Hickory Tech Corporation (the “Company”) has added the position of Chief Operating Officer to its executive team, and has hired Carol Wirbinski into that position, effective April 4, 2011. Ms. Wirbinski has been appointed an officer of the Company as of her start date on April 4, 2011, and is a Vice President of the Company. Ms. Wirbinski, age 48, was CEO/President of CitiLink Communication, a provider of wireless broadband telecommunication services, from May 2009 through December 2010, the Sr. Vice President of Sales for Iconoculture, a global consumer research and advisory company, from March 2007 through October 2008, and she worked in various sales and operational leadership positions for Integra Telecom, a facilities-based telecommunications services provider for business customers, from March 2000 through November 2006. She has a Bachelor Degree in Business Administration from the University of Wisconsin.

The Company has entered into an agreement (the “Agreement”) with Ms. Wirbinski associated with her employment. Pursuant to that Agreement, Ms. Wirbinski will receive: an annual base salary of \$220,000, and she is eligible for the Company’s annual bonus plan, the Executive Incentive Plan, with an at-target payout of 55% of her base salary, and is eligible for the Company’s Long-Term Executive Incentive Program with an at-target payout of \$150,000, which is payable in HickoryTech stock.
