Elbit Systems Awarded a \$100 million Contract to Supply  
Integrated Systems for Homeland Security Applications

Haifa, Israel, April 8, 2014 - Elbit Systems Ltd. (NASDAQ and TASE: ESLT) (“Elbit Systems”) announced today that it was awarded a contract in the Latin American region, in an amount of approximately \$100 million, for the supply of a Homeland Security (HLS) solution.

Under the contract, to be performed over an approximately one-year period, Elbit Systems will supply also a new innovative intelligence gathering system, considered to be a groundbreaking operational solution.

Bez halel (Butzi) Machlis, President and CEO of Elbit Systems commented: “We are very proud of this contract award, demonstrating how the combination of a range of in-house technologies creates a power multiplier for the benefit of the customer”.

## Edgar Filing: ELBIT SYSTEMS LTD - Form 6-K

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
