The guidance for the fiscal year to end February 28, 2011, consists of either a projected range or management’s estimate of most likely results. These projections involve risk and uncertainties, the outcome of which cannot be foreseen at this time and, therefore, actual results will vary from these forecasts. We undertake no obligation to affirm, publicly or revise any forward-looking statements, whether as a result of information, future events or otherwise.

The Company anticipates entering into an additional Note Purchase Agreement in January of 2011 (the “2011 Agreement”), pursuant to which the Company would issue \$125 million aggregate principal amount of its 5.42% unsecured Senior Notes (the “2011 Notes”), due in January of 2021, through a private placement (the “2011 Note Offering”).
