Nominating and Corporate Governance Committee and the Audit Committee meetings for which members receive \$300. Non-employee directors of the Bank and Trust Company receive an annual retainer fee of \$12,000 and \$4,000, respectively. The non-employee directors on the Peninsula Regional Board and the Southside Regional Board each receive an annual retainer fee of \$1,000. In addition, the Chairman of the Audit Committee receives an additional \$2,000, the Chairman of the Trust Company Board receives an additional \$2,000, the Lead Director of the Bank Board receives an additional \$5,000 annual retainer, the Chairman of the Directors Loan Committee receives an additional \$2,000 retainer, and the Chairman of the Compensation and Benefits Committee receives an additional \$3,000 retainer. Non-employee directors are eligible to receive equity compensation awards under the Incentive Stock Plan. The Committee began awarding equity compensation to non-employee directors in 2018, with each non-employee director receiving an award of 250 shares of restricted stock that vest in one year. The Company reimburses travel, lodging and meal expense for all directors living outside of Virginia to attend Board and Committee meetings. The Company also pays for all directors and their spouses to attend Board seminars. None of the directors received perquisites or other personal benefits in excess of \$10,000 in 2018. Any recommendations for changes in Board compensation are generally made by the Compensation and Benefits Committee and presented to the full Board for approval.

The following table provides compensation information for the year ended December 31, 2018 for each non-employee member of the Company's Board of Directors.

Interest of Management in Certain Transactions

Some of the Company's directors, executive officers, and members of their immediate families, and corporations, partnerships and other entities of which such persons are officers, directors, partners, trustees, executors or beneficiaries, are customers of the Bank. All loans and commitments to lend to such individuals were made in the ordinary course of business, upon substantially the same terms, including interest rates and collateral and repayment terms, as those prevailing at the time for comparable transactions with other unrelated persons and in the opinion of management did not involve more than normal risk of collectability or present other unfavorable features. Pursuant to the Company's written Insider Policy, all directors and executive officers (including named executive officers), who have specific business contracts with the Company or the Bank greater than \$25,000 or aggregate business dealings with the Company or the Bank greater than \$120,000 per calendar year are considered significant and must be submitted to the Board of Directors for approval. Directors and executive officers are expected to make reasoned and impartial decisions in the workplace. As a result, approval of the proposed business is denied if the Board believes that the director's or executive officer's interest in such business could influence decisions relative to the Company's business, or have the potential to adversely affect the Company's business or the objective performance of the director's function or executive officer's work. The Board of Directors is responsible for overseeing compliance with the Insider Policy.

Mr. Glasser is a partner of the law firm of Glasser & Glasser, which received fees of approximately \$8,600 for performance of legal services for one of the Company's subsidiaries in 2018. Mr. Glasser is also a managing partner of CCA Managing Co. LLC, which is the managing partner of Crown Center Associates LLC (Crown Center Associates). The Bank has a lease with Crown Center Associates for one of its branches. The original lease was a ten-year lease signed August 16, 2000 (eight years prior to Mr. Glasser joining the Company Board) with two five-year renewal periods. Approximately 29% of Crown Center Associates is owned by Michael A. Glasser Family LLC. Richard S. Glasser is the brother of Michael A. Glasser and 10% owner of Richard S. Glasser Family LLC, which owns 50% of Crown Center Associates. In 2015, the lease was renewed for an additional five-year term from December 1, 2015 to November 30, 2020. The aggregate amount due from the Bank to Crown Center Associates on the renewed lease is \$394,000 from December 1, 2015 through its expiration date of November 30, 2020. The dollar amount of Mr. Michael Glasser's interest in the renewed lease when aggregated with the interests of these family businesses is approximately \$134,000. Mr. Michael Glasser did not participate in the negotiation or approval of the renewal of the lease.

The relationships of Mr. Glasser with the Company and the lease disclosed above and under "Board Committees and Attendance" were approved by the Board of Directors pursuant to the Insider Policy.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation and Benefits Committee (for purposes of this discussion, the Committee) of the Board of Directors has responsibility for establishing, implementing and monitoring adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the Company's executive management is fair and reasonable.

Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Executive Officer of the Bank, Chief Business and Development Officer (CBDO) and Chief Executive Officer of the Trust Company during 2018 are referred to as the named executive officers or NEOs. The Company's senior management includes all of the NEOs.

General Philosophy

The Company compensates its senior management through a mix of base salary, bonus and, in some years, equity compensation, designed to motivate, attract and retain executive talent, consistent with pay-for-performance principles, and to align management's incentives with the long-term interests of stockholders, while limiting risk appropriately and maintaining the safety and soundness of the organization. The process of determining compensation consists of establishing targeted overall compensation for each senior manager and then allocating that compensation between base salary and incentive compensation, and recommending in 2018, equity compensation. At the officer level, the Committee designs the incentive compensation to reward company-wide performance. Beginning in 2015, the Committee made bonus awards contingent on achievement of a minimum budgeted net income goal in order to establish an incentive target opportunity for each participant under the Old Point Financial Corporation Incentive Compensation Plan (the Incentive Plan). After each participant's incentive target opportunity is established, awards will be determined following the end of the plan year based on the performance of the Company and, for employees who are not NEOs, individual/team performance against established goals. Awards under the Incentive Plan for NEOs will be tied solely to Company performance. In 2016, stockholders approved the Incentive Stock Plan. Under the Incentive Stock Plan, the Committee has the ability to award equity compensation in the form of stock options, restricted stock, restricted stock units, stock appreciation rights, stock awards and performance units to key employees in its discretion. In 2018, restricted stock awards were granted to the Company's senior management team as well as to non-employee directors. Generally, the types of compensation and benefits provided to the Company's senior management are intended to be similar to those provided to other executive officers in comparable institutions in Virginia. The Committee believes it is important to have the most capable managers in place and that it would be a disservice if executives were not adequately rewarded.

2018 Say on Pay Vote

In connection with the 2018 Annual Meeting, the Company asked its stockholders to approve the compensation of the Company's named executive officers as disclosed in the proxy statement. Although the advisory vote on executive compensation was non-binding, the Committee considered the outcome of this vote when making subsequent compensation decisions for the CEO and other executive officers. At the Company's 2018 Annual Meeting held on May 22, 2018, approximately 96% of the stockholders who voted on the "say-on-pay" proposal approved the compensation of the Company's named executive officers, while approximately 4% voted against. In light of such strong stockholder support, the Committee did not make any significant changes to the Company's executive compensation practices in 2018 compared to 2017.

Board Process

Compensation adjustments and monetary awards to executive officers are recommended by the Committee for approval by the full Board of Directors, which makes the final decisions. Mr. Shuford, Sr., CEO (Company), hereafter referred to as CEO, Mr. Shuford, Jr., President and CEO (Bank) and Mr. Witt, SEVP/CBDO (Bank), all of whom serve on the Company's Board of Directors, are not present during deliberations or voting with respect to their compensation.

21

Generally, on its own initiative, the Committee reviews the individual performance for the CEO and the President and CEO (Bank), and following discussions with those individuals, recommends their compensation levels to the full Board of Directors (excluding the CEO and the President and CEO (Bank)). For the remaining NEOs, the CEO and the President and CEO (Bank) make recommendations to the Committee that generally, with minor adjustments, are accepted by the Committee and presented to the full Board of Directors for approval annually during the month of March.

In years when it grants equity compensation to executive officers, the Committee approves equity grants to the CEO based on the Committee's evaluation of his performance and to other executive officers based on the recommendation of the CEO. Under the Incentive Stock Plan, equity-based awards and any related performance goals for NEOs will be determined by the Committee, which is composed entirely of "independent directors."

The Committee, from time to time, engages Pearl Meyer to assist the Committee in assessing and revising the Company's compensation for officers and directors. In years when it is engaged, Pearl Meyer conducts a comprehensive competitive market assessment of the Company's executive and non-employee director compensation programs.

Pearl Meyer does not provide any consulting services to the Company other than in connection with executive and non-employee director compensation advice, and it maintains no other economic relationship with the Company. The Committee assessed the independence of Pearl Meyer pursuant to SEC and NASDAQ rules and concluded that the advice it receives from Pearl Meyer is objective and not influenced by other relationships that could be viewed as conflicts of interest.

Targeted Overall Compensation

To assist in establishing the aggregate level of compensation that the Company would pay in 2018, the Committee utilized a 2017 peer group analysis prepared by Pearl Meyer of 21 Mid-Atlantic banks (Access National Corporation, Bank of South Carolina Corporation, Bank of the James Financial Group Inc., Carolina Trust BancShares, Inc., C&F Financial Corporation, Community Bankers Trust Corporation, Fauquier Bankshares Inc., First Community Corporation, First South Bancorp Inc., Glen Burnie Bancorp., Howard Bancorp Inc., HomeTown Bankshares Corporation, National Bankshares Inc., Peoples Bancorp of North Carolina Inc., Premier Financial Bancorp Inc., Southern First Bancshares Inc., Shore Bancshares Inc., Select Bancorp Inc., Southern National Bancorp of Virginia, Inc., The Community Financial Corporation and Village Bank and Trust Financial Corporation) with assets ranging from \$375 million to \$1.5 billion. The Company's assets were \$1.0 billion at December 31, 2018. Generally, targeted overall compensation correlates to what these financial institutions would offer individuals to fill executive management positions with similar skills and backgrounds to those the Company employs. Additionally, total compensation is established relative to the Company's performance and internal/external peer comparisons.

The CEO, serving in his capacity as Executive Chairman, has received targeted cash compensation of \$300,000 for the past nine years. This compensation level was considered in line with the related Bank CEO peer data and commensurate with his duties and responsibilities.

The Committee follows a similar process with respect to establishing targeted overall compensation for the other NEOs. While the Committee considers the peer compensation analysis, the responsibilities of the Company's NEOs vary widely and the direct comparisons with the peer group do not always provide an appropriate direct comparison point. Based upon the Committee's review of the peer compensation analysis and review of Company and individual performance during 2017, the Committee set the 2018 overall targeted compensation for the other NEOs at levels that are in the mid-range for positions among the peer group with similar scope of responsibility and required skill level.

Allocation Among Components

Under the Company's 2018 compensation structure, an approximate mix of base salary, incentive compensation and equity compensation is as follows:

	Base Salary	Incentive Compensation	Equity Compensation
Chief Executive Officer	81%	9%	10%
President & CEO (Bank)	81%	9%	10%
President & CEO (Trust)	81%	9%	10%
Executive Vice Presidents(1)	81%	9%	10%

An additional restricted stock award with a grant date fair value of \$45,851 was awarded to the CFO on August 14, 2018 in connection with his 2017 hiring and is not factored into these percentages. All of the restricted stock (1)awards were granted under the Company's Incentive Stock Plan, and the grant date fair value of the restricted stock was calculated in accordance with ASC Topic 718 and based on the closing price of the Company's common stock on the grant date.

In allocating compensation among base salary, annual bonus compensation and equity compensation, the Committee believes that the compensation of senior-most levels of management should begin with a base level. Bonuses and equity compensation, in years when such are granted, are generally awarded based on Company performance and are designed to encourage good behavior and best practices. Base salaries generally represent a large portion of the executive officers' total cash compensation and are generally considered to be average relative to the Company's peer financial institutions. Base salaries are also based on individual performance components.

The Committee believes that the top levels of management have the greatest ability to influence Company performance. Therefore, the Committee bases annual bonus compensation on Company performance. When the Company's performance is above budgeted goals, the top levels of management are rewarded. Likewise when the Company's performance does not meet budgeted expectations, the top levels of management receive a lower or no bonus.

Under the Incentive Stock Plan, the Committee has the ability to award equity compensation in the form of stock options, restricted stock, restricted stock units, stock appreciation rights, stock awards and performance units to key employees in its discretion. In 2018, restricted stock awards were made to certain members of senior management and non-employee directors.

Base Salaries

The Committee strives to provide executive management with a fair and reasonable level of assured cash compensation in the form of base salary given their professional status and accomplishments. The Company has a compensation structure with salary ranges for management including the CEO and other executive managers. These ranges are based on the peer compensation analysis discussed above. The last adjustments to the ranges were made in March 2016 in an effort to remain fair and reasonable within the Company's marketplace. The structure is designed to recruit and retain qualified personnel and is reviewed on an annual basis by the Committee to determine if adjustments to the ranges are appropriate. For 2018, the base salary ranges used for setting salaries were \$230,000 to \$375,000 for the CEO and from \$140,000 to \$375,000 for the other NEOs.

Each March, the Committee recommends the base salary of the CEO within the established range to the Board of Directors. Within this range, the CEO's base salary is determined using the peer compensation analysis in addition to the CEO's individual and Company performance during the prior year. The base salary of the CEO as of April 1, 2018 was \$300,000 to align with current roles and responsibilities.

23

For the executive officers other than the CEO, each March the Committee recommends the executive's base salary within the established range to the Board of Directors, based on the recommendation of the CEO, President & CEO (Bank), and President & CEO (Trust). The base salaries of other officers including the other executive officers are determined using the peer compensation analysis in addition to the officer's individual performance during the prior year and the Company's performance during the prior year, based on the same performance objectives used for the CEO.

The base salary of the President and CEO (Bank) was increased to \$339,900 in 2018. The CFO's salary was increased to \$291,000 in 2018. The SEVP/CBDO's salary was increased to \$307,100 and President and CEO (Trust)'s salary was increased to \$195,700 in 2018. These increases reflect a standard merit increase.

Bonuses

The Company has in place an annual Incentive Plan that includes exempt employees that are officer level 2 and above, including all of the named executive officers. The Incentive Plan is designed to motivate and reward Participants for the achievement of fiscal year financial and non-financial objectives that directly contribute to the success of the Company. The Incentive Plan provides for the potential payment of annual cash bonus awards to designated exempt employees of the Company and its subsidiaries (Participants) based on the achievement of Company and, in the case of employees below officer level 5, individual and team performance goals established by the Committee or CEO, as appropriate, for each plan year.

Under the Incentive Plan, at the beginning of each plan year, the Committee, upon the recommendation of the CEO, will approve Participants for the year. The Committee or the CEO, as appropriate, will also establish target bonus amounts and performance goals and weighting for the determination of bonus awards for each Participant for the year. Following the end of each year, the Committee, upon the recommendation of the CEO, will review Company and where applicable, individual and team performance against the established goals and determine the cash bonus award earned by each Participant, if any. Bonuses earned under the Incentive Plan are paid in cash during the first quarter following the end of each plan year.

The target bonus amounts and performance goals and weightings for a plan year will not be the same for all Participants, but the primary Company performance goal under the Incentive Plan will be the Company's budgeted amount for net income for the year.

To ensure dollars are available based on performance to fund the Incentive Plan, the Company must achieve a threshold (minimum) level of budgeted net income each year to formally fund the Incentive Plan. If the threshold level of budgeted net income is not achieved, the plan will not activate. However, the Committee has the ability to make discretionary awards to key performers if the plan does not activate. The Committee also has discretion to modify, increase or eliminate awards based on any positive or negative business factors.

Each year, a Participant will be eligible to earn a cash bonus award consisting of a target base bonus award that may be increased or decreased based on the Company's net income for the plan year as well as Company and, in the case of employees below officer level 5, individual and team performance against other established goals. The target bonus amounts will be equal to a percentage of the Participant's base salary actually earned during the plan year. The maximum is the amount received if all objectives are exceeded and reach the maximum level of performance allowed by the plan's design.

In order to pay incentive awards at the target level, the Company must achieve its budgeted net income goal for the year. If net income does not reach that level, each Participant's incentive target opportunity will be reduced in accordance with a matrix approved by the Committee for the year. If net income exceeds the target each Participant's incentive target opportunity will be adjusted higher in accordance with the matrix. No adjustments are made based on

performance in between performance levels in the matrix. Incentive target opportunities will not adjust upward until the next performance level is achieved.

Actual awards can range from 0% to 150% of the adjusted target depending on performance. Threshold (i.e., minimum acceptable) performance will pay out at 50% of target and achieving stretch (i.e., superior) performance can result in awards up to 150% of target. For example, if a Participant's adjusted target incentive opportunity is 4.00%, the threshold payout opportunity would be 2.00% ($4\% * 50\%$) and the stretch/maximum payout opportunity would be 6% ($4\% * 150\%$).

Incentive awards for officers in officer level 5 and 6, which includes all the NEOs, are tied to only Company performance and are not adjusted for individual performance.

The Incentive Plan also contains a clawback provision, providing that in the event the Company is required to prepare an accounting restatement due to error, omission or fraud, each executive officer may be required to reimburse the Company for part or the entire incentive award received.

For 2018, each of the Company's NEOs was a Participant in the Incentive Plan. The target bonus amounts for each of the other NEOs for 2018 was 9% of annual base salary earned.

For 2018, the budgeted net income goal was \$5.9 million. The minimum level of net income required to fund the Incentive Plan for 2018 was 80% of budgeted net income goal, which would result in an adjusted threshold payout opportunity of 4.50% of annual base salary. In order to payout incentives at target, the Company would need to achieve its budgeted net income goal. In order to payout incentives at the maximum level at least 120% of the budgeted net income goal must be achieved, which would result in an adjusted maximum payout opportunity of 13.5% of annual base salary earned for 2018. The Company's adjusted net income for 2018 was \$5,655,885 which was above the 80% minimum level of net income required to fund the Incentive Plan for 2018.

The 2018 target bonuses and performance goals for the Company's named executive officers were based on achieving the budget goals for the following performance measures:

- Return on Average Assets (weighting 50%)
- Net Non-Interest Expense to Average Assets (weighting 25%)
- Non-performing Assets to Total Assets (weighting 25%)

The adjusted target goal, the actual outcome and the achievement level for each of these performance measures for 2018 were as follows:

Performance Measurement	Goal	Actual	Achievement Level
Return on Average Assets*	0.60 %	0.55 %	Above Threshold
Net Non-interest Expense to Average Assets*	2.42 %	2.40 %	Above Target
Non-performing assets to Total Assets	1.00 %	1.42 %	Below Threshold

*Actual income for the Return on Average Assets metric and the Net Non-interest Expense To Average Assets metric have been adjusted for nonrecurring merger expenses.

As noted above, under the Incentive Plan, the Committee has the ability to make discretionary awards to key performers if the Plan does not activate. No such discretion was exercised in 2018, as the Company's net income was sufficient to fund the Incentive Plan for 2018 for named executive officers.

Long Term Incentive Compensation

On May 24, 2016, the Company's stockholders approved the Incentive Stock Plan. The Incentive Stock Plan permits the issuance of up to 300,000 shares of common stock for awards to key employees and non-employee directors of the Company and its subsidiaries in the form of stock options, restricted stock, restricted stock units, stock appreciation rights, stock awards and performance units. With respect to executive compensation, the purpose of the Incentive Stock Plan is to promote the success of the Company by providing greater incentive to key employees to associate their personal interests with the long-term financial success of the Company and its subsidiaries and with growth in stockholder value, consistent with the Company's risk management practices. The Incentive Stock Plan is designed to provide flexibility to the Company in its ability to motivate, attract, and retain the services of key employees and non-employee directors. In 2018, time-based restricted stock awards were granted to the Company's senior management team and non-employee directors, consistent with the type of awards offered by our peer bank group.

Employment Agreements

On February 22, 2018, the Company and the Bank entered into employment agreements with Mr. Shuford, Jr., Mr. Farrar and Mr. Witt. The Company and the Trust (the Trust Company, and together with the Company and the Bank, as applicable, the Employer) also entered into an employment agreement with Mr. Jordan, II (collectively, the Agreements). The Agreements are effective as of February 22, 2018 (the Effective Date), and the terms of the Agreements are substantially similar to each other, except as described below.

The Agreements provide for an initial 3-year term for Messrs. Shuford, Jr. and Jordan, II and an initial 2-year term for Messrs. Farrar and Witt, each beginning on the Effective Date, unless earlier terminated under the provisions of the Agreements. The Agreements will automatically renew for 3-year terms for Messrs. Shuford, Jr. and Jordan, II and for 2-year terms for Messrs. Farrar and Witt, beginning on the first anniversary of the Effective Date, unless the Agreements expire or are previously terminated or the Bank (or the Trust Company for Mr. Jordan, II) or the NEO gives written notice of non-renewal at least 60 days prior to the renewal date.

Under the Agreements, Mr. Shuford, Jr.'s annual base salary will be at least \$330,000; Mr. Farrar's annual base salary will be at least \$285,000; Mr. Witt's annual base salary will be at least \$297,030; and Mr. Jordan, II's annual base salary will be at least \$190,000, subject to periodic review by the Company's Board (or its designee). Each NEO will be eligible to participate in the Incentive Plan, or any successor plan applicable to executives, and to receive equity-based or other awards granted under any equity plan established by the Company, in accordance with the terms of such plans, and as the Compensation and Benefits Committee may determine in the case of equity plan awards. In addition to any clawback provisions included in any cash or equity incentive plan or individual award agreement, the Agreements provide for the clawback of incentive compensation received from the Employer, including both equity and cash compensation, to the extent of any determined excess payment, in the event the Company is required to prepare a restatement of its financial results to correct an error that is material to previously issued financial statements and the result of which is that such incentive compensation paid would have been a lower amount had it been calculated based on such restated results or to the extent otherwise required by federal or state law or applicable regulation or stock exchange requirement.

Under the Agreements, each NEO will also be eligible to participate in any benefit plans offered by the Employer to senior executives, including, without limitation, group medical insurance and a deferred compensation plan. The Bank (or the Trust Company for Mr. Jordan, II) will pay each NEO's monthly social dues for any approved country club.

Under the Agreements, each NEO's employment may be terminated by the Employer with or without Cause (as defined in the Agreements), or the NEO may resign for or other than for Good Reason (as defined in the Agreements). If the NEO's employment is terminated without Cause or the NEO resigns for Good Reason, the NEO will be entitled to receive any unpaid base salary through the date of termination; any annual incentive compensation earned during the calendar year preceding the calendar year of termination but not yet paid; and any benefits or awards vested, due

and owing pursuant to the terms of any other plans, policies or programs (collectively, the Accrued Obligations) and certain other severance benefits as described below.

The Agreements provide that Messrs. Shuford, Jr. and Jordan, II will each be entitled to severance equal to 24 months of his base salary in effect at the time of termination plus 2 times the average of his annual bonuses payable for the 2 calendar years preceding the calendar year in which the termination occurs, in each case paid in equal installments over 24 months, and a lump sum payment equal to 24 times the monthly rate of the Bank's (or the Company's for Mr. Jordan, II) subsidy for coverage of medical, dental and vision benefits in effect on the date of termination. The Agreements provide that Messrs. Farrar and Witt will each be entitled to severance equal to 18 months of his base salary in effect at the time of termination, plus 1.5 times the average of his annual bonuses payable for the 2 calendar years preceding the calendar year in which the termination occurs, in each case paid in equal installments over 18 months, and a lump sum payment equal to 18 times the monthly rate of the Bank's subsidy for coverage of medical, dental and vision benefits in effect on the date of termination.

Each NEO will be entitled the Accrued Obligations and certain other severance benefits as described below, in the event the NEO's employment is terminated without Cause or the NEO resigns for Good Reason within 2 years after a Change of Control (as defined in the Agreements). The Agreements provide that Messrs. Shuford, Jr. and Jordan, II will each be entitled to an amount equal to 2.99 times his base salary in effect at the time of termination plus 2.99 (or 2 for Mr. Jordan, II) times the average bonus payable for the 5 calendar years preceding the calendar year in which the termination occurs (beginning with 2018), in each case paid in equal installments over 24 months, and a lump sum payment equal to 24 times the monthly rate of the Bank's (or the Company's for Mr. Jordan, II) subsidy for coverage of medical, dental and vision benefits in effect on the date of termination. The Agreements provide that Messrs. Farrar and Witt will each be entitled to an amount equal to 2 times his base salary in effect at the time of termination plus 2 times the average bonus payable for the 5 calendar years preceding the calendar year in which the termination occurs (beginning with 2018), in each case paid in equal installments over 24 months, and a lump sum payment equal to 18 times the monthly rate of the Bank's subsidy for coverage of medical, dental and vision benefits in effect on the date of termination. The Agreements provide that, in the event of a Change of Control, any severance payments or benefits to be paid pursuant to the Agreements will be limited (or cutback) to one dollar less than the maximum amount deductible under Section 280G of the Internal Revenue Code (the Code), if such a reduction would cause the NEO to receive more after-tax compensation than without the reduction.

If the NEO employment terminates due to death, the Agreements provide that the NEO's spouse or the NEO's estate shall receive payment of the Accrued Obligations. If the NEO's employment terminates due to Incapacity (as defined in the Agreements) of the NEO, the Employer shall have no obligation to the NEO other than payment of the Accrued Obligations. If the NEO's employment terminates for Cause or if the NEO terminates employment other than Good Reason (before or after a Change of Control), the NEO will be entitled to any unpaid base salary through the date of termination and payment of any vested and irrevocable benefits (excluding incentive compensation) due and owing pursuant to the terms of any plans, policies or programs.

The Agreements also include the following covenants that apply to the NEO following the cessation of the NEO's employment for any reason, including nonrenewal of the Agreements: (i) a confidentiality covenant that applies for 5 years following the cessation of the NEO's employment; (ii) a non-solicitation covenant that applies for 24 months following the cessation of employment for Messrs. Shuford, Jr. and Jordan, II and for 18 months following cessation of employment for Messrs. Farrar and Witt; (iii) a non-piracy covenant that applies for 24 months following the cessation of employment for Messrs. Shuford, Jr. and Jordan, II and for 18 months following cessation of employment for Messrs.

Farrar and Witt; and (iv) a non-competition covenant that applies for 24 months following the cessation of employment for Messrs. Shuford, Jr. and Jordan, II and for 18 months following cessation of employment for Messrs. Farrar and Witt. Except for the Accrued Obligations, payment of all of the severance payments and benefits discussed above (other than termination due to death or Incapacity) is contingent on the NEO's signing and not revoking a release and on the NEO's compliance with these restrictive covenants.

In certain cases, some or all of the severance payments and benefits provided on termination of the NEO's employment may be delayed for 6 months following termination to comply with the requirements of Section 409A of the Code.

Any payment required to be delayed would be paid at the end of the 6-month period in a lump sum, with any payments due after the 6-month period being paid at the normal payment date provided for under the Agreements. In the case of benefits that are delayed, the NEO would pay the cost of benefits coverage during the 6-month delay period and then be reimbursed by the Employer at the end of the 6-month period.

Perquisites and Other Compensation

None of the NEOs received perquisites or other personal benefits in excess of \$10,000 in 2018. These benefits, such as social club dues, would be detailed in the table entitled "All Other Compensation" if perquisites or other personal benefits in excess of \$10,000 had been received.

The Committee reviews any perquisites that the CEO and the other NEOs may receive on an annual basis. In general, the Company does not provide its executives with many of the types of perquisites that other companies offer their executives, such as personal use of a company vehicle or vehicle allowances. Exceptions are made when an NEO has responsibilities, such as sales and customer relationship management that require certain allowances to be paid. In addition to the base salary and incentive compensation described above, the Company provides its NEOs with the same benefit package available to all of its salaried employees. This package includes:

- Medical and dental insurance (portion of costs);
- Medical/dependent care reimbursement plan;
- Health Savings Plan;
- Life insurance;
- Short and long-term disability insurance;
- Participation in the Old Point Financial Corporation Employee Stock Purchase Plan (the ESPP) through which employees (other than Mr. Shuford, Sr., who is not eligible to participate) can purchase shares of the Company's common stock at a discount; and
- Participation in the Company's 401(k) plan, including the Company match.

The Company also offers post-retirement life insurance benefits to certain members of senior management in the form of a split dollar plan and a Management Section 162 Life Insurance Plan (162 Plan). For the split dollar plan, the Company owns the policy and cash values provide an annual return to the Company while providing a term insurance benefit to the individual employee, utilizing bank owned life insurance (BOLI) with a portion of the death benefit endorsed to the insured officer through a split dollar agreement. The amount endorsed under the BOLI equaled 300% of the current base salary, with the amount to increase 4% each year through termination or retirement. If the officer remains in the Company's employment through retirement, and has not elected to participate in the 162 Plan discussed below, the officer would receive a post-retirement benefit equal to 50% of the pre-retirement benefit.

Due to the accounting rules issued by The Emerging Issues Task Force of the Financial Accounting Standards Board, the economics of BOLI have changed for the Company. Beginning in 2008, in lieu of BOLI, the NEOs that are fully vested in the split dollar plan are eligible to participate in the 162 Plan which offers key executives permanent life insurance protection which they own and maintain from inception of the policy. For any NEO electing to participate in the 162 Plan, the Company pays annual premiums until the individual reaches retirement age. The Company also grosses up the NEO's income with respect to taxes owed in connection with the 162 Plan premiums. During the period leading up to retirement age, the BOLI benefit to the NEO decreases in the same proportion that the 162 Plan benefit increases. As of the end of 2018, certain members of senior management, including some of the NEOs, took advantage of one or both of these benefits.

Relocation Benefits

The Company does not have a policy providing relocation benefits.

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which provides that the Company generally may not deduct annual compensation of more than \$1 million that is paid to certain individuals. To date, the Company's compensation practices have not caused this limit to be reached or exceeded.

Stock Ownership Guidelines

Although the Committee believes that significant levels of stock ownership will assist in retaining qualified and motivated executive officers, the Committee has not established stock ownership guidelines for any of its officers.

The following table summarizes the total compensation for the years ended December 31, 2018, December 31, 2017, and December 31, 2016 of the Company's CEO, Executive Vice President and CFO (Bank), and each of the Company's next three most highly compensated executive officers, except that Mr. Farrar, was not one of the NEOs for 2016, and accordingly, information with respect to Mr. Farrar's compensation for that year is not provided.
