Item 1.01 Entry into a Material Definitive Agreement.

On January 30, 2006, the Company issued a press release announcing that it has completed an amendment to its credit agreement with GE Commercial Finance's Corporate Lending business as part of management's strategy to reduce the Company's cost of funds. The amended terms lower Gottschalks' overall interest expense and expand the loan facility. The amended facility also provides a mutual option for the Company to extend the maturity date of the agreement to March 1, 2011. The amended terms provide for the inclusion of four owned properties in the revolving credit facility following the completion of a mortgage refinancing. These properties currently carry remaining mortgages totaling approximately \$16.4 million at a 9.4% interest rate and inclusion in the revolver would enable Gottschalks to reduce the interest rate to the low 6.0% range. The text of the press release is attached as Exhibit 99.1 to this Form 8-K.
