On June 17, 2010, AZZ incorporated ("AZZ") filed a Form 8-K to report that on June 14, 2010, pursuant to an Agreement and Plan of Merger (the "Merger Agreement"), dated as of March 31, 2010 among AZZ, Big Kettle Merger Sub, Inc., an indirect wholly-owned subsidiary of AZZ (the "Purchaser"), and North American Galvanizing & Coatings, Inc. ("NGA"), Purchaser completed a cash tender offer for all of NGA's outstanding shares of common stock, par value \$0.10 per share (the "NGA Common Stock"), at a purchase price of \$7.50 per share in cash, without interest (less any applicable withholding taxes), whereby Purchaser accepted for payment approximately 12,962,287 shares of NGA Common Stock. On August 3, 2010, the stockholders of NGA voted at a special meeting of stockholders to adopt the Merger Agreement, allowing for the merger of the Purchaser with and into NGA (the "Merger"), with NGA as the surviving corporation, pursuant to the terms of the Merger Agreement. The Merger closed and became effective on August 3, 2010 and resulted in NGA becoming an indirect wholly-owned subsidiary of AZZ. This Form 8-K/A is being filed to provide the financial statements described below.

SECTION 9 FINANCIAL STATEMENTS AND EXHIBITS

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS

(a) FINANCIAL STATEMENTS OF THE ACQUIRED BUSINESS

Unaudited condensed consolidated financial statements of North American Galvanizing & Coatings, Inc. as of March 31, 2010 and for the three month periods ended March 31, 2010 and 2009 (incorporated by reference to Quarterly Report on Form 10-Q filed by NGA with the SEC on April 30, 2010).

Audited consolidated financial statements of North American Galvanizing & Coatings, Inc. as of December 31, 2009 and 2008 and for each of the three years in the period ended December 31, 2009 (incorporated by reference to Annual Report on Form 10-K filed by NGA with the SEC on February 24, 2010).

(b) UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED FINANCIAL STATEMENTS

The following unaudited pro forma condensed combined consolidated balance sheet as of May 31, 2010 and the unaudited pro forma condensed combined consolidated statements of earnings for the three months ended May 31, 2010 and for the fiscal year ended February 28, 2010 are based on the historical financial statements of AZZ and NGA after giving effect to the acquisition of NGA by AZZ and after applying the assumptions, reclassifications and adjustments described in the accompanying notes to the unaudited pro forma condensed combined consolidated financial statements. AZZ acquired control of NGA on June 14, 2010, and NGA became an indirect wholly-owned subsidiary of AZZ on August 3, 2010.

The unaudited pro forma condensed combined consolidated financial statements have been prepared by AZZ for illustrative purposes only and reflect the preliminary estimates and assumptions based on information available at the time of preparation, including preliminary fair value estimates of the intangible assets acquired and net liabilities assumed as discussed below. The unaudited pro forma condensed combined consolidated financial statements are not intended to represent or be indicative of the consolidated results of operations or financial condition of AZZ that would have been reported had the acquisition been completed as of the dates presented and should not be taken as representative of the future consolidated results of operations or financial condition of AZZ. The unaudited pro forma condensed combined consolidated financial statements do not reflect any operating efficiencies and/or cost savings that AZZ may achieve with respect to the combined companies.

AZZ and NGA have different fiscal year ends. Accordingly, the unaudited pro forma condensed combined consolidated balance sheet as of May 31, 2010 combines AZZ's historical unaudited consolidated condensed balance sheet as of May 31, 2010 and NGA's historical unaudited condensed consolidated balance sheet as of March 31, 2010 and is presented as if the acquisition of NGA had occurred on May 31, 2010. The unaudited pro forma condensed combined consolidated statement of earnings for the three months ended May 31, 2010 combines the unaudited historical results of AZZ for the three months ended May 31, 2010 and the unaudited historical results of NGA for the three months ended March 31, 2010. The unaudited pro forma condensed combined consolidated statement of earnings for the fiscal year ended February 28, 2010 combines the historical results of AZZ for the year ended February 28, 2010 and the historical results of NGA for the year ended December 31, 2009. The unaudited pro forma condensed combined consolidated statements of earnings are presented as if the acquisition had occurred on March 1, 2009.

The acquisition of NGA has been accounted for under the acquisition method of accounting. Accordingly, the total estimated purchase price, calculated as described in Note 1 to these unaudited pro forma condensed combined consolidated financial statements, has been allocated on a preliminary basis to assets acquired and liabilities assumed in connection with the acquisition based on their estimated fair values as of the completion of the acquisition. These allocations reflect various preliminary estimates and analyses, including preliminary work performed by third-party valuation specialists, and are subject to change during the purchase price allocation period (generally one year from the acquisition date) as valuations are finalized.

We will consolidate the general and administration function of NGA with AZZ. The NGA corporate office in Tulsa will be closed and certain positions will be relocated to other AZZ facilities. The majority of the General & Administrative costs associated with NGA will be eliminated. This transition is anticipated to be completed by December 2010.

The unaudited pro forma condensed combined consolidated financial statements should be read in conjunction with AZZ's historical consolidated financial statements and accompanying notes contained in AZZ's Annual Report on Form 10-K for its fiscal year ended February 28, 2010 and Quarterly Report on Form 10-Q for its quarter ended May 31, 2010 and NGA's historical consolidated financial statements and accompanying notes contained in NGA's Annual Report on Form 10-K for its fiscal year ended December 31, 2009 and Quarterly Report on Form 10-Q for its quarter ended March 31, 2010, which are included as Exhibits 99.2 and 99.1, respectively, to this Form 8-K/A.
