Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

Each share unit was the economic equivalent of one share of common stock. In accordance with the terms of the share units, the share units are settled (i) 50% in cash based on the average of the high and low sale prices of a share of the Company's common stock on the date of settlement (or the average of the high and low sale prices of the common stock on the preceding trading day if the settlement date is not a trading day) (the "Settlement Price") and (ii) 50% in shares of the Company's common stock. Any odd or fractional units were rounded toward the share units settled in cash.

- (1) The original Form 4 filed on June 13, 2016 is amended by this Form 4 amendment to include information in Table II regarding the settlement of the Share Units that vested on June 11, 2016, which was inadvertently omitted from the prior filing. No other changes have been made to the original Form 4.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
