announcing its results of operations for the quarter and fiscal year ended January 31, 2003. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

In addition to the GAAP results provided in its press release, the Company provided the non-GAAP measurement operating income before special charges and has provided in the press release a reconciliation of the GAAP results to the non-GAAP measurement. The non-GAAP measurement does not replace the presentation of the Company's GAAP financial results. The Company provided this supplemental non-GAAP information because it believes it provides investors and others with meaningful comparisons of the results of the Company's operations for the periods presented in the release.
