EXHIBIT 10.1

EXHIBIT 99.1

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On March 16, 2005, Zoom Telephonics, Inc. (the "Company"), a wholly owned subsidiary of Zoom Technologies, Inc. (the "Registrant"), entered into a Loan and Security Agreement with Silicon Valley Bank that provides for a revolving line of credit of up to \$2 million. The revolving line of credit can be used to (i) borrow revolving loans for working capital and general corporate purposes, (ii) issue letters of credit, (iii) enter into foreign exchange forward contracts, and (iv) support certain cash management services. Revolving loans will bear interest at a floating rate of interest equal to Silicon Valley Bank's prime rate plus 1%. This interest rate will be reduced to Silicon Valley Bank's prime rate plus .5% if the Company records two consecutive quarters of combined profitability.

On March 15, 2006, Silicon Valley Bank's commitment to extend revolving loans under the Loan and Security Agreement terminates and all outstanding obligations of the Company become due.

The revolving loans under the Loan and Security Agreement are secured by a first priority lien on substantially all of the assets of the Company, excluding intellectual property and real estate. Registrant guaranteed the obligations of the Company under the revolving line of credit and pledged all of the stock of the Company in support of its guarantee. The Loan and Security Agreement requires that the Company maintain a minimum adjusted quick ratio and a minimum net worth. In addition, the Company is required to obtain Silicon Valley Bank's prior written consent to among other things, dispose of assets, make acquisitions, be acquired, incur indebtedness, grant liens, make investments, pay dividends, or repurchase stock. This consent may not be unreasonably withheld.

The Loan and Security Agreement contains events of default that include among other things, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, cross default to certain other indebtedness, bankruptcy and insolvency events, change of control and material judgments. Upon occurrence of an event of default, Silicon Valley Bank is entitled to, among other things, accelerate all obligations of the Company and sell the Company's assets to satisfy the Company's obligations under the Loan and Security Agreement.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information required by Item 2.03 of this Current Report on Form 8-K is set forth in Item 1.01 "Entry into a Material Definitive Agreement" above, the contents of which are incorporate by reference herein.

ITEM 9.01. FINANCIAL STATEMENTS AND EXHIBITS
