**Item 2.02 Results of Operations and Financial Condition**

On April 18, 2006 Fulton Financial Corporation announced its results of operations for the first quarter ended March 31, 2006. A copy of the earnings release is attached as Exhibit 99.1 to this Form 8-K. Supplemental financial information included with the earnings release is attached as Exhibit 99.2 to this report.

**Item 8.01 Other Events**

As previously reported in a Current Report on Form 8-K, on January 9, 2006, Resource Bank, a wholly owned subsidiary of Fulton Financial Corporation (Fulton), entered into a mediation agreement that reflects a tentative settlement of a lawsuit alleging violations of the Telephone Consumer Protection Act. The case was pending against Resource Bank at the time of the acquisition by Fulton of Resource Bankshares Corporation (Resource), the previous parent company of Resource Bank, on April 1, 2004.

Under the terms of the mediation agreement, Resource Bank agreed to set aside \$10 million in a class fund as a deposit from which all attorney fees, claims and other costs will be paid. Claims will only be paid from this fund if certain conditions are met. Based on Fulton's analysis of the costs and probable claims to be paid, an accrual of approximately \$4.7 million was recorded as of December 31, 2005. Additionally, a receivable of approximately \$2.5 million was recorded under an insurance policy that covers damages in these types of matters. Accordingly, a net pretax charge of \$2.2 million was recognized as of December 31, 2005 for this litigation matter.

Resource Bank is covered by an errors and omissions insurance policy with a policy limit of \$3.0 million (including litigation costs). The insurance carrier has reserved its rights with respect to coverage for the lawsuit under exclusions in the applicable policy. Fulton has determined that it may be required to obtain a judicial determination that it is entitled to coverage under the policy with respect to this matter. If necessary, Fulton intends to vigorously seek such a determination. However, because of the inherent unpredictability of a court proceeding, Fulton has increased its net reserve for this loss through a \$1.6 million pre-tax charge to earnings in the first quarter of 2006.
