ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

During the period from January 1, 2006 through October 24, 2006, we acquired 21 retail shopping centers and three industrial projects and, through a 25%-owned unconsolidated joint venture, five retail properties.

Material factors considered by us in evaluating acquisition opportunities include the prospective financial performance of the center, credit quality of the tenancy, local and regional demographics, location and competition, ad valorem tax rates, condition of the property and the related anticipated level of capital expenditures required. We are not aware of any other material factors other than those listed above that would cause the reported financial information not to be necessarily indicative of future operating results.

Our total investment in these acquisitions during 2006 was approximately \$710 million. Audited financial statements for approximately \$508 million of those purchases (the "Acquired Properties") are submitted in ITEM 9.01 below. Unaudited pro forma financial information on the Acquired Properties and other acquisitions are also included in ITEM 9.01 below.

INDEPENDENT AUDITORS' REPORT

To the Board of Trust Managers and Shareholders of Weingarten Realty Investors:

We have audited the accompanying combined statements of revenues and certain expenses (the "Historical Summary") of Woolbright Properties Portfolio (the "Portfolio"), for the year ended December 31, 2005. This Historical Summary is the responsibility of the Portfolio's management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the Form 8-K of Weingarten Realty Investors) as described in Note 2 and is not intended to be a complete presentation of the Portfolio's revenues and expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 2 to the Historical Summary, of the Woolbright Properties Portfolio for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The accompanying Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the "SEC"), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary for the year ended December 31, 2005 includes the historical revenues and certain operating expenses of the Portfolio, exclusive of interest, management fees, corporate level general and administrative expenses and depreciation and amortization, which may not be comparable to the future operations of the Portfolio.

Revenue Recognition - Rental revenue is generally recognized on a straight-line basis over the life of the lease. The adjustment for straight line rent was \$340 thousand for the year ended 2005 and \$201 thousand for the six months ended June 30, 2006 (unaudited). Rental revenue includes revenue based on a percentage of tenants' sales, which is recognized only after the tenant exceeds their sales breakpoint. All leases have been accounted for as operating leases. Tenant reimbursements represent revenues from tenants for reimbursements of taxes, maintenance expenses and insurance, which is recognized in the period the related expense is recorded.

Repairs and Maintenance - Expenditures for repairs and maintenance are expensed as incurred.

Use of Estimates - The preparation of the financial statement in conformity with accounting principles generally accepted in the United States of America requires the Portfolio's management to make estimates and assumptions that affect amounts reported in the financial statement as well as certain disclosures. Actual results could differ from those estimates.

3. RENTALS UNDER OPERATING LEASES

Future minimum rental income from non-cancelable operating leases at December 31, 2005 is as follows:

2006	\$ 16,240,114
2007	15,739,295
2008	14,942,873
2009	13,275,073
2010	10,959,995
Thereafter	33,664,694

The future minimum lease payments do not include estimates for tenant reimbursements nor amounts based on a percentage of the tenants' sales. Percentage rental income and tenant reimbursements totaled \$.4 million and \$4.7 million, respectively, for the year ended December 31, 2005. Percentage rental income and tenant reimbursements totaled \$.4 million and \$2.9 million, respectively, for the six months ended June 30, 2006 (unaudited).

4. TENANT CONCENTRATION

Each of the seven properties has at least one anchor tenant. The anchor tenants include Publix, Bed Bath and Beyond, Albertson's, and City Furniture. The largest tenant represented approximately 6% of the total rental revenue recorded by the Portfolio in 2005.

Notes and Significant Assumptions to Pro Forma Financial Statements
(Unaudited)

Note 1. Woolbright and North American Properties Portfolios

The aggregate purchase price for the acquisitions described below was approximately \$508 million and was allocated among land, buildings and other identifiable intangibles. Other identifiable intangibles include out-of market leases, out-of-market mortgages and lease origination costs. The buildings are being depreciated over a period of forty years. The intangibles are amortized over the identified life of the item to which it relates. At the date of purchase, these purchases were funded either using our revolving line of credit or an assumed mortgage. Pro forma revenues and expenses for the Woolbright Properties Portfolio, other than interest and depreciation, are based on the historical amounts of the Acquired Properties. The properties within the North American Properties Portfolio were in construction and development during 2005 and 2006. For pro forma comparison purposes revenues and expenses were adjusted as if the properties were operational and leased as of January 1, 2005.

The Woolbright Properties Portfolio consists of seven neighborhood/community anchored retail shopping centers totaling 1.3 million square feet for \$325 million. All seven properties are located in highly desirable locations within Florida's three largest metropolitan markets of South Florida, Orlando, and Tampa/St. Petersburg. The centers are leased to a diverse mix of strong national retailers as described in the table below:

Center Name	Total Square Feet	Location	Anchors	Occupancy at Acquisition Date
Alafaya Square	176,486	Ovieda (Orlando), FL	Publix, Planet Fitness	100%
Marketplace at Dr. Phillips	327,561	Orlando, FL	Albertson's, Stein Mart, HomeGoods, Office Depot	99%
East Lake Woodlands	140,103	Palm Harbor (Tampa), FL	Publix, Walgreens	91%
International Drive	185,664	Orlando, FL	Bed Bath & Beyond, Ross, TJ Maxx	100%
Kendall Corners	96,515	Miami, FL	City Furniture	100%
Palm Lakes Plaza	113,752	Margate (Ft. Lauderdale), FL	Publix, CVS	99%
South Dade Shopping Center	219,473	Miami, FL	Publix, Bed Bath & Beyond, PETCO	100%

The North American Property Portfolio consists of five retail properties, including four properties in metropolitan Atlanta, Georgia and one in Sanford, Florida, a suburb north of Orlando. This acquisition adds more than 880,000 square feet to our portfolio and represents a total investment of \$183 million. The properties are all new construction and are anchored by strong national tenants as described in the below table:

Center Name	Total Square Feet of Property*	Location	Anchors	Occupancy at Acquisition Date	Property Development Completed
Brookwood Marketplace	375,000	Atlanta, GA	SuperTarget*, Home Depot, OfficeMax	96.4%	3 rd Qtr 2006
Camp Creek Phase II	230,000	Atlanta, GA	SuperTarget*, Circuit City	99.2%	3 rd Qtr 2006
Lakeside Marketplace	330,000	Acworth (Atlanta), GA	SuperTarget*, Circuit City, Ross Dress for Less, PETCO, OfficeMax	100.0%	3 rd Qtr 2006
Publix at Princeton Lakes	70,000	Atlanta, GA	Publix	100.0%	3 rd Qtr 2006
Marketplace at Seminole Towne Center	550,000	Sanford (Orlando), FL	SuperTarget*, Circuit City, Linens 'n Things, Marshalls, PETCO	99.3%	3 rd Qtr 2005

* Target owns its own property and is not part of the transaction.

The purchase agreement allows for the subsequent development and leasing of an additional phase of Brookwood Marketplace by the property seller. If the terms of the purchase agreement are met by the seller, the purchase price would be increased by approximately \$6.9 million. This agreement expires in August 2008.

Note 2. Other Acquisitions

The aggregate purchase price for the acquisitions described below (the "Other Acquisitions") was \$202 million, of which \$67 million was purchased after June 30, 2006. The purchase price was allocated among land, buildings and intangibles, with the buildings being depreciated over a period of forty years. The intangibles are amortized over the identified life of the item to which it relates. At the date of purchase, these purchases were funded either using our revolving line of credit or an assumed mortgage. Pro forma revenues and expenses, other than interest and depreciation, are based on the historical amounts of the other acquisitions.

In February 2006 we acquired the McGraw Hill Distribution Center, a single tenant warehouse located in DeSoto, Texas.

In March 2006 we acquired Fresh Market Shoppes Shopping Center, an 87,000 square foot shopping center, which is located in Hilton Head, South Carolina. Fresh Market and Bonefish Grill anchor this specialty retail center. We also acquired The Shoppes at Paradise Isle, a 172,000 shopping center located in Destin, Florida. Best Buy, Linens-N-Things, PetsMart and Office Depot anchor this property. Both of these shopping centers were acquired through a 25%-owned unconsolidated joint venture.

In April 2006 Valley Shopping Center, a 103,000 square foot shopping center in Sacramento, California anchored by Raley's Supermarket was acquired.

In May 2006 Brownsville Commons, an 82,000 square foot shopping center including a 54,000 square foot (corporately owned) Kroger supermarket, was acquired in Powder Springs, Georgia, a suburb of Atlanta. Also, The Shoppes of Parkland, a 146,000 square foot shopping center located in Parkland, Florida and anchored by BJ's Wholesale, was acquired.

In June 2006 we purchased three properties in California and acquired a shopping center in Florida through a 25%-owned unconsolidated joint venture. Freedom Centre, anchored by Ralph's and Rite Aid, is a 151,000 square foot shopping center located in Freedom, California. In San Diego, California, two vacant industrial warehouse buildings, 1725 and 1855 Dornoch Court, were acquired. These state-of-the-art buildings, aggregating 317,000 square feet, are located within one and a half miles of our Siempre Viva Business Park, and based on the high demand for top quality space in this area, we anticipate leasing both newly acquired buildings within the next year. Indian Harbour Place was acquired through a 25%-owned unconsolidated joint venture. This 164,000 square foot shopping center is located in Melbourne, Florida and is anchored by Publix. This shopping center represents our third property in Melbourne, Florida.

In July 2006 we acquired Mendenhall Commons, an 80,000 square foot grocery-anchored neighborhood shopping center located in the affluent East Memphis submarket of Memphis, Tennessee. Kroger anchors the center. We also acquired the Regency Center, located in Lexington, Kentucky, and Little Brier Creek Lane in Raleigh, North Carolina. Regency Shopping Center is a 136,000 square foot shopping center, which is anchored by Kroger (corporately owned), Michael's and TJ Maxx. Little Brier Creek Lane is a 63,000 square foot shopping center anchored by Pei Wei.

Quesada Commons, a 59,000 square foot shopping center, and Shoppes of Port Charlotte, a 41,000 square foot shopping center, were acquired through a 25%-owned unconsolidated joint venture in July 2006. Both centers are located in Port Charlotte, Florida and are recently constructed shopping centers. Publix, Florida's dominant supermarket chain, anchors Quesada Commons, and Petco and Panera Bread anchor the Shoppes of Port Charlotte.

In September 2006 Dallas Commons and Reynolds Crossing were acquired in Atlanta, Georgia. Dallas Commons is a 95,000 square foot shopping center and Reynolds Crossing is an 116,000 square foot shopping center. Both centers are anchored by a 70,000 square foot (corporately owned) Kroger supermarket.

Note 3. Interest, Depreciation and Intangibles

The buildings are being depreciated over a period of forty years. Other identifiable intangibles include out-of market leases, out-of-market mortgages and lease origination costs. The out-of-market leases and lease origination costs are amortized over the lives of the related leases. The weighted average lease term by property ranges from 37 months to 184 months.

The properties within the North American Properties Portfolio were in construction and development during 2005 and 2006. For pro forma comparison purposes the revenues and expenses were adjusted to reflect that the properties were operational and leased as of January 1, 2005.

Debt has been assigned to each of the properties based on our overall balance sheet ratio of debt to property after considering any specific mortgage debt on the properties. Interest expense was calculated by first considering the interest rate on any mortgages secured by the properties. The remaining term of these mortgages ranged from 50 months to 127 months. The stated mortgage rates ranged from 5.9% to 8.6%. The weighted average number of months remaining was 98 and the weighted average stated rate was 6.3%. The remaining interest was calculated by using the average rates on our revolving line of credit in each of the periods presented. The average rate used for 2005 was 5.1% and the average rate used for the six months in 2006 was 5.7%.
