Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on December 19, 2016:

This proxy statement and the annual report are available to our shareholders electronically via the Internet on our website at <http://perfumaniaholdings.com/investors/proxy-material/>.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will act upon the matters outlined in the accompanying notice of meeting, including the election of directors, the ratification of the appointment of our independent registered public accounting firm, and the approval of our senior executive officers' fiscal 2015 compensation.

What is a proxy?

It is your legal designation of another person to vote the stock you own. That person is also called a "proxy." If you designate someone as your proxy in a written document, that document is called a proxy card. The form of proxy card included with this proxy statement is solicited by our Board of Directors and designates each of Michael W. Katz, Joseph Bouhadana and Paul Garfinkle, or their successors, as proxies for our Annual Meeting.

What is a proxy statement?

It is a document that the regulations of the Securities and Exchange Commission (SEC) require us to give you when we ask you to sign a proxy card designating individuals as proxies to vote on your behalf.

What is the difference between a shareholder of record and a shareholder who holds stock in street name?

If your shares are registered in your name, you are a shareholder of record. Owners of record receive their proxy materials directly from us. When you properly complete, sign and return your proxy card, you are instructing the named proxies to vote your shares in the manner you indicate on the proxy card.

If your shares are held in the name of your broker or other financial institution, which is usually the case if you hold your shares in a brokerage or similar account, your shares are held in "street name." Your broker or other financial institution or its respective nominee is the shareholder of record for your shares, and you are the "beneficial owner." As the holder of record, only your broker, other institution or nominee is authorized to vote or grant a proxy for your shares, but you may instruct the holder of record how to vote. Beneficial owners receive their proxy materials directly from their broker or other institution.

What are abstentions and broker non-votes?

An abstention occurs when a shareholder of record (which may be a broker or other nominee of a street name holder) is present at a meeting (or deemed present) but fails to vote on a proposal, indicates that the shareholder abstains from voting on the proposal, or withholds authority from proxies to vote for director nominees while failing to vote for other eligible candidates in their place. A broker non-vote occurs when a broker or other nominee who holds shares for another does not vote on a particular proposal because the nominee does not have discretionary voting authority for that proposal and has not received instructions from the beneficial owner of the shares.

Who is entitled to vote at the Annual Meeting?

Only shareholders at the close of business on the record date, October 26, 2016, are entitled to receive notice of the Annual Meeting and to vote shares of our common stock that they held on the record date, or any adjournments or postponements of the Annual Meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Any shareholder of record as of the record date may look at the complete list of the shareholders of record entitled to vote at the Annual Meeting. The list will be available at our principal executive offices for a period of ten days before the Annual Meeting and at the Annual Meeting itself.

Who can attend the Annual Meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend. If your shares are held in the name of your broker or bank, you will need to bring a copy of a recent brokerage statement reflecting your stock ownership as of the record date and valid picture identification.

What constitutes a quorum for the meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting us to conduct business at the Annual Meeting. As of the record date, 15,493,763 shares of our common stock were outstanding. Proxy cards received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting for purposes of a quorum. An inspector of elections appointed for the Annual Meeting will determine whether or not a quorum is present and will tabulate votes cast by proxy or in person at the Annual Meeting.

If less than a majority of the outstanding shares entitled to vote is represented at the Annual Meeting, a majority of the shares present at the Annual Meeting may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the Annual Meeting before adjournment.

How do I vote my shares?

If you complete, sign and return the accompanying proxy card, it will be voted as you direct. You may also vote in person at the Annual Meeting; however, beneficial owners who wish to vote in person will need to bring a proxy from the institution that holds their shares.

Can I vote by telephone or electronically?

We have not established procedures to allow telephone or electronic voting by shareholders of record, but may do so for future shareholder meetings if we determine that the added convenience to our shareholders would justify the additional costs to us associated with these voting methods. Beneficial owners may vote by telephone or the Internet if their bank or broker makes those methods available, in which case your bank or broker will enclose the instructions with this proxy statement.

Can I revoke my proxy and change my vote after I return my proxy card?

Yes. If you are a record holder, even after you have submitted your proxy card, you may revoke your proxy and change your vote at any time before the proxy is exercised by filing with our Corporate Secretary either a notice of revocation or a duly executed proxy card bearing a later date. You may also change your vote by attending the Annual Meeting in person and voting. If a broker, bank or other nominee is the record holder of your shares and you wish to revoke your proxy, you must contact the record holder of your shares directly.

If I submit a proxy, how will my shares be voted?

If you submit a properly executed proxy card, the individuals named on the card, as your proxies, will vote your shares in the manner you indicate. If you sign and return the card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors.

Your vote is important. Whether you plan to attend the meeting or not, we encourage you to vote by proxy as soon as possible.

My shares are held in street name. How are my shares voted if I do not return voting instructions?

Your shares may be voted if they are held in the name of a broker or bank, even if you do not provide the broker or other institutional holder with voting instructions. Brokers and banks generally have authority to vote shares on certain "routine" matters for which their customers do not provide voting instructions. The ratification of the appointment of CohnReznick LLP as our independent registered public accounting firm is considered a routine matter which may be voted on by your broker or bank in its discretion if you have not provided voting instructions within the applicable time frame. Brokers do not have discretionary voting authority in the election of directors or executive compensation matters as these are not considered routine matters so, if you do not provide voting instructions, shares that you hold in a brokerage account will not be counted with respect to the election of directors or approval of executive compensation. Such broker non-votes will not be included in the votes cast and will have no impact on the results of voting. We urge you to instruct your broker or bank about how you wish your shares to be voted.

What are the Board's recommendations?

Our Board of Directors recommends that you vote:

for the election of the nominated slate of directors;

for approval of the advisory resolution to ratify the appointment of CohnReznick LLP as our independent registered public accounting firm; and

for approval of the advisory resolution on executive compensation.

The Board of Directors does not know of any other matters that may be brought before the Annual Meeting, nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate Board of Directors nominees. In the event that any other matter should properly come before the Annual Meeting or any Board of Directors nominee is not available for election, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each proposal?

Election of Directors. The affirmative vote (either in person or by proxy) of a plurality of the votes cast at the Annual Meeting is required for the election of directors. This means that candidates who receive the highest number of votes are elected. Shareholders do not have the right to cumulate their votes for directors.

Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote (either in person or by proxy) of a majority of the votes cast at the Annual Meeting is required for approval of the

ratification of the appointment of CohnReznick LLP. While the Board of Directors will carefully consider the shareholder vote, the final vote is advisory in nature and will not be binding on the Board or the Company.

Advisory Resolution on Executive Compensation. The affirmative vote (either in person or by proxy) of a majority of the votes cast at the Annual Meeting is required for approval of the advisory resolution on executive compensation. While the Board of Directors will carefully consider the shareholder vote, the final vote is advisory in nature and will not be binding on the Board or the Company.

How are abstentions counted when tabulating the vote?

Abstentions with respect to a particular matter do not count in any vote totals “for” or “against” that matter, even though the shares associated with such abstentions are counted for purposes of determining whether there is a quorum present at the Annual Meeting.

Who pays for the preparation of the proxy?

We will pay the cost of preparing, assembling and mailing the Proxy Statement, Notice of Annual Meeting and enclosed proxy card. In addition to the use of mail, our associates may solicit proxies personally and by telephone. Our associates will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies. We may reimburse such persons for their expenses incurred in connection with these activities.

How can I obtain a separate set of voting materials?

Under a procedure approved by the SEC called “householding,” multiple shareholders of record who have the same address and last name will receive only one copy of the Annual Report and proxy materials sent to shareholders until such time as one or more of these shareholders notifies us that they wish to continue receiving individual copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources.

If you received a householder mailing this year, and you would like to have additional copies of our Annual Report and proxy materials mailed to you, or if you would like to opt out of householding for future mailings, please submit your request to Corporate Secretary, 35 Sawgrass Drive, Suite 2, Bellport, New York 11713, or call (631) 866-4100. You may also contact us at the address or phone number above if you received multiple copies of the Annual Meeting materials and would prefer to receive a single copy in the future.

PROPOSAL 1 - ELECTION OF DIRECTORS

There are currently six directors serving on the Board, all of whose terms expire at the Annual Meeting.

Directors Standing for Election

At the Annual Meeting, the shareholders will elect six directors, each of whom will serve for a term expiring at the next Annual Meeting of Shareholders and until his or her successor has been duly elected and qualified.

Each of the nominees listed below has consented to being named in this proxy statement and to serve if elected. The Board of Directors has no reason to believe that any nominee will refuse or be unable to serve if elected. However, if any of them should become unavailable to serve as director, the Board of Directors may designate a substitute nominee or the number of directors may be reduced in accordance with our by-laws. If the Board of Directors designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board of Directors.

Our directors, each of whom is standing for reelection are:

Stephen Nussdorf - Age 65. Mr. Nussdorf was appointed Chairman of our Board of Directors in February 2004 and Executive Chairman of the Board of Directors in April 2011. While at BDO Seidman, LLP, Mr. Garfinkle was an audit partner and client service director for many of the firm's most significant clients. He also served for many years as a member of the firm's Board of Directors and, during his last six years at the firm, as National Director of Real Estate. Mr. Garfinkle has extensive experience in the areas of accounting, finance, audit, and taxation and valuable knowledge of financial and regulatory reporting requirements. His contributions to the work of the Compensation Committee, Audit and Stock Option Committees are valued by the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF ALL NOMINEES NAMED ABOVE TO THE BOARD OF DIRECTORS.

BOARD OF DIRECTORS COMMITTEES AND DIRECTOR INDEPENDENCE

The Board of Directors has determined that Joshua Angel, Joseph Bouhadana, Paul Garfinkle and Glenn H. Gopman are independent, as defined by Nasdaq Stock Market rules. Our Board of Directors has a standing Audit Committee, Compensation Committee and Stock Option Committees.

For the fiscal year ended January 30, 2016 (fiscal 2015), Joseph Bouhadana, Paul Garfinkle (Chairman) and Glenn H. Gopman were the members of our Audit Committee. The Audit Committee is governed by a written charter adopted by the Board of Directors. The duties and responsibilities of the Audit Committee include: (a) assisting our Board in its oversight of the integrity of our financial statements, (b) the selection and retention of our independent registered public accounting firm and any termination of engagement, (c) reviewing the scope and results of audits and other services provided by our independent registered public accounting firm, (d) reviewing our significant accounting policies and internal controls and (e) exercising general responsibility for all related auditing matters. A copy of the charter is posted on our website at www.perfumaniaholdingsinc.com/auditcommittee.aspx. The Board of Directors has determined that Paul Garfinkle is an “audit committee financial expert” as defined by SEC rules. The Audit Committee held five meetings during fiscal 2015.

For fiscal 2015, Joseph Bouhadana and Glenn H. Gopman were the members of our Compensation Committee. Paul Garfinkle was appointed to the Compensation Committee on December 7, 2015. The Compensation Committee is responsible for developing and approving the compensation program for our executive officers and directors, and it reviews and approves the specific compensation of our executive officers, including salaries, bonuses and benefit plans. The Compensation Committee is governed by a written charter adopted by the Board of Directors. A copy of the charter is posted on our website at: www.perfumaniaholdingsinc.com/compensationcommittee.aspx. To assist our Compensation Committee in performing its duties, our Chief Executive Officer may provide recommendations concerning the compensation of executive officers, excluding himself; and may also provide our Compensation Committee information regarding an executive officer's performance in light of our overall business and financial results of operations. Our Compensation Committee considers, but is not bound to accept, our Chief Executive Officer's recommendations with respect to executive compensation. While the Compensation Committee may utilize compensation survey data which the Compensation Committee considers comparable or relevant to our own business, our Compensation Committee does not use a specific formula to set executive pay in relation to this market data; nor does our Compensation Committee utilize any formulation directly tied to our financial results of operations. The Compensation Committee held one meeting during fiscal 2015.

For fiscal 2015, Joseph Bouhadana and Glenn H. Gopman were also the members of the Stock Option Committee. Paul Garfinkle was appointed to the Stock Option Committee on December 7, 2015. The Stock Option

Committee administers our equity compensation plans. The Stock Option Committee did not hold any meetings during fiscal 2014.

We do not have a nominating or similar committee. The independent Board members perform the functions of a nominating committee, including reviewing and recommending candidates for directors. The Board of Directors believes that it is not necessary to have a nominating committee because the independent Board members adequately perform the same functions as a nominating committee.

If a shareholder wishes to recommend a nominee for director, written notice should be sent to the Corporate Secretary in accordance with the instructions set forth later in this proxy statement under "Shareholder Proposals for the 2017 Annual Meeting." All recommendations should be accompanied by a complete statement of such person's qualifications (including education, work experience, knowledge of our industry, membership on the Board of Directors of another corporation, and civic activity) and an indication of the person's willingness to serve. The independent Board members will evaluate the suitability of potential candidates nominated by shareholders in the same manner as other candidates identified to the independent Board members.

In making nominations, the independent Board members identify candidates who meet the current challenges and needs of the Board of Directors. In making such decisions, the independent Board members consider, among other things, an individual's business experience, industry experience, financial background and experiences and whether the individual meets the independence requirements of the Nasdaq Stock Market rules. The independent Board members use multiple sources for identifying and evaluating nominees for director, including referrals from current directors, recommendations by shareholders and input from third party executive search firms. The Board does not have a formal diversity policy. In identifying nominees for directors, however, consideration is given to the diversity of professional experience, education, backgrounds and skills among the directors so that a variety of experience and points of view are represented in Board discussions and deliberations concerning our business.

During fiscal 2015, our Board of Directors held four meetings. Our policy requires directors to attend our annual shareholder meetings, barring special circumstances. All of our directors attended the 2015 Annual Meeting.

BOARD LEADERSHIP STRUCTURE AND RISK OVERSIGHT

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Executive Chairman of the Board, as the Board believes it is in our best interests to make the determination based on an assessment of the current condition of our Company and of the composition of the Board. Stephen Nussdorf is a principal shareholder of the Company and, thus, is a strong representative of the shareholders' interests on the Board, independent of management. The Board has determined that having Mr. Nussdorf serve as the Executive Chairman of the Board and having Mr. Katz serve as the Chief Executive Officer is in the best interest of our shareholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, while also providing effective Board leadership through the Chairman, thereby fostering communication between management and the Board.

The Board is responsible for monitoring the risks that affect the Company, including operational, legal, regulatory, strategic and financial risks, which our Board seeks to mitigate through careful planning and execution. Management provides the Board with updates regarding key aspects of the Company's principal operations and risks as part of routine Board meetings and updates them as needed. The Board is responsible for assessing risks based on such information, as well as their working knowledge of the Company and the risks inherent in its business. Board members have the opportunity to provide input and direction to management on managing our risks. In addition, the Audit Committee monitors the Company's financial and audit-related risks.

DIRECTOR COMPENSATION

We pay each nonemployee Board Member a \$25,000 annual retainer. In addition, directors earn \$10,000 per year for service as Chair of the Audit Committee, \$5,000 per year for other members of the Audit Committee, \$3,000 per year for service as Chair of each other Committee of the Board of Directors, and \$2,500 per year for other members of each other Committee. We also reimburse their expenses in connection with their activities as directors.

Nonemployee directors are eligible to receive stock options under our 2010 Equity Incentive Plan. They receive a grant of options for 10,000 shares upon initial election to the Board, to vest annually over three years dependent on continued Board service, and a grant of options for 5,000 shares upon annual reelection to the Board, vested immediately. All such options have an exercise price equal to the fair market value of a share of our common stock on the date of the grant.

Neither Mr. Nussdorf nor Mr. Katz receives any compensation for his service as a director.

The following table sets forth certain information regarding the compensation of our nonemployee directors for fiscal 2015:

Name	Fees Earned or Paid in Cash (\$)	Options Awards (\$)(1)(2)	Total (\$)
Joseph Bouhadana	33,000	12,365	45,365
Paul Garfinkle	35,000	12,365	47,365
Glenn H. Gopman	27,500	12,365	39,865

Amounts listed represent the grant date fair value of the stock option awards. For additional information regarding (1) the assumptions used to calculate these amounts, see Note 11 to the consolidated financial statements included in our 2015 Form 10-k.

(2) As of January 30, 2016, Perfumania's nonemployee directors held outstanding stock options in the following amounts: Joseph Bouhadana (49,000); Paul Garfinkle (49,000); and Glenn H. Gopman (37,999).

PROPOSAL 2 - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has engaged CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending January 28, 2017 (fiscal 2016). CohnReznick LLP audited our financial statements for fiscal 2015. One or more representatives of CohnReznick LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from shareholders.

Although ratification by our shareholders is not required by our by-laws or otherwise, the Audit Committee believes that it is appropriate to seek shareholder ratification of this appointment in light of the critical role played by the independent registered public accounting firm. The shareholder vote is advisory only, but in the event this ratification is not received, the Audit Committee will reconsider the selection of CohnReznick LLP.

Principal Accountant Fees and Services

The aggregate fees billed by CohnReznick LLP for fiscal 2015 and fiscal 2014 are as follows:

Fees	Fiscal 2015	Fiscal 2014
Audit Fees (1)	\$562,500	\$550,000
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$562,500	\$550,000

"Audit Fees" consist of fees billed for professional services rendered in connection with the audit of our (1) consolidated annual financial statements, the review of our interim consolidated financial statements included in quarterly reports and audit services provided in connection with other statutory and regulatory engagements.

The Audit Committee considered and determined that the provision of services as described above was compatible with maintaining CohnReznick LLP's independence. The Audit Committee pre-approved the engagement of CohnReznick LLP for all professional services performed by the firm. The pre-approval process generally involves the full Audit Committee's evaluating and approving the particular engagement before the commencement of services.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF COHNREZNICK LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JANUARY 28, 2017.

PROPOSAL 3 - ADVISORY VOTE ON COMPENSATION OF EXECUTIVE OFFICERS

The Company seeks your advisory vote on our executive compensation programs pursuant to Section 14A of the Securities Exchange Act of 1934 (commonly referred to as "Say on Pay"). The Company asks that you approve the compensation of our senior executive officers for fiscal 2015 as described under "Executive Compensation and Related Information" on pages 14 to 15 of this proxy statement.

The compensation paid to the Company's executive officers is intended to align their interests with the long-term interests of the Company's shareholders and is based on a pay-for-performance philosophy. It consists

principally of salary, which must be competitive to attract and retain the skills and experience of excellent employees, discretionary annual bonus to reward outstanding performance, and equity compensation to encourage long-term commitment and team performance. Not all elements are provided every year, depending on the performance of the Company and the executive

Our executive team has been instrumental in the continued growth of the Company, and while the Company's business units have continued to face uncertain and challenging economic times, with strong executive leadership, we continue to penetrate new markets and gain new customers.

The Board believes that the executives' compensation met the Company's goals and that it should be approved by the shareholders.

While the Board will carefully consider the shareholder vote, the vote solicited by this proxy is advisory in nature and will not be binding on the Board nor require the Board to take any action. Moreover, the outcome of the vote will not be construed as overruling any decision by the Board, or creating or implying any additional fiduciary duty of the Board. However, the Board expects to take into account the outcome of this vote when considering future executive compensation arrangements for the Company's executive officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO APPROVE THE COMPENSATION OF THE COMPANY'S EXECUTIVE OFFICERS.

REPORT OF THE AUDIT COMMITTEE

The following report concerns the Audit Committee's activities regarding oversight of our accounting, auditing and financial reporting process.

As described more fully in its charter, the purpose of the Audit Committee is to act on behalf of the Board of Directors in its oversight of our internal control, accounting, auditing and financial reporting functions. Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Our independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm, nor can the Audit Committee certify that the independent registered public accounting firm is "independent" under applicable rules. The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of several factors, including the information it receives, discussions with management and the auditors and the experience of the Committee's members in business, financial and accounting matters.

Among other matters and in accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee monitors the activities and performance of our independent registered public accounting firm, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee has ultimate authority and responsibility to select, evaluate and, when appropriate, replace our independent registered public accounting firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of our financial, accounting and internal controls. Management's and the independent registered public accounting firm's presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent registered public accounting firm. In addition, the Audit Committee generally oversees our internal compliance programs.

In fulfilling its oversight responsibilities, the Committee reviews and discusses with both management and our independent registered public accounting firm the annual and quarterly financial statements prior to their issuance. The Committee reviewed and discussed our audited consolidated financial statements for fiscal 2015 with management and our independent registered public accounting firm. Management represented to the Committee that all such financial statements were prepared in accordance with generally accepted accounting principles. CohnReznick LLP addressed the matters required to be discussed by Auditing Standards No. 16, as amended and adopted by the Public Company Accounting Oversight Board (“PCAOB”). CohnReznick LLP provided the Committee with the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Committee concerning independence, the Committee discussed its independence with CohnReznick LLP, and the Committee satisfied itself as to the independence of CohnReznick LLP. Based on the Audit Committee's review and discussions described above, the Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K filed with the Securities and Exchange Commission for fiscal 2015.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Transactions with Principal Shareholders and Executive Officers

Glenn Nussdorf, Stephen Nussdorf and their sister, Arlene Nussdorf (the “Nussdorfs”) collectively are the beneficial owners of approximately 57% of our common stock. Stephen Nussdorf has served as Chairman of our Board of Directors since February 2004 and was appointed Executive Chairman in April 2011. The Nussdorfs are officers and principals of Quality King, which distributes pharmaceuticals and health and beauty care products, and our President and Chief Executive Officer, Michael W. Katz is an executive of Quality King.

Rene Garcia and certain family trusts and affiliated companies of Rene Garcia, which we refer to as the “Garcia Group,” collectively are the beneficial owners of approximately 25% of our common stock. In addition, Shawn C. Carter and S. Carter Enterprises, LLC, a company he controls, collectively are the beneficial owners of approximately 10% of our common stock.

In 2004, 2008 and 2012 the Nussdorfs and related parties made loans to the Company on an unsecured basis for which we issued promissory notes. These have been amended from time to time to extend their maturities. They are as follows:

- (i) a promissory note in the principal amount of \$35 million, held by Quality King (the “QKD Note”), which provides for payment of principal in quarterly installments between July 31, 2019 and October 31, 2022 and payment of interest in quarterly installments commencing on January 31, 2011 at the then current senior debt rate, as defined in our senior credit facility, plus 1% per annum;
- (ii) promissory notes in the aggregate principal amount of approximately \$85.4 million, held by six estate trusts established by Glenn, Stephen and Arlene Nussdorf (the “Nussdorf Trust Notes”), which provide for payment of the principal in full on July 31, 2019 and payments of interest in quarterly installments commencing on July 31, 2012 at the then current senior debt rate plus 2% per annum; and

(iii) a promissory note in the principal amount of \$5 million held by Glenn and Stephen Nussdorf (the "2004 Note"), which provides for payment in January 2009 and is currently in default because of the restrictions on payment described below, resulting in an increase of 2% in the nominal interest rate, which is the prime rate plus 1%. These notes are subordinated to our senior credit facility. No principal may be paid on any of them until three months after the senior credit facility terminates in April 2019 and is paid in full, and payment of interest is subject to satisfaction of certain conditions, including the Company's maintaining excess availability under the senior credit facility of \$17.5 million (or 17.5% of commitment) and a fixed charge coverage ratio, as defined in the credit agreement, of 1.1:1.0.

No payments of principal or interest have been made on the Nussdorf Trust Notes or the QKD Note and no payments of principal have been made on the 2004 Note. Accordingly, the full principal amount of each, as described above, remains outstanding. The aggregate amount of accrued interest on the Nussdorf Trust Notes and the QKD Note as of October 1, 2016 is \$46.2 million. We paid approximately \$0.2 million of interest on the 2004 Note in fiscal 2008 and have not made any interest payments since then. The amount of accrued interest on the 2004 Note as of October 1, 2016 is \$2.5 million.

Transactions with Affiliated Companies

Glenn Nussdorf has an ownership interest in Lighthouse Beauty Marketing, LLC, Lighthouse Beauty, LLC and Lighthouse Beauty KLO, LLC (collectively "Lighthouse Companies"), all of which are manufacturers and distributors of prestige fragrances. He also had an ownership interest in Cloudbreak Holdings, LLC ("Cloudbreak"), a manufacturer and distributor of prestige fragrances. The Company has purchased merchandise from the Lighthouse Companies and Cloudbreak.

The Company purchases merchandise from Jacavi Beauty Supply, LLC ("Jacavi"), a fragrance distributor. Jacavi's managing member is Rene Garcia. See disclosure of merchandise purchases in the table below.

The Company sells merchandise to Reba Americas LLC ("Reba"), which distributes fragrances primarily in Puerto Rico and the Caribbean. Family trusts of Rene Garcia own 50% of Reba. Net sales to Reba were approximately \$2.9 million, \$1.6 million and \$2.1 million during fiscal 2015, fiscal 2014 and the thirty-five weeks ended October 1, 2016, respectively. The balance due from Reba as of October 1, 2016 and January 30, 2016 was \$0.3 million, respectively. The amounts due to these related companies are non-interest bearing. Transactions for merchandise purchases with these related companies during the previous two fiscal years and the current year were as follows:

On May 1, 2014, pursuant to a termination and trademark license agreement and in consideration for \$0.1 million, the Company acquired the license for Isaac Mizrahi fragrances and related products from Cloudbreak. The license agreement had a three-year term with applicable renewal options, however, the Company and the licensor mutually agreed to terminate the license effective January 1, 2016. The Company had a credit of \$0.3 million for advance royalty payments which was paid by Cloudbreak to the licensor, which the Company utilized during fiscal 2015.

Effective May 1, 2014, and pursuant to certain termination, consent, representation and trademark license agreements, the Company acquired the license for Major League Baseball (“MLB”) fragrances and related products from Cloudbreak. Pursuant to these agreements, the Company paid approximately \$0.1 million of fees that were due by Cloudbreak and is permitted to purchase Cloudbreak’s May 1, 2014 on-hand MLB finished goods fragrance inventory at Cloudbreak's original cost. The license agreement terminates on December 31, 2017.

Glenn, Stephen and Arlene Nussdorf own GSN Trucking, Inc. (“GSN”) which provides general transportation and freight services. The Company periodically utilizes GSN to transport both inbound purchases of merchandise and outbound shipments to wholesale customers. During fiscal 2015 and 2014, total payments to GSN for transportation services provided were less than \$0.1 million in each year. During the thirty-five weeks ended October 1, 2016, there were no payments to GSN for transportation services. There was no balance due to GSN at October 1, 2016 and January 30, 2016.

Quality King occupies a leased 560,000 square foot facility in Bellport, NY. The Company began occupying approximately half of this facility in December 2007 under a sublease that terminates on September 30, 2027 and this location serves as the Company's principal offices. As of October 1, 2016, the monthly current sublease payments are approximately \$233,000 and increase by 3% annually. Total payments by the Company to Quality King during fiscal 2015, fiscal 2014 and the thirty-five weeks ended October 1, 2016 were approximately \$2.7 million, \$2.6 million and \$1.9 million, respectively, for this sublease.

The Company and Quality King are parties to a Services Agreement providing for the Company's participation in certain third party arrangements at the Company's respective share of Quality King's cost, including allocated overhead, plus a 2% administrative fee, and the provision of legal services. The Company also shares with Quality King the economic benefit of the bulk rate contract that the Company has with UPS to ship Quality King's merchandise and related items. The Services Agreement will terminate on thirty days' written notice from either party. The expenses charged under these arrangements to the Company during fiscal 2015, fiscal 2014 and the thirty-five weeks ended October 1, 2016 were \$1.0 million, \$0.3 million and \$0.5 million, respectively. The balance due to Quality King for expenses charged under the Services Agreement was less than \$0.1 million at both October 1, 2016 and January 30, 2016.

On April 18, 2012, Parlux, Artistic Brands Development LLC (“Artistic Brands”) (a company controlled by Rene Garcia), Shawn C. Carter and S. Carter Enterprises, LLC entered into a sublicense agreement and Artistic Brands, Shawn Carter and S. Carter Enterprises, LLC entered into a license agreement. In connection with these agreements, the Company issued to Artistic Brands and its designees, including Shawn Carter, warrants for the purchase of an aggregate of 1,599,999 shares of the Company's common stock at an exercise price of \$8.00 per share. Pursuant to the license agreement, Artistic Brands obtained the exclusive right and license to manufacture, promote, distribute, and sell prestige fragrances and related products under the Jay-Z trademark. The initial term of the license agreement expires at the earlier of (i) five years following the first date on which licensed products are shipped and (ii) December 31, 2018. Artistic Brands has the right to renew the license agreement, so long as certain financial conditions are met and it has not otherwise breached the agreement. Pursuant to the license agreement, Artistic Brands agreed to make certain royalty payments, including certain guaranteed minimum royalties. Pursuant to the sublicense agreement, Artistic Brands sublicensed all rights granted under the license agreement to the Company, and in return the Company assumed all of Artistic Brands' obligations under the license agreement, including making all royalty payments and certain guaranteed minimum royalties owed to S. Carter Enterprises, LLC. During fiscal 2015 and 2014, the Company paid \$0.3 million and \$0.6 million of royalties pursuant to the sublicense agreement. No royalties have been paid during the thirty-five weeks ended October 1, 2016.

On January 8, 2016, the Company and Parlux filed a lawsuit against S. Carter Enterprises, LLC and Shawn C. Carter in the Supreme Court of the State of New York, County of New York. In general, the lawsuit alleges that the defendants have breached the license described above and related agreements by not acting timely or in good-faith in approving products and launches under the license and not supporting the brand via personal appearances as required by the license. The lawsuit seeks a determination that such breaches undermine the essence of the license thereby warranting rescission of the license, return of the consideration paid on account of the license and related agreements, monetary damages, and other relief. On May 6, 2016, the defendants filed an answer in the nature of a general denial,

with a counterclaim for inter alia amounts allegedly due to them under the license agreements in the amount of approximately \$2.7 million. The Company has filed a reply to that counterclaim in the nature of a general denial. Discovery has commenced. The Court has set a schedule which calls for the conclusion of fact and expert discovery by June 23, 2017, with dispositive motion practice to follow. The parties have begun the initial discovery process, which is ongoing. The Company intends to vigorously pursue its claims and to defend the counterclaim.

Related Party Transaction Policy

It is our policy that all related party transactions be disclosed to our Audit Committee for review and approval. The Committee reviews all relationships and transactions reported to it in which we and any of our directors, executive officers or principal shareholders, or any of their immediate family members, are participants to determine whether such persons have a direct or indirect material interest. Our Chief Financial Officer is primarily responsible for the development and implementation of processes and controls to obtain information from such persons with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. In the course of its review and approval or ratification of a disclosable related party transaction, the Audit Committee considers:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction;
- the importance of the transaction to the related person;
- the importance of the transaction to us;
- whether the transaction would impair the judgment of a director or executive officer to act in our best interest; and
- any other matters the Committee deems appropriate.

Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote respecting approval or ratification of the transaction, provided, however, that such director may be counted in determining the presence of a quorum at a meeting of the Committee that considers the transaction.

Retirement Benefits and Potential Payments Upon Termination or Change of Control

No Named Executive Officer participates in any Company pension plan or nonqualified defined contribution or nonqualified deferred compensation plan, and none has entered into any agreements or understandings with the Company that provide for payments or benefits to the Named Executive Officer in the event of the Named Executive Officer's termination of employment, including a change of control. Our option awards, however, typically provide that outstanding options would vest immediately upon a change of control.

Generally, upon a termination of employment for any reason, each Named Executive Officer would be entitled to receive a cash payment of the Named Executive Officer's base salary through the date of termination, to the extent not paid, any accrued but unused vacation pay and any reimbursed business expenses. The Compensation Committee may, in its sole discretion, depending upon the circumstances of the termination of employment, pay the terminated officer severance in such amount as then determined by the Committee.
