furnished as Exhibit 99 to this Report.

Included in the Press Release are certain non-GAAP financial measures. These non-GAAP financial measures relate to the Company's results excluding the Jack Wolfskin business, which was sold in the fourth quarter of fiscal 2002, unusual charges relating to a voluntary product recall and charges relating to a discontinued acquisition. The Company believes the non-GAAP financial information is useful to the readers of the Press Release because it (a) provides comparable year over year financial information based on the Company's continuing businesses and (b) better enables the reader to evaluate the performance of these businesses. The presentation of the non-GAAP financial information should not be considered in isolation or in lieu of the results prepared in accordance with GAAP, but should be considered in conjunction with the results prepared in accordance with GAAP.

Item 12 of Form 8-K, "Results of Operations and Financial Condition", requires the Company to furnish the Press Release to the Securities and Exchange Commission. In accordance with interim guidance issued by the Securities and Exchange Commission in Release No. 33-8216, the Company is furnishing the Press Release required by Item 12 under Item 9 of this Report.
