PRELIMINARY - SUBJECT TO COMPLETION - April 4, 2018

PROXY STATEMENT OF NEWDOMINION BANK

PROSPECTUS OF PARK NATIONAL CORPORATION

Merger Proposal — Your Vote Is Important

#### DEAR NEWDOMINION BANK SHAREHOLDERS:

You are cordially invited to attend a special meeting of shareholders of NewDominion Bank ("NewDominion") which will be held on Wednesday, May 23, 2018, at 10:00 a.m., local time, at the offices of NewDominion, 1111 Metropolitan Avenue, Suite 500, Charlotte, North Carolina 28204.

At the meeting, you will be asked to approve an Agreement and Plan of Merger and Reorganization (the "Merger Agreement") by and among NewDominion, Park National Corporation, an Ohio corporation ("Parent") and The Park National Bank, a national banking association and a wholly-owned subsidiary of Parent ("Park National Bank"), that provides for Park National Bank's acquisition of NewDominion through the merger of NewDominion with and into Park National Bank (the "Merger"). Pursuant to the Merger, each share of voting and non-voting common stock of NewDominion, par value \$0.25 per share (except for specified shares of NewDominion common stock held by NewDominion or Parent and shares of NewDominion common stock held by shareholders who properly exercise appraisal rights, which we refer to as "excluded shares"), will be converted into the right to receive, at the shareholder's election, subject to the proration and allocation procedures set forth in the Merger Agreement, either (i) \$1.08 in cash, which we refer to as the "cash consideration" or (ii) 0.01023 shares of Parent common stock, without par value, which we refer to as the "stock consideration." The cash consideration and the stock consideration is referred to collectively as the "merger consideration."

The total number of shares of NewDominion common stock (including shares subject to NewDominion restricted stock awards that will settle in connection with the Merger but excluding certain excluded shares, including shares of NewDominion held by Parent) that will be converted into the cash consideration is fixed at 40% of the total number of shares of NewDominion common stock outstanding immediately prior to the completion of the Merger (including shares subject to NewDominion restricted stock awards that will settle in connection with the Merger but excluding excluded shares), and the remaining 60% of shares of NewDominion common stock will be converted into the stock consideration. Based on the number of shares of NewDominion common stock outstanding on April 2, 2018, we expect that the payment of the stock portion of the merger consideration will require Parent to issue approximately 483,679 shares of Parent common stock in connection with the Merger. Holders of shares of NewDominion common stock as of immediately prior to the closing of the Merger will hold, in the aggregate, approximately 3.16% of the issued and outstanding shares of Parent common stock immediately following the closing of the Merger (including shares received in respect of equity awards and without giving effect to any shares of Parent common stock held by NewDominion shareholders prior to the Merger).

The value of the cash consideration per share is fixed at \$1.08, but the value of the stock consideration will fluctuate as the market price of Parent common stock fluctuates before the completion of the Merger, and may be more or less than the value of the stock consideration on the date of the special meeting or at the time an election is made, and may be more or less than the value of the cash consideration at the completion of the Merger. Based on the average closing stock price of Parent common stock on the NYSE American stock exchange, which we refer to as the "NYSE American," for the twenty trading days ending on January 19, 2018, the last full trading day before the execution of the Merger Agreement, of \$105.56, the value of the stock consideration was \$1.08. Based on the closing stock price of Parent common stock on the NYSE American on April 2, 2018, the latest practicable date before the mailing of this proxy statement/prospectus, of \$101.90, the value of the stock consideration was \$1.04. You should obtain current stock price quotations for Parent common stock before you vote. Parent common stock is quoted on the NYSE American under the symbol "PRK." NewDominion common stock is quoted on the OTCPink market of the OTC Markets Group, Inc. under the symbol "NDMN."

The Merger cannot be completed unless the holders of at least two-thirds of the voting power of the outstanding shares of each class of NewDominion common stock affirmatively vote in favor of the Merger Agreement. Accordingly, our board of directors has unanimously approved and adopted the Merger Agreement and recommends that you vote "FOR" the approval of the Merger Agreement at the special meeting. In considering the recommendation of the board of directors of NewDominion, you should be aware that certain directors and executive officers of NewDominion will have interests in the Merger that may be different from, or in addition to, the interests of NewDominion shareholders generally. See the section entitled "The Merger—Interests of certain persons in the Merger" beginning on page 49 of the accompanying proxy statement/prospectus.

Your vote is very important, regardless of the number of shares of NewDominion common stock you own. To ensure your representation at the NewDominion special meeting, please take time to vote by following the instructions contained in this proxy statement/prospectus and on your proxy card. Please vote promptly whether or not you expect to attend the NewDominion special meeting. Submitting a proxy now will not prevent you from being able to vote in person at the NewDominion special meeting.

Additional information regarding the Merger, the Merger Agreement, NewDominion, Park National Bank and Parent is set forth in the attached proxy statement/prospectus. This document also serves as the prospectus for up to 483,679 shares of Parent common stock that may be issued by Parent in connection with the Merger. We urge you to read this entire document carefully, including the section entitled "Risk Factors" beginning on page 17. Sincerely,

### J. Blaine Jackson

Notice of Special Meeting of Shareholders

Date: May 23, 2018

Time: \_ 10:00 a.m., local time

Place: 1111 Metropolitan Avenue, Suite 500, Charlotte, North Carolina 28204

TO THE NEWDOMINION BANK SHAREHOLDERS:

NOTICE IS HEREBY GIVEN that NewDominion Bank ("NewDominion") will hold a special meeting of shareholders on May 23, 2018 at the offices of NewDominion, 1111 Metropolitan Avenue, Suite 500, Charlotte, North Carolina 28204, at 10:00 a.m. local time. The purpose of the meeting is to consider and vote on the following matters: a proposal to approve the Agreement and Plan of Merger and Reorganization (the "Merger Agreement"), dated as of January 22, 2018, by and among Park National Corporation, The Park National Bank and NewDominion. A copy of the Merger Agreement is included as Annex A to the proxy statement/prospectus accompanying this notice; the approval to adjourn the special meeting to permit further solicitation in the event that an insufficient number of shares are present in person or by proxy to approve the Merger Agreement and the transactions it contemplates; and to transact any other business that properly comes before the special meeting, or any adjournments or postponements thereof.

Holders of record of NewDominion common stock at the close of business on March 28, 2018 are entitled to receive this notice and to vote at the special meeting and any adjournments or postponements thereof. Shareholders of NewDominion may exercise appraisal rights and dissent from the transactions contemplated by the Merger Agreement and, instead, obtain payment in cash of the appraised fair value of their shares of NewDominion common stock as determined under Article 13 of the North Carolina Business Corporation Act ("NCBCA"). In order for such a shareholder of NewDominion to perfect the holder's appraisal rights, the shareholder must carefully follow the procedure set forth under Article 13 of the NCBCA. The full text of Article 13 of the NCBCA is included as Annex B to the accompanying proxy statement/prospectus, and a summary of these provisions can be found under the caption "The Merger Agreement — NewDominion shareholder appraisal rights."

The board of directors of NewDominion unanimously recommends that you vote "FOR" approval of the Merger Agreement and "FOR" approval to adjourn the special meeting to permit further solicitation in the event that an insufficient number of shares are present in person or by proxy to approve the Merger Agreement and the transactions it contemplates.

Your vote is important. To ensure that your shares are voted at the special meeting, please promptly complete, sign and return the proxy form in the enclosed prepaid envelope (or follow the instructions for voting by internet) whether or not you plan to attend the meeting in person. Shareholders of record who attend the special meeting may revoke their proxies and vote in person, if they so desire.

### QUESTIONS AND ANSWERS ABOUT THE MERGER

A:

Q: What am I being asked to vote on? What is the proposed transaction?

You are being asked to vote on the approval and adoption of the Agreement and Plan of Merger and Reorganization (the "Merger Agreement") that provides for the merger (the "Merger") of NewDominion Bank ("NewDominion) with and into The Park National Bank ("Park National Bank"), which is a national banking association and a wholly-owned subsidiary of Park National Corporation ("Parent"). Shareholders who elect and receive stock as part of the merger consideration will become shareholders of Parent as a result of the Merger.

- Q: What will NewDominion shareholders be entitled to receive in the Merger?
  - If the Merger is completed, each share of NewDominion common stock (both voting and non-voting) outstanding immediately prior to the effective time of the Merger, except for appraisal shares and shares of NewDominion common stock owned by NewDominion or Parent (in each case other than shares held in trust accounts, managed accounts and the like, or otherwise held in a fiduciary or agency capacity, that are beneficially owned by third parties and shares held, directly or indirectly, by Parent, NewDominion or any wholly-owned subsidiary of Parent or NewDominion in respect of a debt previously contracted), will be converted into the right to receive either (i) \$1.08 in cash or (ii) 0.01023 shares of Parent common stock, based on the holder's election and subject to proration. NewDominion shareholders may elect to receive all cash, all stock or cash for some of their shares and stock for the remainder of the shares they own, subject to the election and proration procedures set forth in the Merger Agreement. The total number of shares of NewDominion common stock (including shares subject to
- A: NewDominion restricted stock awards that will settle in connection with the Merger) that will be converted into the cash consideration is fixed at 40% of the total number of shares of NewDominion common stock outstanding immediately prior to the completion of the Merger (including shares subject to NewDominion restricted stock awards that will settle in connection with the Merger), and the remaining 60% of shares of NewDominion common stock will be converted into the stock consideration. As a result, if the aggregate number of shares with respect to which a valid cash or stock election has been made exceeds these limits, shareholders who elected the form of consideration that has been oversubscribed will receive a mixture of both cash and stock consideration in accordance with the proration procedures set forth in the Merger Agreement. See the sections entitled "Description of The Merger Agreement —Consideration to be received in the Merger—Cash Election; Stock Election; Non-Election Shares" and "Description of the Merger Agreement—Consideration to be received in the Merger—Proration." Cash will be paid in lieu of fractional shares. See the section entitled "Description of the Merger Agreement—Fractional Shares."
- Q:Can I make an election to select the form of merger consideration I desire to receive?
  - Yes. NewDominion shareholders may elect to receive all cash, all stock or cash for some of their shares and stock
- A: for the remainder of the shares they own, subject to the election and proration procedures set forth in the Merger Agreement.
- Q: Why do NewDominion and Parent want to engage in the transaction?
  - NewDominion believes that the Merger will provide NewDominion shareholders and its customers with substantial benefits, including the opportunity to participate in a stronger and more diversified organization, and Parent believes that the Merger will provide a platform for its continued strategic growth by entering the Charlotte market.
- A: As a larger company, Park National Bank can provide NewDominion's associates with an expanded product set, including larger and more specialized loans and wealth management capabilities. To review the reasons for the Merger in more detail, see "The Merger Parent's reasons for the Merger" on page 32 and "The Merger NewDominion's reasons for the Merger; recommendation of NewDominion's board of directors" on page 30.
- Q: What does the NewDominion board of directors recommend?
- NewDominion's board of directors unanimously recommends that you vote "FOR" approval of the Merger Agreement and "FOR" the approval to adjourn the special meeting to permit further solicitation in the event that an insufficient
- A: number of shares are present in person or by proxy to approve the Merger Agreement and the transactions it contemplates. NewDominion's board of directors has determined that the Merger Agreement and

the Merger are in the best interests of NewDominion and its shareholders. To review the background and reasons for the Merger in greater detail, see pages 27 to 30.

- Q: What vote is required to approve the Merger Agreement?
  - NewDominion has two voting groups of shareholders that are entitled to vote on the proposal to approve the Merger Agreement. These voting groups are (1) the holders of shares of NewDominion's voting common stock and (2) the holders of shares of NewDominion's non-voting common stock. Holders of these two classes of common
- A: stock will vote as separate voting groups on the Merger. While holders of shares of NewDominion non-voting common stock typically do not have voting rights, North Carolina law provides voting rights to otherwise non-voting classes of stock in connection with certain fundamental changes to the corporation, such as the proposed Merger.

Under applicable state and federal law, for the Merger to be approved, the Merger Agreement must be approved, ratified and confirmed by the affirmative vote of the holders owning at least two-thirds of the shares of each class of common stock outstanding and entitled to vote at the special meeting. Abstentions and broker non-votes have the effect of votes against the approval and adoption of the Merger Agreement. NewDominion's directors and executive officers who own shares of NewDominion voting common stock have agreed to vote their shares in favor of the Merger at the special meeting. These NewDominion directors and executive officers and their affiliates beneficially owned 9,026,332 shares of NewDominion voting common stock (inclusive of shares underlying exercisable stock options) or approximately 23.0% of NewDominion's voting common stock outstanding as of April 2, 2018. Certain holders of NewDominion's non-voting common stock have also agreed to vote their shares in favor of the Merger at the special meeting. These NewDominion shareholders and their affiliates owned 33,586,481 shares of NewDominion non-voting common stock or 87.8% of NewDominion's non-voting common stock outstanding as of April 2, 2018. Parent owns the remaining 12.2% of NewDominion's non-voting common stock, which will be entitled to vote at the special meeting. Parent's shareholders will not be voting on the Merger Agreement. See "The Merger — Interests of certain persons in the Merger" on page 49 and "The Merger — Voting agreements" on page 52.

What vote is required to approve the proposal to adjourn the special meeting to permit further solicitation in the Q: event that an insufficient number of shares are present in person or by proxy to approve the Merger Agreement and the transactions it contemplates?

- The proposal to adjourn the special meeting, if necessary or appropriate to solicit additional proxies, will be approved if the votes cast at the special meeting, in person or by proxy, in favor of the proposal exceed the votes cast against the proposal. Abstentions and broker non-votes are not included in calculating votes cast with respect to the adjournment proposal, and therefore will have no effect on the outcome of the vote on such proposal.
- Q: Why is my vote important?
  - NewDominion shareholders are being asked to approve the Merger Agreement and thereby approve the Merger. If you do not submit your proxy or vote in person at the special meeting, it will be more difficult for NewDominion to
- A: obtain the necessary quorum to hold the special meeting. In addition, your failure to submit your proxy or attend the special meeting will have the same effect as a vote against the Merger Agreement and make it more difficult to obtain the requisite approval of the Merger Agreement.
- Q: What do I need to do now? How do I vote?
  - You may vote at the special meeting if you own shares of NewDominion common stock of record at the close of business on the record date for the special meeting, March 28, 2018. Holders of both voting and non-voting NewDominion common stock may vote at the special meeting. After you have carefully read and considered the information contained in this proxy statement/prospectus, please complete, sign, date and mail your proxy card in
- A: the enclosed prepaid return envelope as soon as possible. Registered shareholders may also appoint the proxies to vote their shares electronically by Internet by following the instructions contained on the enclosed proxy card. Appointing the proxies named on the proxy card to vote your shares for you will enable your shares to be represented at the special meeting, even if you are unable to attend. Registered shareholders may also vote in person at the special meeting if they so elect. If you do not return a properly executed proxy card (or appoint

the proxies to vote for you by Internet) and are unable to vote in person at the special meeting, this will have the same effect as a vote against the approval of the Merger Agreement.

Q: How will my proxy be voted?

A:

If you complete, sign, date and mail your proxy form or validly appoint the proxies to vote by Internet, your proxy will be voted in accordance with your instructions. If you sign, date and send in your proxy form, but you do not indicate how you want to vote, your proxy will be voted FOR approval of the Merger Agreement and FOR the proposal granting authority to adjourn the special meeting if additional votes are needed to approve the Merger. By appointing the proxies to vote your shares at the special meeting, you will also be granting the appointed proxies discretion to vote your shares in accordance with their best judgment on any other matters (procedural or otherwise) that may properly come before the special meeting for action by the shareholders.

Q: If my shares are held in "street name" by my broker, bank or other nominee, will my broker, bank or other nominee automatically vote my shares for me?

No. If you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in street name), your broker, bank or other nominee will not vote your shares of common stock unless you provide instructions to your broker, bank or other nominee on how to vote. You should instruct your broker, bank

- A: or other nominee to vote your shares by following the instructions provided by the broker, bank or nominee with this proxy statement/prospectus. Please note that you may not vote shares held in street name by returning a proxy card directly to NewDominion or by voting in person at the special meeting unless you provide a "legal proxy," which you must obtain from your bank, broker or nominee.
- Q: Can I revoke my proxy and change my vote?

A shareholder of record may change such holder's vote or revoke a proxy prior to the special meeting by filing with the secretary of NewDominion a duly executed revocation of proxy or submitting a new proxy form with a later

- A: date. A shareholder of record may also revoke a prior proxy by voting in person at the special meeting. A shareholder beneficially owning shares through a broker, bank or other nominee, should follow the instructions provided by such nominee for revoking or changing your vote.
- Q: What if I oppose the Merger? Do I have appraisal rights?

NewDominion shareholders who do not vote in favor of approval of the Merger Agreement and otherwise comply with all of the procedures of Article 13 of the North Carolina Business Corporation Act (the "NCBCA") will be entitled to receive payment in cash of the fair value of their shares of NewDominion common stock as ultimately

- A: determined under the statutory process. A copy of Article 13 of the NCBCA is attached as Annex B to this proxy statement/prospectus. The fair value, as determined under the statute, could be more than the merger consideration but could also be less. The provisions of North Carolina law governing appraisal rights are complex, and you should study them carefully if you wish to exercise these rights. Multiple steps must be taken to properly exercise and perfect such rights.
- Q: What are the tax consequences of the Merger to me?

In general, the conversion of your shares of NewDominion common stock into Parent common stock in the Merger will be tax-free for United States federal income tax purposes. You generally will recognize gain in an amount up to the cash you receive in the Merger, but you may not recognize loss if you receive any Parent common stock in

- A: the Merger. Additionally, you will recognize gain or loss on any cash that you receive in lieu of fractional shares of Parent's common stock. You should consult with your tax adviser for the specific tax consequences of the Merger to you. For a detailed discussion of the tax consequences to you of the Merger, see "The Merger Material U.S. federal income tax consequences of the Merger" on page 45.
- O: When and where is the special meeting?
- A: The NewDominion special meeting will take place on Wednesday, May 23, 2018, at 10:00 a.m., local time, at the offices of NewDominion, 1111 Metropolitan Avenue, Suite 500, Charlotte, North Carolina 28204.

- Q: Who may attend the meeting?
  - Only NewDominion shareholders on the record date may attend the special meeting. If you are a shareholder of record, you will need to present the proxy card that you received or a valid proof of identification to be admitted
- A: into the meeting. If you hold your NewDominion shares in street name, you will need to present a "legal proxy" or other acceptable documentation from your bank, broker or nominee and valid proof of identification to be admitted into the meeting.
- Q: Should I send in my stock certificates now?
- No. Either at the time of closing or shortly after the Merger is completed, the exchange agent for the Merger will A: send you a letter of transmittal with instructions informing you how to send in your stock certificates to the exchange agent. You should use the letter of transmittal to exchange your NewDominion stock certificates for the merger consideration. Do not send in your stock certificates with your proxy form or your stock election form.
- O: When is the Merger expected to be completed?
  - We will try to complete the Merger as soon as reasonably possible. Before that happens, the Merger Agreement must be approved by NewDominion's shareholders and we must obtain the necessary regulatory approvals.
- Assuming shareholders vote to approve the Merger and adopt and approve the Merger Agreement and we obtain the other necessary approvals and satisfaction or waiver of the other conditions to the closing described in the Merger Agreement, we expect to complete the Merger mid-year 2018. See "Description of the Merger Agreement — Conditions to completion of the Merger" on page 68.
- O: Is completion of the Merger subject to any conditions besides shareholder approval?
- Yes. The Merger must receive the required regulatory approvals, and there are other closing conditions that must be satisfied. See "Description of the Merger Agreement — Conditions to completion of the Merger" on page 68.
- Are there risks I should consider in deciding how to vote on the Merger Q: Agreement?
- Yes, in evaluating the Merger Agreement, you should read this proxy statement/prospectus carefully, including the A: factors discussed in the section titled "Risk Factors" beginning on page 17.

Fair Value Hierarchy as of July 31, 2015

Various inputs are used in determining the fair value of investments and derivative financial instruments. These inputs to valuation techniques are categorized into a fair value hierarchy consisting of three broad levels for financial reporting purposes as follows:

Level 1 unadjusted price quotations in active markets/exchanges for identical assets or liabilities that Trust has the ability to access

Level 2 other observable inputs (including, but not limited to, quoted prices for similar assets or liabilities in markets that are active, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the assets or liabilities (such as interest rates, yield curves, volatilities, prepayment speeds, loss severities, credit risks and default rates) or other market-corroborated inputs)

Level 3 unobservable inputs based on the best information available in the circumstances, to the extent observable inputs are not available (including The Trust s own assumptions used in determining the fair value of investments and derivative financial instruments)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3. The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the fair value hierarchy classification is determined based on the lowest level input that is significant to the fair value measurement in its entirety. The significant unobservable inputs used by the Global Valuation Committee in determining the price for Fair Valued Investments are typically categorized as level 3.

Changes in valuation techniques may result in transfers into or out of an assigned level within the hierarchy. In accordance with the Trust spolicy, transfers between different levels of the fair value hierarchy are deemed to have occurred as of the beginning of the reporting period. The categorization of a value determined for investments and derivative financial instruments is based on the pricing transparency of the investments and derivative financial instruments and is not necessarily an indication of the risks associated with investing in those securities. For information about the Trust spolicy regarding valuation of investments and derivative financial instruments, refer to the Trust s most recent financial statements as contained in its annual report.

As of July 31, 2015, the following tables summarize the Trust s investments and derivative financial instruments categorized in the hierarchy:

	Level 1	Level 2	Level 3	Total

BlackRock Investment Quality Municipal Trust, Inc. (BKN)

The Trust may hold assets and/or liabilities in which the fair value approximates the carrying amount for financial reporting purposes. As of July 31, 2015, such assets and/or liabilities are categorized within the hierarchy as follows:

	Level 1	Level 2	Level 3	Total
Assets:				
Cash pledged for financial futures contracts	\$ 355,050			\$ 355,050

Total	\$ 355,050	\$ (154,584,555)	\$	\$ (154,229,505)

During the period ended July 31, 2015, there were no transfers between levels.
