(e) At the annual shareholders meeting on April 28, 2008, the shareholders of Valmont Industries, Inc. approved the Valmont 2008 Stock Plan. The stock plan authorizes the issuance of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, deferred stock units and other forms of stock-based compensation to officers and other employees of Valmont and its subsidiaries. The maximum number of shares of Valmont's common stock that may be issued under the stock plan is 1,700,000. Any shares of common stock subject to an award under the stock plan, or subject to an outstanding award under the Valmont 1999 Stock Plan or Valmont 2002 Stock Plan, which for any reason is cancelled, terminated or otherwise settled without the issuance of any common stock are again available for awards under the stock plan. The principal features of the plan are summarized on pages 19 to 23 of Valmont's proxy statement for the annual shareholders meeting held on April 28, 2008. At the annual shareholders meeting the shareholders also approved the Valmont 2008 Executive Incentive Plan. Annual and/or long-term performance targets must be achieved in order for an award to be earned under the incentive plan. Such targets, which may be calculated on an absolute or relative basis, shall be based on stock price, earnings, earnings per share, growth in earnings per share, total shareholder return, achievement of annual operating profit plans, operating income performance, return on equity performance, return on capital, sales growth, expense or working capital targets, margin improvement, or any of the foregoing before the effect of acquisitions, divestitures, accounting charges, or other nonrecurring expenses, all as determined by the compensation committee of Valmont's board.
