Item 1.01 Entry into a Material Definitive Agreement.

On April 21, 2015, Owens Realty Mortgage, Inc. (the “Company”) signed an amendment and restatement of its secured revolving line of credit facility with California Bank and Trust (“CB&T”) (the “Credit Facility”) to increase the maximum potential borrowings from \$20,000,000 to \$30,000,000 and to add First Bank as an additional Lender.

The Amended and Restated Credit Agreement is dated as of April 16, 2015, and is among the Company, as Borrower, CB&T as administrative agent, swingline lender and lender, and First Bank as an additional lender. The parties also entered into a related Amended and Restated Advance Formula Agreement, two Master Revolving Notes from the Company (one to CB&T in an amount up to \$20,000,000 and the other to First Bank in an amount up to \$10,000,000), a restated Security Agreement, and an Addendum to Credit Agreement (Agency Provisions). These agreements collectively amend and restate the prior agreements with CB&T dated February 5, 2014. Capitalized terms used and not defined herein are further defined in the new Credit Facility agreements.

The maximum borrowings under the revolving Credit Facility is the lesser of \$30,000,000 or the amount determined pursuant to a borrowing base calculation described in the Advance Formula Agreement. \$6,551,000 is currently outstanding under the existing Credit Facility, and the Company’s current maximum borrowing availability under the borrowing base calculation is \$11,655,000 (\$5,104,000 of additional borrowings available). At any time that the aggregate principal amount of the total borrowings under the Credit Facility exceeds the maximum permitted pursuant to the borrowing base calculation, the Company must promptly repay an amount equal to such excess.

Funds under the Credit Facility may be borrowed, repaid and redrawn, and all borrowings mature on February 5, 2016. Such borrowings will bear interest payable monthly, in arrears, on the first business day of each month, at the prime rate of interest established by CB&T from time-to-time (currently 3.25%) plus one quarter percent (.25%) per annum. Upon a default under the Credit Facility such interest rate increases by 2.00%.

Borrowings under the Credit Facility are to be secured by certain assets of the Company. These collateral assets will include the grant to Lenders of first-priority deeds of trust on certain real property assets and trust deeds of the Company to be identified by the parties from time-to-time and all personal property of the Company, which collateral includes the assets described in the Security Agreement and in other customary collateral agreements that will be entered into by the parties from time-to-time.

The borrowing base calculation outlined in the Advance Formula Agreement equals the sum of: (a) the lesser of (i) 75% of the outstanding principal balance of those mortgage loan promissory notes issued by the Company in the ordinary course of business that qualify as “Eligible Loan Notes” according to criteria outlined in the Advance Formula Agreement and (ii) 50% of the then-current Appraised Value of the real property securing such Eligible Loan Notes; plus (b) 50% of the then-current Appraised Value of the real property owned by the Company that qualifies as “Eligible Owned Real Property” according to criteria outlined in the Advance Formula Agreement.

The Credit Facility contains affirmative, negative, and financial covenants which management believes are customary for loans of this type, including among others: approvals of new leases or lease renewals with respect to Company properties; maintaining the Company’s principal bank accounts with CB&T and maintenance of \$2,000,000 of unencumbered liquid assets; maintenance of minimum debt-to-tangible net worth and debt service coverage ratios; limitations on repurchasing or redeeming stock of the Company; limitations on incurrence of liens or additional indebtedness; restrictions against guarantying debt outside the ordinary course of business; restrictions on asset dispositions, capital or corporate restructuring or other transactions outside the ordinary course of business; and

restrictions on making certain investments. The amended Credit Facility is also subject to the payment of an additional fee of \$25,000 per year, prorated from the effective date of the Note to Maturity, and certain administrative fees.

The Credit Agreement contains certain events of default (subject to specified thresholds and, in certain cases, cure periods), which management believes are customary for loans of this type. If an event of default occurs and is continuing under the Credit Agreement, the lenders may, among other things, terminate their obligations to lend under the Credit Facility and require the Company to repay all amounts owed thereunder.

The foregoing descriptions of the Credit Facility agreements do not purport to be complete and are qualified in their entirety by reference to the full text of the Amended and Restated Credit Agreement, the two Master Revolving Notes, the Amended and Restated Advance Formula Agreement, the Security Agreement, and the Addendum to Credit Agreement (Agency Provisions) attached as Exhibits 10.1 through 10.6, respectively, to this Current Report on Form 8-K and incorporated herein by reference. A copy of a press release announcing the amendment and restatement of the Credit Facility is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
