PROXY STATEMENT

This statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Magic Software Enterprises Ltd. to be voted at the Annual General Meeting of Shareholders, or the Meeting, to be held on Thursday, December 23, 2004, and any adjournment thereof. Shareholders will be asked to vote upon: (i) the election of five directors for terms expiring at our 2005 Annual General Meeting of Shareholders; (ii) approval of our entering into indemnification agreements with each of our directors; (iii) ratification of the appointment of Kost Forer Gabbay & Kasierer, independent certified public accountants in Israel, a member firm of Ernst & Young Global, as our independent auditors for the year ending December 31, 2004; (iv) approval of the grant of options to Mr. David Assia, our chairman of the Board of Directors; and (v) review and discussion of our Auditor's Report, Directors Report, and the Consolidated Financial Statements for the year ended December 31, 2003.

Our 2003 Annual Report, including our audited financial statements for the fiscal year ended December 31, 2003, and the proxy card enclosed with this Proxy Statement are being mailed to shareholders on or about November 22, 2004.

Shares eligible to be voted and for which a proxy card is properly signed and returned at least 48 hours prior to the beginning of the Meeting will be voted as directed. If directions are not given or directions are not in accordance with the options listed on a signed and returned proxy card, such shares will be voted FOR each proposition for which the Board of Directors recommends a vote FOR. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes. You may revoke your proxy at any time prior to the exercise of authority granted in the proxy by giving a written notice of revocation to our Corporate Secretary, by submitting a subsequently dated, validly executed proxy, or by voting in person.

As of November 18, 2004, the record date for determination of shareholders entitled to vote at the Meeting, there were outstanding 31,194,041 ordinary shares. Each ordinary share entitles the holder to one vote. The ordinary shares have a par value of NIS 0.1 per share. The presence of two shareholders, holding at least one third of our share capital voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. An affirmative majority of the votes cast is required to approve each of the proposals to be presented at the Annual General Meeting, except for Proposal 2. The approval of Proposal 2 requires the affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting in person or by proxy entitled to vote and voting thereon, provided that with respect to a director who is a controlling shareholder, either (i) at least one third of the non-interested shareholders with respect to such proposal represented and voting at the Annual General Meeting are included in the majority (excluding the vote of abstaining shareholders); or (ii) that the total shareholdings of the non-interested shareholders who vote against such proposal do not represent more than 1% of the voting rights in our company. Under the Israeli Companies Law, Proposal 2 requires that our shareholders notify us prior to the vote at the Meeting, or if such vote is made by proxy on the proxy card, whether or not they have a personal interest with respect to the subject matter of this proposal. The term *personal interest* is defined as a person's personal interest in an act or transaction of the company, including the personal interest of his relatives (or spouse thereof) and of any other corporation in which he or his relatives is an interested party, and exclusive of personal interest that stems from the fact of holding shares in the company. There will be a specific place on the proxy card to indicate if you have a personal interest in Proposal 2. Shareholders are asked to indicate *yes* or *no*. If a shareholder fails to notify us as to whether or not he or she has a personal interest in Proposal 2, the shareholder may not vote and his or her vote will not

be counted with respect to Proposal 2.

We have received indications from our principal shareholder, Formula Systems (1985) Ltd., which holds approximately 50.07% of our issued and outstanding ordinary shares, that it presently intends to vote for all of the nominees for director and in favor of all of the proposals to be acted upon at the Meeting.

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited personally or by telephone by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance with the regulations of the Securities and Exchange Commission concerning the sending of proxies and proxy material to the beneficial owners of stock.

You may vote by submitting your proxy with voting instructions by mail if you promptly complete, sign, date and return the accompanying proxy card in enclosed self-addressed envelope to our transfer agent or to our registered office in Israel at least 48 hours prior to the Meeting.

BOARD OF DIRECTORS AND COMMITTEES

Outside Directors

Under the Israeli Companies Law, 1999 public companies which have offered shares to the public in or outside of Israel are required to elect two outside directors who must meet specified standards of independence. The outside directors may not have any economic relationship with us. Among other limitations, controlling shareholders of a company, 25% shareholders, and their relatives or employees cannot serve as outside directors. Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who are present at the meeting. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company.

Outside directors serve for a three-year term, which may be renewed for only one additional three-year term. At our 2002 Annual General Meeting of Shareholders Ms. Golan was elected to serve as an outside director for period of three years until the Annual General Meeting of Shareholders to be held in 2005 and until her successor is elected and qualified. At our 2003 Annual General Meeting of Shareholders Mr. Bar-Yossef was elected to serve as an outside director for period of three years until the Annual General Meeting of Shareholders to be held in 2006 and until his successor is elected and qualified. Outside directors can be removed from office only by the same percentage of non-controlling shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company. If, when an outside director is elected, all members of the board of directors of a company are of one gender, the outside director to be elected must be of the other gender.

Any committee of the Board of Directors must include at least one outside director. An outside director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Audit Committee

Our Audit Committee, which was established in accordance with Section 114 of the Israeli Companies Law and Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our board of directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, finding any defects in the business management of our company for which purpose the Audit Committee may consult with our independent auditors and internal auditor, proposing to the board of directors ways to correct such defects, approving related-party transactions as required by Israeli law, and such other duties as may be directed by our Board of Directors.

Our Audit Committee consists of three board members who satisfy the independence requirements of the Securities Exchange Commission, Nasdaq and Israeli Law for audit committee members. Our Audit Committee is currently composed of Ms. Shlomit Golan and Messrs. Yigal Bar-Yossef and Jacob Tenenboem, each of whom satisfies these requirements. Our Audit Committee meets at least once each quarter. Ms. Golan serves as our Audit Committee's financial expert.

Under Israeli law, an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two outside directors are serving as members of the audit committee and at least one of the outside directors was present at the meeting in which an approval was granted.

Related Party Transactions

Lease Agreements

In March 2002, we entered into an agreement with Enformia Software Ltd., a company controlled by Mr. David Assia, chairman of our Board of Directors, pursuant to which we sublet to Enformia the first floor (approximately 2,440 square feet) of 3 Haplada Street at a monthly rent of \$2,200, which rent does not include maintenance expenses, plus value added tax. The term of the lease was one year and was subject to renewal for additional one year terms. In March 2003, the parties agreed to terminate the lease.

Maintenance Agreement

In May of 2001, we entered into an agreement with Enformia pursuant to which Enformia agreed to maintain our website for a fee of NIS 50,835 (\$12,000) per year. In February 2003, the parties agreed to terminate the agreement and we have started to maintain the website with our own resources.

Loan Agreement

In October 2002, we entered into a loan agreement with Enformia, pursuant to which we agreed to invest up to \$1.5 million in the continued development of the Enformia intellectual property. We were given an option to increase our holdings in Enformia to 51%. As of December 2002 we invested \$750,000. In May 2003, we entered into an agreement under which the loan was converted to consideration for the purchase of the Enformia intellectual property rights. According to the agreement, we have to pay royalty fees for a period of four years for any sale attributed to the intellectual property rights we purchased, and we also undertook to comply with all the terms required by the Chief

Scientist in connection with its grants to Enformia. In addition, Enformia agreed to integrate its portal technology into the iBOLT Integration family of products. The product, to be known as iBOLT Portal, enables corporations to deliver customized information and applications to a wide range of users, customers, employees, partners and suppliers, using an architecturally superior approach to provide improved customer service and retention, enhanced communication and increased productivity.

We believe that the terms of the transactions in which we have engaged and currently are engaged with Enformia are beneficial and no less favorable to us than the terms which might be available to us from unaffiliated third parties. Because of our chairman's personal interest in Enformia Ltd., any future transactions and arrangements with Enformia require approval of our Audit Committee and board of directors.

APPROVAL OF THE EXECUTION OF INDEMNIFICATION

AGREEMENTS

(Item 2 on the Proxy Card)

Under applicable Israeli law, shareholders of a company must approve the company entering into indemnification agreements with its directors. Our Audit Committee and Board of Directors approved our entering into indemnification agreements with our directors. The indemnification will not surpass 25% of our company's equity for any one case and in the aggregate, and will be limited to cases covered by our Company's insurance policy and to amounts exceeding the amounts covered by such insurance policy. Our Board of Directors believes that entering into such agreements is in the best interest of our company and its shareholders.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

RESOLVED, that the Company is authorized to enter into an indemnification agreement with each of its directors.

Under the Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution. In order for this resolution to be effective with respect to: (i) a director who is a controlling shareholder, or (ii) a director with whom a controlling shareholder has a personal interest in entering into indemnification agreements with, the proposal will require the affirmative vote of a majority of the ordinary shares represented and voting at the Meeting, provided one of the following conditions is met: (i) at least one-third of the non-interested shareholders voting with respect to the proposal are included in the majority; or (ii) that the total shareholdings of the non-interested shareholders who vote against the proposal do not represent more than 1% of the voting rights in our company.

The Board of Directors recommends a vote FOR the foregoing resolution.

APPOINTMENT OF AUDITORS

(Item 3 on the Proxy Card)

Our Board of Directors first appointed Kost Forer Gabbay & Kasierer, independent certified public accountants in Israel, a member firm of Ernst & Young Global, as our auditors in 1983. They served as our auditors until 1999 and were re-engaged for the years ended December 31, 2001, 2002 and 2003. Our Board of Directors has again recommended, pursuant to the recommendation of our Audit Committee, that Kost Forer Gabbay & Kasierer be selected as our auditors for the fiscal year ending December 31, 2004 and recommends that the shareholders ratify and approve the appointment. The remuneration of Kost Forer Gabbay & Kasierer will be determined by our Board of Directors pursuant to the recommendation of our Audit Committee.

The following resolution will be offered by the Board of Directors at the Meeting:

"RESOLVED, that Kost Forer Gabbay & Kasierer be, and hereby are, appointed as the independent auditors of the Company to conduct the annual audit of our financial statements for the year ending December 31, 2004."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

In the event this resolution does not receive the necessary vote for adoption, or if for any reason Kost Forer Gabbay & Kasierer cease to act as our auditors, the Audit Committee will appoint other independent public accountants as our auditors.

The Board of Directors recommends a vote FOR the foregoing resolution.

Fees Paid to Independent Public Accountants

The following table sets forth, for the fiscal year ended December 31, 2003, the fees paid to our independent public accountants.

	Year Ended December 31, 2003
Audit	\$86,000
Tax	36,000
Other	3,000
Total	\$125,000

APPROVAL OF THE GRANT OF OPTIONS TO THE CHAIRMAN OF OUR BOARD OF DIRECTORS

(Item 4 on the Proxy Card)

The Israeli Companies Law requires that the terms of compensation to directors, including grants of options, be approved by the Audit Committee, the Board of Directors, and thereafter, the General Meeting of Shareholders.

Subject to shareholder approval, our Audit Committee and Board of Directors approved the grant of options to purchase 150,000 ordinary shares under our 2000 Plan to David Assia, who has served on our Board of Directors since our inception in 1983. Mr. Assia has served as the chairman of our Board of Directors from 1986 until October 2000 and since January 2002. The exercise price of the options is \$4.02. One-third (1/3) of the options will vest on December 31, 2004, one-third (1/3) of the options will vest on December 31, 2005 and the remaining options will vest on December 31, 2006.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, that the decision of the Audit Committee and Board of Directors of the Company to grant options to purchase 150,000 ordinary shares to David Assia, the chairman of our Board of Directors, is hereby ratified."

Under the Companies Law the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

REVIEW AND DISCUSSION OF OUR AUDITOR S REPORT, DIRECTORS REPORT, AND THE CONSOLIDATED FINANCIAL STATEMENTS

At the Meeting, our Auditor s Report, Directors Report, and the Consolidated Financial Statements for the year ended December 31, 2003 will be presented. We will hold a discussion with respect to the financial statements at the Meeting. This item will not involve a vote of the shareholders.
