Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective April 1, 2014, the Board of Directors of The Valspar Corporation, a Delaware corporation (Valspar), adopted and approved the Valspar Corporation Nonqualified Deferred Compensation Plan (the Plan). The Plan is an unfunded, nonqualified deferred compensation program sponsored by Valspar to provide its directors and designated key employees the opportunity to defer compensation into the Plan.

Participants may defer up to 50% of their annual base salary and up to 100% of any annual cash bonuses, cash-settled RSUs and lost ERISA payments. Director participants may defer up to 100% of the cash portion of their annual retainers. In its discretion, Valspar may make additional contributions to be credited to the account of any or all participants in the Plan. Such Valspar contributions will be vested immediately. Distributions are made upon death or on or after certain payment events elected by the participant, including specified future dates, separation from service or a change in control.

Under the terms of the Plan, Valspar may establish a trust as a reserve for the benefits payable under the Plan. Distributions from the Plan are governed by the Internal Revenue Code and the Plan.

The description above is a summary and is qualified in its entirety by the terms of (i) the adoption agreement for the Plan, a copy of which is attached hereto as Exhibit 10.1 to this report and is incorporated herein by this reference, and (ii) the Plan, a copy of which is attached hereto as Exhibit 10.2 to this report and is incorporated herein by this reference.
