PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
to be held
May 5, 2009

The accompanying Proxy is solicited by the Board of Directors of Winland Electronics, Inc. for use at our 2009 Annual Meeting of Shareholders to be held on Tuesday, May 5, 2009, at the location/time and for the purposes set forth in the Notice of Annual Meeting, and at any adjournment thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to the beneficial owners of stock, will be borne by us. Our directors, officers and employees may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

You may vote your shares as follows:

§ Vote by Internet: www.proxyvote.com

§ Vote by Telephone: 1-800-690-6903

§ Vote by Mail: Mark, sign and date your proxy card and return it in the postage-paid envelope provided.

Any shareholder giving a Proxy may revoke it any time prior to its use at the 2009 Annual Meeting by giving written notice of such revocation to the Secretary or any other officer of Winland Electronics or by filing a later dated written Proxy with one of our officers. Personal attendance at the 2009 Annual Meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a later dated Proxy is delivered to an officer before the revoked or superseded Proxy is used at the 2009 Annual Meeting. Proxies will be voted as directed therein. Proxies which are signed by shareholders but which lack specific instruction with respect to any proposal will be voted in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of our Common Stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

The mailing address of the principal executive office of Winland Electronics is 1950 Excel Drive, Mankato, Minnesota 56001. We expect that this Proxy Statement, the related Proxy and Notice of Meeting will first be mailed to shareholders on or about March 26, 2009.

CORPORATE GOVERNANCE

Our business affairs are conducted under the direction of the Board of Directors in accordance with the Minnesota Business Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board of Directors are informed of our business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. The corporate governance practices that we follow are summarized below.

Independence

The Board has determined that a majority of its members are “independent” as defined by the listing standards of the American Stock Exchange. Our independent directors are Richard T. Speckmann, Thomas J. Goodmanson and Thomas J. Brady. In the last three years, there have been no transactions, relationships or arrangements, other than in connection with service on our Board, between the independent directors and Winland Electronics.

Code of Ethics and Business Conduct

The Board has approved a Code of Ethics and Business Conduct that applies to all of our employees, directors and officers, including our principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics and Business Conduct addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Code of Ethics and Business Conduct is available free of charge to any shareholder who sends a request for a copy to Winland Electronics, Inc., Attn. Chief Financial Officer, 1950 Excel Drive, Mankato, Minnesota 56001, and it is also available on our website at www.winland.com. We intend to disclose on our website any amendment to, or waiver from, a provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and controller relating to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K. Late in 2003, we contracted with an independent professional organization to provide anonymous hotline services that permit our employees to communicate any concerns about behavior or practices of Winland Electronics, its employees, officers or directors. This service began January 1, 2004 which is still currently used and was established to assist the Board of Directors in effective internal control.

Meeting Attendance

Board and Committee Meetings. Directors are required to attend a minimum of 75% of Board and committee meetings. During fiscal 2008, the Board held four (4) meetings. Each director attended 100% of the meetings of the Board and the committees on which such director served.

Annual Meeting of Shareholders. Directors are encouraged to attend our annual meetings of shareholders; however, there is no formal policy regarding attendance at annual meetings. All directors were in attendance for our 2008 annual meeting of shareholders.

Executive Sessions of the Board

An executive session of non-management directors is held at least once a year. In 2008, the Board held one (1) executive sessions this year and the Audit committee held four (4) executive sessions.

Table of Contents

Committees of the Board

Our Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating/Governance Committee. Each of the current members of these committees is a non-employee independent director.

Audit Committee. The Audit Committee is comprised of Thomas J. Brady (Chairman), Thomas J. Goodmanson and Richard T. Speckmann. Messrs. Brady and Goodmanson are "audit committee financial experts" as defined by Item 401(e) of Regulation S-K under the Securities Act of 1933. Mr. Brady has a degree in accounting and is an inactive CPA in the state of Minnesota. He currently serves as Chief Financial officer of Digiener, Inc., an end-to-end e-business solutions provider. Mr. Goodmanson has a degree in accounting and is an inactive CPA in the State of Minnesota. He currently serves as Chief Financial Officer of Calibrio, Inc. a leading provider of workforce optimization and unified desktop software for IP-based contact centers. We acknowledge that the designation of Messrs. Brady and Goodmanson as audit committee financial experts does not impose on Messrs. Brady and Goodmanson any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Messrs. Brady and Goodmanson as a member of the audit committee and the Board of Directors in the absence of such designation or identification. The Audit Committee reviews the selection and work of our independent registered public accounting firm and the adequacy of internal controls for compliance with corporate policies and directives. The Audit Committee's Report is included on page 15. During 2008, the Audit Committee met four (4) times. Our independent registered public accounting firm was present at all of these meetings.

Compensation Committee. The Compensation Committee is comprised of Richard T. Speckmann (Chairman), Thomas J. Goodmanson and Thomas J. Brady. Mr. Brady was appointed to the committee on May 6, 2008. This committee determines the compensation of the Chief Executive Officer; and, taking into consideration any recommendations by the Chief Executive Officer, it also determines the compensation for our other executive officers. The committee makes recommendations to the Board of Directors with respect to incentive compensation plans. This committee is vested with the same authority as the Board of Directors with respect to the administration of our equity plans. During 2008, the Compensation Committee met once.

Nominating/Governance Committee. The Nominating/Governance Committee is comprised of Richard T. Speckmann (Chairman), Thomas J. Brady and Thomas J. Goodmanson. On May 6, 2008, Mr. Brady was appointed to the committee and Mr. Speckmann was appointed Chairman of the committee. This committee recommends to the Board of Directors nominees for vacant positions on the Board, sets goals for the Board and monitors the achievement of such goals. This committee will consider a candidate for director proposed by a shareholder. Candidates must have broad training and experience in their chosen fields and must have achieved distinction in their activities. The committee considers the particular expertise of each nominee and strives to achieve an appropriate breadth of skills among the Board members. A shareholder who wants to propose a candidate must comply with the provisions of our Bylaws regarding nominations for the election of directors. The policies of the committee are described more fully in the Nominating/Governance Committee's Report on page 6. During 2008, the Nominating/Governance Committee met once.

Communications with the Board

Shareholders may communicate directly with the Board of Directors. All communications, other than shareholder proposals and director nominations which must comply with certain other requirements as discussed under "Shareholder Proposals and Nominations of Director Candidates" on page 15, should be directed to our Chief Financial Officer at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. NOMINATING/GOVERNANCE COMMITTEE REPORT

The Nominating/Governance Committee is comprised of independent directors. In accordance with its written charter, the Nominating/Governance Committee assists the Board of Directors with fulfilling its responsibility regarding any matters relating to corporate governance including selection of candidates for our Board of Directors. Its duties shall include oversight of the principles of corporate governance by which Winland Electronics and the Board shall be governed; the codes of ethical conduct and legal compliance by which Winland Electronics and its directors, executive officers, employees and agents will be governed; policies for evaluation of the Board and the chairperson; policies for election and reelection of Board members; and policies for succession planning for the Chief Executive Officer, Board chairperson and other Board members. In addition, the Nominating/Governance Committee is responsible for annually reviewing the composition of the Board, focusing on the governance and business needs and requirements of Winland Electronics, nominating and screening of Board member candidates, evaluating the performance of Board members and recommending the reelection of Board members who are performing effectively and who continue to provide a competency needed on the Board. When a director's principal occupation or business association changes substantially, such director shall tender a letter of resignation to the Board through the Nominating/Governance Committee, which resignation will be considered and acted upon in a manner that is best for the Board and Winland Electronics.

The Nominating/Governance Committee will consider candidates for nomination as a director recommended by shareholders. In evaluating director nominees, the Nominating/Governance Committee requires certain minimum qualifications, including high moral character and mature judgment and the ability to work collegially with others. In addition, factors such as the following shall be considered:

- appropriate size and diversity of the Board;
- needs of the Board with respect to particular talent and experience;
 - knowledge, skills and experience of nominee;
 - familiarity with our business and industry;
- appreciation of the relationship of our business to the changing needs of society; and
- desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

Shareholders who wish to recommend one or more candidates for director to the Nominating/Governance Committee must provide written recommendation to the Chief Financial Officer. Notice of a recommendation must include the shareholder's name, address and the number of shares owned, along with information with respect to the person being recommended, i.e. name, age, business address, residence address, current principal occupation, five-year employment history with employer names and a description of the employer's business, the number of shares beneficially owned by the prospective nominee, whether such person can read and understand basic financial statements and other board memberships, if any. The recommendation must be accompanied by a written consent of the prospective nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. Winland Electronics may require any nominee to furnish additional information that may be needed to determine the eligibility of the nominee. In addition, the Bylaws permit shareholders to nominate directors for consideration at a meeting of shareholders at which one or more directors are to be elected. For a description of the process for nominating directors in accordance with the Bylaws, see "Shareholder Proposals and Nominations of Director Candidates" on page 15.

ELECTION OF DIRECTORS
(Proposals #1 and #2)

Our Bylaws provide that the number of directors shall be the number set by the shareholders, which shall be not less than one. The Nominating/Governance Committee recommended to the Board of Directors that the number of directors be set at five and that the persons currently serving on the Board be nominated for re-election. The Board of Directors unanimously recommends that the number of directors be set at five and that the five persons nominated be re-elected. Unless otherwise instructed, the Proxies will be so voted.

Under applicable Minnesota law, approval of the proposal to set the number of directors at five requires the affirmative vote of the holders of the greater of a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter, and the election of directors requires the affirmative vote of the holders of a plurality of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter.

In the absence of other instruction, the Proxies will be voted for setting the number of directors at five and for each of the individuals listed below. If elected, such individuals shall serve until the next annual meeting of shareholders and until their successors shall be duly elected and shall qualify. All of the nominees are members of the present Board of Directors. If, prior to the 2009 Annual Meeting of Shareholders, it should become known that any one of the following individuals will be unable to serve as a director after the 2009 Annual Meeting by reason of death, incapacity or other unexpected occurrence, the Proxies will be voted for such substitute nominee(s) as is selected by the Nominating/Governance Committee. Alternatively, the Proxies may, at the Board's discretion, be voted for such fewer number of nominees as results from such death, incapacity or other unexpected occurrences. The Board of Directors has no reason to believe that any of the following nominees will be unable to serve.

INCREASE IN SHARES RESERVED UNDER THE 2008 EQUITY INCENTIVE PLAN (Proposal #3)

General

On March 5, 2009, the Board of Directors amended, subject to shareholder approval, our 2008 Equity Incentive Plan (the "Equity Incentive Plan") to increase the reserved shares of Common Stock under the Equity Incentive Plan from 300,000 to 500,000. The Equity Incentive Plan was originally adopted by the Board on March 17, 2008 and approved by the shareholders in May 2008.

The Board believes that granting equity incentives to employees, officers, consultants, advisors and directors is an effective and crucial means to promote the future growth and development of Winland. Such Awards, among other things, increase these individuals' proprietary interest in Winland's success and enables Winland to attract and retain qualified personnel. There are currently 159,000 shares of Common Stock reserved under the Equity Incentive Plan for Awards that have previously been granted under the Equity Incentive Plan. Winland does not have the ability to grant future Awards under the 2005 Equity Incentive Plan or the 1997 Stock Option Plan, nor does it have the ability to reissue Common Stock which was previously reserved for Awards that have expired or terminated. We believe that in order to attract and retain qualified personnel, we must have the capacity to offer Awards under the Equity Incentive Plan.

Because of the current state of the economy and the current trading price of our Common Stock, all of the Awards granted under the Equity Incentive Plan, as well as the 2005 Equity Incentive Plan are under water. Winland deems it important to have the ability to grant Awards in order to attract and retain qualified personnel, including those qualified personnel who have been granted Awards in the past under either the Equity Incentive Plan or the 2005 Equity Incentive Plan.

The Board therefore recommends that all shareholders vote in favor of the amendment to the Equity Incentive Plan to increase the shares of Common Stock reserved under the Equity Incentive Plan from 300,000 to 500,000.

A general description of the basic features of the Equity Incentive Plan is presented below, but such description is qualified in its entirety by reference to the full text of the Equity Incentive Plan, a copy of which may be obtained without charge upon written request to Brian Lawrence, Winland's Controller.

Description of the Equity Incentive Equity Incentive Plan

General. Under the Equity Incentive Plan, the Compensation Committee may award incentive or nonqualified stock options, restricted stock, stock appreciation rights, performance shares and performance units to those officers and employees of Winland (including any subsidiaries and affiliates), or to directors of or consultants or advisors to Winland, whose performance, in the judgment of the Board or Committee, can have a significant effect on the success of Winland.

Shares Available. The Equity Incentive Plan currently provides for the issuance of up to 300,000 shares of Common Stock, subject to adjustment of such number in the event of certain increases or decreases in the number of outstanding shares of Common Stock effected as a result of stock splits, stock dividends, combinations of shares or similar transactions in which Winland receives no consideration.

The total number of shares and the exercise price per share of Common Stock that may be issued pursuant to outstanding Awards are subject to adjustment by the Board upon the occurrence of stock dividends, stock splits or other recapitalizations, or because of mergers, consolidations, reorganizations or similar transactions in which we receive no consideration. The Board may also provide for the protection of Participants in the event of a merger, liquidation, reorganization, divestiture (including a spin-off) or similar transaction.

Administration and Types of Awards. As permitted in the Equity Incentive Plan, the Board has designated the Compensation Committee (hereinafter referred to as the “Administrator”) to administer the Equity Incentive Plan. The Administrator has broad powers to administer and interpret the Equity Incentive Plan, including the authority to (i) establish rules for the administration of the Equity Incentive Plan, (ii) select the participants in the Equity Incentive Plan, (iii) determine the types of awards to be granted and the number of shares covered by such awards, and (iv) set the terms and conditions of such awards. All determinations and interpretations of the Administrator are binding on all interested parties.

Options. Options granted under the Equity Incentive Plan may be either “incentive” stock options within the meaning of Section 422 of the Internal Revenue Code (“IRC”) or “nonqualified” stock options that do not qualify for special tax treatment under the IRC. No incentive stock option may be granted with a per share exercise price less than the fair market value of a share of the Company’s Common Stock on the date the option is granted. The closing sale price of a share of our Common Stock was \$0.45 on March 9, 2009.

The period during which an option may be exercised and whether the option will be exercisable immediately, in stages, or otherwise is set by the Administrator. An incentive stock option may not be exercisable more than ten (10) years from the date of grant. Participants generally must pay for shares upon exercise of options with cash, certified check or Common Stock of Winland valued at the stock’s then “fair market value” as defined in the Equity Incentive Plan. Each incentive option granted under the Equity Incentive Plan is nontransferable during the lifetime of the Participant. A nonqualified stock option may, if permitted by the Administrator, be transferred to certain family members, family limited partnerships and family trusts.

The Administrator may, in its discretion, modify or impose additional restrictions on the term or exercisability of an option. The Administrator may also determine the effect a Participant’s termination of employment with Winland or a subsidiary may have on the exercisability of such option. The grants of stock options under the Equity Incentive Plan are subject to the Administrator’s discretion.

Restricted Stock Award, Performance Share Awards and Performance Units. The Administrator is also authorized to grant awards of restricted stock, performance shares and performance units. Each restricted stock award granted under the Equity Incentive Plan shall be for a number of shares as determined by the Administrator, and the Administrator, in its discretion, may also establish continued employment, vesting or other conditions that must be satisfied for the restrictions on the transferability of the shares and the risks of forfeiture to lapse. Performance share awards generally provide the recipient with the opportunity to receive shares of Winland’s Common Stock and performance units generally provide recipients with the opportunity to receive cash awards, but only if Winland’s financial goals or other business objectives are achieved over specified performance periods.

Stock Appreciation Rights. A stock appreciation right may be granted independent of or in tandem with a previously or contemporaneously granted stock option, as determined by the Administrator. Generally, upon the exercise of a stock appreciation right, the recipient will receive cash, shares of Common Stock or some combination of cash and

shares having a value equal to the excess of (i) the fair market value of a specified number of shares of Winland's Common Stock, over (ii) a specified exercise price. If the stock appreciation right is granted in tandem with a stock option, the exercise of the stock appreciation right will generally cancel a corresponding portion of the option, and, conversely, the exercise of the stock option will cancel a corresponding portion of the stock appreciation right. The Administrator will determine the term of the stock appreciation right and how it will become exercisable. A stock appreciation right may not be transferred by an optionee except by will or the laws of descent and distribution.

Amendment. The Board may, from time to time, suspend or discontinue the Equity Incentive Plan or revise or amend it in any respect; provided, (i) no such revision or amendment may impair the terms and conditions of any outstanding option or stock award to the material detriment of the participant without the consent of the participant except as authorized in the event of merger, consolidation or liquidation of Winland, (ii) the Equity Incentive Plan may not be amended in any manner that will (a) materially increase the number of shares subject to the Equity Incentive Plan except as provided in the case of stock splits, consolidations, stock dividends or similar events, (b) change the designation of the class of employees eligible to receive awards; (c) decrease the price at which options will be granted; or (d) materially increase the benefits accruing to participants under the Equity Incentive Plan, without the approval of the shareholders, to the extent such approval is required by applicable law or regulation.

Federal Income Tax Matters

Options. Under present law, an optionee will not realize any taxable income on the date a nonqualified option is granted pursuant to the Equity Incentive Plan. Upon exercise of the option, however, the optionee must recognize, in the year of exercise, ordinary income equal to the difference between the option price and the fair market value of Winland's Common Stock on the date of exercise. Upon the sale of the shares, any resulting gain or loss will be treated as capital gain or loss. Winland will receive an income tax deduction in its fiscal year in which nonqualified options are exercised equal to the amount of ordinary income recognized by those optionees exercising options, and must withhold income and other employment related taxes on such ordinary income.

Incentive stock options granted under the Equity Incentive Plan are intended to qualify for favorable tax treatment under Section 422 of the Internal Revenue Code of 1986, as amended. Under Section 422, an optionee recognizes no taxable income when the option is granted. Further, the optionee generally will not recognize any taxable income when the option is exercised if he or she has at all times from the date of the option's grant until three months before the date of exercise been an employee of Winland. Winland ordinarily is not entitled to any income tax deduction upon the grant or exercise of an incentive stock option. Certain other favorable tax consequences may be available to the optionee if he or she does not dispose of the shares acquired upon the exercise of an incentive stock option for a period of two years from the granting of the option and one year from the receipt of the shares.

Restricted Stock Awards. Generally, no income is taxable to the recipient of a restricted stock award in the year that the award is granted. Instead, the recipient will recognize compensation taxable as ordinary income equal to the fair market value of the shares in the year in which the transfer restrictions lapse. Alternatively, if a recipient makes a "Section 83(b)" election, the recipient will, in the year that the restricted stock award is granted, recognize compensation taxable as ordinary income equal to the fair market value of the shares on the date of the award. Winland normally will receive a deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

Performance Share and Performance Unit Awards. A recipient of performance shares or performance units will recognize compensation taxable as ordinary income equal to the value of the shares of Common Stock or the cash received, as the case may be, in the year that the recipient receives payment. Winland normally will receive a deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

Stock Appreciation Rights. Generally, a recipient of a stock appreciation right will recognize compensation taxable as ordinary income equal to the value of the shares of Common Stock or the cash received in the year that the stock appreciation right is exercised. Winland normally will receive a deduction equal to the amount of compensation the recipient is required to recognize as ordinary taxable income, and must comply with applicable tax withholding requirements.

CERTAIN TRANSACTIONS

During the two most recent fiscal years, we have not had any transactions in which any director or executive officer, or any other member of the immediate family of any director or executive officer, had a material direct or indirect interest reportable under applicable Securities and Exchange Commission rules, and there are no such transactions proposed.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received, we believe that, during fiscal year 2008, all of our executive officers, directors and greater than ten-percent beneficial owners complied with the applicable filing requirements, except that Messrs. Goodmanson and Krueger each reported one transaction and Mr. Brady reported two transactions on a Form 4 that were not timely filed.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

McGladrey & Pullen, LLP has served as our independent registered public accounting firm since May 1998. Representatives of McGladrey & Pullen, LLP are expected to be present at the 2009 Annual Meeting, will be given an opportunity to make a statement regarding financial and accounting matters if they so desire, and will be available to respond to appropriate questions from our shareholders.

Audit Fees

We paid the following fees to McGladrey & Pullen, LLP or its affiliated entity RSM McGladrey, Inc. for fiscal years 2007 and 2008:

	2007	2008
Audit Fees	\$ 222,000	\$ 193,000
Tax Fees	90,000	48,000
	\$ 312,000	\$ 241,000

Audit fees are professional services rendered for the audit of our annual financial statements and review of financial statements included in our Forms 10-K and 10-Q. Tax fees include fees for services provided in connection with tax planning and tax compliance. Tax fees for 2007 included fees paid to RSM McGladrey, Inc. to perform a Research and Development Tax Credit Study for tax years 2003 thru 2006.

The Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining accountants' independence and has determined that such services are compatible with maintaining accountants' independence.

Pre-Approval Policy

The Audit Committee has not formally adopted a policy for pre-approval of all audit and non-audit services by its independent auditors, but it has routinely approved all audit and permitted non-audit services to be performed for Winland by its independent auditors.

REPORT OF AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of the three outside directors. The Board and the Audit Committee believe that the Audit Committee's current member composition satisfies the Listing Standards of the American Stock Exchange ("AMEX") that governs audit committees, Section 121(B), including the requirement that audit committee members all be "independent directors" as that term is defined by AMEX Listing Standards Section 121(A).

The Audit Committee has established a Disclosure Committee, comprised of executives and senior managers who are actively involved in the disclosure process, to specify, coordinate and oversee the review procedures that are used each quarter, including at fiscal year end, to prepare our periodic and current SEC reports.

In accordance with its written charter adopted by the Board (available on our website), the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of Winland. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent registered public accounting firm the material required to be discussed by Statement on Auditing Standards No. 61, as amended; and
- (3) reviewed the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board Standard No.1 and discussed with the independent registered public accounting firm any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2008, as filed with the Securities and Exchange Commission.
