ITEM 9. REGULATION FD DISCLOSURE.

On March 12, 2002, Registrant will distribute "The Edge" to the public and the investment community. The Edge is a periodic newsletter for the investment community that is designed to provide updates regarding events and developments affecting the Registrant, as well as the Registrant's revenue and earnings outlook. The current edition of The Edge will be available on the "Investor Relations" section of Registrant's Web site at WWW.SABRE.COM beginning on March 12, 2002.

This issue of The Edge addresses the recently announced implementation of a direct connection to the Sabre system for Choice Hotels International. This issue also highlights the completion of Sabre's purchase of David R. Bornemann Associates, a privately held developer of scheduling and operations software for the aviation industry. The Edge also highlights a GetThere customer's success in utilizing the GetThere corporate online booking tool. In addition, The Edge also reviews Sabre's recently announced new booking fee pricing, which became effective on February 1, 2002.

This issue of The Edge also summarizes financial highlights and bookings for the fourth quarter of 2001 and updates Sabre's global and regional bookings share. Additionally, The Edge also provides financial results by segment for the year ended December 31, 2001. This issue also gives management's financial outlook for the first quarter of 2002 and the 2002 fiscal year.
