PROXY STATEMENT

Purpose

This Proxy Statement is being furnished to you in connection with the solicitation of proxies by the Board of Directors of Beazer Homes USA, Inc., a Delaware corporation (the “Company”), for use at our annual meeting of stockholders to be held on February 2, 2016 and at any adjournments or postponements thereof. Stockholders of record at the close of business on December 7, 2015 are entitled to notice of and to vote at the annual meeting. On December 7, 2015, we had 33,096,491 outstanding shares of common stock. Each share of common stock entitles the holder to one vote with respect to each matter to be considered. The common stock is our only outstanding class of voting securities. This Proxy Statement and the enclosed form of proxy card are being mailed to stockholders, commencing on or about December 21, 2015, together with our Annual Report to stockholders (which includes our Annual Report on Form 10-K for the fiscal year ended September 30, 2015 (our “2015 Form 10-K”).

Voting Instructions

General

Shares represented by a proxy will be voted in the manner directed by the stockholder. If no direction is made, except as discussed below regarding broker non-votes, the completed proxy will be voted:

1. FOR the election of the eight nominees to our Board of Directors named in this Proxy Statement;
2. FOR the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016;
3. FOR the approval of the compensation paid to our named executive officers (the “Say on Pay” proposal);
4. FOR the adoption of an amendment to our Amended and Restated Certificate of Incorporation to extend the term of a protective amendment designed to help preserve certain tax benefits primarily associated with our net operating losses;
5. FOR the approval of a new Section 382 Rights Agreement to become effective upon the expiration of our existing Section 382 Rights Agreement, to help continue to protect the tax benefits primarily associated with our net operating losses; and
6. In accordance with the judgment of the persons named in the proxy as to such other matters as may properly come before the annual meeting.

We have not received notice of any matters to be brought before the meeting other than as specified in the attached notice of meeting.

If you are a stockholder of record as of the close of business on December 7, 2015, you can give a proxy to be voted at the meeting:

1. by mailing in the enclosed proxy card;
2. by submitting a written ballot at the meeting;
3. over the telephone by calling a toll-free number; or

properly. If you are a stockholder of record and you would like to vote by telephone or by using the Internet, please refer to the instructions on the enclosed proxy card.

If you hold your shares in “street name,” you must vote your shares in the manner prescribed by your broker or nominee. Your broker or nominee has enclosed or provided a voting instruction form for you to use in directing the broker or nominee on how to vote your shares.

Signature Requirements

If shares are registered in the name of more than one person, each named person should sign the proxy. If the stockholder is a corporation, the proxy should be signed in the corporation’s name by a duly authorized officer. If a proxy is signed as a trustee, guardian, executor, administrator, under a power of attorney or in any other representative capacity, the signer’s full title should be given.

Revocation

A stockholder giving the enclosed proxy may revoke it at any time before the vote is cast at the annual meeting by executing and returning to our Corporate Secretary (Kenneth F. Khoury) at our principal executive office or to the official tabulator (Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717) (“Broadridge”), either a written revocation or a proxy bearing a later date, prior to the annual meeting. Any stockholder who attends the annual meeting in person will not be considered to have revoked his or her proxy unless such stockholder affirmatively indicates at the annual meeting his or her intention to vote in person the shares represented by such proxy. In addition, a stockholder may revoke a proxy by submitting a subsequent proxy by Internet or telephone by following the instructions on the enclosed proxy card.

Quorum

The presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote at the meeting is required to constitute a quorum. Shares represented by proxies which indicate that the stockholders abstain as to the election of directors or to other proposals will be treated as being present for the purpose of determining the presence of a quorum. Holders of common stock will be entitled to one vote for each share they hold.

Broker Non-Votes

If a broker does not receive instructions from the beneficial owner of shares held in street name for certain types of proposals, it must indicate on the proxy that it does not have authority to vote such shares (a “broker non-vote”) as to such proposals. Please note that, under the rules of the New York Stock Exchange (the “NYSE”) that guide how brokers vote your stock, if your broker does not receive instructions from you, your broker will not be able to vote your shares with respect to Proposal 1 (the election of directors), Proposal 3 (the advisory “Say on Pay” proposal) or Proposal 5 (the proposal to approve a new Section 382 Rights Agreement to help continue to protect the tax benefits associated with our net operating losses).

Accordingly, if your shares are held in street name, we strongly encourage you to provide your broker with voting instructions and exercise your right to vote for these important proposals.

CORPORATE GOVERNANCE

Board of Directors and Committees

During fiscal year 2015, our Board of Directors had four standing committees: the Audit Committee, the Compensation Committee, the Nominating/Corporate Governance Committee and the Finance Committee. Directors are encouraged to attend the annual meeting of stockholders, but are not required to do so. At the last annual meeting of stockholders, held on February 4, 2015, all directors were in attendance. During fiscal year 2015, each director attended at least 75% of the aggregate of all meetings of the Board of Directors and each committee on which he or she served.

Our Board of Directors held eight meetings during fiscal year 2015. The following table shows the current membership of each committee and the number of meetings held by each committee during fiscal year 2015:

Committee Responsibilities

Audit Committee - Our Audit Committee provides assistance to our Board of Directors in fulfilling its responsibilities related to accounting, auditing and public reporting practices of the Company, the quality and integrity of our financial reports, and our internal controls regarding finance, accounting and financial reporting, legal compliance, risk management and ethics established by management and our Board of Directors. In fulfilling these functions, our Audit Committee reviews and makes recommendations to our Board of Directors with respect to certain financial and accounting matters. Our Audit Committee also engages and sets compensation for our independent auditors. Our Audit Committee meets the definition of an audit committee as set forth in Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Compensation Committee - Our Compensation Committee discharges our Board of Directors’ responsibilities relating to the compensation of our executives and directors. More specifically, this Committee establishes and administers cash-based and equity-based compensation programs for directors and executive management, which includes our NEOs. This Committee also reviews and recommends to our Board of Directors the inclusion of the Compensation Discussion and Analysis that begins on page 19 of this Proxy Statement.

Nominating/Corporate Governance Committee - Our Nominating/Corporate Governance Committee makes recommendations concerning the appropriate size and needs of our Board of Directors, including the annual nomination of directors and review of nominees for new directors. Our Nominating/Corporate Governance Committee also reviews and makes recommendations concerning corporate governance and other policies related to our Board of Directors as well as evaluating the performance of our Board of Directors and its committees.

Finance Committee - Our Finance Committee provides assistance to our Board of Directors by reviewing and recommending to the Board of Directors matters concerning corporate finance, including, without limitation, equity and debt financings, acquisitions and divestitures, share repurchases and our dividend policy. Our Board of Directors has delegated certain limited authority with respect to these matters to this Committee.

Committee Charters

Our Board of Directors has adopted charters for our Audit, Compensation and Nominating/Corporate Governance Committees designed to comply with the requirements of the listing standards of the NYSE relating to corporate

governance

matters (the “NYSE Standards”) and applicable provisions of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”) and the rules of the Securities and Exchange Commission (the “SEC”). The current version of each of these charters, as well as the charter for our Finance Committee, has been posted and is available for public viewing in the Investors section of the our web site at www.beazer.com. In addition, committee charters are available in print to any stockholder upon request to our Investor Relations Department, Beazer Homes USA, Inc., 1000 Abernathy Road, Suite 260, Atlanta, Georgia 30328.

Board Leadership Structure

Our Board of Directors believes that, at this time, it is appropriate for the positions of Chairman of the Board and Chief Executive Officer to be held by separate individuals. Since our initial public offering (“IPO”) in 1994, our Board of Directors has been led by a Non-Executive Chairman, while management of the Company has been led by a President and Chief Executive Officer (“CEO”). We believe the current structure provides for direct independent oversight of management and clearly delineates the respective roles of the Board of Directors at the strategic level, and of management at the operational level. Stephen P. Zelnak, Jr. was appointed to serve as our Non-Executive Chairman of the Board on February 4, 2015. Our former Non-Executive Chairman, Brian C. Beazer, continues to serve as a director and as Chairman Emeritus.

Board Corporate Governance Practices

Our Board of Directors has adopted a number of measures designed to comply with the requirements of the Sarbanes-Oxley Act, rules and regulations of the SEC interpreting and implementing the Sarbanes-Oxley Act and the NYSE Standards, as well as other measures that our Board of Directors believes are corporate governance best practices. The measures adopted by our Board of Directors that we believe are most significant are described below.

Majority Vote Standard and Director Resignation Policy

Our Bylaws and Corporate Governance Guidelines provide a majority voting standard for the election of directors in uncontested elections. Director nominees will be elected if the votes cast for such nominee exceed the number of votes cast against such nominee. In the event that (i) a stockholder proposes a nominee to compete with nominees selected by our Board of Directors, and the stockholder does not withdraw the nomination prior to our mailing the notice of the stockholders meeting, or (ii) one or more directors are nominated by a stockholder pursuant to a solicitation of written consents, then directors will be elected by a plurality vote.

Our Corporate Governance Guidelines provide that our Board of Directors will only nominate candidates who tender their irrevocable resignations, which are effective upon (i) the candidate not receiving the required vote at the next annual meeting at which they face re-election and (ii) our Board of Directors accepting the candidate’s resignation. In the event that any director does not receive a majority vote, then our Corporate Governance Guidelines provide that our Nominating/Corporate Governance Committee will act on an expedited basis to determine whether to accept the director’s resignation and will submit its recommendation to our Board of Directors. In deciding whether to accept a director’s resignation, our Board of Directors and our Nominating/Corporate Governance Committee may consider any factors that they deem relevant. Our Corporate Governance Guidelines also provide that the director whose resignation is under consideration will abstain from the deliberation process. All candidates standing for re-election at the annual meeting have tendered irrevocable resignations.

Matters Relating to Risk Management

Board and Committee Oversight of Risk

Effective risk oversight is a priority of our Board of Directors. Both the full Board of Directors and its committees oversee the various risks we face. Management is responsible for the day-to-day management of our risks and provides periodic reports to the Board of Directors and its committees relating to those risks and risk-mitigation efforts. All committees report on the risk categories they oversee to the full Board of Directors on an as needed basis. Our Board of Directors has delegated primary responsibility for overseeing our risk management process to the Audit Committee. The Audit Committee oversees our risk identification and mitigation processes and specifically oversees management of our financial, legal and fraud policies as well as our regulatory compliance risks. This includes regular evaluation of risks related to the Company’s financial statements, including internal controls over financial reporting. Members of our management, including our Chief Financial Officer, General Counsel, Compliance Officer and

Director of Internal Audit, report to the Audit Committee on a quarterly basis regarding the on-going risk management activities. The Audit Committee also oversees the internal audit function and independent auditors, and meets separately on at least a quarterly basis with the Compliance Officer, Director of Internal Audit and representatives of our independent registered public accounting firm as part of this oversight responsibility.

Table of Contents

The Compensation Committee oversees our risks related to compensation programs and philosophy. The Compensation Committee ensures that our compensation programs, including those applicable to our executives, do not encourage excessive risk taking. The Compensation Committee works periodically with its independent compensation consultant to structure executive compensation plans that are appropriately balanced and incentivize management to act in the best interest of our stockholders.

The Finance Committee oversees our risks relating to liquidity, capital structure and investments, including land acquisition and development. The Finance Committee, as well as the Board of Directors as a whole, reviews our long-term strategic plans, annual budget, capital commitments, cash needs and funding plans. As with other risks, management is responsible for the day-to-day management of the risks relating to liquidity and investments as well as land acquisition and development, while our Board of Directors takes an oversight role with respect to those risks.

The Nominating/Corporate Governance Committee oversees our risks relating to governance matters. The Nominating/Corporate Governance Committee also oversees our ethics program, including implementation of our Code of Business Conduct and Ethics, and compliance by directors and management with the corporate governance and ethics standards of the Company.

Impact of Compensation Philosophy and Program Design on Risk

We have previously analyzed the compensation plans of employees in positions that we considered to have the potential to create risks reasonably likely to have a material adverse effect on us, including our NEOs. We then reviewed the compensation plans of these groups of employees against risk factors established by widely recognized sources. As described in more detail below under “Compensation Discussion and Analysis,” for fiscal years 2015 and 2016, long-term compensation programs for our NEOs have been structured such that a greater portion of long-term compensation is linked to our long-term relative and absolute performance. This model of linking long-term compensation to our performance applies not only to our NEOs, but has also been applied to senior corporate officers, as well as senior management in our divisions. In addition, undue risk that may be associated with NEO compensation is mitigated through the utilization of caps on incentive payouts, the use of multiple performance measures for incentive plans, a compensation clawback policy, stock ownership guidelines and the Compensation Committee’s ability to exercise negative discretion in determining incentive payouts. We believe that our compensation plans reflect sound risk management practices and do not encourage excessive or inappropriate risk taking.

Director Independence

The NYSE Standards require that our Board of Directors be comprised of a majority of independent directors. The Sarbanes-Oxley Act and rules of the SEC require that the Audit Committee be comprised solely of independent directors. The NYSE Standards further require that the Compensation and Nominating/Corporate Governance Committees also be comprised solely of independent directors. Our Board of Directors has affirmatively determined that Laurent Alpert, Elizabeth S. Acton, Brian C. Beazer, Peter G. Leemputte, Norma A. Provencio, Larry T. Solari and Stephen P. Zelnak, Jr. had no material relationship with the Company other than their relationship as members of our Board of Directors and were independent within the meaning of the Sarbanes-Oxley Act and the NYSE Standards. In making these determinations, our Nominating/Corporate Governance Committee, with assistance from our General Counsel, evaluated responses to an independence and qualification questionnaire completed annually by each director and follow-up inquiries made to certain directors. In the case of Mr. Solari, the responses to the questionnaire indicated that we have purchased an immaterial amount of goods from certain companies (or their subsidiaries) of which Mr. Solari is a director and general partner. Our Board of Directors affirmatively determined that the relationship was not material either to us or to these companies. Based on the foregoing, our Board of Directors had a majority of independent directors and each of the Audit, Nominating/Corporate Governance and Compensation committees of our Board of Directors during fiscal year 2015 were comprised entirely of independent directors. It is expected that the majority of directors and all members of such committees in fiscal year 2016 will be independent as well. Accordingly, during fiscal year 2015, we were in compliance with the requirements of the NYSE and the SEC for director independence, and we will continue to be in compliance during fiscal year 2016.

Executive Sessions of Non-Management Directors

In accordance with the NYSE Standards, our Board of Directors typically holds an executive session of non-management directors (all of whom are independent) as a part of every regularly scheduled meeting of our Board of Directors. These executive sessions are chaired by the Non-Executive Chairman of our Board of Directors.

Table of Contents

Communications with Board Members

Security holders and interested parties wishing to communicate directly with our Non-Executive Chairman or any sub-group of our independent directors may do so by directing their communications to the ethics hotline described below and specifically asking the operator to direct their concerns to our Non-Executive Chairman or such independent directors, as desired.

Ethics Hotline

We maintain an ethics hotline which interested parties may contact by calling 1-866-457-9346 and report any concerns to a representative of Global Compliance, a third party service provider that administers our ethics hotline. Alternatively, interested parties can report any such concern via an on-line form by visiting the following web site: www.integrity-helpline.com/Beazer.jsp. The link provides an on-line form that, upon completion, will be submitted directly to Global Compliance. Interested parties may report their concerns anonymously, should they wish to do so. All concerns, whether reported through the toll-free number or the on-line form, will be directed to certain of our officers, including our Compliance Officer, and will be reviewed and investigated as appropriate. Where warranted after investigation, messages will be summarized and referred to the Audit Committee for appropriate action.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

Upon the advice and recommendation of our Nominating/Corporate Governance Committee, our Board of Directors has adopted a set of Corporate Governance Guidelines. The Corporate Governance Guidelines address an array of governance issues and principles including director qualifications and responsibilities, access to management personnel and independent advisors, director orientation and continuing education, management succession, annual performance evaluations of our Board of Directors and meetings of independent directors.

We maintain a Code of Business Conduct and Ethics (“Code of Ethics”) applicable to all directors, officers and employees that complies with the NYSE Standards. Our employees are also subject to additional specific policies, guidelines and Company rules governing particular types of conduct or situations. On an annual basis, each director, officer and employee of the Company is required to provide an acknowledgment that he or she has received and reviewed our Code of Ethics and to disclose any related person transactions. In addition, all employees of the Company (including all officers) are required to undergo an annual ethics training program.

The current versions of our Corporate Governance Guidelines and Code of Ethics are posted and available for public viewing in the Investors section of our web site at www.beazer.com. In addition, they are available in print to any stockholder upon request to our Investor Relations Department, Beazer Homes USA, Inc., 1000 Abernathy Road, Suite 260, Atlanta, Georgia 30328.

Stock Ownership and Holding Requirements

In 2011, our Company reinstated a named executive officer and outside director stock ownership policy to more closely align the interests of our NEOs and directors with those of our stockholders. The stock ownership policy requires each NEO and director to own the lesser of either (i) a multiple of base salary (for NEOs) or annual retainer (for outside directors) or (ii) a fixed number of shares (set at policy adoption). In connection with the adoption of the stock ownership policy, our Company also adopted a stock holding period that requires NEOs and directors to hold 50% of net after-tax shares issued upon vesting of restricted stock or exercised stock options until their required respective stock ownership levels are achieved. Once an individual achieves the stock ownership requirement, the retention requirement will no longer apply.

Under this policy, the ownership requirement for our CEO is 5.0 times base salary and the ownership requirement for our other NEOs is 3.0 times base salary. The ownership requirement for directors is 3.0 times the annual retainer. Our directors have until November 2016 and our NEOs have until September 2017 to comply with the ownership requirements in the stock ownership policy. As of December 1, 2015, all of our NEOs and directors were in compliance with our stock ownership policy. For additional information see “Compensation Discussion and Analysis — Various Compensation Policies — Stock Ownership and Holding Requirements.”

No Hedging or Pledging of Company Stock

Our Board of Directors has adopted a policy that prohibits our officers and directors from hedging or pledging Company stock. None of our NEOs or directors has engaged in any transaction intended to hedge against a drop in the

price of the Company's stock, nor have any of them pledged Company stock as collateral or security.

Compensation Clawback Policy

In 2011, our Compensation Committee adopted an incentive compensation clawback policy that would enable the Company to clawback all or a portion of incentive compensation in the event an individual's misconduct causes the Company to have to issue a restatement of its financials, to the extent that individual's incentive compensation was based on the misstated financials. For additional information see "Compensation Discussion and Analysis — Various Compensation Policies — Compensation Clawback Policy."

Awards under our 2014 Long-Term Incentive Plan are subject to our existing clawback policy and any other clawback policy adopted by the Compensation Committee, including clawback policies to comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), the Sarbanes-Oxley Act and any final SEC rules. Under the 2014 Long-Term Incentive Plan, the Compensation Committee may also provide for recoupment or forfeiture of awards if a participant engages in "detrimental activity" with respect to the Company. Our NEOs' employment agreements further specify that any incentive compensation that is paid or granted to the NEOs will be subject to recoupment under the terms of any clawback policy of the Company.

Procedures Regarding Director Candidates Recommended by Stockholders

Our Nominating/Corporate Governance Committee will consider candidates recommended to our Board of Directors by our stockholders. Stockholder recommendations must be addressed to: Beazer Homes USA, Inc., Attention: Chair, Nominating/Corporate Governance Committee, 1000 Abernathy Road, Suite 260, Atlanta, Georgia 30328. If the Nominating/Corporate Governance Committee determines to nominate a stockholder-recommended candidate, then that nominee's name will be included in the proxy statement for the next annual meeting. Our stockholders also have the right under our Bylaws to directly nominate director candidates at an annual meeting by following the procedures outlined in our Bylaws.

Pursuant to our Corporate Governance Guidelines, our Nominating/Corporate Governance Committee is directed to work with our Board of Directors on an annual basis to determine the appropriate characteristics, skills and experience for each director and for our Board of Directors as a whole. In evaluating these issues, the Committee and our Board of Directors take into account many factors, including the individual director's general understanding of accounting, marketing, finance and other elements relevant to the success of a large publicly-traded company, understanding of our business on an operational level, education or professional background and willingness to devote time to Board of Director duties. While our Board of Directors does not have a specific diversity policy, it considers diversity of race, ethnicity, gender, age and professional accomplishments in evaluating director candidates. Each individual is evaluated in the context of our Board of Directors as a whole, with the objective of recommending a group of nominees that can best promote the success of the business and represent stockholder interests through the exercise of sound judgment based on diversity of experience and background.

If a director candidate were to be recommended by a stockholder, our Nominating/Corporate Governance Committee expects that it would evaluate such candidate in the same manner it evaluates director candidates identified by such Committee.

Compensation Committee Interlocks and Insider Participation

The members of our Compensation Committee during fiscal year 2015 were Messrs. Leemputte and Solari and Ms. Provencio. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than 10% of our stock, as well as certain affiliates of such persons, to file initial reports of ownership and changes of ownership with the SEC. These parties are required to furnish us with copies of the reports they file. Based solely on a review of the copies of the Section 16(a) reports and amendments thereto known to us, we believe that all reports required pursuant to Section 16(a) for fiscal year 2015 were timely filed by our executive officers and directors, except that one

Form 4 for Mr. Zelnak was filed late due to an inadvertent administrative error by the Company.

Directors are eligible to receive grants of equity-based awards under the Company's long-term incentive plans, at the discretion of our Compensation Committee. Our Compensation Committee's rationale for equity grants to directors is similar to that for our NEOs, namely, to align their interests with those of stockholders. The amount of (1) the director grant is determined in consultation with our Compensation Committee's retained compensation consultant. For fiscal year 2015, taking into account the recommendation of Pearl Meyer, the Compensation Committee approved director restricted stock awards that vest on the first anniversary of the grant date. See footnote 3 to the Director Compensation table above.

Mr. Beazer served as our Non-Executive Chairman for a portion of fiscal year 2015, from October 1, 2014 to February 4, 2015, after which time he transitioned to his current role as Chairman Emeritus and a director. As a result, in fiscal year 2015, Mr. Beazer's cash retainer and equity compensation were appropriately prorated for the (2) periods during which he served as Non-Executive Chairman (October 1, 2014 to February 3, 2015) and as a director and Chairman Emeritus (February 4, 2015 to September 30, 2015). See footnotes 2 and 3 to the Director Compensation table above.

Mr. Zelnak served as our Non-Executive Chairman for a portion of fiscal year 2015, beginning on the date of his appointment on February 4, 2015. In connection with his appointment as Non-Executive Chairman, Mr. Zelnak (3) received an additional \$75,000 annual cash retainer and an additional \$100,000 annual equity award. See footnotes 2 and 3 to the Director Compensation table above.

Except as described above, our non-employee directors did not receive any other compensation from the Company for services rendered as a director during fiscal year 2015. Our directors are subject to stock ownership and holding requirements, as described under "Compensation Discussion and Analysis — Various Compensation Policies — Stock Ownership and Holding Requirements."

**PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of our Board of Directors has selected the firm of Deloitte & Touche LLP, the member firms of Deloitte & Touche Tohmatsu, and their respective affiliates (collectively, “Deloitte & Touche”), to serve as our independent registered public accounting firm for the fiscal year ending September 30, 2016. Deloitte & Touche has served as our accounting firm since our fiscal year ended September 30, 1996. The services provided to the Company by Deloitte & Touche for the last two fiscal years are described under the caption “Principal Accountant Fees and Services” below. Stockholder approval of the appointment is not required, however, our Board of Directors believes that obtaining stockholder ratification of the appointment is a sound governance practice.

Representatives of Deloitte & Touche will be present at the annual meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

Recommendation

The Board of Directors recommends a vote FOR ratification of the appointment of Deloitte & Touche as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2016.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee meets the definition of an audit committee as set forth in Section 3(a)(58)(A) of the Exchange Act and operates under a written charter adopted by our Board of Directors. Each member of the Audit Committee is independent and financially literate in the judgment of the Board of Directors and as required by the Sarbanes-Oxley Act and applicable SEC and NYSE rules. The Board of Directors has also determined that Ms. Acton, Ms. Provencio and Mr. Zelnak qualify as “audit committee financial experts,” as defined under SEC regulations.

Management is responsible for our internal controls and the financial reporting process. Deloitte & Touche, the Company’s independent registered public accounting firm, is responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) (the “PCAOB”) and for issuing a report thereon. The Audit Committee’s responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter.

The Audit Committee reviewed and discussed with management the Company’s audited financial statements as of and for the fiscal year ended September 30, 2015. The Audit Committee has discussed with Deloitte & Touche the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the PCAOB in Rule 3200T.

The Audit Committee has also received the written communications from Deloitte & Touche required by the PCAOB regarding Deloitte & Touche’s communications with the Audit Committee concerning independence and has discussed with Deloitte & Touche their independence. The Audit Committee has considered whether the provision of the non-audit services described below by Deloitte & Touche is compatible with maintaining their independence and has concluded that the provision of these services does not compromise such independence.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2015 for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis (“CD&A”) provides a detailed description of our executive compensation objectives, practices, and programs as well as the means by which our Compensation Committee (the “Committee”) determines executive compensation under those programs. The CD&A focuses on the compensation of our NEOs for fiscal year 2015, who were:

- our President and Chief Executive Officer, Allan P. Merrill;
- our Executive Vice President and Chief Financial Officer, Robert L. Salomon; and
- our Executive Vice President, General Counsel and Chief Administrative Officer, Kenneth F. Khoury.

In addition, this CD&A provides a detailed description of compensation programs approved by the Committee for fiscal year 2016.

Executive Summary

Overview of Fiscal Year 2015 Results and Progress Towards Our 2B-10 Plan Goals

In November 2013, we introduced our 2B-10 Plan, which set a target of reaching \$2 billion in revenue over the next several years with a 10% Adjusted EBITDA¹ margin. To achieve our 2B-10 targets, we intend to (i) increase revenue through increased sales per community per month, higher average sales prices and increased community count, and (ii) improve Adjusted EBITDA margins through higher homebuilding gross margins and reduction of our fixed costs as a percentage of revenue. With these goals in mind, the Committee designed the Company’s fiscal year 2015 executive compensation program to reward achievement of operational and financial goals that will drive progress towards our 2B-10 goals.

During fiscal year 2015, we made significant progress on several of our 2B-10 metrics and improved on fiscal year 2014’s performance, despite uneven market conditions. In fiscal year 2015:

- Revenue grew to \$1.6 billion, up over 11% year-over-year.
- Absorption rates remained strong at 2.8 sales per community per month for the year.
- Our average sales price (“ASP”) increased to \$313,500, the highest ASP for any year in our history.
- Adjusted EBITDA was \$144.1 million, up 8.1% over 2014 Adjusted EBITDA.
- New home orders increased 12.8% for the year.
- Our backlog value of \$667.7 million at September 30, 2015 was up nearly 30% from the prior year and ASP in backlog was up 7.3%, to \$327,600.
- Our average active community count was 13.4% higher than the prior year.

In addition, as a further sign of the Company’s return to sustained profitability, at the end of fiscal year 2015, \$335 million of the valuation allowance on our deferred tax assets was released. The accumulated losses underlying our deferred tax assets provide an offset against future cash tax payments.

¹ For purposes of this CD&A, the terms listed below shall be defined as follows:

“Adjusted EBIT” (earnings before interest, debt extinguishment charges and taxes) equals net income (loss) before: (a) previously capitalized interest amortized to home construction and land sales expenses, capitalized interest impaired and interest expense not qualified for capitalization; (b) debt extinguishment charges; and (c) income taxes.

“Adjusted EBITDA” (earnings before interest, taxes, depreciation, amortization, debt extinguishment charges and impairments) is calculated by adding non-cash charges, including depreciation, amortization, inventory impairment and abandonment charges, goodwill impairments and joint venture impairment charges for the period to Adjusted EBIT. Adjusted EBITDA, as used in this CD&A, also excludes the following charges: (a) for our fiscal 2015, unexpected warranty costs related to Florida stucco issues (net of expected insurance recoveries) and a litigation settlement in discontinued operations; and (b) for our fiscal 2014, unexpected warranty costs related to Florida stucco issues (net of expected insurance recoveries) and unexpected warranty costs related to a water intrusion issue in New Jersey.

“Bonus Plan EBITDA” is equal to Adjusted EBITDA before accrual of corporate bonuses.

Progress Since Fiscal Year 2011

After being appointed to their current management roles in June 2011, our NEOs immediately focused on returning the Company to sustainable profitability, which it had not achieved since 2006. In 2011, management introduced the “path-to-profitability” plan, which focused on improving sales per community per month and homebuilding gross margin while reducing fixed costs. Two years later, with profitability projected for fiscal year 2014, management announced a more aggressive set of goals with the introduction of the 2B-10 Plan described above. The Company’s key achievements since fiscal year 2011 are highlighted below.

Significant Improvement in Total Revenue and Adjusted EBITDA. Since fiscal year 2011, the Company grew revenue by 119.3%. Adjusted EBITDA for fiscal year 2015 of \$144.1 reflects an improvement of \$169.0 million, as compared to negative \$24.9 million for fiscal year 2011.

Increased New Home Orders and Closings. New home orders and closings for fiscal year 2015 increased by 36.4% and 54.2%, respectively, as compared to fiscal year 2011.

Table of Contents

Substantial Growth in Average Sales Per Community and Average Sales Price. The Company improved average sales per community per month from 1.8 for fiscal year 2011 to 2.8 for fiscal year 2015, a 55.6% increase. Our fiscal year 2015 rate of sales per community per month of 2.8 was comparable with the prior fiscal year and remains one of the strongest absorption rates in the industry. Over the same time period, the Company increased the average sales price by 42.9%, from \$219,400 to \$313,500 (the highest in Company history).

Increased Leverage of Fixed Costs. SG&A as a percentage of total revenue were reduced from 22.9% for fiscal year 2011 to 12.8% for fiscal year 2015.

Highlights of Our Compensation Practices

Set forth below are certain highlights of our current compensation practices. These practices include those adopted in an effort to drive the Company's performance, as well as certain practices the Company has not adopted because the Committee does not believe these practices would serve the best long-term interests of our stockholders.

Consideration of the 2015 Say on Pay Vote

Following our 2015 annual meeting of stockholders, the Committee reviewed the results of the non-binding stockholder advisory vote on our executive compensation (the "2015 Say on Pay Vote"). Eighty-six percent (86%) of the shares voted on the proposal were voted in support of the compensation of our NEOs as set forth in the CD&A, the summary compensation table and the related compensation tables and narratives in last year's proxy statement. In designing the compensation program for fiscal year 2016, the Committee considered the results of the 2015 Say on Pay Vote, our ongoing dialogue with stockholders, internal considerations and an evaluation of peer practices. After consideration, the Committee concluded that, for fiscal year 2016, it was appropriate to maintain the existing compensation mix of our NEOs, with a slight variation in the components of the long-term incentive plan to reflect the Company's current strategic direction. The fiscal year 2016 compensation program continues to tie the majority of our NEOs' compensation to performance metrics directly related to the achievement of our 2B-10 Plan, while also increasing the emphasis on debt reduction.

Overall Compensation Philosophy and Objectives

Our core compensation philosophy continues to be focused on providing incentive compensation to our management team when they achieve aggressive financial and non-financial goals that the Committee and our Board of Directors believe are critical to enhancing stockholder value. As part of that philosophy, failure to reach such goals can result in no compensation under a particular plan or metric. For example, the total shareholder return performance shares granted to our NEOs in November 2012 expired in November 2015 at the end of the three-year performance period without vesting because the Company's stock price did not achieve the specified performance levels.

The Committee reviews our core compensation philosophy annually in conjunction with the review of our compensation programs. While our core compensation philosophy and objectives have remained largely constant, the Committee has not hesitated to make adjustments to various aspects of our compensation programs to meet changing needs and circumstances of the Company. For example, the addition of a debt reduction metric for the fiscal year 2016 long-term incentive plan is the result of the addition this year of a strategic goal to reduce debt. Please see "— Elements of Fiscal Year 2016 Executive Compensation" below for a detailed explanation of the various components of fiscal year 2016 compensation program.

Overall, our compensation program is comprised of a combination of base salary, short-term cash incentive compensation and long-term incentives in the form of performance shares and, to a lesser extent, time-based restricted stock. The Committee continues to focus on the achievement of performance-related incentive compensation to align overall compensation opportunities with the 25th to 50th percentiles of our peer group each year.

By having compensation programs with features that are balanced between short- and long-term payouts as well as cash and equity awards, the Committee believes it can:

- align management's interests with those of our stockholders in both the short- and long-term;
- reduce risks that may be associated with compensation that is overly focused on the achievement of short-term objectives; and
- attract, retain and motivate senior management personnel.

The Committee also believes that base salary and incentive compensation opportunities should be set based on a variety of factors, including key business objectives and strategic priorities, Company and executive performance, the compensation practices of our peer group, each executive's specific responsibilities and skill sets, and the relationship among the

23

Table of Contents

compensation levels of members of our management team. In addition, the Committee has taken into consideration our need to attract and retain qualified executives in an industry that continues to experience an intense level of competition for senior executives as the housing market continues to recover.

Role of the Committee, Management and Compensation Consultants

The principal responsibilities of the Committee include:

meeting with its independent compensation consultant, with and without the presence of management, to review and structure objectives and compensation programs for our NEOs that are aligned with the Company's business and financial strategy as well as stockholder interests;

evaluating the performance of our NEOs in light of those objectives; and

based on this evaluation, determining and approving the compensation level for our CEO (with input from our Non-Executive Chairman) and for other executive officers, with our CEO's input.

During fiscal year 2015, the members of the Committee took into account discussions with, and presentations by, key members of our management team to ensure that our operating and financial strategies and goals formed the basis for compensation plans that would create incentives for management to execute those strategies and achieve those goals. Specifically, in designing the compensation program for fiscal year 2015, the Committee received significant input from our Non-Executive Chairman (at the time, Mr. Beazer) and Mr. Merrill.

The Committee has retained Pearl Meyer for each of the last five fiscal years to provide advice regarding compensation plan design, compensation levels, benchmarking data and advice with regard to compensation disclosures. Prior to retaining Pearl Meyer for each of fiscal years 2015 and 2016, the Committee determined that Pearl Meyer qualifies as an independent compensation consultant. Pearl Meyer reports directly to the Committee and does not provide any other services to the Company.

Mr. Merrill reviewed the performance of Messrs. Salomon and Khoury for fiscal year 2015, and made recommendations to the Committee based on his review. In addition, our Non-Executive Chairman (at the time, Mr. Beazer) discussed Mr. Merrill's performance with the Committee. Mr. Merrill was present for the Committee's deliberations related to the compensation of the other NEOs, but not for the Committee's discussions related to his own compensation.

Elements of Fiscal Year 2015 Executive Compensation

The discussion that follows summarizes each element of our compensation program for our NEOs for fiscal year 2015 and the rationale for compensation decisions made for the 2015 fiscal year.

For fiscal year 2015, the Committee relied upon its judgment and experience, its assessment of the capabilities and achievements of our NEOs, advice from Pearl Meyer and benchmark data from peer companies to establish the overall level and mix of executive compensation components. In addition, the Committee took into account the stockholder vote at our 2014 annual meeting of stockholders, at which 86% of the shares voted on our Say on Pay proposal were voted in favor of our executive compensation program.

As part of the process of determining fiscal year 2015 target levels for NEO incentive compensation, the Committee reviewed the compensation targets used by the 2015 Peer Group (as defined below under "— Peer Groups for Fiscal Years 2015 and 2016"). While the Committee believes benchmarking against pay practices at other publicly-held homebuilders is useful in determining whether our executive compensation practices are reasonable, in the past it has not, and for fiscal year 2015 it did not, establish compensation levels based solely on benchmarking industry practices. Nonetheless, based on data for the 2015 Peer Group, the Committee was advised by Pearl Meyer that overall compensation for our NEOs remained targeted between the 25th and 50th percentiles of the 2015 Peer Group.

Compensation Components and Mix

The Company's fiscal year 2015 compensation program for our NEOs consisted of base salary, a short-term cash incentive plan and long-term incentives, including performance shares and, to a lesser extent, time-based restricted stock.

The amounts set forth in the illustrative chart below are based on target compensation for NEOs for fiscal year 2015 pursuant to the compensation program established in November 2014, with short- and long-term incentives representing 80% of the total pay opportunity for our CEO and nearly 75% of the total target pay for our other NEOs.

Table of Contents

Base Salary

The Committee reviews the base salaries of our NEOs annually. Based on its review for the 2015 fiscal year, the Committee decided the base salaries for Messrs. Merrill, Salomon and Khoury would remain unchanged at \$900,000, \$525,000 and \$525,000, respectively. Based on competitive data, the Committee determined that these base salaries were positioned between the 25th and 50th percentiles of the 2015 Peer Group. Since assuming their current roles in 2011, there has been no increase in Mr. Merrill's base salary and one increase in the base salaries of the other NEOs in January 2014.

Short-Term Incentive Compensation

2015 Bonus Plan

For fiscal year 2015, the Committee established an annual cash incentive program for our NEOs (the "2015 Bonus Plan"). Our NEOs were eligible to receive awards under the 2015 Bonus Plan based on the achievement of certain financial and operational criteria established in advance by the Committee. In light of the demonstrated success of the Adjusted EBITDA metric as a driver of financial results under the bonus plan for fiscal year 2014, and because improvement in Adjusted EBITDA is viewed as key to accomplishment of the 2B-10 Plan, the Committee decided to use Adjusted EBITDA as the primary measure for short-term incentive award opportunities under the 2015 Bonus Plan. Specifically, the Committee focused its design of the 2015 Bonus Plan on:

- achieving certain targets for Bonus Plan EBITDA (75% of the 2015 Bonus Plan opportunity); and
- achieving certain operational metrics related to construction quality, registered sales traffic in our model homes and customer warranty experience (25% of the 2015 Bonus Plan opportunity).

The chart below shows the threshold, target and maximum award opportunities, as a percentage of base salary, for each NEO under the 2015 Bonus Plan, assuming achievement of both the Bonus Plan EBITDA and operational components.

2015 Bonus Plan Overall Award Opportunities

Mr. Salomon	\$262,500	50%	\$525,000	100%	\$1,050,000	200%

Bonus Plan EBITDA performance at or above the threshold performance level was required to earn any payout under the 2015 Bonus Plan. Once the threshold Bonus Plan EBITDA performance level was achieved, to the extent the actual Bonus Plan EBITDA performance was between the threshold and target performance levels, or between the target and maximum performance levels, linear interpolation was applied between the relevant performance levels to determine the actual payout under the Bonus Plan EBITDA component of the 2015 Bonus Plan. The percentage multiplier derived from the application of linear interpolation for each NEO is referred to as the “Payment Percentage.” If threshold Bonus Plan EBITDA was achieved, the Payment Percentage was also applied to determine the payout under the operational component, to the extent the performance goals within such component were met. All awards under the 2015 Bonus Plan were subject to the negative discretion of the Committee and the Board of Directors.

Results for Bonus Plan EBITDA Component of the 2015 Bonus Plan

As noted in our 2014 proxy statement, the Committee recognized that it was establishing performance goals for the 2015 Bonus Plan that reflected a high degree of difficulty. Pursuant to its authority to administer the 2015 Bonus Plan and interpret its provisions, the Committee determined that, consistent with the Company’s disclosure and treatment in the 2015 Form 10-K of certain warranty costs related to Florida stucco remediation and construction defect litigation from discontinued operations, such warranty costs would be excluded from the determination of Bonus Plan EBITDA. The Committee considered several factors in making this determination, including the fact that the extent of these costs were unknown in 2014, when the 2015 Bonus Plan goals were established, as well as the fact that the defect claims arose from construction practices of independent subcontractors that predated the employment of all of the NEOs. The Committee believed that to do otherwise would be contrary to its intent when it established the 2015 Bonus Plan targets and not in the best interests of stockholders.

In fiscal year 2015, the Company generated Bonus Plan EBITDA of \$148.7 million, which represented 92% of the target performance level or 103% of the threshold level of achievement necessary to earn an award under the 2015 Bonus Plan. The Company exceeded the threshold level of Bonus Plan EBITDA, accordingly, our NEOs earned awards slightly above threshold for this component of the 2015 Bonus Plan. Upon the application of linear interpolation, the Payment Percentage was calculated to be 72.3% for Mr. Merrill and 61.1% for each of Messrs. Salomon and Khoury.

The table below sets forth the amount each NEO received for the Bonus Plan EBITDA component of the 2015 Bonus Plan and how this amount was calculated. The amount earned was calculated based on base salary and using unrounded numbers.

	Mr. Merrill	Mr. Salomon	Mr. Khoury
Calculation of EBITDA Component Results			
Base Salary	\$900,000	\$525,000	\$525,000
x % of EBITDA Component Opportunity	x 75%	x 75%	x 75%
x Payment Percentage (1)	x 72.3%	x 61.1%	x 61.1%
= \$ Value Earned and Paid for Component	\$487,938	\$240,753	\$240,753

(1) The Payment Percentage is derived from the application of linear interpolation for each NEO based on the achievement of Bonus Plan EBITDA of 92% of target (i.e., achievement between threshold and target).

Results for Operational Component of the 2015 Bonus Plan

The operational component of the 2015 Bonus Plan comprised 25% of the overall annual bonus opportunity. This component focused on ensuring quality in our construction practices and implementing successful marketing strategies, with pre-determined deductions if certain customer warranty satisfaction scores were not achieved. In order to earn the full award under this component, the Committee required achievement of threshold Bonus Plan EBITDA results as a precondition and, in addition: (i) achievement of specified metrics relating to construction cycle time, construction cost variances and customer experience (12.5% of the overall bonus opportunity); and (ii) 75% of communities were required to achieve a pre-determined level of new registered units of traffic per month (12.5% of the overall bonus opportunity). In addition, regardless of performance under these two metrics, awards under the 2015 Bonus Plan were subject to pre-determined deductions if a specified number of operating divisions failed to achieve

certain customer warranty satisfaction scores.

For fiscal year 2015, the Company fully achieved the operational component of the 2015 Bonus Plan. However, as noted above, the Payment Percentage for each NEO was also applied to calculate the award for the operational component. The table below sets forth the amount each NEO received for the operational component and how this amount was calculated. The amount earned was calculated based on base salary and using unrounded numbers.

(1) The Payment Percentage is derived from the application of linear interpolation for each NEO based on the achievement of Bonus Plan EBITDA of 92% of target (i.e., achievement between threshold and target).

The chart below summarizes the total awards for our NEOs under the 2015 Bonus Plan, which represented a decrease of 55.7% for the CEO and 43.8% for the other NEOs as compared to the awards under the 2014 Bonus Plan.

Long-Term Incentive Compensation

Based on recommendations from Pearl Meyer and the consideration of other factors, the Committee decided to award long-term incentives for fiscal year 2015 in the form of performance-based restricted stock and a small portion of time-based restricted stock. The Committee included time-based restricted stock as part of the annual incentive program for the first time since 2010 in order to bring our NEOs' target long-term incentive compensation mix more in line with the Company's peer group, while maintaining a primary emphasis on performance-based awards. In making its determination, the Committee intended to keep this mix of equity awards highly performance-based, while at the same time providing retention strength.

The following chart sets forth the long-term incentive award mix for our NEOs under the fiscal year 2015 compensation program, with target award values positioned between the 25th and 50th percentile of the 2015 Peer Group. As described below, two-thirds of the target long-term incentive award opportunity for fiscal year 2015 was performance-based.

Table of Contents

Total Shareholder Return Performance Shares

The first type of performance shares granted as part of fiscal year 2015 long-term incentive compensation are structured to vest only if our total shareholder return (“TSR”) compares favorably against the 2015 Peer Group measured at the end of a three-year performance period. TSR includes stock price appreciation plus any dividend reinvestment. In November 2015, in view of the recent merger of The Ryland Group, Inc. and Standard Pacific Corp., the Committee modified the 2015 Peer Group to exclude those companies because the post-merger market capitalization of the combined company, CalAtlantic Group, Inc., significantly exceeds the average size of the other companies in the 2015 Peer Group. See “— Peer Groups for Fiscal Years 2015 and 2016.” The matrix below shows the percentage of granted TSR performance shares that will be earned at various levels of TSR performance versus the 2015 Peer Group.

Vesting of TSR Performance Shares after 3-Year Performance Period
(as % of Granted Performance Shares)

	Ranking (including Beazer)	% of Target Shares Earned
	1	150%
	2	138%
Beazer	3	125%
3-Year	4	113%
Relative	5	100%
Total	6	75%
Shareholder	7	50%
Return Rank	8	25%
	9	0%
	10	0%

The matrix above illustrates that no fiscal year 2015 TSR performance shares will be earned if our TSR after three years is in the bottom two of the 2015 Peer Group. In addition, the Committee retains discretion to pay the portion of any award earned that exceeds target in cash instead of additional shares, in order to maintain flexibility in preserving shares available for future years. TSR calculations for the Company and the 2015 Peer Group companies will be based on the average closing price of our common stock on the NYSE for the 20 trading days immediately preceding (i) the start of the performance period (October 1, 2014) and (ii) the end of the performance period (September 30, 2017). See “Executive Compensation — Summary Compensation Table” and “— Grants of Plan-Based Awards” for additional information regarding these awards.

Pre-Tax Income Performance Shares

The second type of performance shares granted as part of fiscal year 2015 long-term incentive compensation are structured to require improvement in pre-tax income, defined as the Company’s income from continuing operations, before taxes and excluding impairments and abandonments, bond losses and such other non-recurring items as the Committee may approve. The pre-tax income performance shares will vest in 2017, subject to determination of the Company’s actual pre-tax income performance as compared to the pre-determined performance targets.

The pre-tax income performance shares will be fully earned at a target pre-tax income level, with a 50% payout at the threshold level of pre-tax income and a 200% payout at the maximum level of pre-tax income. The target pre-tax income is \$83.1 million, which requires a 60% compound annual growth rate over the next three years. Fiscal year 2014 pre-tax income was \$20 million, calculated on a basis consistent with this metric. Once the threshold 2017 pre-tax income performance level is achieved, to the extent the actual 2017 pre-tax income performance is between the threshold and target performance levels, or between the target and maximum performance levels, linear interpolation between the award opportunity percentages will be applied to determine the actual payout. Similar to the TSR performance shares, the Committee retains discretion to pay the portion of any pre-tax income performance share

award earned that exceeds target in cash instead of additional shares.

Restricted Stock

Restricted stock awards granted as part of the fiscal year 2015 long-term incentive compensation program vest ratably over a three-year period, beginning with the first anniversary of the grant date. See “Executive Compensation — Summary Compensation Table” and “— Grants of Plan-Based Awards” for additional information regarding these awards.

Elements of Fiscal Year 2016 Executive Compensation

Consistent with our fiscal year 2015 executive compensation program, the fiscal year 2016 compensation program for our NEOs will consist of base salary, a short-term incentive plan (the “2016 Bonus Plan”) and a long-term incentive plan.

Some of the highlights of the fiscal year 2016 executive compensation program include:

• No changes to NEO base salaries or short-term incentive opportunities.

• No changes in target long-term incentive grant values.

• The bulk of incentive compensation continues to be “at-risk,” or performance-based.

• The mix of long-term incentives remains 100% equity, firmly aligning the interests of our NEOs with those of our stockholders.

• Annual equity awards do not automatically vest in the event of a change in control.

• The stock ownership requirements for our CEO and other NEOs are rigorous.

• NEO pay levels remain between the 25th and 50th percentiles versus the 2016 Peer Group.

• Short-term incentive compensation is again primarily linked to improved EBITDA, which the Committee believes is critical in order to incent continued emphasis on sustaining profitability.

In determining overall compensation for our NEOs, the Committee reviewed market pay levels for the 2016 Peer Group (as defined below under “— Peer Groups for Fiscal Years 2015 and 2016”), however, as in the past, this review of market pay levels was only one aspect of the process used to establish fiscal year 2016 compensation. The Committee also constructed the fiscal year 2016 compensation program based on its experience and judgment, the Company’s recent performance and financial structure, the current economic environment and the Company’s executive management retention objectives.

Compensation Components and Mix

For fiscal year 2016, the Committee continued to focus on the achievement of performance-related incentive compensation to align compensation opportunities with the Company’s financial and operational performance and to establish compensation levels consistent with the Company’s peer group. The Committee has been advised by Pearl Meyer that fiscal year 2016 overall compensation for our NEOs remains between the 25th and 50th percentile of the 2016 Peer Group. The amounts set forth in the illustrative chart below are based on target compensation for NEOs for fiscal year 2016.

Table of Contents**Base Salary**

The Committee reviews the base salaries of our NEOs annually. Based on its review for the 2015 fiscal year, the Committee determined the base salaries for Messrs. Merrill, Salomon and Khoury would remain unchanged at \$900,000, \$525,000 and \$525,000, respectively. Based on competitive data, the Committee believes these base salaries are positioned between the 25th and 50th percentile of the 2016 Peer Group. Since assuming their current roles in 2011, there has been no increase in Mr. Merrill's base salary and one increase in the base salaries of the other NEOs in January 2014.

Short-Term Incentive Compensation

The 2016 Bonus Plan follows the structure of the 2015 Bonus Plan. The chart below shows the threshold, target and maximum award opportunities for each NEO under the 2016 Bonus Plan:

2016 Bonus Plan Overall Award Opportunities

	Threshold		Target		Maximum	
	\$ Value	As % of Base Salary	\$ Value	As % of Base Salary	\$ Value	As % of Base Salary
Mr. Merrill	\$450,000	50%	\$1,350,000	150%	\$2,700,000	300%
Mr. Salomon	\$262,500	50%	\$525,000	100%	\$1,050,000	200%
Mr. Khoury	\$262,500	50%	\$525,000	100%	\$1,050,000	200%

See the table above entitled "2015 Bonus Plan Overall Award Opportunities" to compare short-term award opportunities under the 2016 Bonus Plan and the 2015 Bonus Plan.

EBITDA Component of 2016 Bonus Plan

The Committee decided to continue to emphasize EBITDA as a primary driver for short-term incentive compensation under the 2016 Bonus Plan. Under the 2016 Bonus Plan, 75% of the overall annual bonus opportunity will be based on the achievement of challenging pre-determined levels of EBITDA, excluding any accrual for bonus payments to NEOs and other corporate employees ("2016 Bonus Plan EBITDA"). The chart below shows the threshold, target and maximum award opportunities for each NEO under the EBITDA component of the 2016 Bonus Plan:

Table of Contents

2016 Bonus Plan EBITDA Component Award Opportunities

	Threshold	Target	Maximum
	\$ Value	\$ Value	\$ Value
Mr. Merrill	\$337,500	\$1,012,500	\$2,025,000
Mr. Salomon	\$196,875	\$393,750	\$787,500
Mr. Khoury	\$196,875	\$393,750	\$787,500

Once the threshold 2016 Bonus Plan EBITDA performance level is achieved, to the extent the actual 2016 Bonus Plan EBITDA performance is between the threshold and target performance levels, or between the target and maximum performance levels, linear interpolation will be applied to determine the actual payout under this component of the 2016 Bonus Plan. The threshold, target and maximum Bonus Plan EBITDA performance levels for fiscal year 2016 are equal to an approximate 4.2%, 11.7% and 24.4% improvement, respectively, over 2015 Bonus Plan EBITDA performance. The Committee believes that the 2016 Bonus Plan EBITDA performance targets will be challenging for management to attain. To reach the target level of 2016 Bonus Plan EBITDA, in fiscal year 2016, the Company will need to sustain sales paces at an aggressive level, successfully open a significant number of new communities and increase average sales prices by a substantial amount, while limiting the growth in overheads and reducing interest cost.

Operational Component of 2016 Bonus Plan

The remaining 25% of the annual bonus opportunity under the 2016 Bonus Plan will be earned based on the achievement of certain pre-determined objective operational metrics related to customer experience and construction quality. The Company believes that the precise strategies and target performance under the operational component represent confidential strategic information, the disclosure of which, in advance of executing such strategies, would not be in the best interests of our stockholders. However, this component of the 2016 Bonus Plan generally relates to ensuring quality in our construction practices and creating a positive experience for potential and actual customers. Performance against the customer experience goals will be based on customer surveys and performance against the construction quality goals will be based on the assessment of an independent third party expert.

If threshold 2016 Bonus Plan EBITDA is achieved, then the NEOs will be eligible to receive an award for the operational component of the 2016 Bonus Plan, to the extent the various performance goals within such component are achieved. The chart below shows the threshold, target and maximum award opportunities for each NEO under the operational component of the 2016 Bonus Plan:

2016 Bonus Plan Operational Component Award Opportunities

	Threshold	Target	Maximum
	\$ Value	\$ Value	\$ Value
Mr. Merrill	\$112,500	\$337,500	\$675,000
Mr. Salomon	\$65,625	\$131,250	\$262,500
Mr. Khoury	\$65,625	\$131,250	\$262,500

Hypothetical Calculation of 2016 Bonus Plan Award at Target Performance

The table below demonstrates how a 2016 Bonus Plan award would be calculated for each of our NEOs assuming achievement of target 2016 Bonus Plan EBITDA and full achievement of the operational component. This calculation is for illustrative purposes only.

All payments under the 2016 Bonus Plan are subject to the negative discretion of the Committee and the Board to reduce awards even where performance targets are achieved.

Long-Term Incentive Compensation

Based on recommendations from Pearl Meyer and the consideration of other factors, the Committee decided to award long-term incentives for fiscal year 2016 in the form of performance-based restricted stock (two-thirds of overall award opportunity) and time-based restricted stock (one-third of award overall opportunity). In making its determination, the Committee intended to establish a mix of equity awards that remains highly performance-based, while at the same time providing retention strength. The fiscal year 2016 long-term incentive compensation program was designed to remain between the 25th and 50th percentiles as compared to the 2016 Peer Group.

Restricted Stock

Restricted stock awards, which represent one-third of the overall opportunity under the fiscal year 2016 long-term incentive compensation program, vest ratably over a three-year period, beginning with the first anniversary of the grant date.

Performance Shares

In line with the Company's continued focus on the 2B-10 Plan and its additional emphasis on debt reduction, two-thirds of the opportunity under the fiscal year 2016 long-term incentive compensation program consists of a share grant that utilizes three principal metrics to reward performance that supports these strategic objectives (the "2016 Performance Shares"). The design of the 2016 Performance Shares accomplishes the following primary objectives:

- continues the practice of allocating two-thirds of the long-term incentive grant value in performance-based awards;
- broadens the financial performance measures to support the Company's updated strategy;
- retains an emphasis on relative total shareholder return ("TSR"); and
- caps the maximum opportunity at 175% of target on the financial metrics, subject to an additional plus or minus 20% based on relative TSR.

The Committee chose to broaden the number of metrics from prior years, recognizing that the 2B-10 Plan objectives could be achieved with several different combinations of performance on the various components of the Plan and the fact that debt reduction was added as a strategic goal for the fiscal year 2016 long-term incentive plan. The Committee also considered the fluid nature of the housing market and need to design an award that would not be obsolete in the event of a change in strategy in the middle of the award's performance period.

The three principal metrics for the 2016 Performance Shares are:

- cumulative pre-tax income (as defined below);
- return on assets ("ROA"), based on increasing the ratio of Adjusted EBITDA to total assets (as defined below); and
- debt reduction, based on lowering the ratio of net debt (as defined below) to Adjusted EBITDA.

Table of Contents

Performance goals for each of the three metrics, which have been established by the Committee, are based on improvement over fiscal year 2015 levels at the end of three years. The final number of shares earned by the NEOs will be based on such actual performance. (For purposes of the 2016 Performance Shares, “pre-tax income” is defined as the Company’s income from continuing operations for the applicable fiscal year, before taxes and excluding impairments and abandonments, bond losses and such other non-recurring items as the Committee may approve. “Total assets” is defined as the Company’s total assets as shown on the consolidated balance sheet included in the Company’s Form 10-K for the applicable fiscal year. “Net debt” is defined as the Company’s total debt as shown on the consolidated balance sheet included in the Company’s Form 10-K for the applicable fiscal year less unrestricted cash.)

In addition, as in previous years, to maintain alignment with shareholders, relative TSR performance will be a component of the 2016 Performance Shares as described more fully below.

In order to ensure that the total number of shares issued to NEOs pursuant to the 2016 Performance Share awards will be approximately equal to the number of shares allocated to the performance-based component of the fiscal year 2015 long-term incentive program, the Committee has imposed an award limit of 175% of target shares even if the amount earned based on actual performance against each metric would exceed that number, subject to adjustment based on TSR performance as described below.

The Committee based the performance goals for each metric primarily on the Company’s business plans and review by Pearl Meyer, to assure that the goals for the 2016 Performance Shares are aggressive and payout levels are consistent with actual performance.

2016 Performance Shares: Principal Metrics

A. Pre-Tax Income

This measure is designed to incent actions that improve the Company’s cumulative pre-tax income over fiscal year 2015 levels. The table below depicts the performance goals in both dollars and compound annual growth rate (“CAGR”) established as Threshold, Target and Superior performance levels.

Pre-Tax Income	Performance Required for Achievement at:		
	Threshold	Target	Superior
3-Year CAGR (%)	33.3%	42.6%	51.4%
Cumulative pre-tax income by Fiscal Year 2018 (\$)	\$120 million	\$140 million	\$160 million

Accordingly, a cumulative improvement in pre-tax income of \$140 million by the end of fiscal year 2018 (a 42.6% CAGR) will be a Target achievement that will result in earning a percentage of target shares as shown in the chart below entitled “— 2016 Performance Shares: Determination of Shares Earned.”

B. Return on Assets

This component incentivizes management to make efficient use of the Company’s capital by rewarding improvement in the amount of Adjusted EBITDA as a percentage of total assets over fiscal year 2015’s 5.91%.

ROA	Performance Required for Achievement at:		
	Threshold	Target	Superior
Fiscal Year 2018	8.00%	9.00%	10.00%
Improvement by Fiscal Year 2018	209 bps	309 bps	409 bps

To achieve a Target result, the Company’s ROA for fiscal year 2018 will need to reach 9.00%, representing an improvement of approximately 309 basis points by the end of the three-year performance period.

C. Debt Reduction

As noted above, the Company’s overall strategy for fiscal year 2016 and beyond includes net debt reduction. This metric rewards reduction in the ratio of net debt to Adjusted EBITDA based on the following chart.

Table of Contents

Net Debt/Adjusted EBITDA Ratio Fiscal Year 2018	Performance Required for Achievement at:		
	Threshold	Target	Superior
7.00x	6.00x	5.00x	
Improvement by Fiscal Year 2018	(1.90)	(2.90)	(3.90)

To reach Target performance of reduction in the Company's debt to EBITDA percentage, it will have to improve by 290 basis points by the end of fiscal year 2018.

2016 Performance Shares: Total Shareholder Return Modifier

Since at least fiscal year 2012, the Committee has incorporated a TSR metric in the NEOs' long-term incentive program. While the Committee believes that achievement of the performance goals described above will have a positive impact on the Company's share price, it also thinks it is important to continue utilizing TSR as a component of the NEO long term incentive program. As a result, the Committee has established an additional factor to be considered in the determination of 2016 Performance Shares earned. After determining the number of shares earned based on the financial measures, which can range from 0% to 175% of the targeted number of shares, the following three-year relative TSR scale will apply (the "TSR Modifier"):

TSR Percentile Rank vs. S&P Homebuilders Select Industry Index	Adjustment to # of Performance Shares
At or above 75th Percentile	+20%
70-74th Percentile	+15%
65-69th Percentile	+10%
60-64th Percentile	+5%
40-59th Percentile	No adjustment
35-39th Percentile	-5%
30-34th Percentile	-10%
25-29th Percentile	-15%
Below 25th Percentile	-20%

2016 Performance Shares: Determination of Shares Earned

Shares earned will be based on achieving the Threshold, Target or Superior levels of performance on one or more of the metrics described above. One-third of target shares will be earned for each metric achieving Threshold performance, two-thirds of target shares will be earned for each metric achieving Target performance and 100% of target shares will be earned for each metric achieving Superior performance. The shares earned on the three metrics will be totaled, and the 175% cap and TSR Modifier will be applied to determine final award.

To illustrate, achievement of a Threshold level of performance on each of the three metrics will result in 33.3% of target shares earned or a total of 100% of the target number of shares, subject to adjustment based on the TSR Modifier.

Superior-level performance on any one metric (100%) will earn a target number of shares subject to the TSR Modifier.

The maximum number of shares that can be earned based on the results of the three financial metrics described above will be 175% of target even if Superior performance is achieved on all three metrics (300% of target shares). In the event of Superior performance on all three metrics as well as on the TSR modifier, the maximum number of shares awarded will be 210% of target.

For performance between Threshold and Target or between Target and Superior, straight line interpolation between such levels will be applied.

The Committee retains the discretion to reduce the number of shares finally awarded notwithstanding the number earned pursuant to the table above.

Peer Groups for Fiscal Years 2015 and 2016

For fiscal year 2015, our industry peer group consisted of Hovnanian Enterprises, Inc., KB Home, M.D.C. Holdings, Inc., M/I Homes, Inc., Meritage Homes Corporation, The Ryland Group, Inc., Standard Pacific Corp., Taylor Morrison Home Corporation, TRI Pointe Group, Inc., WCI Communities, Inc. and William Lyon Homes (the “2015 Peer Group”). These companies were chosen because they constitute some of the nation’s largest publicly-traded homebuilders, tend to be among our chief competition in the markets where we operate and are among our chief competition for management talent. In November 2015, in view of the recent merger of The Ryland Group, Inc. and Standard Pacific Corp., the Committee modified the 2015 Peer Group to exclude those two companies because the post-merger market capitalization of the combined company, CalAtlantic Group, Inc., significantly exceeds the average size of the other companies in the 2015 Peer Group.

For fiscal year 2016, our peer group consists of AV Homes, Inc., Hovnanian Enterprises, Inc., KB Home, M.D.C. Holdings, Inc., M/I Homes, Inc., Meritage Homes Corporation, Taylor Morrison Home Corporation, TRI Pointe Group, Inc., WCI Communities, Inc. and William Lyon Homes (the “2016 Peer Group”). These companies were chosen because, in addition to being among our chief competition among publicly-traded homebuilders, they are more closely aligned to us in terms of size. The Committee chose to add AV Homes, Inc. as an additional peer for fiscal year 2016 to increase the sample size to ten companies and position Beazer closer to the median in terms of size.

Other Elements of Executive Compensation

Deferred Compensation Plan

Effective January 1, 2002, the Company adopted the Beazer Homes Deferred Compensation Plan (the “Deferred Plan”) to provide eligible employees the opportunity to defer a portion of their current compensation. In connection with the election of the new management team in 2011, the Committee decided to make an annual contribution to the Deferred Plan for the benefit of each NEO as follows: Mr. Merrill, \$100,000 and Messrs. Salomon and Khoury, \$50,000 each. These contributions will be made in equal monthly installments each year and are subject to several restrictions and limitations including the Committee’s right to terminate or suspend any such contribution in the future.

Other Benefits

We do not have a defined benefit pension plan or supplemental executive retirement plan. Our executive management team, including our NEOs, participate in our various benefit programs on the same terms as other employees. The Company does not provide to its NEOs supplemental executive retirement plans, company cars (or automobile reimbursements), club memberships or other significant perquisites.

Various Compensation Policies

Stock Ownership and Holding Requirements

In November 2011, the Company reinstated a stock ownership policy that requires NEOs and members of the Board of Directors to acquire a meaningful level of stock ownership in the Company. The stock ownership policy requires each NEO to own the lesser of either a multiple of base salary (or, for directors, annual retainer) or a fixed number of shares (set at policy adoption). In 2014, in connection with a one-time grant of restricted stock to each of our NEOs, the Board amended the stock ownership policy to significantly increase the ownership requirement for our NEOs, from 3.0 times base salary to 5.0 times base salary for our CEO, and from 1.5 times base salary to 3.0 times base salary for our other NEOs.

The current stock ownership requirements are based on a multiple of base salary or annual retainer and are as set forth below:

	Multiple of Base Salary/ Annual Retainer
CEO	5.0 x base salary
Other NEOs	3.0 x base salary
Directors	3.0 x annual retainer

Table of Contents

Our directors have until November 2016 and our NEOs have until September 2017 to comply with these ownership requirements. For purposes of the stock ownership policy, the following types of share holdings are counted towards an individual's stock ownership: (i) stock that is considered beneficially owned, (ii) two-thirds of service-based restricted stock and (iii) one-third of in the money stock options. Unearned performance shares do not count towards ownership requirements. As of December 1, 2015, each of our NEOs and directors was in compliance with our stock ownership policy.

In connection with the adoption of the stock ownership policy in 2011, the Company also adopted a stock holding policy that requires NEOs and directors to hold 50% of net after-tax shares issued upon vesting of restricted stock or stock option exercises until their required respective stock ownership levels are achieved. Once an individual achieves the stock ownership requirement, the holding period will no longer apply.

Compensation Clawback Policy

In 2011, the Committee adopted an incentive compensation clawback policy that would enable the Company to clawback all or a portion of incentive compensation in the event an individual's misconduct causes the Company to have to issue a restatement of its financial statements, to the extent that individual's incentive compensation was based on the misstated financials. The Committee will amend the clawback policy, as needed, once the SEC adopts the final implementing rules regarding compensation clawbacks mandated by the Dodd-Frank Act.

In addition, awards under our 2014 Long-Term Incentive Plan are subject to our existing clawback policy and any other clawback policy adopted by the Compensation Committee from time to time. Under the 2014 Long-Term Incentive Plan, the Compensation Committee may also provide for recoupment or forfeiture of awards if a participant engages in "detrimental activity" with respect to the Company.

As described in further detail under "Executive Compensation — Potential Payments Upon Termination or Change of Control — Employment Agreements," pursuant to the employment agreements with each of our NEOs, any incentive compensation that is paid or granted to the NEOs will be subject to recoupment under the terms of any clawback policy of the Company.

Tax Deductibility of Compensation

It is the Committee's general policy to consider whether particular payments and awards are deductible to the Company for federal income tax purposes under Section 162(m) of the Internal Revenue Code. Section 162(m) limits the deductibility for federal income tax purposes of compensation payments to certain executive officers in excess of \$1 million, subject to certain exemptions and exceptions. Although the Committee takes into consideration the provisions of Section 162(m), being eligible for tax deductibility is not a primary focus but one consideration among many in the design of our executive compensation program.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth above with management. Based on such review and discussions, the Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis set forth above be included in this Proxy Statement and our Annual Report on Form 10-K.

Represents the aggregate grant date fair value of awards in each of the fiscal years indicated above determined in accordance with FASB ASC Topic 718. These are not amounts paid to or realized by the NEO. The grant date fair value of the performance shares was calculated based on a "Monte Carlo" simulation model, which utilizes multiple (1) variables that determine the probability of satisfying the market-based performance conditions stipulated in the award. The dollar amount of the stock option grants reflect an assumed accounting or "Black-Scholes" value of the grants. Further information regarding the valuation of stock and option awards can be found in Notes 2 and 16 to our Consolidated Financial Statements in our 2015 Form 10-K.

Descriptions of the long-term incentive programs pursuant to which these awards were made are provided under "Compensation Discussion and Analysis" above. Fiscal year 2014 awards include one-time grant of time-based restricted stock in September 2014. All fiscal year 2015 grants are reflected in the Grants of Plan-Based Awards table below. The cumulative number of restricted shares and performance shares held by each NEO, and their (2) aggregate market value at September 30, 2015, are shown in the Outstanding Equity Awards at Fiscal Year End table below. We caution that the amounts reported in the table for stock and option awards and, therefore, total compensation may not represent the amounts that each NEO will actually realize from the awards. Whether, and to what extent, an NEO realizes value will depend on a number of factors, including our performance and stock price. Amounts for fiscal year 2015 are reflect: (a) cash awards under the 2015 Bonus Plan (Mr. Merrill - \$650,584, Mr. (3)Salomon - \$321,004 and Mr. Khoury - \$321,004); and (b) award payouts under the fiscal year 2013 long-term cash incentive plan (Mr. Merrill - \$823,437, Mr. Salomon - \$308,788 and Mr. Khoury - \$308,788).

(4) "All Other Compensation" for fiscal year 2015 consists of the following:

Name	Year	Deferred Compensation or Discretionary Lump Sum	401(k) Company Match	Total

		Contributions		
Allan P. Merrill	2015	\$100,000	\$7,950	\$107,950

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table Equity Incentive Plan Awards

Grants of equity incentive plan awards for fiscal year 2015 and the full grant date fair value (determined in accordance with ASC 718) of such awards are disclosed in the Grants of Plan-Based Awards table above. Whether, and to what extent, an NEO realizes value upon vesting/exercise will depend on a number of factors, including our performance and stock price. See footnotes 1 and 2 to the Summary Compensation Table above.

Historically, we have utilized four equity-based, long-term incentives: stock options, SSARs, time-based restricted stock and performance-based restricted stock pursuant to our 1999 and 2010 Equity Incentive Plans and our 2014 Long-Term Incentive Plan. For fiscal year 2015, only performance-based restricted stock (TSR performance shares and pre-tax income performance shares) and time-based restricted stock was awarded. The fiscal year 2015 equity awards vest as follows:

• TSR performance shares granted in fiscal year 2015 vest three years from the grant date only if certain relative performance requirements are met. See “Compensation Discussion and Analysis — Elements of Fiscal Year 2015 Executive Compensation — Long-Term Incentive Compensation” and below under “Outstanding Equity Awards at Fiscal

Year End” for more information on the vesting requirements for these TSR performance shares.

Pre-tax income performance shares granted in fiscal year 2015 vest three years from the grant date only if certain absolute performance requirements are met. See “Compensation Discussion and Analysis — Elements of Fiscal Year 2015 Executive Compensation — Long-Term Incentive Compensation” and below under “Outstanding Equity Awards at Fiscal Year End” for more information on the vesting requirements for these pre-tax income performance shares.

Time-based restricted stock awards granted in fiscal year 2015 vest ratably over a three-year period, beginning with the first anniversary of the grant date.

Non-Equity Incentive Plan Awards

Non-equity incentive plan awards for fiscal year 2015 included cash awards pursuant to our 2015 Bonus Plan. Our 2015 Bonus Plan provided for threshold, target and maximum potential award opportunities, based on achievement of certain Adjusted EBITDA and operational components. Actual cash payments were based on achievement following the completion of our fiscal year. The awards for our NEOs under the 2015 Bonus Plan represented a decrease of 55.7% for the CEO and 43.8% for the other NEOs as compared to the awards under the 2014 Bonus Plan. See “Compensation Discussion and Analysis — Elements of Fiscal Year 2015 Executive Compensation — Short-Term Incentive Compensation” for more information regarding the 2015 Bonus Plan.

The remainder of the non-equity incentive plan awards for fiscal year 2015 consisted of award payouts under the fiscal year 2013 long-term cash incentive plan (“2013 Cash LTIP”). Awards under the 2013 Cash LTIP were based on the achievement of certain metrics related to improvement in unleveraged gross margin and revenue over a three-year performance period. See pages 33-34 of our proxy statement dated December 19, 2012 for more information regarding the 2013 Cash LTIP.

Performance Shares Granted in Fiscal Years 2012 and 2013: Performance shares granted in fiscal years 2012 and 2013 were awarded pursuant to our 2010 Equity Incentive Plan. On the third anniversary of the date of the grant, these shares of performance-based restricted stock vest contingent upon the actual compound annual growth rate (“CAGR”) of our common stock and our TSR compared to that of a peer group of companies for the three-year performance period. CAGR means the year-over-year growth rate of an investment in our common stock over the three-year performance period. TSR means the return a holder of our common stock earns over the three-year performance period, expressed as a percentage, and including changes in average market value of, and dividends or (5) other distributions with respect to, our common stock, and converted to an annual rate. TSR is determined by taking the sum of (a) the “ending average market value” of our common stock reduced by the “beginning average market value” of our common stock and (b) dividends or other distributions with respect to a share of our common stock paid during the three-year performance period, and (c) dividing such sum by the “beginning average market value” of our common stock. Beginning average market value means the average of the closing price of our common stock as reported by the NYSE for last 20 trading days ending prior to the grant date. Ending average market value means the average of the closing price of our common stock as reported by the NYSE for the last 20 trading days of the performance period.

The performance criteria and corresponding vesting percentages for performance-based restricted stock are as follows. The portion of any award earned that exceeds target (100%) will not be paid in additional shares but instead will be paid in cash.

Performance Shares Granted in Fiscal Year 2014: Performance shares granted in fiscal year 2014 were awarded pursuant to our 2010 Equity Incentive Plan. On the third anniversary of the date of the grant, these shares of performance-based restricted stock will vest contingent upon TSR compared to that of a peer group of companies for the three-year performance period. TSR is determined by taking the sum of (a) the “ending average market value” of our common stock reduced by the “beginning average market value” of our common stock and (b) dividends or other distributions with respect to a share of our common stock paid during the three-year performance period, and (6)(c) dividing such sum by the “beginning average market value” of our common stock. Beginning average market value means the average of the closing price of our common stock as reported by the NYSE for last 20 trading days ending prior to the grant date. Ending average market value means the average of the closing price of our common stock as reported by the NYSE for the last 20 trading days of the performance period. In November 2015, in view of the merger of The Ryland Group, Inc. and Standard Pacific Corp., the Committee modified the peer group to exclude those companies because the post-merger market capitalization of the combined company, CalAtlantic Group, Inc., significantly exceeds the average size of the other companies in the peer group.

(8) Pre-Tax Income Performance Shares Granted in Fiscal Year 2015: Pre-tax income performance shares granted in fiscal year 2015 were awarded pursuant to our 2014 Long-Term Incentive Plan. These performance shares are structured to require absolute performance, measured by the Company's fiscal year 2017 pre-tax income, defined as the Company's income from continuing operations, before taxes and excluding impairments and abandonments, bond losses and such other non-recurring items as the Committee may approve. The pre-tax income performance shares will vest in 2017, subject to determination of the Company's actual pre-tax income performance.

Non-Qualified Deferred Compensation

As discussed above, we maintain the Beazer Homes Deferred Compensation Plan (the “Deferred Plan”) to provide eligible employees the opportunity to defer receipt of current compensation. The following table sets forth the non-qualified deferred compensation of each of our NEOs in fiscal year 2015.

Kenneth F. Khoury	\$0	\$50,000	\$1,403	\$0	\$202,071

(1) Represents amounts of earnings on the balance of the participants’ accounts that are attributable to the performance of independently managed funds available to and selected by each participant under the Deferred Plan and in which deferred amounts are deemed to be invested. None of the earnings in this column are included in the “Summary Compensation Table” above because they were not preferential or above-market.

(2) Aggregate balances include unvested amounts of Company contributions and accrued fiscal year 2015 bonus deferrals.

Narrative Disclosure to Non-Qualified Deferred Compensation Table

As discussed above, in fiscal year 2015, discretionary deferred compensation payments, in lieu of matching contributions, totaled \$100,000, \$50,000 and \$50,000 for Messrs. Merrill, Salomon and Khoury, respectively. Under the Deferred Plan, participants select from a menu of investment options which track a variety of independently managed benchmark funds in which the funds are deemed to be invested. The return on the underlying investments determines the amount of earnings and losses that are credited or debited to the participants’ account. There is no guaranteed rate of return on these funds and the rate of return depends on the participants’ deemed investment option elections and on the market performance of the underlying funds. Deferred amounts and Company contributions are deposited in a trust that qualifies as a grantor trust under the Internal Revenue Code. Our obligations under the Deferred Plan are unsecured general obligations and rank equally with our other unsecured general creditors. Amounts deferred by participants and earnings and losses thereon are 100% vested.

Potential Payments Upon Termination or Change of Control

Employment Agreements

In September 2014, we entered into new employment agreements (the “Agreements”) with each of our NEOs, Messrs. Merrill, Salomon and Khoury. The Agreements replaced the Company’s prior employment agreements with Messrs. Merrill, Salomon and Khoury, which were scheduled to expire in June 2015. Each of the Agreements is for a four-year term and does not automatically renew at expiration of the term. As described below, under the terms of these agreements, our NEOs are entitled to severance payments and other benefits in the event of termination of employment under certain circumstances.

The Agreements are substantially identical in non-economic terms, and set forth each executive's responsibilities, non-competition and non-solicitation obligations, confidentiality and intellectual property obligations and restrictions, and termination provisions. In addition, the Agreements set forth each executive's base salary, targeted bonus awards, eligibility to receive awards pursuant to long-term incentive compensation programs and, if applicable, severance payments, all of which are

43

Table of Contents

described in greater detail below. Other than as described below, the Agreements do not provide for benefits or perquisites materially different from those available to other Company employees.

The Agreements do not entitle the executives to any extension or continuation of employee benefits after termination and there is no provision to “gross up” any payment to account for taxes for which the executive may be liable. Under the Agreements, any incentive compensation that is paid or granted to the executives will be subject to recoupment under the terms of any “clawback” policy of the Company.

The initial base salaries and target annual performance bonus opportunities under the Agreements are the same as those that were in effect for each executive during fiscal year 2014. Mr. Merrill’s employment agreement provides for a base salary of \$900,000, a target annual performance bonus opportunity of 150% of base salary and target annual long-term incentive awards of up to 250% of base salary. The employment agreements for Messrs. Salomon and Khoury each provide for a base salary of \$525,000, a target annual performance bonus opportunity of 100% of base salary and target annual long-term incentive awards of up to 175% of base salary. Performance metrics and actual target opportunities for any given year remain within the discretion of the Committee.

If the employment of Messrs. Merrill, Salomon or Khoury is terminated by us without “cause” (as defined below) or the executive resigns with “good reason” (generally defined as the assignment of the executive to any duties materially inconsistent with his position as contemplated under the employment agreement or to any office or location other than as provided in the employment agreement or certain other failures or breaches by us with respect to certain provisions under the employment agreement), we will pay to the executive in a lump sum in cash the following amounts: (1) the executive’s annual base salary through the date of termination to the extent not already paid, (2) any accrued but unpaid vacation pay, and (3) any unpaid reimbursable business expenses. The sum of these amounts is referred to as “Accrued Obligations.” In addition, Messrs. Merrill, Salomon and Khoury will be entitled to receive an amount equal to the \$3,000,000, \$1,500,000 and \$1,500,000, respectively, referred to herein as “severance.” These amounts will be paid in twelve monthly installments beginning with the first regular pay date that is no less than 60 days after termination. The severance payments are subject to compliance by the executive with the non-compete, non-solicitation and confidentiality provisions in the applicable employment agreement.

The Agreements also provide for increased severance payments following a change of control if the NEO’s employment is terminated without “cause” or if he resigns with “good reason” within two years of the change in control. In such event, the severance payment for Mr. Merrill would be two and one-half times the sum of his base salary and target annual bonus for the fiscal year in which the termination occurs, and the severance payment for each of Messrs. Salomon and Khoury would be two times the sum of base salary and target annual bonus for the fiscal year in which the termination occurs. The Committee determined that an increase in the severance payable in these circumstances was market competitive. These payments would be payable in a lump sum, on the date that is 60 days after the date of termination.

No severance will be payable in the event any of the Agreements expires by its terms, the executive resigns without “good reason,” the executive voluntarily terminates his employment, the executive is terminated for “cause” or the executive’s employment is terminated as a result of his death or disability. In any such event, the executive will be entitled to receive only an amount equal to his Accrued Obligations (as defined above).

For the purposes of the Agreements, “cause” is generally defined as (1) any breach by the NEO of the employment agreement or any other agreement between the NEO and the Company; (2) any willful illegal act or gross misconduct on the part of the NEO that causes material injury to the Company; (3) the NEO being convicted of (or entering a plea of no contest or nolo contendere to) a felony or a misdemeanor involving fraud; (4) the failure or refusal to follow lawful directives of the Board of Directors which are consistent with the NEO’s duties and responsibilities; (5) the intentional failure to perform his duties and responsibilities or a breach of his fiduciary duties to the Company; (6) any dishonesty, fraud or embezzlement on the part of the NEO and intended to result in substantial gain to the NEO; and (7) determination by a court or regulatory authority that the NEO be removed or disqualified from serving as an officer of the Company.

The timing of payment by us of any deferred compensation shall remain subject to the terms and conditions of the Deferred Plan and any payment election previously made by the executive; provided however, that if at the time of

termination, the executive is a “specified employee” within the meaning of Section 409A of the Internal Revenue Code, as amended, then payments shall not be made before the date which is six months after the date of separation from service with the Company.

Disposition of Outstanding Equity Awards at Termination

Resignation; Termination for Cause

Equity grants made through the end of fiscal year 2014 under our 1999 and 2010 Equity Incentive Plans and our 2014 Long-Term Incentive Plan provide that all such awards will be forfeited in the event the executive is terminated by the Company for “cause” or the executive voluntarily resigns. The agreements governing equity grants made in fiscal year 2015 provide that such awards will be forfeited in the event of termination for “cause” or voluntary resignation; provided, however, that if the executive terminates employment for “good reason” prior to vesting and within two years of a change in control, then the change in control provisions will apply.

Change of Control

Equity grants made through the end of fiscal year 2014 provide for accelerated vesting of all outstanding equity-based grants in the event of a change in control. In such event, performance shares granted in fiscal years 2012 through 2014 would vest at the target level.

The equity grants made in fiscal year 2015 provide that, upon a change in control, the Committee has authority to determine that award: (a) will be continued by the Company (if the Company is the surviving entity); or (b) will be assumed by the surviving entity or its parent or subsidiary; or (c) will be substituted for by the surviving entity or its parent or subsidiary with an equivalent award for the outstanding award. If award is not continued, assumed or substituted upon a change in control, the Committee will in its discretion determine the impact of the change in control on the outstanding award. If award is continued, assumed or substituted upon a change in control, the continued, assumed or substituted award will provide (i) similar terms and conditions and preserve the same benefits as the outstanding award that is being continued or replaced, and (ii) that, in the event of the executive’s involuntary termination without “cause” or termination for “good reason” on, or within the two-year period following, the date of the change in control, the outstanding award (or substituted award) will fully vest and become immediately exercisable and/or nonforfeitable.

The definitions of “change in control” under our 1999 Equity Incentive Plan, 2010 Equity Incentive Plan and 2014 Long-Term Incentive Plan are substantially similar except that the 1999 Equity Incentive Plan contains a trigger based on the acquisition of 20%, rather than 25% as in the 2010 Equity Incentive Plan and 2014 Long-Term Incentive Plan, of our common stock or other voting securities.

Retirement

Upon termination of employment due to retirement, unvested stock options granted in fiscal years 2012 through 2014 will fully vest and vested stock options will be exercisable for the remaining option term. Vested stock options granted in fiscal years 2009 and 2010 will be exercisable for up to twelve months following the retirement. Performance shares granted in fiscal years 2012 through 2014 will vest pro rata, based on the number of whole months worked from the grant date to the retirement date. Restricted stock awarded in September 2014 will fully vest in the event of “retirement” (defined for purposes of this restricted stock grant as a voluntary termination of employment by executive at age 66 or older that occurs at least three years after the effective date of the grant when executive is in good standing with the Company and which is approved by the Committee). Performance shares granted in fiscal year 2015 will vest pro rata at the end of the performance period, based on the number of whole months worked from the grant date to the retirement date. Restricted stock awarded in fiscal year 2015 will vest pro rata, based on the number of whole months worked from the grant date to the retirement date.

Death or Disability

Upon the termination of employment due to death or disability, unvested stock options granted in fiscal years 2012 through 2014 will fully vest, performance shares granted in fiscal years 2012 through 2015 will vest at target, restricted stock granted in September 2014 will fully vest and restricted stock granted in fiscal year 2015 will vest pro rata, based on the portion of the service period completed prior to the triggering event. Vested stock options granted in fiscal years 2009 and 2010 will be exercisable for up to three months in the case of disability and twelve months in the case of death.

Termination Without Cause

Upon termination without “cause,” unvested stock options and unvested performance shares granted in fiscal years 2012 through 2015 will be forfeited. Vested stock options will be exercisable for a period of up to three months following the termination. Restricted stock awarded in September 2014 will vest pro rata, based on the number of whole months worked from the grant date to the termination date. Restricted stock awarded in fiscal year 2015 will be forfeited.

Disposition of Non-Equity Awards at Termination

Our NEOs received long-term performance-based cash awards in fiscal years 2012 and 2013. Under the individual agreements governing these awards, in the event an executive resigns from or otherwise terminates his employment with the Company (other than due to death, disability or retirement), or is terminated by the Company, with or without “cause,” unvested awards will be forfeited. Upon termination of employment due to retirement, a portion of the performance cash award will vest, depending on length of service since the award date. Upon the termination of employment due to death or disability, unvested performance cash awards will vest at the target level. In the event of a change of control, unvested performance cash awards will vest at the target level.

Potential Post-Employment Compensation Table

The following table summarizes the payments and benefits that each executive would be entitled to receive in the event of termination of employment under certain circumstances as of the last day of our fiscal year, September 30, 2015, and is based on each executive’s compensation and a closing stock price of \$13.33 on September 30, 2015, the last trading day in our fiscal year.

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

In deciding how to vote on this proposal, our Board of Directors and the Compensation Committee urge you to specifically consider the high level of support that we received in response to our 2014 and 2015 Say on Pay Votes. We also encourage you to read “Compensation Discussion and Analysis” beginning on page 19 and “Executive Compensation” beginning on page 37.

Our Compensation Philosophy and Practices

The Company’s core compensation philosophy is to utilize a mixture of base salary and annual and longer-term incentives to align executive compensation with our annual and long-term performance. This includes establishing performance targets based on our strategic and operating plans and providing a significant portion of total compensation based on the appreciation of our stock price and the achievement of certain financial targets.

Our Board of Directors and the Compensation Committee are dedicated to ensuring that our executive compensation programs reflect best practices in numerous ways, including by making a substantial portion of compensation performance-based to maximize both short- and long-term stockholder value. Our Board of Directors believes the Company’s compensation programs are well tailored to recruit and retain key executives while recognizing and sharing the sacrifices our stockholders have made.

For the above noted reasons, our Board of Directors urges you to approve the following resolution:

“RESOLVED, that stockholders hereby approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

Effect of Say on Pay Vote

The Say on Pay vote is non-binding on our Board of Directors and the Compensation Committee. However, because our Board of Directors values the opinions of our stockholders as expressed through their votes and other communications with the Company, our Board of Directors and the Compensation Committee will carefully review the 2016 Say on Pay voting results to better understand any significant concerns with our executive compensation program. Stockholders who want to communicate with our Board of Directors or management should refer to “Corporate Governance — Board Corporate Governance Practices — Communications with Board Members” on page 7 of this Proxy Statement for additional information.

Recommendation

The Board of Directors recommends that you vote in favor of the Company’s executive compensation as described in the “Compensation Discussion and Analysis” and “Executive Compensation” sections of this Proxy Statement by voting FOR this proposal.

PROPOSALS 4 AND 5 — BACKGROUND

Impact of Section 382 Ownership Change on Our NOLs

In recent years, we have generated significant net operating losses and unrealized tax losses (collectively, “NOLs”) and may generate additional NOLs in future years. As of September 30, 2015, we had deferred tax assets, a significant portion of which was generated by NOLs, of \$383.0 million (net of \$30.9 million of deferred tax liabilities), with a \$57.6 million valuation allowance. Under federal tax laws, we generally can use NOLs and certain related tax credits to offset future ordinary taxable income for up to 20 years, when they will “expire” for such purposes. Although the actual realization of our deferred tax assets continues to be difficult to predict and will be dependent on future events, our NOLs are clearly a very valuable asset.

In January 2010, we experienced an “ownership change” as defined under Section 382 of the Internal Revenue Code, as amended, and applicable Treasury Regulations (“Section 382”), that, to a certain extent, already limits the availability of our NOLs to offset taxable income. Under Section 382, an “ownership change” occurs if a 5% stockholder or a group of stockholders increases its ownership by more than 50% during a rolling three-year period. When an ownership change occurs, Section 382 imposes an annual limit on the amount of our NOLs that we can use to offset income taxes. A number of complex rules are used in determining 5% stockholders for Section 382 purposes, if any ownership change has occurred, and calculating the annual limit.

We take significant steps to protect our future ability to utilize these deferred tax assets. Accordingly, we carefully monitor potential Section 382 ownership shifts. While the complexity of Section 382’s provisions and the limited knowledge any public company has or is able to obtain about the ownership of its publicly-traded stock make it difficult to determine whether an ownership shift and/or change has occurred, we currently believe that an ownership change has not occurred since January 2010. However, if stockholders do not approve Proposals 4 and 5, and another ownership change were to occur, the limitations imposed by Section 382 could result in a material amount of our NOLs expiring unused and, therefore, significantly impair the future value of our deferred tax assets.

Current Protective Charter Amendment and Rights Agreement

Our stockholders have approved the following protective mechanisms, which are designed to prevent an unintentional Section 382 ownership shift, in order to preserve the benefits of our deferred tax assets:

In February 2011, our stockholders approved the adoption of an amendment to our Certificate of Incorporation (the “Protective Amendment”) that provides that certain transfers of our common stock are prohibited and void ab initio if the effect of the transfer would be to: (i) increase the ownership of our common stock by any person from less than 4.95% to 4.95% or more; or (ii) increase the percentage of our common stock owned by a person owning 4.95% or more of our common stock.

In February 2013, our stockholders approved an amendment to our Certificate of Incorporation in order to extend the term of the Protective Amendment to November 12, 2016.

In February 2013, our stockholders approved a Section 382 Rights Agreement between the Company and American Stock Transfer & Trust Company, LLC, as rights agent (the “Rights Agreement”), that is intended to act as a deterrent to any person desiring to acquire 4.95% or more of our common stock.

Our Board of Directors expects to continue to use these deferred tax protections for the foreseeable future. However, the Protective Amendment will expire according to its terms on November 12, 2016 and the Rights Agreement will expire according to its terms on November 14, 2016. The purpose of Proposals 4 and 5 is to extend the expiration date of the Protective Amendment to November 12, 2019, and to adopt a new Rights Agreement with an expiration date of November 14, 2019, in order to provide continued protection against a future ownership change that would further limit our use of NOLs.

Extension of Protective Amendment and Adoption of New Rights Agreement

After careful consideration, our Board of Directors believes the most effective way to preserve the benefits of our NOLs for long-term stockholder value is for stockholders to both: (i) approve the adoption of an amendment to our Certificate of Incorporation to further extend the term of the Protective Amendment to November 12, 2019 (the “Protective Amendment Extension”); and (ii) approve the adoption of a new Section 382 Rights Agreement (the “New Rights Agreement”) to become effective on November 14, 2016 to replace the Rights Agreement upon its expiration.

The Protective Amendment Extension, which is designed to extend the effectiveness of the Protective Amendment to prohibit transfers of our common stock that could result in an ownership change, is described below under Proposal 4, and its full terms can be found in the accompanying Appendix I. The New Rights Agreement, pursuant to which we intend to issue certain stock purchase rights with terms designed to deter transfers of our common stock that could result in an ownership change, is described below under Proposal 5, and its full terms can be found in the accompanying Appendix II.

Table of Contents

The Board of Directors urges stockholders to read carefully each proposal, the items discussed below under the heading “Certain Considerations Related to the Protective Amendment Extension and the New Rights Agreement” and the full terms of the Protective Amendment, the Protective Amendment Extension and the New Rights Agreement. While our Board of Directors unanimously supports both measures, the Protective Amendment Extension requires stockholder approval to be put into effect and we have determined to seek stockholder approval of the New Rights Agreement before putting it into effect.

It is important to note that neither measure offers a complete solution, and an ownership change may occur even if the Protective Amendment Extension is adopted and the New Rights Agreement is approved. The Protective Amendment, as extended by the Protective Amendment Extension, may not be enforceable against all stockholders and may not prevent all stock transfers that have the potential to cause a Section 382 ownership shift, and the New Rights Agreement may deter, but ultimately cannot block, all transfers of our common stock that might result in an ownership change. The limitations of these measures are described in more detail below. Because of their individual limitations, our Board of Directors believes that both measures are needed and that they will serve as important tools to help prevent an ownership change that could substantially reduce or eliminate the significant long-term potential benefits of our NOLs. Accordingly, the Board of Directors strongly recommends that stockholders approve the adoption of both the Protective Amendment Extension and the New Rights Agreement.

Table of Contents**PROPOSAL 4 — ADOPTION OF AMENDMENT TO CERTIFICATE OF INCORPORATION TO EXTEND PROTECTIVE AMENDMENT**

In February 2011, following stockholder approval, we filed a Certificate of Amendment to our Certificate of Incorporation to implement the Protective Amendment. The Protective Amendment is designed to prevent or void certain transfers of our common stock that could result in an ownership change under Section 382 and, therefore, materially inhibit our ability to use our NOLs to reduce our future income tax liability. In November 2013, following stockholder approval, we filed another Certificate of Amendment to our Certificate of Incorporation to extend the term of the Protective Amendment to November 12, 2016. The Protective Amendment will expire according to its terms on November 12, 2016. For the reasons discussed above under “Proposals 4 and 5 — Background,” our Board of Directors recommends that stockholders approve the adoption of the Protective Amendment Extension to further extend the term of the Protective Amendment to November 12, 2019.

The purpose of the Protective Amendment is to assist us in protecting the long-term value to the Company of our accumulated NOLs by limiting or prohibiting direct or indirect transfers of our common stock that could affect the percentage of stock that is treated as being owned by a holder of 4.95% of our stock. In order to continue these transfer restrictions beyond November 12, 2016, the Protective Amendment Extension must be adopted. Our Board of Directors has adopted resolutions approving and declaring the advisability of amending our Certificate of Incorporation as described below and as provided in the accompanying Appendix I, subject to stockholder approval of the adoption of the Protective Amendment Extension. Our Board of Directors will have the discretion to approve a transfer of our common stock that would otherwise violate the transfer restrictions if it determines that the transfer is in our stockholders’ best interests.

Description of the Protective Amendment and the Protective Amendment Extension

The Protective Amendment, which became effective on February 3, 2011, added a new Article Eight to our Certificate of Incorporation in an attempt to help preserve certain tax benefits primarily associated with our NOLs. The Protective Amendment will expire according to its terms on November 12, 2016. Our Board of Directors is seeking stockholder approval to adopt the Protective Amendment Extension, which, upon becoming effective as described below, would extend the term of the Protective Amendment to November 12, 2019. The following description of the currently-effective Protective Amendment and the proposed Protective Amendment Extension is qualified in its entirety by reference to the full text of the Protective Amendment, which was filed as Exhibit 3.1 to our Current Report on Form 8-K filed with the SEC on February 8, 2011 (as amended by the first extension, which was filed as Exhibit 3.1 to our Current Report on Form 8-K filed with the SEC on November 7, 2013), and the full text of the Protective Amendment Extension, which is attached hereto as Appendix I.

Prohibited Transfers. The Protective Amendment generally prohibits any direct or indirect transfer (such as transfers of our stock that result from the transfer of interests in other entities that own our stock) if the effect would be to:

- increase the direct or indirect ownership of our stock by any Person (as defined below) from less than 4.95% to 4.95% or more; or
- increase the percentage of our common stock owned directly or indirectly by a Person owning or deemed to own 4.95% or more of our common stock.

“Person” means any individual, firm, corporation or other legal entity, including persons treated as an entity pursuant to Treasury Regulation § 1.382-3(a)(1)(i), and includes any successor (by merger or otherwise) of such entity.

Prohibited transfers include sales to Persons whose resulting percentage ownership (direct or indirect) of our common stock would meet or exceed the 4.95% threshold discussed above or to Persons whose direct or indirect ownership of our common stock would by attribution cause another Person to meet or exceed such threshold. Complicated common stock ownership rules prescribed by the Code (and regulations issued thereunder) will apply in determining whether a Person is a 4.95% stockholder under the Protective Amendment. A transfer from one member of a “public group” (as that term is defined under Section 382) to another member of the same public group does not increase the percentage of our common stock owned directly or indirectly by the public group, and, therefore, such transfers are not prohibited. For purposes of determining the existence and identity of, and the amount of our common stock owned by, any stockholder, we will be entitled to rely on the existence or absence of certain public securities filings as of any

date, subject to our actual knowledge of the ownership of our common stock. The Protective Amendment includes the right to require a proposed transferee, as a condition to registration of a transfer of our common stock, to provide all information reasonably requested regarding such person's direct and indirect ownership of our common stock. These transfer restrictions may result in the delay or refusal of certain requested transfers of our common stock or may prohibit ownership (thus requiring dispositions) of our common stock due to a change in the relationship between two or more persons or entities or to a transfer of an interest in an entity other than us that, directly or indirectly, owns our common stock. The transfer restrictions will also apply to proscribe the creation or transfer of certain "options" (which are broadly defined by

Table of Contents

Section 382) with respect to our common stock to the extent that, in certain circumstances, the creation, transfer or exercise of the option would result in a proscribed level of ownership.

Consequences of Prohibited Transfers. Any direct or indirect transfer attempted in violation of the Protective Amendment would be void as of the date of the prohibited transfer as to the purported transferee (or, in the case of an indirect transfer, the ownership of the direct owner of our common stock would terminate simultaneously with the transfer), and the purported transferee (or in the case of any indirect transfer, the direct owner) would not be recognized as the owner of the shares owned in violation of the Protective Amendment for any purpose, including for purposes of voting and receiving dividends or other distributions in respect of such common stock, or in the case of options, receiving our common stock in respect of their exercise. In this Proxy Statement, our common stock purportedly acquired in violation of the Protective Amendment is referred to as “excess stock.”

In addition to a prohibited transfer being void as of the date it is attempted, upon demand, the purported transferee must transfer the excess stock to our agent along with any dividends or other distributions paid with respect to such excess stock. Our agent is required to sell such excess stock in an arm’s-length transaction (or series of transactions) that would not constitute a violation under the Protective Amendment. The net proceeds of the sale, together with any other distributions with respect to such excess stock received by our agent, after deduction of all costs incurred by the agent, will be distributed first to the purported transferee in an amount, if any, up to the cost (or in the case of gift, inheritance or similar transfer, the fair market value of the excess stock on the date of the prohibited transfer) incurred by the purported transferee to acquire such excess stock, and the balance of the proceeds, if any, will be distributed to a charitable beneficiary. If the excess stock is sold by the purported transferee, such person will be treated as having sold the excess stock on behalf of the agent and will be required to remit all proceeds to our agent (except to the extent we grant written permission to the purported transferee to retain an amount not to exceed the amount such person otherwise would have been entitled to retain had our agent sold such shares).

To the extent permitted by law, any stockholder who knowingly violates the Protective Amendment will be liable for any and all damages we suffer as a result of such violation, including damages resulting from any limitation in our ability to use our NOLs and any professional fees incurred in connection with addressing such violation.

With respect to any transfer of common stock that does not involve a transfer of our “securities” within the meaning of the Delaware General Corporation Law but that would cause any stockholder of 4.95% or more of our stock to violate the Protective Amendment, the following procedure will apply in lieu of those described above: in such case, such stockholder and/or any person whose ownership of our securities is attributed to such stockholder will be deemed to have disposed of (and will be required to dispose of) sufficient securities, simultaneously with the transfer, to cause such holder not to be in violation of the Protective Amendment, and such securities will be treated as excess stock to be disposed of through the agent under the provisions summarized above, with the maximum amount payable to such stockholder or such other person that was the direct holder of such excess stock from the proceeds of sale by the agent being the fair market value of such excess stock at the time of the prohibited transfer.

Public Groups; Modification and Waiver of Transfer Restrictions. In order to facilitate sales by stockholders into the market, the Protective Amendment permits otherwise prohibited transfers of our common stock where the transferee is a public group. These permitted transfers include transfers to new public groups that would be created by the transfer and would be treated as a 4.95% stockholder.

In addition, our Board of Directors has the discretion to approve a transfer of our common stock that would otherwise violate the transfer restrictions if it determines that the transfer is in our stockholders’ best interests. If our Board of Directors decides to permit such a transfer, that transfer or later transfers may result in an ownership change that could limit our use of our NOLs. In deciding whether to grant a waiver, our Board of Directors may seek the advice of counsel and tax experts with respect to the preservation of our federal tax attributes pursuant to Section 382. In addition, our Board of Directors may request relevant information from the acquirer and/or selling party in order to determine compliance with the Protective Amendment or the status of our federal income tax benefits, including an opinion of counsel selected by our Board of Directors (the cost of which will be borne by the transferor and/or the transferee) that the transfer will not result in a limitation on the use of the NOLs under Section 382. If our Board of Directors decides to grant a waiver, it may impose conditions on the acquirer or selling party.

In the event of a change in law, our Board of Directors will be authorized to modify the applicable prohibited percentage ownership interest (currently 4.95%), to modify any of the definitions, terms and conditions of the transfer restrictions or to eliminate the transfer restrictions, provided that our Board of Directors determines, by adopting a written resolution, that such action is reasonably necessary or advisable to preserve the NOLs or that the continuation of these restrictions is no longer reasonably necessary for such purpose, as applicable. Our stockholders will be notified of any such determination through a filing with the SEC or such other method of notice as the Secretary of the Company shall deem appropriate.

Our Board of Directors may establish, modify, amend or rescind by-laws, policies and any procedures for purposes of determining whether any transfer of common stock would jeopardize our ability to use our NOLs.

Table of Contents

Implementation of the Protective Amendment Extension and Expiration of the Protective Amendment

If our stockholders approve the adoption of the Protective Amendment Extension, we intend to file a Certificate of Amendment to our Certificate of Incorporation in the form of Appendix I with the Secretary of State of the State of Delaware on or after August 15, 2016, which amendment will become effective as of November 12, 2016, the date on which the Protective Amendment would otherwise expire. As we have in the past, we intend to continue to enforce the restrictions in the Protective Amendment to preserve the future use of our NOLs. We also intend to include a legend reflecting the transfer restrictions included in the Protective Amendment on certificates representing newly-issued or transferred shares, to disclose such restrictions to persons holding our common stock in uncertificated form and to disclose such restrictions to the public generally.

If the adoption of the Protective Amendment Extension is approved by stockholders and the Protective Amendment Extension is filed with the Delaware Secretary of State as described above, the Protective Amendment would expire on the earliest of (i) the Board of Directors' determination that the Protective Amendment is no longer necessary for the preservation of our NOLs because of the amendment or repeal of Section 382 or any successor statute, (ii) the beginning of a taxable year to which the Board of Directors determines that none of our NOLs may be carried forward (iii) such date as the Board of Directors otherwise determines that the Protective Amendment is no longer necessary for the preservation of our NOLs and (iv) November 12, 2019.

Effectiveness and Enforceability

Although the Protective Amendment is intended to reduce the likelihood of an ownership change, we cannot eliminate the possibility that an ownership change will occur even if the Protective Amendment Extension is approved and the Protective Amendment is extended to November 12, 2019, given that:

• Our Board of Directors can permit a transfer to an acquirer that results or contributes to an ownership change if it determines that such transfer is in our stockholders' best interests.

A court could find that part or all of the Protective Amendment, as extended by the Protective Amendment Extension, is not enforceable, either in general or as to a particular fact situation. Under the laws of the State of Delaware, our jurisdiction of incorporation, a corporation is conclusively presumed to have acted for a reasonable purpose when restricting the transfer of its securities in its certificate of incorporation for the purpose of maintaining or preserving any tax attribute (including NOLs). Delaware law provides that transfer restrictions with respect to shares of our common stock issued prior to the adoption of the restrictions will be effective against (i) stockholders with respect to shares that were voted in favor of this proposal and (ii) purported transferees of shares that were voted for this proposal if (A) the transfer restriction is conspicuously noted on the certificate(s) representing such shares or (B) the transferee had actual knowledge of the transfer restrictions (even absent such conspicuous notation). We intend to continue to cause shares of our common stock issued after the adoption of the Protective Amendment to be issued with the relevant transfer restriction conspicuously noted on the certificate(s) representing such shares, and, therefore, under Delaware law, such newly-issued shares will be subject to the transfer restriction. We also intend to send a notice regarding such restrictions to registered holders of our common stock in uncertificated form, as contemplated by Delaware law. For the purpose of determining whether a stockholder is subject to the Protective Amendment, as extended by the Protective Amendment Extension, we have taken and intend to continue to take the position that all shares issued prior to the effectiveness of the Protective Amendment that are proposed to be transferred were voted in favor of the Protective Amendment, unless the contrary is established. We may also assert that stockholders have waived the right to challenge or otherwise cannot challenge the enforceability of the Protective Amendment, as extended by the Protective Amendment Extension, unless a stockholder establishes that it did not vote in favor of the Protective Amendment. Nonetheless, a court could find that the Protective Amendment is unenforceable, either in general or as applied to a particular stockholder or fact situation.

• Despite the adoption of the Protective Amendment and the Protective Amendment Extension, there is still a risk that certain changes in relationships among stockholders or other events could cause an ownership change under Section 382. Accordingly, we cannot assure you that an ownership change will not occur even if the Protective Amendment Extension is adopted. However, our Board of Directors has adopted the Rights Agreement and has approved the adoption and execution of the New Rights Agreement, each of which is intended to act as a deterrent to any person

acquiring 4.95% or more of our stock and endangering our ability to use our NOLs.

As a result of these and other factors, the Protective Amendment Extension serves to reduce, but does not eliminate, the risk that we will undergo an ownership change.

Required Vote

Adoption of the Protective Amendment Extension requires the affirmative vote of a majority of our outstanding shares of common stock. If the adoption of the Protective Amendment Extension is approved by the stockholders, we intend to file a Certificate of Amendment to our Certificate of Incorporation in the form of Appendix I with the Secretary of State of the State of Delaware on or after August 15, 2016, which amendment will become effective as of November 12, 2016, the date on which the Protective Amendment would otherwise expire.

Recommendation

The Board of Directors recommends that stockholders vote FOR the adoption of the Protective Amendment Extension.

PROPOSAL 5 — APPROVAL OF NEW RIGHTS AGREEMENT

In February 2013, our stockholders approved the adoption of a Rights Agreement, which is intended to act as a deterrent to any person desiring to acquire 4.95% or more of our common stock. The Rights Agreement will expire according to its terms on November 14, 2016. On November 6, 2015, our Board of Directors approved the adoption and execution of a new Rights Agreement (the “New Rights Agreement”), to become effective at the close of business on November 14, 2016, in an effort to continue to protect stockholder value by preserving the Company’s ability to use its NOLs. Other than changing the expiration date, the terms of the Rights Agreement and the terms of the New Rights Agreement are the same in all material respects.

For the reasons discussed above under “Proposals 4 and 5 — Background,” our Board of Directors recommends that stockholders approve the adoption of the New Rights Agreement, which will replace the Rights Agreement upon its expiration.

Description of the New Rights Agreement

The following description of the New Rights Agreement is qualified in its entirety by reference to the text of the New Rights Agreement, which is attached to this Proxy Statement as Appendix II. We urge you to read carefully the New Rights Agreement in its entirety as the discussion below is only a summary.

Like the Rights Agreement, the New Rights Agreement is intended to act as a deterrent to any person acquiring (together with all affiliates and associates of such person) beneficial ownership of 4.95% or more of our outstanding common shares within the meaning of Section 382 (an “Acquiring Person”), other than pursuant to a Qualified Offer or with the approval of our Board of Directors. Stockholders who beneficially own 4.95% or more of our outstanding common shares as of the close of business on the effective date of the New Rights Agreement will not qualify as an Acquiring Person so long as they are not at that time considered an Acquiring Person under the Rights Agreement and do not acquire any additional common shares at a time when they still beneficially own 4.95% or more of the outstanding common shares.

A “Qualified Offer” generally means (i) a tender offer or exchange offer for all of our outstanding common shares at the same per-share consideration, (ii) an offer that has commenced under applicable law, (iii) an offer that includes a non-waivable condition requiring at least a majority of our outstanding common shares to be tendered and not withdrawn, (iv) an offer pursuant to which the offeror has announced that it intends to promptly consummate a second step transaction whereby all common shares not tendered into the offer will be acquired using the same form and amount of consideration per share actually paid pursuant to the offer, (v) an offer that remains open for not less than 60 days and (vi) an offer at a per-share consideration, and on such other terms and conditions, that in each case are adequate and fair as determined by the Board of Directors.

The Rights. On November 6, 2015, our Board of Directors authorized the issuance of one right per outstanding common share payable upon the effectiveness of the New Rights Agreement to our stockholders of record as of November 14, 2016. Subject to the terms, provisions and conditions of the New Rights Agreement, if the rights become exercisable, each right would initially represent the right to purchase from us one one-thousandth of a share of the Company’s Series A Junior Participating Preferred Shares, par value \$0.01 per share (the “Series A Preferred Shares”), for a purchase price of \$50.00 per right (the “Purchase Price”). If issued, each fractional Series A Preferred Share would give the stockholder approximately the same dividend, voting and liquidation rights as does one common share. However, prior to exercise, a right does not give its holder any rights as a stockholder of the Company, including any dividend, voting or liquidation rights.

Initial Exercisability. The rights are not exercisable until the earlier of (i) ten days after a public announcement that a person has become an Acquiring Person and (ii) ten business days (or such later date as may be determined by the Board of Directors) after the commencement of a tender or exchange offer by or on behalf of a person that, if completed, would result in such person becoming an Acquiring Person. We refer to the date that the rights become exercisable under the New Rights Agreement as the “Distribution Date.”

Until the Distribution Date, the Company’s common share certificates or the ownership statements issued with respect to uncertificated common shares will evidence the rights and will contain a notation to that effect. Any transfer of common shares prior to the Distribution Date will constitute a transfer of the associated rights. After the Distribution

Date, separate rights certificates will be issued, and the rights may be transferred apart from the transfer of the underlying common shares, unless and until our Board of Directors has determined to effect an exchange pursuant to the New Rights Agreement (as described below).

“Flip-In” Event. In the event that a person becomes an Acquiring Person, each holder of a right, other than rights that are or, under certain circumstances, were beneficially owned by the Acquiring Person (which will thereupon become void), will from and after the Distribution Date, have the right to receive, upon exercise of a right and payment of the Purchase Price, a number of common shares having a market value of two times the Purchase Price. However, rights are not exercisable following the occurrence of a person becoming an Acquiring Person until such time as the rights are no longer redeemable by the Company (as described below).

Table of Contents

Exempted Persons and Exempted Transactions. Our Board of Directors recognizes that there may be instances when an acquisition of the Company's common shares that would cause a stockholder to become an Acquiring Person may not jeopardize or endanger in any material respect the availability of the NOLs to the Company or would otherwise be in the best interests of the Company. Accordingly, the New Rights Agreement grants discretion to our Board of Directors to designate a person as an "Exempted Person" or to designate a transaction involving the Company's common shares as an "Exempted Transaction." An "Exempted Person" cannot become an Acquiring Person and an "Exempted Transaction" cannot result in a person becoming an Acquiring Person. Our Board of Directors can revoke an "Exempted Person" designation if it subsequently makes a contrary determination regarding whether a person jeopardizes or endangers in any material respect the availability of the NOLs to the Company.

Redemption. At any time until ten calendar days following the first date of public announcement that a person has become an Acquiring Person, the Company may redeem the rights in whole, but not in part, at a price of \$0.001 per right (the "Redemption Price"). The redemption of the rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the rights, the right to exercise the rights will terminate, and the only right of the holders of rights will be to receive the Redemption Price.

Exchange. At any time after a person becomes an Acquiring Person and prior to the acquisition by the Acquiring Person of 50% or more of the outstanding common shares, the Board of Directors may exchange the rights (other than rights that have become void), in whole or in part, at an exchange ratio of one common share, or a fractional Series A Preferred Share (or of a share of a similar class or series of our preferred shares having similar rights, preferences and privileges) of equivalent value, per right (subject to adjustment). Immediately upon an exchange of any rights, the right to exercise such rights will terminate and the only right of the holders of rights will be to receive the number of common shares (or fractional Series A Preferred Share or of a share of a similar class or series of our preferred shares having similar rights, preferences and privileges) equal to the number of such rights held by such holder multiplied by the exchange ratio.

Expiration. Following stockholder approval of the New Rights Agreement and its adoption and effectiveness as described in this Proxy Statement, the rights and the New Rights Agreement will expire on the earliest of the following:

- the close of business on November 14, 2019;

- the redemption of the rights;

- the exchange of the rights;

- the close of business on the effective date of the repeal of Section 382 or any successor statute if the Board of Directors determines that the Rights Agreement is no longer necessary or desirable for the preservation of certain tax benefits; and

- the close of business on the first day of a taxable year to which the Board of Directors determines that no tax benefits may be carried forward.

Anti-Dilution Provisions. Our Board of Directors may adjust the Purchase Price of the Series A Preferred Shares, the number of Series A Preferred Shares issuable and the number of outstanding rights to prevent dilution that may occur as a result of certain events, including among others, a share dividend, a share split or a reclassification of the Series A Preferred Shares or of the Company's common shares. With certain exceptions, no adjustments to the Purchase Price will be required until cumulative adjustments amount to at least 1% of the Purchase Price.

Amendments. Following execution of the New Rights Agreement and prior to the Distribution Date, our Board of Directors may supplement or amend any provision of the New Rights Agreement in any respect without the approval of the holders of the rights, with certain limited exceptions. From and after the Distribution Date, no amendment can adversely affect the interests of the holders of the rights.

Required Vote

Approval of the New Rights Agreement requires the vote of a majority of our shares of common stock present in person or represented by proxy.

Recommendation

The Board of Directors recommends that stockholders vote FOR the approval of the New Rights Agreement.

CERTAIN CONSIDERATIONS RELATED TO
PROTECTIVE AMENDMENT EXTENSION AND NEW RIGHTS AGREEMENT

Our Board of Directors believes that attempting to protect the tax benefits of our NOLs as described above under “Proposals 4 and 5 — Background” is in our stockholders’ best interests. However, we cannot eliminate the possibility that an ownership change will occur even if the Protective Amendment Extension is adopted and the New Rights Agreement is approved. Please consider the factors discussed below in voting on Proposals 4 and 5.

The Internal Revenue Service (“IRS”) could challenge the amount of our NOLs or claim we experienced an ownership change, which could reduce the amount of our NOLs that we can use or eliminate our ability to use them altogether. The IRS has not audited or otherwise validated the amount of our NOLs. The IRS could challenge the amount of our NOLs, which could limit our ability to use our NOLs to reduce our future income tax liability. In addition, the complexity of Section 382’s provisions and the limited knowledge any public company has or is able to obtain about the ownership of its publicly-traded stock make it difficult to determine whether an ownership change has occurred. Therefore, we cannot assure you that the IRS will not claim that we experienced an ownership change and attempt to reduce or eliminate the benefit of our NOLs even if the Protective Amendment, as extended by the Protective Amendment Extension, and the New Rights Agreement are in place.

Continued Risk of Ownership Change

Although the Protective Amendment Extension and the New Rights Agreement are intended to reduce the likelihood of an ownership change, we cannot assure you that they would prevent all transfers of our common stock that could result in such an ownership change. In particular, absent a court determination, we cannot assure you that the Protective Amendment’s restrictions on acquisition of our common stock will be enforceable against all our stockholders, and they may be subject to challenge on equitable grounds, as discussed above under Proposal 4.

Potential Effects on Liquidity

The Protective Amendment restricts a stockholder’s ability to acquire, directly or indirectly, additional shares of our common stock in excess of the specified limitations. Furthermore, a stockholder’s ability to dispose of our common stock may be limited by reducing the class of potential acquirers for such common stock. In addition, a stockholder’s ownership of our common stock may become subject to the restrictions of the Protective Amendment upon actions taken by persons related to, or affiliated with, them. Stockholders are advised to monitor carefully their ownership of our stock and consult their own legal advisors and/or us to determine whether their ownership of our stock approaches the restricted levels.

Potential Impact on Value

If the Protective Amendment Extension is adopted, our Board of Directors intends to continue to include a legend reflecting the transfer restrictions included in the Protective Amendment on certificates representing newly-issued or transferred shares, to disclose such restrictions to persons holding our common stock in uncertificated form and to disclose such restrictions to the public generally. Because certain buyers, including persons who wish to acquire 4.95% or more of our common stock and certain institutional holders who may not be comfortable holding our common stock with restrictive legends, may not be able to purchase our common stock, the Protective Amendment Extension could depress the value of our common stock in an amount that could more than offset any value preserved from protecting our NOLs. The New Rights Agreement could have a similar effect if investors object to holding our common stock subject to the terms of the New Rights Agreement.

Potential Anti-Takeover Impact

The reason our Board of Directors approved the adoption of the Protective Amendment Extension and the New Rights Agreement is to preserve the long-term value of our NOLs. The Protective Amendment Extension, if adopted by our stockholders, could be deemed to have an anti-takeover effect because, among other things, it will restrict the ability of a person, entity or group to accumulate 4.95% or more of our common stock and the ability of persons, entities or groups now owning 4.95% or more of our common stock to acquire additional shares of our common stock without the approval of the Board of Directors. Similarly, while the New Rights Agreement is not intended to prevent a takeover, it does have a potential anti-takeover effect because an Acquiring Person may be diluted upon the occurrence of a triggering event. In addition, the “Qualified Offer” provisions of the New Rights Agreement require,

among other things, a majority of the members of the Board of Directors, who are independent of the bidder, to make a determination that the price and terms of the offer are fair and adequate in order to exempt the offer under the New Rights Agreement. Accordingly, the overall effects of the Protective Amendment, as extended by the Protective Amendment Extension, and the New Rights Agreement, if adopted by our stockholders, may be to continue to render more difficult, or discourage, a merger, tender offer, proxy contest or assumption of control by a substantial holder of our securities. The Protective Amendment Extension and the New Rights Agreement

proposals are not part of a plan by us to adopt a series of anti-takeover measures, and we are not presently aware of any potential takeover transaction.

Effect of the Protective Amendment Extension If You Vote For It and Already Own More Than 4.95% of our Common Stock

If you already own more than 4.95% of our common stock, you are and will continue to be able to transfer shares of our common stock only if the transfer does not increase the percentage of stock ownership of another holder of 4.95% or more of our common stock or create a new holder of 4.95% or more of our common stock. You also are and will continue to be able to transfer your shares of our common stock through open-market sales to a public group, including a new public group. Shares acquired in any such transaction will be subject to the Protective Amendment's transfer restrictions.

Effect of the Protective Amendment Extension If You Vote For It and Own Less Than 4.95% of our Common Stock

If you own less than 4.95% of our common stock, the Protective Amendment, as extended by the Protective Amendment Extension, will continue to apply to you, but, so long as you own less than 4.95% of our common stock you can transfer your shares to a purchaser who, after the sale, also would own less than 4.95% of our common stock.

Effect of the Protective Amendment Extension If You Vote Against It

Delaware law provides that the transfer restrictions of the Protective Amendment Extension with respect to shares of our common stock issued prior to its adoption will be effective as to (i) stockholders with respect to shares that were voted in favor of adopting the Protective Amendment Extension and (ii) purported transferees of such shares if (A) the transfer restriction is conspicuously noted on the certificate(s) representing such shares or (B) the transferee had actual knowledge of the transfer restrictions (even absent such conspicuous notation). We intend to cause shares of our common stock issued after the adoption of the Protective Amendment Extension to be issued with the relevant transfer restriction conspicuously noted on the certificate(s) representing such shares, and, therefore, under Delaware law, such newly-issued shares will be subject to the transfer restriction. We also intend to send a notice regarding such restrictions to registered holders of our common stock in uncertificated form, as contemplated by Delaware law. For the purpose of determining whether a stockholder is subject to the Protective Amendment, as extended by the Protective Amendment Extension, we have taken and intend to continue to take the position that all shares issued prior to the effectiveness of the Protective Amendment that are proposed to be transferred were voted in favor of the Protective Amendment, unless the contrary is established. We may also assert that stockholders have waived the right to challenge or otherwise cannot challenge the enforceability of the Protective Amendment, as extended by the Protective Amendment Extension, unless a stockholder establishes that it did not vote in favor of the Protective Amendment. Nonetheless, a court could find that the Protective Amendment is unenforceable, either in general or as applied to a particular stockholder or fact situation.

SECTION 382 RIGHTS AGREEMENT

SECTION 382 RIGHTS AGREEMENT, dated as of November [___], 2016 (the “Agreement”), between Beazer Homes USA, Inc., a Delaware corporation (the “Company”), and American Stock Transfer & Trust Company, LLC, a New York limited liability trust company (the “Rights Agent”).

WITNESSETH:

WHEREAS, the Company has generated NOLs (as defined in Section 1 hereof) for United States federal income tax purposes; and such NOLs may potentially provide valuable tax benefits to the Company; the Company desires to avoid an “ownership change” within the meaning of Section 382 of the Internal Revenue Code of 1986, as amended (the “Code”) and the Treasury Regulations promulgated thereunder, and thereby preserve the ability to utilize fully such NOLs and certain other tax benefits; and, in furtherance of such objective, the Company desires to enter into this Agreement; and

WHEREAS, on November 6, 2015 (the “Rights Dividend Declaration Date”), the Board of Directors of the Company authorized and declared a dividend distribution of one preferred share purchase right (a “Right”) for each share of common stock, par value \$0.001 per share, of the Company (the “Common Stock”) outstanding at the close of business on November 14, 2016 (the “Record Date”), and has authorized the issuance of one Right (as such number may hereinafter be adjusted pursuant to the provisions of Section 11(p) hereof) for each share of Common Stock issued between the Record Date (whether originally issued or delivered from the Company’s treasury) and the earlier of the close of business on the Distribution Date (as defined in Section 3 hereof) and the Expiration Date (as defined in Section 7(a) hereof), each Right initially representing the right to purchase one one-thousandth of a share (a “Unit”) of Series A Junior Participating Preferred Stock (the “Preferred Stock”) of the Company having the rights, powers and preferences set forth in the form of Designations, Preferences and Rights attached hereto as Exhibit A, upon the terms and subject to the conditions hereinafter set forth.

the Common Stock (which certificates for Common Stock shall be deemed also to be certificates for Rights) and not by separate certificates, and (y) the Rights will be transferable only in connection with the transfer of the underlying shares of Common Stock (including a transfer to the Company). As soon as practicable after the Distribution Date, the Company will prepare and execute, the Rights Agent will countersign and the Rights Agent will send by first-class, insured, postage prepaid mail, to each record holder of the Common Stock as of the close of business on the Distribution Date, at the address of such holder shown on the records of the Company, one or more rights certificates, in substantially the form of Exhibit B hereto (the "Rights Certificates"), evidencing one Right for each share of Common Stock so held, subject to adjustment as provided herein. In the event that an adjustment in the number of Rights per share of Common Stock has been made pursuant to Section 11(p) hereof, at the time of distribution of the Rights Certificates, the Company shall make the necessary and appropriate rounding adjustments (in accordance with Section 14(a) hereof) so that Rights Certificates representing only whole numbers of Rights are distributed and cash is paid in lieu of any fractional Rights. As of and after the Distribution Date, the Rights will be evidenced solely by such Rights Certificates.

(b)As promptly as practicable following the Record Date, the Company shall send a copy of a Summary of Rights, in substantially the form attached hereto as Exhibit C (the "Summary of Rights"), by first-class, postage prepaid mail, to each record holder of the Common Stock as of the close of business on the Record Date, at the address of such holder shown on the records of the Company. With respect to certificates for the Common Stock outstanding as of the Record Date, or issued subsequent to the Record Date, unless and until the Distribution Date shall occur, the Rights will be evidenced by such certificates for the Common Stock and the registered holders of the Common Stock shall also be the registered holders of the associated Rights. Until the earliest of the Distribution Date, the Expiration Date (as such term is defined in Section 7 hereof) or the redemption of the Rights pursuant to Section 23 hereof, the transfer of any certificates representing shares of Common Stock in respect of which Rights have been issued shall also constitute the transfer of the Rights associated with such shares of Common Stock.

(c)Rights shall be issued in respect of all shares of Common Stock which are issued (whether originally issued or from the Company's treasury) after the Record Date but prior to the earliest of the Distribution Date, the Expiration Date or the redemption of the Rights pursuant to Section 23 hereof. Certificates representing such shares of Common Stock shall also be deemed to be certificates for Rights, and shall bear a legend substantially in the following form : "This certificate also evidences and entitles the holder hereof to certain Rights as set forth in the Rights Agreement between Beazer Homes USA, Inc. (the "Company") and American Stock Transfer & Trust Company, LLC (the "Rights Agent"), dated as of November [___], 2016 (the "Rights Agreement"), the terms of which are hereby incorporated herein by reference and a copy of which is on file at the principal offices of the Rights Agent. Under certain circumstances, as set forth in the Rights Agreement, such Rights will be evidenced by separate certificates and will no longer be evidenced by this certificate. The Rights Agent will mail to the holder of this certificate a copy of the Rights Agreement, as in effect on the date of mailing, without charge promptly after receipt of a written request therefor. Under certain circumstances set forth in the Rights Agreement, Rights issued to, or held by, any Person who is, was or becomes an Acquiring Person or any Affiliate or Associate thereof (as such terms are defined in the Rights Agreement), whether currently held by or on behalf of such Person or by any subsequent holder, may become null and void." With respect to such certificates containing the foregoing legend, until the earlier of the (i) Distribution Date or (ii) the Expiration Date, the Rights associated with the Common Stock represented by such certificates shall be evidenced by such certificates alone and registered holders of Common Stock shall also be the registered holders of the associated Rights, and the transfer of any of such certificates shall also constitute the transfer of the Rights associated with the Common Stock represented by such certificates.

Section 4. Form of Rights Certificates.

(a)The Rights Certificates (and the forms of election to purchase and of assignment to be printed on the reverse thereof) shall each be substantially in the form set forth in Exhibit B hereto and may have such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange on

which the Rights may from time to time be listed, or to conform to usage. Subject to the provisions of Section 11 and Section 22 hereof, the Rights Certificates, whenever distributed, shall be dated as of the Record Date or, in the case of Rights with respect to Common Stock issued or becoming outstanding after the Record Date, the same date as the date of the share certificate evidencing such shares, and on their face shall entitle the holders thereof to purchase such number of one one-thousandths of a share of Preferred Stock as shall be set forth therein at the price set forth therein (such exercise price per one one-thousandth of a share, the "Purchase Price"), but the amount and type of securities purchasable upon the exercise of each Right and the Purchase Price thereof shall be subject to adjustment as provided herein.

(b) Any Rights Certificate issued pursuant to Section 3(a), Section 11(i) or Section 22 hereof that

represents Rights beneficially owned by any Person known to be: (i) an Acquiring Person or any Associate or Affiliate of an Acquiring Person, (ii) a transferee of an Acquiring Person (or of any such Associate or Affiliate) who becomes a transferee after the Acquiring Person becomes such, (iii) a transferee of an Acquiring Person (or of any such Associate or Affiliate) who becomes a transferee prior to or concurrently with the Acquiring Person becoming such and receives such Rights pursuant to either (A) a transfer (whether or not for consideration) from the Acquiring Person to holders of equity interests in such Acquiring Person or to any Person with whom such Acquiring Person has any continuing plan, agreement, arrangement or understanding regarding the transferred Rights or (B) a transfer which the Board of Directors of the Company has determined is part of a plan, agreement, arrangement or understanding which has as a primary purpose or effect avoidance of Section 7(e) hereof, or (iv) subsequent transferees of such Persons described in clause (i), (ii) or (iii) of this sentence, and any Rights Certificate issued pursuant to Section 6 or Section 11 hereof upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain (to the extent feasible) a legend substantially in the following form: "The Rights represented by this Rights Certificate are or were beneficially owned by a Person who was or became an Acquiring Person or an Affiliate or Associate of an Acquiring Person (as such terms are defined in the Rights Agreement). Accordingly, this Rights Certificate and the Rights represented hereby may become null and void in the circumstances specified in Section 7(e) of such Agreement." The absence of the foregoing legend on any Rights Certificate shall in no way affect any of the other provisions of this Agreement, including, without limitation, the provisions of Section 7(e).

Section 5. Countersignature and Registration.

(a) The Rights Certificates shall be executed on behalf of the Company by its Chairman of the Board, its Chief Executive Officer, its President or any Executive Vice President or Senior Vice President, either manually or by facsimile signature, and shall have affixed thereto the Company's seal or a facsimile thereof which shall be attested by the Secretary or an Assistant Secretary of the Company, either manually or by facsimile signature. The Rights Certificates shall be countersigned by the Rights Agent, either manually or by facsimile signature, and shall not be valid for any purpose unless so countersigned. In case any officer of the Company who shall have signed any of the Rights Certificates shall cease to be such officer of the Company before countersignature by the Rights Agent and issuance and delivery by the Company, such Rights Certificates, nevertheless, may be countersigned by the Rights Agent and issued and delivered by the Company with the same force and effect as though the person who signed such Rights Certificates had not ceased to be such officer of the Company; and any Rights Certificates may be signed on behalf of the Company by any person who, at the actual date of the execution of such Rights Certificate, shall be a proper officer of the Company to sign such Rights Certificate, although at the date of the execution of this Rights Agreement any such person was not such an officer.

(b) Following the Distribution Date, the Rights Agent shall keep, or cause to be kept, at its principal office or offices designated as the appropriate place for surrender of Rights Certificates upon exercise or transfer, books for registration and transfer of the Rights Certificates issued hereunder. Such books shall show the names and addresses of the respective holders of the Rights Certificates, the number of Rights evidenced on its face by each of the Rights Certificates and the date of each of the Rights Certificates.

Section 6. Transfer, Split Up, Combination and Exchange of Rights Certificates; Mutilated, Destroyed, Lost or Stolen Rights Certificates.

(a) Subject to the provisions of Section 4(b), Section 7(e), Section 14 and Section 27 hereof, at any time after the close of business on the Distribution Date, and at or prior to the close of business on the Expiration Date or the redemption of the rights pursuant to Section 23 hereof, any Rights Certificate or Certificates may be transferred, split up, combined or exchanged for another Rights Certificate or Certificates, entitling the registered holder to purchase a like number of one one-thousandths of a share of Preferred Stock (or, following a Triggering Event, Common Stock, other securities, cash or other assets, as the case may be) as the Rights Certificate or Certificates surrendered then entitles such holder (or former holder in the case of a transfer) to purchase. Any registered holder desiring to transfer, split up, combine or exchange any Rights Certificate or Certificates shall make such request in writing delivered to the Rights Agent, and shall surrender the Rights Certificate or Certificates to be transferred, split up, combined or exchanged at the principal office or offices of the Rights Agent designated for such purpose. Neither the Rights Agent nor the

Company shall be obligated to take any action whatsoever with respect to the transfer of any such surrendered Rights Certificate until the registered holder shall have completed and signed the certificate contained in the form of assignment on the reverse side of such Rights Certificate and shall have provided such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company shall reasonably request. Thereupon the Rights Agent shall, subject to Section 4(b), Section 7(e), Section 14 and Section 27 hereof, countersign and deliver to the Person entitled thereto a Rights Certificate or Rights Certificates, as the case may be, as so requested. The Company may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer, split up, combination or exchange of Rights Certificates. The Rights Agent shall promptly forward any such sum collected by it to the Company or to such Persons as the

Company shall specify by written notice.

(b) Upon receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them of the loss, theft, destruction or mutilation of a Rights Certificate, and, in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to them, and, at the Company's request, reimbursement to the Company and the Rights Agent of all reasonable expenses incidental thereto, and upon surrender to the Rights Agent and cancellation of the Rights Certificate if mutilated, the Company will execute and deliver a new Rights Certificate of like tenor to the Rights Agent for countersignature and delivery to the registered owner in lieu of the Rights Certificate so lost, stolen, destroyed or mutilated.

Section 7. Exercise of Rights; Purchase Price; Expiration Date of Rights.

(a) Subject to Section 7(e) and Section 27 hereof, the registered holder of any Rights Certificate may exercise the Rights evidenced thereby (except as otherwise provided herein including, without limitation, the restrictions on exercisability set forth in Section 9(c), Section 11(a)(iii) and Section 23(a) hereof) in whole or in part at any time after the Distribution Date upon surrender of the Rights Certificate, with the form of election to purchase and the certificate on the reverse side thereof duly executed, to the Rights Agent at the principal office or offices of the Rights Agent designated for such purpose, together with payment of the aggregate Purchase Price with respect to the total number of one one-thousandth of a share of Preferred Stock (or other securities, cash or other assets, as the case may be) as to which such surrendered Rights are then exercisable, at or prior to the earliest of (i) the close of business on November 14, 2019 (the "Final Expiration Date"), (ii) the time at which the Rights are redeemed as provided in Section 23 hereof, (iii) the time at which all of the Rights (other than Rights that have become void pursuant to the provisions of Section 7(e) hereof) are exchanged for Common Stock or other assets or securities as provided in Section 27 hereof, (iv) the close of business on the effective date of the repeal of Section 382 or any successor statute if the Board of Directors of the Company determines that this Agreement is no longer necessary or desirable for the preservation of Tax Benefits, or (v) the close of business on the first day of a taxable year of the Company to which the Board of Directors of the Company determines that no Tax Benefits may be carried forward (the earliest of (i) and (ii) and (iii) and (iv) and (v) being herein referred to as the "Expiration Date").

(b) The Purchase Price for each one one-thousandth of a share of Preferred Stock pursuant to the exercise of a Right shall initially be \$50.00, and shall be subject to adjustment from time to time as provided in Sections 11 and 13(a) hereof and shall be payable in accordance with paragraph (c) below.

(c) Upon receipt of a Rights Certificate representing exercisable Rights, with the form of election to purchase and the certificate duly executed, accompanied by payment, with respect to each Right so exercised, of the Purchase Price per one one-thousandth of a share of Preferred Stock (or other shares, securities, cash or other assets, as the case may be) to be purchased as set forth below and an amount equal to any applicable transfer tax, the Rights Agent shall, subject to Section 20(k) hereof, thereupon promptly (i) (A) requisition from any transfer agent of the shares of Preferred Stock (or make available, if the Rights Agent is the transfer agent for such shares) certificates for the total number of one one-thousandths of a share of Preferred Stock to be purchased and the Company hereby irrevocably authorizes its transfer agent to comply with all such requests, or (B) if the Company shall have elected to deposit the total number of shares of Preferred Stock issuable upon exercise of the Rights hereunder with a depositary agent, requisition from the depositary agent depositary receipts representing such number of one one-thousandths of a share of Preferred Stock as are to be purchased (in which case certificates for the shares of Preferred Stock represented by such receipts shall be deposited by the transfer agent with the depositary agent) and the Company shall direct the depositary agent to comply with such request, (ii) requisition from the Company the amount of cash, if any, to be paid in lieu of fractional shares in accordance with Section 14 hereof, (iii) after receipt of such certificates or depositary receipts, cause the same to be delivered to, or upon the order of the registered holder of such Rights Certificate, registered in such name or names as may be designated by such holder, and (iv) after receipt thereof, deliver such cash described in clause (ii) hereof, if any, to or upon the order of the registered holder of such Rights Certificate. The payment of the Purchase Price (as such amount may be reduced pursuant to Section 11(a)(iii) hereof) shall be made in cash or by certified bank check or bank draft payable to the order of the Company. In the event that the Company is obligated to issue other securities (including Common Stock) of the Company, pay cash and/or distribute other property pursuant to Section 11(a)

hereof, the Company will make all arrangements necessary so that such other securities, cash and/or other property are available for distribution by the Rights Agent, if and when appropriate. The Company reserves the right to require prior to the occurrence of a Triggering Event that, upon any exercise of Rights, a number of Rights be exercised so that only whole shares of Preferred Stock would be issued.

(d) In case the registered holder of any Rights Certificate shall exercise less than all the Rights evidenced thereby, a new Rights Certificate evidencing Rights equivalent to the Rights remaining unexercised shall be issued by the Rights Agent and delivered to, or upon the order of, the registered holder of such Rights Certificate, registered in such name or names as may be designated by such holder, subject to the provisions of Section 14 hereof.

(e)Notwithstanding anything in this Agreement to the contrary, from and after the first occurrence of a Section 11(a)(ii) Event, any Rights beneficially owned by any Person known to be (i) an Acquiring Person or an Associate or Affiliate of an Acquiring Person, (ii) a transferee of an Acquiring Person (or of any such Associate or Affiliate) who becomes a transferee after the Acquiring Person becomes such, (iii) a transferee of an Acquiring Person (or of any such Associate or Affiliate) who becomes a transferee prior to or concurrently with the Acquiring Person becoming such and receives such Rights pursuant to either (A) a transfer (whether or not for consideration) from the Acquiring Person to holders of equity interests in such Acquiring Person or to any Person with whom the Acquiring Person has any continuing plan, agreement, arrangement or understanding regarding the transferred Rights or (B) a transfer which the Board of Directors of the Company has determined is part of a plan, agreement, arrangement or understanding which has as a primary purpose or effect the avoidance of this Section 7(e), or (iv) subsequent transferees of such Persons described in clause (i), (ii) or (iii) of this sentence, shall become null and void without any further action and no holder of such Rights shall have any rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. The Company shall use all reasonable efforts to insure that the provisions of this Section 7(e) and Section 4(b) hereof are complied with, but shall have no liability to any holder of Rights Certificates or other Person as a result of its failure to make any determinations with respect to an Acquiring Person or any of its Affiliates, Associates or transferees hereunder.

(f)Notwithstanding anything in this Agreement to the contrary, neither the Rights Agent nor the Company shall be obligated to undertake any action with respect to a registered holder upon the occurrence of any purported exercise as set forth in this Section 7 unless such registered holder shall have (i) properly completed and signed the certificate contained in the form of election to purchase set forth on the reverse side of the Rights Certificate surrendered for such exercise, and (ii) provided such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company shall reasonably request.

Section 8.Cancellation and Destruction of Rights Certificates. All Rights Certificates surrendered for the purpose of exercise, transfer, split up, combination or exchange shall, if surrendered to the Company or any of its agents, be delivered to the Rights Agent for cancellation or in canceled form, or, if surrendered to the Rights Agent, shall be canceled by it, and no Rights Certificates shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Agreement. The Company shall deliver to the Rights Agent for cancellation and retirement, and the Rights Agent shall so cancel and retire, any other Rights Certificate purchased or acquired by the Company otherwise than upon the exercise thereof. The Rights Agent shall deliver all canceled Rights Certificates to the Company, or shall, at the written request of the Company, destroy such canceled Rights Certificates, and in such case shall deliver a certificate of destruction thereof to the Company.

Section 9.Reservation and Availability of Capital Stock.

(a)The Company covenants and agrees that it will cause to be reserved and kept available out of its authorized and unissued shares of Preferred Stock (and, following the occurrence of a Triggering Event, out of its authorized and unissued shares of Common Stock and/or other securities or out of its authorized and issued shares held in its treasury), the number of shares of Preferred Stock (and, following the occurrence of a Triggering Event, Common Stock and/or other securities) that, as provided in this Agreement, including Section 11(a)(iii) hereof, will be sufficient to permit the exercise in full of all outstanding Rights.

(b)So long as the shares of Preferred Stock (and, following the occurrence of a Triggering Event, Common Stock and/or other securities) issuable and deliverable upon the exercise of the Rights may be listed on any national securities exchange, the Company shall use its best efforts to cause, from and after such time as the Rights become exercisable, all shares reserved for such issuance to be listed on such exchange upon official notice of issuance upon such exercise.

(c)The Company shall use its best efforts to (i) file, as soon as practicable following the earliest date after the first occurrence of a Section 11(a)(ii) Event on which the consideration to be delivered by the Company upon exercise of the Rights has been determined in accordance with Section 11(a)(iii) hereof, a registration statement under the Securities Act of 1933 (the "Act") with respect to the securities purchasable upon exercise of the Rights on an appropriate form, (ii) cause such registration statement to become effective as soon as practicable after such filing, and

(iii) cause such registration statement to remain effective (with a prospectus at all times meeting the requirements of the Act) until the earlier of (A) the date as of which the Rights are no longer exercisable for such securities, and (B) the date of the expiration of the Rights. The Company will also take such action as may be appropriate under, or to ensure compliance with, the securities or “blue sky” laws of the various states in connection with the exercisability of the Rights. The Company may temporarily suspend, for a period of time not to exceed ninety (90) days after the date set forth in clause (i) of the first sentence of this Section 9(c), the exercisability of the Rights in order to prepare and file such registration statement and permit it to become effective. Upon any such suspension, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement at such time as the suspension has been rescinded. In addition, if the

Table of Contents

Company shall determine that a registration statement is required following the Distribution Date, the Company may temporarily suspend the exercisability of the Rights until such time as a registration statement has been declared effective. Notwithstanding any provision of this Agreement to the contrary, the Rights shall not be exercisable in any jurisdiction if the requisite qualification in such jurisdiction shall not have been obtained, the exercise thereof shall not be permitted under applicable law or a registration statement shall not have been declared effective.

(d)The Company covenants and agrees that it will take all such action as may be necessary to ensure that all one one-thousandths of a share of Preferred Stock (and, following the occurrence of a Triggering Event, Common Stock and/or other securities) delivered upon exercise of Rights shall, at the time of delivery of the certificates for such shares (or Units) (subject to payment of the Purchase Price), be duly and validly authorized and issued and fully paid and nonassessable.

(e)The Company further covenants and agrees that it will pay when due and payable any and all federal and state transfer taxes and charges which may be payable in respect of the issuance or delivery of the Rights Certificates and of any certificates for a number of one one-thousandths of a share of Preferred Stock (or Common Stock and/or other securities, as the case may be) upon the exercise of Rights. The Company shall not, however, be required to pay any transfer tax which may be payable in respect of any transfer or delivery of Rights Certificates to a Person other than, or the issuance or delivery of a number of one one-thousandths of a share of Preferred Stock (or Common Stock and/or other securities, as the case may be) in respect of a name other than that of, the registered holder of the Rights Certificates evidencing Rights surrendered for exercise or to issue or deliver any certificates for a number of one one-thousandths of a share of Preferred Stock (or Common Stock and/or other securities, as the case may be) in a name other than that of the registered holder upon the exercise of any Rights until such tax shall have been paid (any such tax being payable by the holder of such Rights Certificate at the time of surrender) or until it has been established to the Company's satisfaction that no such tax is due.

Section 10. Preferred Stock Record Date. Each Person in whose name any certificate for a number of one one-thousandths of a share of Preferred Stock (or Common Stock and/or other securities, as the case may be) is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of such fractional shares of Preferred Stock (or Common Stock and/or other securities, as the case may be) represented thereby on, and such certificate shall be dated, the date upon which the Rights Certificate evidencing such Rights was duly surrendered and payment of the Purchase Price (and all applicable transfer taxes) was made; provided, however, that if the date of such surrender and payment is a date upon which the Preferred Stock (or Common Stock and/or other securities, as the case may be) transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares (fractional or otherwise) on, and such certificate shall be dated, the next succeeding Business Day on which the Preferred Stock (or Common Stock and/or other securities, as the case may be) transfer books of the Company are open. Prior to the exercise of the Rights evidenced thereby, the holder of a Rights Certificate shall not be entitled to any rights of a stockholder of the Company with respect to shares for which the Rights shall be exercisable, including, without limitation, the right to vote, to receive dividends or other distributions or to exercise any preemptive rights, and shall not be entitled to receive any notice of any proceedings of the Company, except as provided herein.

Section 11. Adjustment of Purchase Price, Number and Kind of Shares or Number of Rights. The Purchase Price, the number and kind of shares covered by each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 11.

(a)(i) In the event the Company shall at any time after the date of this Agreement (A) declare a dividend on the Preferred Stock payable in shares of Preferred Stock, (B) subdivide the outstanding Preferred Stock, (C) combine the outstanding Preferred Stock into a smaller number of shares, or (D) issue any shares of its capital stock in a reclassification of the Preferred Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), except as otherwise provided in this Section 11(a) and Section 7(e) hereof, the Purchase Price in effect at the time of the record date for such dividend or of the effective date of such subdivision, combination or reclassification, and the number and kind of shares of Preferred Stock or capital stock, as the case may be, issuable on such date, shall be proportionately adjusted so that the holder of

any Right exercised after such time shall be entitled to receive, upon payment of the Purchase Price then in effect, the aggregate number and kind of shares of Preferred Stock or capital stock, as the case may be, which, if such Right had been exercised immediately prior to such date and at a time when the Preferred Stock transfer books of the Company were open, such holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification; provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of Preferred Stock or capital stock, as the case may be, issuable upon exercise of one Right. If an event occurs which would require an adjustment under both this Section 11(a)(i) and Section 11(a)(ii) hereof, the

Table of Contents

adjustment provided for in this Section 11(a)(i) shall be in addition to, and shall be made prior to, any adjustment required pursuant to Section 11(a)(ii) hereof.

(ii) In the event any Person shall become an Acquiring Person, then, promptly following the occurrence of such event, proper provision shall be made so that each holder of a Right (except as provided below and in Section 7(e) hereof) shall thereafter have the right to receive, upon exercise thereof at the then current Purchase Price in accordance with the terms of this Agreement, in lieu of a number of one one-thousandths of a share of Preferred Stock, such number of shares of Common Stock of the Company as shall equal the result obtained by (x) multiplying the then current Purchase Price by the then number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to the first occurrence of a Section 11(a)(ii) Event, and (y) dividing that product (which, following such first occurrence, shall thereafter be referred to as the “Purchase Price” for each Right and for all purposes of this Agreement) by 50% of the Current Market Price (determined pursuant to Section 11(d) hereof) per share of Common Stock on the date of such first occurrence (such number of shares, the “Adjustment Shares”).

(iii) In the event that the number of shares of Common Stock which are authorized by the Company’s Certificate of Incorporation but not outstanding, subscribed for or reserved for issuance for purposes other than upon exercise of the Rights are not sufficient to permit the exercise in full of the Rights in accordance with the foregoing subparagraph (ii) of this Section 11(a), the Company shall (A) determine the value of the Adjustment Shares issuable upon the exercise of a Right (the “Current Value”), and (B) with respect to each Right (subject to Section 7(e) hereof), make adequate provision to substitute for the Adjustment Shares, upon the exercise of a Right and payment of the applicable Purchase Price, (1) cash, (2) a reduction in the Purchase Price, (3) Common Stock or other equity securities of the Company (including, without limitation, shares, or units of shares, of preferred stock, such as the Preferred Stock, which the Board of Directors of the Company has deemed to have essentially the same value or economic rights as shares of Common Stock (such shares of preferred stock being referred to as “Common Stock Equivalents”), (4) debt securities of the Company, (5) other assets, or (6) any combination of the foregoing, having an aggregate value equal to the Current Value (less the amount of any reduction in the Purchase Price), where such aggregate value has been determined by the Board based upon the advice of a nationally recognized investment banking firm selected by the Board; provided, however, that if the Company shall not have made adequate provision to deliver value pursuant to clause (B) above within thirty (30) days following the later of (x) the first occurrence of a Section 11(a)(ii) Event and (y) the date on which the Company’s right of redemption pursuant to Section 23(a) expires (the later of (x) and (y) being referred to herein as the “Section 11(a)(ii) Trigger Date”), then the Company shall be obligated to deliver, upon the surrender for exercise of a Right and without requiring payment of the Purchase Price, shares of Common Stock (to the extent available) and then, if necessary, cash, which shares and/or cash have an aggregate value equal to the Spread. For purposes of the preceding sentence, the term “Spread” shall mean the excess of (i) the Current Value over (ii) the Purchase Price. If the Board of Directors of the Company determines in good faith that it is likely that sufficient additional shares of Common Stock could be authorized for issuance upon exercise in full of the Rights, the thirty (30) day period set forth above may be extended to the extent necessary, but not more than ninety (90) days after the Section 11(a)(ii) Trigger Date, in order that the Company may seek stockholder approval for the authorization of such additional shares (such thirty (30) day period, as it may be extended, is herein called the “Substitution Period”). To the extent that the Company determines that action should be taken pursuant to the first and/or third sentences of this Section 11(a)(iii), the Company (1) shall provide, subject to Section 7(e) hereof, that such action shall apply uniformly to all outstanding Rights, and (2) may suspend the exercisability of the Rights until the expiration of the Substitution Period in order to seek such stockholder approval for such authorization of additional shares and/or to decide the appropriate form of distribution to be made pursuant to such first sentence and to determine the value thereof. In the event of any such suspension, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement at such time as the suspension is no longer in effect. For purposes of this Section 11(a)(iii), the value of each Adjustment Share shall be the Current Market Price per share of the Common Stock on the Section 11(a)(ii) Trigger Date and the per share or per unit value of any Common Stock Equivalent shall be deemed to equal the Current Market Price per share of the Common Stock on such date.

(b) In case the Company shall fix a record date for the issuance of rights, options or warrants to all holders of Preferred Stock entitling them to subscribe for or purchase (for a period expiring within forty-five (45) calendar days after such record date) Preferred Stock (or shares having the same rights, privileges and preferences as the shares of Preferred Stock (“Equivalent Preferred Stock”)) or securities convertible into Preferred Stock or Equivalent Preferred Stock at a price per

10

share of Preferred Stock or per share of Equivalent Preferred Stock (or having a conversion price per share, if a security convertible into Preferred Stock or Equivalent Preferred Stock) less than the Current Market Price (as determined pursuant to Section 11(d) hereof) per share of Preferred Stock on such record date, the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the number of shares of Preferred Stock outstanding on such record date, plus the number of shares of Preferred Stock which the aggregate offering price of the total number of shares of Preferred Stock and/or Equivalent Preferred Stock so to be offered (and/or the aggregate initial conversion price of the convertible securities so to be offered) would purchase at such Current Market Price, and the denominator of which shall be the number of shares of Preferred Stock outstanding on such record date, plus the number of additional shares of Preferred Stock and/or Equivalent Preferred Stock to be offered for subscription or purchase (or into which the convertible securities so to be offered are initially convertible); provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of Preferred Stock or capital stock, as the case may be, issuable upon exercise of one Right. In case such subscription price may be paid by delivery of consideration part or all of which may be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of the Rights. Shares of Preferred Stock owned by or held for the account of the Company shall not be deemed outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed, and in the event that such rights or warrants are not so issued, the Purchase Price shall be adjusted to be the Purchase Price which would then be in effect if such record date had not been fixed.

(c) In case the Company shall fix a record date for a distribution to all holders of Preferred Stock (including any such distribution made in connection with a consolidation or merger in which the Company is the continuing corporation) of cash (other than a regular quarterly cash dividend out of the earnings or retained earnings of the Company), assets (other than a dividend payable in Preferred Stock, but including any dividend payable in stock other than Preferred Stock) or evidences of indebtedness, or of subscription rights or warrants (excluding those referred to in Section 11(b) hereof), the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the Current Market Price (as determined pursuant to Section 11(d) hereof) per share of Preferred Stock on such record date, less the fair market value (as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent) of the portion of the cash, assets or evidences of indebtedness so to be distributed or of such subscription rights or warrants applicable to a share of Preferred Stock and the denominator of which shall be such Current Market Price (as determined pursuant to Section 11(d) hereof) per share of Preferred Stock; provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of Preferred Stock or capital stock, as the case may be, issuable upon exercise of one Right. Such adjustments shall be made successively whenever such a record date is fixed, and in the event that such distribution is not so made, the Purchase Price shall be adjusted to be the Purchase Price which would have been in effect if such record date had not been fixed.

(d)(i) For the purpose of any computation hereunder, other than computations made pursuant to Section 11(a)(iii) hereof, the Current Market Price per share of Common Stock on any date shall be deemed to be the average of the daily closing prices per share of such Common Stock for the thirty (30) consecutive Trading Days immediately prior to such date, and for purposes of computations made pursuant to Section 11(a)(iii) hereof, the Current Market Price per share of Common Stock on any date shall be deemed to be the average of the daily closing prices per share of such Common Stock for the ten (10) consecutive Trading Days immediately following such date; provided, however, that in the event that the Current Market Price per share of the Common Stock is determined during a period following the announcement by the issuer of such Common Stock of (A) a dividend or distribution on such Common Stock payable in shares of such Common Stock or securities convertible into shares of such Common Stock (other than the Rights), or (B) any subdivision, combination or reclassification of such Common Stock, and the ex-dividend date for such dividend or distribution, or the record date for such subdivision, combination or reclassification shall not have

occurred prior to the commencement of the requisite thirty (30) Trading Day or ten (10) Trading Day period, as set forth above, then, and in each such case, the Current Market Price shall be properly adjusted to take into account ex-dividend trading. The closing price for each day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the New York Stock Exchange or, if the shares of Common Stock are not listed or admitted to trading on the New York Stock Exchange, as reported in the principal consolidated transaction reporting system with respect to securities listed on the principal national securities exchange on which the shares of Common Stock are listed or admitted to trading or, if the shares of Common Stock are not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the

Table of Contents

average of the high bid and low asked prices in the over-the-counter market or such other system then in use, or, if on any such date the shares of Common Stock are not so quoted, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Common Stock selected by the Board of Directors of the Company. If on any such date no market maker is making a market in the Common Stock, the fair value of such shares on such date as determined in good faith by the Board shall be used. The term "Trading Day" shall mean a day on which the principal national securities exchange on which the shares of Common Stock are listed or admitted to trading is open for the transaction of business or, if the shares of Common Stock are not listed or admitted to trading on any national securities exchange, a Business Day. If the Common Stock is not publicly held or not so listed or traded, Current Market Price per share shall mean the fair value per share as determined in good faith by the Board, whose determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes.

(ii) For the purpose of any computation hereunder, the Current Market Price per share of Preferred Stock shall be determined in the same manner as set forth above for the Common Stock in clause (i) of this Section 11(d) (other than the last sentence thereof). If the Current Market Price per share of Preferred Stock cannot be determined in the manner provided above or if the Preferred Stock is not publicly held or listed or traded in a manner described in clause (i) of this Section 11(d), the Current Market Price per share of Preferred Stock shall be conclusively deemed to be an amount equal to 1,000 (as such number may be appropriately adjusted for such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock occurring after the date of this Agreement) multiplied by the Current Market Price per share of the Common Stock. If neither the Common Stock nor the Preferred Stock is publicly held or so listed or traded, Current Market Price per share of the Preferred Stock shall mean the fair value per share as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes. For all purposes of this Agreement, the Current Market Price of a Unit shall be equal to the Current Market Price of one share of Preferred Stock divided by 1,000.

(e) Anything herein to the contrary notwithstanding, no adjustment in the Purchase Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Purchase Price; provided, however, that any adjustments which by reason of this Section 11(e) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 11 shall be made to the nearest cent or to the nearest one-thousandth of a share of Common Stock or other share of capital stock or one-ten millionth of a share of Preferred Stock, as the case may be. Notwithstanding the first sentence of this Section 11(e), any adjustment required by this Section 11 shall be made no later than the earlier of (i) three (3) years from the date of the transaction which mandates such adjustment, or (ii) the Expiration Date.

(f) If as a result of an adjustment made pursuant to Section 11(a)(ii) or Section 13(a) hereof, the holder of any Right thereafter exercised shall become entitled to receive any shares of capital stock other than Preferred Stock, thereafter the number of such other shares so receivable upon exercise of any Right and the Purchase Price thereof shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Preferred Stock contained in Sections 11(a), (b), (c), (e), (g), (h), (i), (j), (k) and (m), and the provisions of Sections 7, 9, 10, 13 and 14 hereof with respect to the Preferred Stock shall apply on like terms to any such other shares.

(g) All Rights originally issued by the Company subsequent to any adjustment made to the Purchase Price hereunder shall evidence the right to purchase, at the adjusted Purchase Price, the number of one one-thousandths of a share of Preferred Stock purchasable from time to time hereunder upon exercise of the Rights, all subject to further adjustment as provided herein.

(h) Unless the Company shall have exercised its election as provided in Section 11(i), upon each adjustment of the Purchase Price as a result of the calculations made in Sections 11(b) and (c), each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Purchase Price, that number of one one-thousandths of a share of Preferred Stock (calculated to the nearest one-ten millionth of a share of Preferred Stock) obtained by:

(i) multiplying (x) the number of one one-thousandths of a share covered by a Right immediately prior to this adjustment, by (y) the Purchase Price in effect immediately prior to such adjustment of the Purchase Price, and
(ii) dividing the product so obtained by the Purchase Price in effect immediately after such

adjustment of the Purchase Price.

(i) The Company may elect on or after the date of any adjustment of the Purchase Price to adjust the number of Rights, in lieu of any adjustment in the number of one one-thousandths of a share of Preferred Stock purchasable upon the exercise of a Right. Each of the Rights outstanding after the adjustment in the number of Rights shall be exercisable for the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest one one-thousandth) obtained by dividing the Purchase Price in effect immediately prior to adjustment of the Purchase Price by the Purchase Price in effect immediately after adjustment of the Purchase Price. The Company shall make a public announcement of its election to adjust the number of Rights, indicating the record date for the adjustment, and, if known at the time, the amount of the adjustment to be made. This record date may be the date on which the Purchase Price is adjusted or any day thereafter, but, if the Rights Certificates have been issued, shall be at least ten (10) days later than the date of the public announcement. If Rights Certificates have been issued, upon each adjustment of the number of Rights pursuant to this Section 11(i), the Company shall, as promptly as practicable, cause to be distributed to holders of record of Rights Certificates on such record date Rights Certificates evidencing, subject to Section 14 hereof, the additional Rights to which such holders shall be entitled as a result of such adjustment, or, at the option of the Company, shall cause to be distributed to such holders of record in substitution and replacement for the Rights Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, if required by the Company, new Rights Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Rights Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein (and may bear, at the option of the Company, the adjusted Purchase Price) and shall be registered in the names of the holders of record of Rights Certificates on the record date specified in the public announcement.

(j) Irrespective of any adjustment or change in the Purchase Price or the number of one one-thousandths of a share of Preferred Stock issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Purchase Price per one one-thousandth of a share and the number of one one-thousandths of a share which were expressed in the initial Rights Certificates issued hereunder.

(k) Before taking any action that would cause an adjustment reducing the Purchase Price below the then par value, if any, of the number of one one-thousandths of a share of Preferred Stock issuable upon exercise of the Rights, the Company shall take any corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and nonassessable such number of one one-thousandths of a share of Preferred Stock at such adjusted Purchase Price.

(l) In any case in which this Section 11 shall require that an adjustment in the Purchase Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of one one-thousandths of a share of Preferred Stock and other capital stock or securities of the Company, if any, issuable upon such exercise over and above the number of one one-thousandths of a share of Preferred Stock and other capital stock or securities of the Company, if any, issuable upon such exercise on the basis of the Purchase Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder a due bill or other appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or securities upon the occurrence of the event requiring such adjustment.

(m) Anything in this Section 11 to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Purchase Price, in addition to those adjustments expressly required by this Section 11, as and to the extent that in their good faith judgment the Board of Directors of the Company shall determine to be advisable in order that any (i) consolidation or subdivision of the Preferred Stock, (ii) issuance wholly for cash of any shares of Preferred Stock at less than the Current Market Price, (iii) issuance wholly for cash of shares of Preferred Stock or securities which by their terms are convertible into or exchangeable for shares of Preferred Stock, (iv) stock dividends or (v) issuance of rights, options or warrants referred to in this Section 11, hereafter made by the Company to holders of its Preferred Stock shall not be taxable to such stockholders.

(n)The Company covenants and agrees that it shall not, at any time after the Distribution Date, (i) consolidate with any other Person (other than a Subsidiary of the Company in a transaction which complies with Section 11(o) hereof), (ii) merge with or into any other Person (other than a Subsidiary of the Company in a transaction which complies with Section 11(o) hereof), or (iii) sell or transfer (or permit any Subsidiary to sell or transfer), in one transaction, or a series of

13

related transactions, assets, cash flow or earning power aggregating more than 50% of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to any other Person or Persons (other than the Company and/or any of its Subsidiaries in one or more transactions each of which complies with Section 11(o) hereof), if (x) at the time of or immediately after such consolidation, merger or sale there are any rights, warrants or other instruments or securities outstanding or agreements in effect which would substantially diminish or otherwise eliminate the benefits intended to be afforded by the Rights or (y) prior to, simultaneously with or immediately after such consolidation, merger or sale, the stockholders of the Person who constitutes, or would constitute, the “Principal Party” for purposes of Section 13(a) hereof shall have received a distribution of Rights previously owned by such Person or any of its Affiliates and Associates.

(o)The Company covenants and agrees that, after the Distribution Date, it will not, except as permitted by Section 23 or Section 26 hereof, take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

(p)Anything in this Agreement to the contrary notwithstanding, in the event that the Company shall at any time after the Rights Dividend Declaration Date and prior to the Distribution Date (i) declare a dividend on the outstanding shares of Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding shares of Common Stock, or (iii) combine or consolidate the outstanding shares of Common Stock into a smaller number of shares, the number of Rights associated with each share of Common Stock then outstanding, or issued or delivered thereafter but prior to the Distribution Date, shall be proportionately adjusted so that the number of Rights thereafter associated with each share of Common Stock following any such event shall equal the result obtained by multiplying the number of Rights associated with each share of Common Stock immediately prior to such event by a fraction the numerator which shall be the total number of shares of Common Stock outstanding immediately prior to the occurrence of the event and the denominator of which shall be the total number of shares of Common Stock outstanding immediately following the occurrence of such event.

Section 12.Certificate of Adjusted Purchase Price or Number of Shares. Whenever an adjustment is made as provided in Section 11 and Section 13 hereof, the Company shall (a) promptly prepare a certificate setting forth such adjustment and a brief statement of the facts accounting for such adjustment, (b) promptly file with the Rights Agent, and with each transfer agent for the Preferred Stock and the Common Stock, a copy of such certificate, and (c) mail a brief summary thereof to each holder of a Rights Certificate (or, if prior to the Distribution Date, to each holder of a certificate representing shares of Common Stock) in accordance with Section 25 hereof. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained.

Section 13.Consolidation, Merger or Sale or Transfer of Assets, Cash Flow or Earning Power.

(a)In the event that, following the Stock Acquisition Date, directly or indirectly, (x) the Company shall consolidate with, or merge with and into, any other Person (other than a Subsidiary of the Company in a transaction which complies with Section 11(o) hereof), and the Company shall not be the continuing or surviving corporation of such consolidation or merger, (y) any Person (other than a Subsidiary of the Company in a transaction which complies with Section 11(o) hereof) shall consolidate with, or merge with or into, the Company, and the Company shall be the continuing or surviving corporation of such consolidation or merger and, in connection with such consolidation or merger, all or part of the outstanding shares of Common Stock shall be changed into or exchanged for stock or other securities of any other Person or cash or any other property, or (z) the Company shall sell or otherwise transfer (or one or more of its Subsidiaries shall sell or otherwise transfer), in one transaction or a series of related transactions, assets, cash flow or earning power aggregating more than 50% of the assets, cash flow or earning power of the Company and its Subsidiaries (taken as a whole) to any Person or Persons (other than the Company or any Subsidiary of the Company in one or more transactions each of which complies with Section 11(o) hereof), then, and in each such case, proper provision shall be made so that: (i) each holder of a Right, except as provided in Section 7(e) hereof, shall thereafter have the right to receive, upon the exercise thereof at the then current Purchase Price in accordance with the terms of this Agreement and in lieu of shares of Preferred Stock, such number of validly authorized and issued, fully paid, non-assessable and freely tradeable shares of Common Stock of the Principal Party (as such term is hereinafter

defined), not subject to any liens, encumbrances, rights of first refusal or other adverse claims, as shall be equal to the result obtained by (1) multiplying the then current Purchase Price by the number of one one-thousandths of a share of Preferred Stock for which a Right is exercisable immediately prior to the first occurrence of a Section 13 Event (or, if a Section 11(a)(ii) Event has occurred prior to the first occurrence of a Section 13 Event, multiplying the number of such one one-thousandths of a share for which a Right was exercisable immediately prior to the first occurrence of a Section 11(a)(ii) Event by the Purchase Price in effect immediately prior to such first occurrence of a Section 11(a)(ii) Event), and (2) dividing that product (which, following the first occurrence of a Section 13 Event, shall be referred to as the "Purchase Price" for each Right and for all purposes of this Agreement) by 50% of the Current Market Price (determined pursuant to Section 11(d)(i) hereof) per share of the Common Stock of such Principal Party on the date of consummation of such Section 13 Event; (ii) such

Principal Party shall thereafter be liable for, and shall assume, by virtue of such Section 13 Event, all the obligations and duties of the Company pursuant to this Agreement; (iii) the term “Company” shall thereafter be deemed to refer to such Principal Party, it being specifically intended that the provisions of Section 11 hereof shall apply only to such Principal Party following the first occurrence of a Section 13 Event; (iv) such Principal Party shall take such steps (including, but not limited to, the reservation of a sufficient number of shares of its Common Stock) in connection with the consummation of any such transaction as may be necessary to assure that the provisions hereof shall thereafter be applicable, as nearly as reasonably may be, in relation to its shares of Common Stock thereafter deliverable upon the exercise of the Rights; and (v) the provisions of Section 11(a)(ii) hereof shall be of no effect following the first occurrence of any Section 13 Event.

(b) “Principal Party” shall mean:

(i) in the case of any transaction described in clause (x) or (y) of the first sentence of Section 13(a), the Person that is the issuer of any securities into which shares of Common Stock of the Company are converted in such merger or consolidation, and if no securities are so issued, the Person that is the other party to such merger or consolidation; and (ii) in the case of any transaction described in clause (z) of the first sentence of Section 13(a), the Person that is the party receiving the greatest portion of the assets, cash flow or earning power transferred pursuant to such transaction or transactions; provided, however, that in any such case, (1) if the Common Stock of such Person is not at such time and has not been continuously over the preceding twelve-month period registered under Section 12 of the Exchange Act, and such Person is a direct or indirect Subsidiary of another Person the Common Stock of which is and has been so registered, “Principal Party” shall refer to such other Person; and (2) in case such Person is a Subsidiary, directly or indirectly, of more than one Person, the Common Stocks of two or more of which are and have been so registered, “Principal Party” shall refer to whichever of such Persons is the issuer of the Common Stock having the greatest aggregate market value.

(c) The Company shall not consummate any such consolidation, merger, sale or transfer unless the Principal Party shall have a sufficient number of authorized shares of its Common Stock which have not been issued or reserved for issuance to permit the exercise in full of the Rights in accordance with this Section 13 and unless prior thereto the Company and such Principal Party shall have executed and delivered to the Rights Agent a supplemental agreement providing for the terms set forth in paragraphs (a) and (b) of this Section 13 and further providing that, as soon as practicable after the date of any consolidation, merger or sale of assets mentioned in paragraph (a) of this Section 13, the Principal Party will:

(i) prepare and file a registration statement under the Act, with respect to the Rights and the securities purchasable upon exercise of the Rights on an appropriate form, and will use its best efforts to cause such registration statement (A) to become effective as soon as practicable after such filing and (B) to remain effective (with a prospectus at all times meeting the requirements of the Act) until the Expiration Date; and (ii) take all such other action as may be necessary to enable the Principal Party to issue the securities purchasable upon exercise of the Rights, including but not limited to the registration or qualification of such securities under all requisite securities laws of jurisdictions of the various states and the listing of such securities on such exchanges and trading markets as may be necessary or appropriate; and (iii) deliver to holders of the Rights historical financial statements for the Principal Party and each of its Affiliates which comply in all respects with the requirements for registration on Form 10 under the Exchange Act.

The provisions of this Section 13 shall similarly apply to successive mergers or consolidations or sales or other transfers. In the event that a Section 13 Event shall occur at any time after the occurrence of a Section 11(a)(ii) Event, the Rights which have not theretofore been exercised shall thereafter become exercisable in the manner described in Section 13(a).

Section 14. Fractional Rights and Fractional Shares.

(a) The Company shall not be required to issue fractions of Rights, except prior to the Distribution Date as provided in Section 11(p) hereof, or to distribute Rights Certificates which evidence fractional Rights. In lieu of such fractional Rights, there shall be paid to the registered holders of the Rights Certificates with regard to which such fractional Rights would otherwise be issuable, an amount in cash equal to the same fraction of the current market value of a

whole Right. For purposes of this Section 14(a), the current market value of a whole Right shall be the closing price of the Rights for the

Trading Day immediately prior to the date on which such fractional Rights would have been otherwise issuable. The closing price of the Rights for any day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the New York Stock Exchange or, if the Rights are not listed or admitted to trading on the New York Stock Exchange, as reported in the principal consolidated transaction reporting system with respect to securities listed on the principal national securities exchange on which the Rights are listed or admitted to trading, or if the Rights are not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market or such system then in use or, if on any such date the Rights are not so quoted, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Rights selected by the Board of Directors of the Company. If on any such date no such market maker is making a market in the Rights the fair value of the Rights on such date as determined in good faith by the Board of Directors of the Company shall be used.

(b)The Company shall not be required to issue fractions of shares of Preferred Stock (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock) upon exercise of the Rights or to distribute certificates which evidence fractional shares of Preferred Stock (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock). In lieu of fractional shares of Preferred Stock that are not integral multiples of one one-thousandth of a share of Preferred Stock, the Company may pay to the registered holders of Rights Certificates at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market value of one one-thousandth of a share of Preferred Stock. For purposes of this Section 14(b), the current market value of one one-thousandth of a share of Preferred Stock shall be one one-thousandth of the closing price of a share of Preferred Stock (as determined pursuant to Section 11(d)(ii) hereof) for the Trading Day immediately prior to the date of such exercise.

(c)Following the occurrence of a Triggering Event, the Company shall not be required to issue fractions of shares of Common Stock upon exercise of the Rights or to distribute certificates which evidence fractional shares of Common Stock. In lieu of fractional shares of Common Stock, the Company may pay to the registered holders of Rights Certificates at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market value of one (1) share of Common Stock. For purposes of this Section 14(c), the current market value of one (1) share of Common Stock shall be the closing price of one (1) share of Common Stock (as determined pursuant to Section 11(d)(i) hereof) for the Trading Day immediately prior to the date of such exercise.

(d)The holder of a Right by the acceptance of the Rights expressly waives his or her right to receive any fractional Rights or any fractional shares upon exercise of a Right, except as permitted by this Section 14.

Section 15. Rights of Action. All rights of action in respect of this Agreement, except the rights of action that are given to the Rights Agent under Section 18 hereof, are vested in the respective registered holders of the Rights Certificates (and, prior to the Distribution Date, the registered holders of the Common Stock); and any registered holder of any Rights Certificate (or, prior to the Distribution Date, of the Common Stock), without the consent of the Rights Agent or of the holder of any other Rights Certificate (or, prior to the Distribution Date, of the Common Stock), may, in such holder's own behalf and for such holder's own benefit, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce, or otherwise act in respect of, such holder's right to exercise the Rights evidenced by such Rights Certificate in the manner provided in such Rights Certificate and in this Agreement.

Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and shall be entitled to specific performance of the obligations hereunder and injunctive relief against actual or threatened violations of the obligations hereunder of any Person subject to this Agreement.

Section 16. Agreement of Rights Holders. Every holder of a Right by accepting the same consents and agrees with the Company and the Rights Agent and with every other holder of a Right that:

(a)prior to the Distribution Date, the Rights will be transferable only in connection with the transfer of Common Stock;

(b)after the Distribution Date, the Rights Certificates are transferable only on the registry books of the Rights Agent if surrendered at the principal office or offices of the Rights Agent designated for such purposes, duly endorsed or accompanied by a proper instrument of transfer and with the appropriate forms and certificates fully executed;

(c)subject to Section 6(a) and Section 7(f) hereof, the Company and the Rights Agent may deem and treat the Person in whose name a Rights Certificate (or, prior to the Distribution Date, the associated Common Stock certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or

writing on the Rights Certificates or the associated Common Stock certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent, subject to the last sentence of Section 7(e) hereof, shall be required to be affected by any notice to the contrary; and (d) notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation; provided, however, the Company must use its best efforts to have any such order, decree or ruling lifted or otherwise overturned as soon as possible.

Section 17. Rights Certificate Holder Not Deemed a Stockholder. No holder, as such, of any Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose the holder of the number of one one-thousandths of a share of Preferred Stock or any other securities of the Company which may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed to confer upon the holder of any Rights Certificate, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting stockholders (except as provided in Section 24 hereof), or to receive dividends or subscription rights, or otherwise, until the Right or Rights evidenced by such Rights Certificate shall have been exercised in accordance with the provisions hereof.

Section 18. Concerning the Rights Agent.

(a) The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and disbursements and other disbursements incurred in the administration and execution of this Agreement and the exercise and performance of its duties hereunder. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, or expense, incurred without negligence, bad faith or willful misconduct on the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending against any claim of liability in the premises. In no case shall the Rights Agent be liable for special, indirect, incidental or consequential loss or damage.

(b) The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any Rights Certificate or certificate for Common Stock or for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.

Section 19. Merger or Consolidation or Change of Name of Rights Agent.

(a) Any corporation into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any corporation succeeding to the corporate trust, stock transfer or other shareholder services business of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; but only if such corporation would be eligible for appointment as a successor Rights Agent under the provisions of Section 21 hereof. In case at the time such successor Rights Agent shall succeed to the agency created by this Agreement, any of the Rights Certificates shall have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of a predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, any successor Rights Agent may countersign such Rights Certificates either in the name of the predecessor or in the name of the successor Rights Agent; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

(b) In case at any time the name of the Rights Agent shall be changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

(a) The Rights Agent may consult with legal counsel (who may be legal counsel for the Company), and the advice of such counsel shall be full and complete authorization and protection to the Rights Agent as to any action taken or omitted by it in good faith and in accordance with such opinion.

(b) Whenever in the performance of its duties under this Agreement the Rights Agent shall deem it necessary or desirable that any fact or matter (including, without limitation, the identity of any Acquiring Person and the determination of Current Market Price) be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by the Chairman of the Board, the Chief Executive Officer, the President, any Executive Vice President or any Senior Vice President of the Company and delivered to the Rights Agent; and such certificate shall be full authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate.

(c) The Rights Agent shall be liable hereunder only for its own negligence, bad faith or willful misconduct.

(d) The Rights Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the Rights Certificates or be required to verify the same (except as to its countersignature on such Rights Certificates), but all such statements and recitals are and shall be deemed to have been made by the Company only.

(e) The Rights Agent shall not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due execution hereof by the Rights Agent) or in respect of the validity or execution of any Rights Certificate (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor shall it be responsible for any adjustment required under the provisions of Section 11 or Section 13 hereof or responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights evidenced by Rights Certificates after actual notice of any such adjustment); nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Common Stock or Preferred Stock to be issued pursuant to this Agreement or any Rights Certificate or as to whether any shares of Common Stock or Preferred Stock will, when so issued, be validly authorized and issued, fully paid and nonassessable.

(f) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement.

(i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent shall not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct; provided, however, reasonable care was exercised in the selection and continued employment thereof.
