REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Plan Administrator of
UGI HVAC Enterprises, Inc. Savings Plan

We have audited the accompanying statements of net assets available for benefits of the UGI HVAC Enterprises, Inc. Savings Plan as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2012 and 2011, and the changes in net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole.

The supplemental schedule of assets held at end of year as of December 31, 2012 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

1. Description of the Plan

The following brief description of the UGI HVAC Enterprises, Inc. Savings Plan (the "Plan") provides general information on the provisions of the Plan in effect on December 31, 2012 and during the periods covered by the financial statements. More complete information is included in the Plan document.

General. The Plan is a defined contribution plan which covers employees of UGI HVAC Enterprises, Inc. (the "Company") and certain affiliated companies (collectively, "the Employers"). The Company is a wholly owned subsidiary of UGI Enterprises, Inc. ("Enterprises"). Enterprises is a wholly owned subsidiary of UGI Corporation ("UGI").

Employees of the Employers are eligible upon hire to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is administered by the UGI Utilities, Inc. Retirement Committee ("Plan Administrator") whose members are appointed by the Pension Committee of the Board of Directors of UGI Utilities, Inc., a wholly owned subsidiary of UGI.

Contributions. Generally a participant may elect to contribute to the Plan on a before-tax basis through payroll reduction an amount equal to from 1% to 50%, in whole percentages, of eligible compensation. In addition a participant may elect to contribute to the Plan on an after-tax basis through payroll deduction an amount equal to from 1% to 20%, in whole percentages, of eligible compensation, provided that the combination of before-tax and after-tax contributions does not exceed 50% of eligible compensation. Calendar year before-tax and after-tax contribution amounts are subject to limits prescribed by the Internal Revenue Code ("IRC") and the Plan, respectively. For the 2012 and 2011 Plan Years, the IRC before-tax contribution limits were \$17,000 and \$16,500, respectively. After-tax contributions are subject to limits set by the Plan and Section 402(g) of the IRC. A participant may increase the rate of, or reduce or suspend, his or her before-tax or after-tax contributions at any time by contacting the Plan's recordkeeper, Fidelity Institutional Retirement Services Company ("FIRSCO").

The Plan allows for "catch-up contributions." The catch-up contribution provision allows certain employees to make before-tax contributions over and above the IRC and Plan limits. In order to be eligible to make catch-up contributions, employees must be at least 50 years of age and must be contributing the IRC or Plan limit. The maximum catch-up contributions for both the 2012 and 2011 Plan Years was \$5,500. Catch-up contributions are not eligible for the Employers' matching contribution (as described below).

The Plan also accepts on behalf of any employee (i) the entire amount of cash received as a distribution from another qualified trust forming part of a plan described in section 401(a) of the IRC or from a "rollover" individual retirement plan described in section 408 of the IRC, but only if the deposit qualifies as a tax-free rollover as defined in section 402 or (ii) a direct transfer from another plan qualified under Section 401(a) of the IRC. The Plan accepts after-tax rollover contributions.

Generally, for each pay period during a Plan year, the Employers may, at their discretion, make a contribution to the Plan equal to 50% of participant before-tax and after-tax contributions, up to a total of 5% of compensation (as defined in the Plan document) for each participant who has made before-tax and/or after-tax contributions.

A participant is immediately fully vested in the portion of his or her account attributable to participant contributions as well as matching contributions made by the Employers.

Investment Funds. A participant may elect to have his or her funds invested in one or more investment options. The Plan currently offers investments in selected mutual funds, the UGI Common Stock Fund, a common collective trust fund and Brokerage Link. Brokerage Link balances consist of the mutual funds offered by the Plan, as well as mutual funds offered by other registered investment companies. Generally, participants may transfer amounts between funds at any time with no limit. Participants may change their investment elections for future contributions at any time. The default investment fund under the Plan is the age appropriate Vanguard Target Retirement Fund (based on an assumed retirement age of 65). Fidelity Management Trust Company is the Plan's Trustee for all investment assets of the Plan and qualifies as a party in interest. The Statements of Changes in Net Assets Available for Benefits reflects certain

administrative fees paid by Plan Participants to FIRSCO from Plan assets (see “Administrative Expenses” below). References to “Fidelity” in the table of trust investments below (Note 3) refer to investment funds managed by Fidelity Management & Research Company (“FMR”). References to “Vanguard” in the table of trust investments (Note 3) refer to investment funds managed by the Vanguard Group.

SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

Distributions. The Plan benefit of a participant who terminates employment for any reason other than death shall be equal to the proceeds of liquidation of 100% of the balance of his or her account. Participants may elect to receive their interest in the UGI Common Stock Fund in the form of shares of UGI Corporation Common Stock. Where the amount to be distributed exceeds \$1,000, no distribution shall be made to any Plan participant prior to his or her normal retirement age (as defined in the Plan document) or age 70 1/2 unless the participant elects to receive such distribution. Where the amount to be distributed does not exceed \$1,000, a Plan participant's benefit will be distributed as soon as practicable after the participant becomes entitled to receive a distribution.

A participant who continues to work past age 70 1/2 will receive a distribution upon termination of employment.

Death. If a participant dies prior to receiving a distribution of his or her account, the participant's designated beneficiary shall be entitled to receive a lump-sum distribution of the proceeds of liquidation of 100% of the vested balance credited to the participant's account. Generally, the beneficiary may request a distribution of the participant's account balance as soon as practicable following the date of the participant's death. The beneficiary of a participant who is married at the time of the participant's death will be the participant's spouse, unless the participant designated another beneficiary and the spouse consented to such designation in accordance with procedures specified by the Plan document.

Withdrawals. Generally, a participant may withdraw up to 50% of the balance of his or her Voluntary Participant Contribution Account attributable to after-tax contributions, as defined in the Plan document. However, the withdrawal must be in an amount of at least \$500.

A participant may withdraw before-tax contributions (and earnings attributable thereto credited as of December 31, 1988) and rollover contributions, only on account of financial hardship resulting from (i) medical expenses as defined in section 213(d) of the IRC; (ii) educational expenses for the next twelve months of post-secondary education of the participant, or his or her spouse, children or dependents; (iii) foreclosure on or eviction from a primary residence; (iv) costs directly related to the purchase of a primary residence; (v) payments for burial or funeral expenses of the participant's parent, spouse, children or eligible dependents; or (vi) expenses for the repair of casualty loss damages on a primary residence due to a catastrophic event as defined in section 165 of the IRC. A hardship withdrawal will be permitted if the Plan Administrator determines that (i) the withdrawal is on account of an immediate and heavy financial need of the participant and (ii) the withdrawal is necessary to satisfy such financial need. A participant's participation in the Plan is suspended for the six-month period following a hardship withdrawal.

Active employees who reach age 59 1/2 can elect an in-service withdrawal in the amount of at least \$1,000. A participant may withdraw up to 100% of the balance of his or her Rollover Account, as defined in the Plan document, at any time. No more than one withdrawal in any calendar year is permitted from each of the Voluntary Participant Contribution Account and Rollover Account portions of a participant's account.

Loan Provision. The Plan includes an employee loan provision. Generally, at the time a loan is to be made, the amount of all loans to be outstanding may not exceed the lesser of (a) 50% of a participant's before-tax and rollover account balances, or (b) \$50,000 less the highest balance of all loans during the prior twelve month period. Each loan bears interest at a rate determined in accordance with generally prevailing market conditions for similar types of loans. The minimum loan amount is \$1,000. The amount of the loan withdrawn from a participant's account is allocated in proportion to the value of the participant's salary deferral and rollover account balances in each investment fund.

Repayments, including interest, are made in equal installments through payroll deductions and are allocated to participant accounts in accordance with current investment elections. No loan may have a final maturity in excess of five years except that, if the loan is used to purchase a principal residence for the participant, the loan may have a final maturity of up to ten years. No participant shall be permitted to have more than two loans outstanding at any one time.

Administrative Expenses. Administrative expenses of the Plan are chargeable to the Plan unless paid for by the Employers. Other than the plan fees described below, the Employers currently pay such expenses. During the periods covered by the financial statements, each active Plan account was assessed a quarterly recordkeeping fee of \$4.25

through June 30, 2012. Beginning July 1, 2012, the quarterly recordkeeping fee is \$10.50. This fee is automatically deducted in the month following the end of each quarter and remitted to FIRSCO. Loan administration and withdrawal fees are paid by Plan participants. Mutual fund expenses are paid to fund managers from mutual fund assets.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right to terminate the Plan in whole or in part at any time for any reason.

SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

Plan Amendment. The Company may amend the Plan at any time for any reason by written action of its Board of Directors. Amendments required to comply with the IRC to maintain compliance with current laws or regulations or to correct errors or omissions in the Plan document, however, may be made by the Retirement Committee without Board approval.

Voting Rights of UGI Common Stock Fund Participants. A participant has the right to instruct the trustee of the Plan how to vote, at each meeting of shareholders, all shares of UGI Corporation Common Stock (including fractional shares) represented by the value of the participant's interest in the UGI Common Stock Fund. A participant also has the right to direct the trustee of the Plan whether or not to tender shares in response to a tender offer.

2. Accounting Policies

Use of Estimates and Basis of Accounting. The accompanying financial statements are prepared in accordance with the accounting principles generally accepted in the United States of America ("GAAP"). GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Statements of Net Assets Available for Benefits reflect the Plan's investments at their fair values except for the Plan's investment in the Vanguard Retirement Savings Trust III (a common collective trust fund investment) which is stated at its fair value and adjusted to contract value (as further described below). Fidelity Brokerage Link accounts are reflected at their fair value of associated investments.

The Statement of Net Assets Available for Benefits reflects the Plan's interest in the Vanguard Retirement Saving Trust III at the net asset value ("NAV") provided by the administrator of the fund. The NAV is based upon the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Such amount is then adjusted to contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The interest in the Vanguard Retirement Savings Trust III is included in the Statements of Changes in Net Assets Available for Benefits on a contract basis.

Dividend income is recorded on the record date. Interest earned on investments is recorded on the accrual basis.

Purchases and sales of securities are recorded on a trade date basis.

The Plan presents in the Statements of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in fair value of investments which consists of realized gains or losses and unrealized appreciation (depreciation) in the fair value of those investments.

Distributions are made to Plan participants based upon the fair value of each participant's investment account (except for investments of the Vanguard Retirement Savings Trust III for which distributions are based upon contract value and except for distributions from the UGI Common Stock Fund, to the extent not all shares are sold on the same date) as of the dates of the distribution. Distributions to participants are recorded when paid.

Transfers of Participants' Balances. Transfers of participant balances represent amounts transferred to or from the AmeriGas Propane, Inc. Savings Plan and the UGI Utilities, Inc. Savings Plan, which are affiliated plans.

Notes Receivable from Participants. Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable is recorded when earned. No allowances for credit losses have been recorded as of December 31, 2012 or 2011.

Fair Value Measurements. The Plan performs fair value measurements in accordance with GAAP. Refer to Note 5 for the fair value measurement disclosures associated with the Plan's investments.

Risks and Uncertainties. The investments of the separate investment funds are subject to various risks including interest rate, credit and overall market volatility. The degree and concentration of these risks vary by fund. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Due to the level of risk associated with the separate investment funds, it is reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the

Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.
