PROXY STATEMENT

Introduction

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “Board”) of SL Industries, Inc., a Delaware corporation (the “Company”) of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of the Company to be held on May 28, 2015, and any adjournment or postponement thereof (the “Meeting”). This Proxy Statement, the accompanying form of proxy, and the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the “2014 Annual Report”) (without exhibits), are being mailed to stockholders on or about April 24, 2015. The shares represented by the proxies received pursuant to the solicitation made hereby and not revoked will be voted at the Meeting.

Meeting of Stockholders

The Meeting will be held at the Shade Hotel, 1221 N. Valley Drive, Manhattan Beach, CA 90266 on May 28, 2015, at 11:00 A.M., Pacific Time.

Record Date and Voting

The Board has fixed the close of business on April 10, 2015, as the record date (the “Record Date”) for the determination of holders of outstanding shares of the Company entitled to notice of and to vote on all matters presented at the Meeting. Such stockholders will be entitled to one vote for each share held on each matter submitted to a vote at the Meeting. You may vote in person at the Meeting or by proxy. You also have the option of voting your proxy via the Internet at www.proxyvote.com or by calling toll free via a touch-tone phone at 1-800-690-6903. Proxies submitted by telephone or over the Internet must be received by 11:59 p.m. Eastern Time on May 27, 2015. If you vote via the Internet, you will need to follow the instructions on your proxy card and the website. If you vote by telephone, you will need to follow the instructions on your proxy card and the recorded telephone instructions. You may incur telephone and Internet access charges when you vote by telephone or via the Internet. On the Record Date, there were approximately 4,061,222 shares of the Company’s common stock, \$0.20 par value per share (the “Common Stock”), issued and outstanding, each of which is entitled to one vote on each matter to be voted upon.

Purposes of the Meeting

The purposes of the Meeting are to vote upon:

- (1) the election of five (5) directors to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified (Proposal 1);
- (2) a non-binding advisory resolution to approve the compensation of the Company’s named executive officers (Proposal 2);

(3) the ratification of Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 (Proposal 3); and

1

(4) such other business as may properly come before the Meeting.

Quorum and Required Vote

Under the By-Laws of the Company, the presence of a quorum is required for each matter to be acted upon at the Meeting. The presence, either in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum for the purpose of acting on the matters referred to in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement and any other proposals that may properly come before the Meeting. Broker non-votes and abstentions will be counted for the purpose of determining whether a quorum is present at the Meeting. Broker non-votes occur when a broker returns a proxy but does not have the authority to vote on particular proposals.

The director nominees receiving a plurality of the votes cast during the Meeting will be elected to fill the seats of the Board (Proposal 1). You may withhold votes from any or all nominees. Abstentions will not affect the outcome of the vote on Proposal 1.

The non-binding advisory resolution approving the compensation of the Company's named executive officers (Proposal 2), requires the affirmative ("FOR") vote of the majority of the votes cast, provided that the affirmative votes cast must represent a majority of the shares present in person or represented by proxy at the Meeting and entitled to vote. Abstentions will have the same effect as a vote "AGAINST" the proposal.

To ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal 2015 (Proposal 3), requires the affirmative ("FOR") vote of the majority of the votes cast, provided that the affirmative votes cast must represent a majority of the shares present in person or represented by proxy at the Meeting and entitled to vote. Abstentions will have the same effect as a vote "AGAINST" the proposal.

Please note that the rules that determine how your broker can vote your shares have changed. Brokers may no longer vote your shares on the election of directors in the absence of your specific instructions as to how to vote. You must provide your broker with voting instructions so that your vote will be counted.

Brokers that do not receive instructions from the beneficial owners of shares of Common Stock being voted are not entitled to vote on any proposal at the Meeting other than to ratify the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm (Proposal 3). Broker non-votes will have no effect on the outcome of the election of directors (Proposal 1), or approval of the non-binding advisory resolution to approve the compensation of the Company's named executive officers (Proposal 2).

Proxies

The Board requests your proxy. Giving the Board your proxy means you authorize it to vote your shares at the Meeting in the manner you direct. You may vote "FOR" all, some or none of the director nominees. You may also vote "FOR" or "AGAINST" the other proposals or "ABSTAIN" from voting.

A form of proxy is enclosed that designates persons named therein as proxies to vote shares at the Meeting. Each proxy in that form that is properly signed and received prior to the Meeting will be voted as specified in the proxy or, if not specified, they will be voted in accordance with the Board's recommendations.

The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxy holders with respect to amendments or variations to the matters identified in the accompanying Notice of Annual Meeting of Stockholders and with respect to any other matters which may properly come before the Meeting. As of the date of this Proxy Statement, management of the Company knows of no such amendment or variation or of any matters expected to come before the Meeting which are not referred to in the accompanying Notice of Annual Meeting of Stockholders.

A stockholder who has given a proxy may revoke it by voting in person at the Meeting, by giving written notice of revocation to the Secretary of the Company or by giving a later dated proxy at any time before voting.

Only holders of Common Stock, their proxy holders, and the Company's invited guests may attend the Meeting. If you wish to attend the Meeting in person but you hold your shares through someone else, such as a broker, you must bring proof of your ownership and identification with a photo at the Meeting. For example, you could bring an account statement showing that you beneficially owned shares of the Common Stock as of April 10, 2015 as acceptable proof of ownership.

Costs of Solicitation

The Company will bear the cost of printing and mailing proxy materials, including the reasonable expenses of brokerage firms and others for forwarding the proxy materials to beneficial owners of Common Stock. In addition to solicitation by mail, solicitation may be made by certain directors, officers and employees of the Company, or firms specializing in solicitation, and may be made in person or by telephone or email. No additional compensation will be paid to any director, officer or employee of the Company for such solicitation. The Company has retained MacKenzie Partners, Inc. to assist the Company in the solicitation of proxies for a fee of \$9,000 plus expenses.

Certain Financial Information

Please take note that the Company's 2014 Annual Report is available on the Internet along with the Notice of Annual Meeting and this Proxy Statement at: www.proxyvote.com.

Business Background

The following is a summary of the business experience of each of the persons named above and the primary aspects of their experience, qualifications, attributes or skills that led to the conclusion that each individual is qualified to serve on the Board:

As a result of these and other professional experiences, the Company has concluded Mr. Gray is qualified to serve as a director based on his positions of leadership in other public and private companies.

Glen M. Kassan, age 71, was elected as Chairman of the Board on May 14, 2008 and was Vice Chairman of the Board from August 2005 until May 2008. From February 2002 until August 2005, Mr. Lichtenstein served as CEO of the Company. Director Compensation

Director compensation is more fully described below in the “Director Compensation Table” located in the “Executive Compensation” portion of this Proxy Statement.

Board Committees and Meetings

The Board met on 7 occasions and acted by written consent on 4 occasions during the year ended December 31, 2014. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board; and (ii) the total number of meetings held by all committees of the Board on which he served. There are three principal committees of the Board: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Each director is expected to make reasonable efforts to attend Board meetings, meetings of committees of which such director is a member and the Annual Meeting of Stockholders. Three directors attended the 2014 Annual Meeting of Stockholders. The number of Board and committee meetings attended by each director is set forth in footnote 2 to the “Director Compensation Table” located in the “Executive Compensation” portion of this Proxy Statement.

The Board has approximately four regularly scheduled meetings per year. In addition, special meetings of the Board are called from time to time as determined by the needs of the Company’s business. The Audit Committee holds meetings on at least a quarterly basis, the Compensation Committee and the Nominating and Corporate Governance Committee meet no less frequently than once a year, and the Independent Directors meet as often as necessary to fulfill their responsibilities, including meeting at least annually in executive session without the presence of non-independent directors and management.

Audit Committee

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee has adopted a written charter, which is available on the Investor Relations section of the Company’s website (www.slindustries.com) under the tab “Corporate Governance” (<http://sli.irpage.net/governance.php>). The adequacy of the charter has been reviewed and assessed by the Audit Committee on an annual basis. The members of the Audit Committee during 2014 were Avrum Gray, James A. Risher, and Mark E. Schwarz, each of whom is independent under the criteria for being “independent” set forth under Section 803A of the listing standards of the NYSE MKT. In addition, the Board has determined that Avrum Gray, the Chairman of the Audit Committee and a non-management director, is an audit committee financial expert serving on the Audit Committee. The primary purpose of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee the Company’s financial reporting activities. The Audit Committee annually selects independent public accountants to serve as auditors of the Company’s books, records and accounts. The Audit Committee reviews the scope of the audits performed by such auditors, the audit reports prepared by them and discusses with the auditors those matters required to be discussed by Auditing Standard No. 16. The Audit Committee also reviews and monitors the Company’s internal accounting procedures and discusses the Company’s Audited Financial Statements with management. A “Report of the Audit Committee” is included in this Proxy Statement. The Audit Committee met on 4 occasions during the fiscal year ended December 31, 2014.

Compensation Committee

The Compensation Committee reviews compensation arrangements and personnel matters. The Compensation Committee has adopted a written charter, which is available on the Investor Relations section of the Company’s website (www.slindustries.com) under the tab “Corporate Governance” (<http://sli.irpage.net/governance.php>). The

members of the Compensation Committee during 2014 were James A. Risher, Mark E. Schwarz and Avrum Gray. Each member of the Compensation Committee meets the criteria for being “independent” set forth under Section 803(A) of the listing standards of the NYSE MKT. The Compensation Committee met on 4 occasions and acted by written consent on 1 occasion during the fiscal year ended December 31, 2014.

Mr. Fejes, at the direction of the Compensation Committee, retained the Hay Group in 2011 to provide market compensation data and analysis for the directors and executive management of the Company and each of its subsidiaries. In preparing its report to the Compensation Committee, the Hay Group used market data from its Industrial Executive Compensation Report. The Industrial Executive Compensation Report is an annual survey of executive pay practices in the U.S Market and uses data from over 300 companies to provide information on a broad cross-section of industrial companies in the United States. The Hay Group was again retained in 2014 and 2015 to analyze the market competitiveness of two executive jobs at the Company and its subsidiaries, including the CEO position. In performing this analysis, the Hay Group used data from an industrial organization sample in Hay Group's 2013 and 2014 executive compensation survey. The Compensation Committee considers the Hay Group's reports and analysis in structuring its compensation policy for directors and executive officers.

The Hay Group has not provided any services to the Company other than its work for the Compensation Committee. The Compensation Committee has the authority to retain or terminate any consulting firm used to evaluate director, CEO or other executive compensation, and to determine and approve the terms of engagement the fees and costs for such engagements. The Compensation Committee has assessed the independence of the Hay Group pursuant to SEC rules and concluded that no conflict of interest exists that would prevent it from serving as an independent consultant to the Compensation Committee.

The Company provides its stockholders with the opportunity to cast an annual advisory vote on executive compensation ("say-on-pay proposal"). At the Company's annual meeting of stockholders held on May 12, 2014, our stockholders voted to approve fiscal year 2014 executive compensation with 3,260,763 votes for, 63,233 votes against, 6,200 abstaining, and 474,498 broker non-votes. The Compensation Committee evaluated these results and concluded that this vote reflects our stockholders' support of the Company's approach to executive compensation. Accordingly, in 2014, the Company did not change its approach to executive compensation or make any significant changes to its executive compensation program based on stockholder feedback. The Compensation Committee expects to continue to consider the outcome of the Company's say-on-pay votes and other stockholder discussions when making future compensation decisions for the Named Executive Officers. In alignment with our philosophy on stockholders say-on-pay, and with the results of the say-on-pay frequency vote held in May 12, 2014, the Company will continue to hold non-binding stockholder say-on-pay votes annually.

The Compensation Committee has the ultimate authority to determine compensation of the Company's executive officers, but may form and delegate authority to subcommittees when appropriate. The Compensation Committee reviews director compensation levels and practices, and recommends, from time to time, changes in such compensation levels and practices to the Board (including retainer, committee chairs' fees, stock options, restricted stock units, and other similar items, as appropriate). The Compensation Committee's procedures for considering and determining executive and director compensation are detailed in the "Executive Compensation" portion in this Proxy Statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee recommends criteria for service as a director, reviews candidates and recommends appropriate governance practices. The Nominating and Corporate Governance Committee has adopted a written charter, which is available on the Investor Relations section of the Company's website (www.slindustries.com) under the tab "Corporate Governance" (<http://sli.irpage.net/governance.php>). The members of the Nominating and Corporate Governance Committee during 2014 were Mark E. Schwarz and Avrum Gray. Each member of the Nominating and Corporate Governance Committee meets the criteria for being "independent" set forth under Section 803A of the listing standards of the NYSE MKT. The Nominating and Corporate Governance Committee met on 1 occasion during the fiscal year ended December 31, 2014.

The Nominating and Corporate Governance Committee considers and makes recommendations to the Board with respect to the size and composition of the Board and identifies potential candidates to serve as directors, to the extent there are vacancies on the Board. The Nominating and Corporate Governance Committee considers recommendations for director nominees from a wide variety of sources, including members of the Board, business contacts, community leaders, third-party advisory services and members of management. The Nominating and Corporate Governance Committee also considers stockholder recommendations for director nominees that are properly received in accordance with the Company's By-Laws, and applicable rules and regulations of the SEC. The Nominating and Corporate Governance Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources.

In considering Board candidates, members of the Nominating and Corporate Governance Committee take into consideration all factors that it deems appropriate, including, but not limited to, the individual's character, education, experience, knowledge and skills. The Nominating and Corporate Governance Committee will also consider the extent of the individual's experience in business, education or public service, his or her ability to bring a desired range of skills, diverse perspectives and experience to the Board and whether the individual possesses high ethical standards, a strong sense of professionalism and is capable of serving the interests of stockholders. In addition to reviewing a candidate's background and accomplishments, candidates for director nominees are reviewed in the context of the current composition of the Board and the evolving needs of the Company's businesses. It is the policy of the Board that at least a majority of its members meet the standards of independence promulgated by the NYSE MKT and the SEC. Additionally, the Nominating and Corporate Governance Committee will consider the number of boards on which the candidate already serves when assessing whether the candidate has the appropriate time to devote to service on the Board.

Stockholders wishing to bring a nomination for a director candidate prior to a stockholders meeting must give written notice to Louis J. Belardi, Secretary, SL Industries, Inc., 520 Fellowship Road, Suite A-114, Mount Laurel, New Jersey 08054, either by personal delivery or by United States mail, postage prepaid. The stockholder's notice must be received by the Secretary not later than the close of business on the 120th calendar day prior to the anniversary date on which notice of the prior year's annual meeting was first mailed to stockholders. If the Company did not hold an annual meeting the prior year, such nominations must be received by the Company a reasonable time before the Company begins to print and send its proxy materials, and in no event any later than the close of business on the 90th calendar day prior to the date of the annual meeting. Additional information regarding the eligibility of nominations to be included in a Company's Proxy Statement is provided herein under the heading "Stockholder Proposals". The stockholder's written notice to the Secretary shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, including such person's written consent to being named in the Proxy Statement as a nominee and to serving as a director if elected; and (ii) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, the name and address of such stockholder, as they appear on the Company's

books. With respect to such beneficial owner, the written notice should also set forth (i) the class and number of shares of the Common Stock that are owned beneficially and of record by such stockholder and such beneficial owner; and (ii) a representation that the stockholder is a holder of record of shares of the Common Stock and intends to appear in person or by proxy at the meeting to propose such business.

The Nominating and Corporate Governance Committee initially evaluates a prospective nominee on the basis of his or her résumé and other background information that has been made available to the Committee. A member of the Nominating and Corporate Governance Committee will contact for further review those candidates who the Committee believes are qualified, who may fulfill a specific Board need, and who would otherwise best make a contribution to the Board. If, after further discussions with the candidate, and other further review and consideration as necessary, the Nominating and Corporate Governance Committee believes that it has identified a qualified candidate, it will make a recommendation to the Board.

Except as set forth above, the Nominating and Corporate Governance Committee does not have a formal policy regarding the handling or consideration of director candidate recommendations received from a stockholder, or a formal process for identifying and evaluating nominees for directors (including nominees recommended by stockholders).

Board Leadership

The Company currently separates the roles of CEO and Chairman of the Board in recognition of the differences between the two roles. The CEO is responsible for setting the Company's strategic direction and the day-to-day leadership and performance of the Company, while the Chairman of the Board provides guidance to the CEO and presides over meetings of the full Board. The Company believes that this separation of duties allows the CEO and Chairman to most efficiently use their time and to most effectively fulfill their respective responsibilities, which are critical to the future success of the Company. While the Company's By-Laws and Corporate Governance Guidelines do not require that the CEO and Chairman positions be separate, the Board believes that having separate positions is the appropriate leadership structure for the Company at this time.

Risk Oversight

Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk management oversight role, the Board has the responsibility to satisfy itself that the risk management processes implemented by management are adequate and functioning as designed. As a critical part of this risk management oversight role, the Board encourages full and open communication between management and the Board. The Company's Chairman meets periodically with the CEO and President and other members of management to discuss strategy and risks facing the Company. Senior management attends Board meetings and is available to address any questions or concerns raised by the Board on risk management-related and other matters. The Board periodically receives presentations from senior management on strategic matters involving the Company's operations to enable it to understand the Company's risk identification, risk management and risk mitigation strategies.

The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in areas of financial risk, internal controls, and compliance with legal and regulatory requirements. The Compensation Committee assists the Board in overseeing risk management in the areas of compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board in overseeing risk management associated with the independence of the Board, Board organization, membership and structure and potential conflicts of interest.

Code of Conduct and Ethics

The Company has adopted a Code of Conduct and Ethics (the “Code of Ethics”) that applies to all of its directors, officers and employees. Performance-Based Incentives

2014 Bonus Plan

The 2014 Bonus Plan provides incentives to officers and members of management of the Company and its subsidiaries, including certain of the Company's executive officers, in the form of equity grants and cash bonus payments for achieving certain performance goals established for them. The Compensation Committee established

two components for the 2014 Bonus Plan. The first component of the 2014 Bonus Plan is a short-term incentive plan (the 2014 STIP) and the second component is a long-term incentive plan (the 2014 LTIP). The structure of the 2014 Bonus Plan was designed to provide short-term incentives to participants for achieving annual targets, while also motivating and rewarding eligible participants for achieving longer-term growth goals.

An employee must be employed on the date the Compensation Committee approves bonuses in order to be eligible to receive a payment under the short-term and long-term incentive plans, unless otherwise determined at the absolute discretion of the Compensation Committee. The payment of all cash bonuses and the vesting of equity grants under the 2014 Plan are subject to the final determination of the Committee prior to payment or vesting. As of December 31, 2014, the participants in the 2014 Bonus Plan who are NEOs were William T. Fejes, Jr., the Company's President and CEO, and Louis J. Belardi, the Company's CFO, Treasurer and Secretary. Under the 2014 Bonus Plan, Mr. Fejes may earn a maximum bonus of 150% of base salary and Mr. Belardi may earn a maximum bonus of 112.5% of base salary. The maximum payout (STIP + LTIP) in any year is limited to 7.5% of the Company's "PBEBITDA" (pre-bonus earnings from continuing operations before interest, taxes, depreciation, amortization and certain adjustments) from continuing operations (pre-bonus earnings from continuing operations before interest, taxes, depreciation and amortization).

a. 2014 Short-Term Incentive Plan Awards

The 2014 STIP component of the 2014 Bonus Plan consists of two components. The first component is based on the achievement of pre-determined individual objectives and the second component is a financial factor component common to all executives. The financial factor component is based on achieving target working capital turns (annual sales divided by working capital (defined as the averages of monthly accounts receivable plus net inventory less accounts payable)) (“WCT”) and a target PBEBITDA. Based on the determination of the objectives under the two components for each of the Company’s divisions and its corporate office, the maximum percentage of base salary that may be earned by the participants’ ranges from 22.50% to 67.50%. STIP bonuses that are earned will be paid in 2015. No STIP bonus will be paid if the WCT or PBEBITDA is below 80% of the WCT or PBEBITDA target or if the pre-determined individual objectives are not met. Under the 2014 STIP, Mr. Fejes received \$277,995 and Mr. Belardi received \$129,598, which amounts were paid on February 27, 2015. These payments are reflected in the non-equity incentive compensation column of the summary compensation table. For 2013, Mr. Fejes received \$203,121 and Mr. Belardi received \$95,793.

b. 2014 Long-Term Incentive Plan Awards

The Company maintains a long-term incentive plan based on the achievement of certain sales and return on invested capital (“ROIC”) targets by each of the Company’s divisions and the corporate office over the three fiscal years beginning in 2014. The sales and ROIC targets, also referred to as the Long Term Financial Factor (the “LTFF”), were established by the Board prior to the adoption of the 2014 Plan. An employee must be employed on the date the Compensation Committee approves bonuses for the last year of the three year period in order to be eligible to receive a payment under a long term incentive plan, unless otherwise determined at the absolute discretion of the Compensation Committee.

The 2014 LTIP component of the 2014 Bonus Plan is based on the achievement of the LTFF targets over the three-year period ending on December 31, 2016. Based on the determination of these objectives, the maximum percentage of base salary that may be earned by the participants ranges from 15.00% to 82.50%. For executive officers (including the NEOs) and division presidents, half of the 2014 LTIP bonuses earned will be paid in cash at the conclusion of the 2016 fiscal year and the other half of the 2014 LTIP bonuses are paid through the granting of RSUs that vest upon the satisfaction of specified performance targets, to be determined by March 15, 2017, based upon the Company’s audited financial statements for 2014 through 2016, subject to the conditions and requirements in the applicable RSU grant letter. Grants of the RSUs under the 2014 LTIP are made in 2014. For all other participants, all of the 2014 LTIP bonuses earned will be paid in cash at the conclusion of the 2016 fiscal year. No bonus will be paid under 2014 LTIP if either the ROIC or sales component of the LTFF is below 80% of the respective targets.

The 2014 LTIP runs concurrently with the 2013 LTIP and the 2012 LTIP. The 2014 LTIP, 2013 LTIP, and the 2012 LTIP cover the three-year periods ending on December 31, 2016, December 31, 2015 and December 31, 2014, respectively. Each long term incentive plan contains different targets.

Payments under each of the 2014 LTIP, 2013 LTIP and 2012 LTIP can only be deemed earned at the conclusion of the last fiscal year covered by such plans. Mr. Fejes and Mr. Belardi did not receive a bonus payment under the 2012 LTIP since the minimum financial factor component of the 2012 LTIP was not achieved.

Perquisites and All Other Compensation

The Company provides the opportunity for its NEOs and other executives to receive certain perquisites and general health and welfare benefits. For the year ended December 31, 2014, the Company provided the following personal benefits and perquisites to its NEOs: health and dental insurance, life and disability insurance, and a match under the Company's 401(k) plan. The Company's CFO also received car expense reimbursement.

Employment and Other Agreements

In connection with Mr. Fejes' appointment as the Company's President and CEO, the Company entered into an Employment Agreement with Mr. Fejes, effective June 29, 2010 (the "Fejes Employment Agreement") which provides for an initial term of one year subject to automatic one year renewals thereafter unless the agreement is terminated in accordance with its terms. Under the terms of the Fejes Employment Agreement, Mr. Fejes was entitled to receive an initial annual base salary of \$350,000 and was eligible for an annual bonus of up to 100% of his base salary, to be composed of a short term incentive portion and a long term incentive portion, at the sole discretion of the Board. As of December 31, 2014, Mr. Fejes' compensation included: an annual base salary of \$450,000 and eligibility for an annual bonus of up to 150% of his base salary, to be composed of a short term incentive portion and a long term incentive portion, at the sole discretion of the Board.

Mr. Fejes also received an option to purchase 100,000 shares of the Company's Common Stock at fair market value with three year vesting pursuant to the Company's 2008 Plan in 2010. Mr. Fejes is also eligible to participate in future grants pursuant to the 2008 Plan and other Company performance incentive plans extended to senior executives and the Company's medical and other employee benefit programs, if any, that are provided by the Company to its employees generally, as provided in the Fejes Employment Agreement. Upon Mr. Fejes' termination, under certain circumstances and conditions, he shall receive severance payments including up to one year base salary and unpaid bonus, as well as certain benefits described below under the heading "Potential Payments Upon Termination Or Change in Control."

Mr. Belardi is not party to a written employment agreement, but in connection with Mr. Belardi's appointment as the Company's CFO, the Compensation Committee of the Board approved the terms of Mr. Belardi's compensation. As of December 31, 2014, Mr. Belardi's compensation included: an annual base salary at \$267,000 and eligibility for an annual bonus of up to 112.5% of his base salary to be composed of a short term incentive portion and a long term incentive portion at the sole discretion of the Board. In 2010, Mr. Belardi received an option to purchase 25,000 shares of the Company's common stock granted at fair market value pursuant to the Company's 2008 Plan. The options vest over three years pursuant to an option grant letter agreement dated September 2, 2010, setting forth certain terms of the option grant.

The Company also provides the opportunity for Mr. Belardi to be protected under the terms of a change in control agreement, which is described below under the heading "Potential Payments Upon Termination Or Change in Control."

Potential Payments Upon Termination Or Change in Control

The Company provides the opportunity for Messrs. Fejes and Belardi to be protected under certain termination and/or change in control provisions. The Company provides these protections in order to attract and retain an appropriate caliber of talent for these positions. The Compensation Committee believes that the use of such protections are an

essential element of executive compensation and assist the Company in recruiting and retaining talented executives.

Under the terms of the Fejes Employment Agreement, if Mr. Fejes' employment is terminated, at his or the Company's election at any time due to his death or disability, due to the expiration or non-renewal of the Fejes Employment Agreement prior to his 65th birthday, or for reasons other than cause or voluntary resignation, Mr. Fejes is entitled to receive the certain accrued obligations (accrued vacation, expenses, etc.) and, provided he executes a general release, severance payments and benefits equal to: (i) one (1) year of his base salary; (ii) reimbursement for the premium associated with one (1) year continuation of health insurance coverage pursuant to COBRA, (iii) immediate vesting of any options that are scheduled to vest within one year of the date of termination of employment; (iv) unpaid bonuses with respect to the fiscal year ending on or preceding the date of termination, if any, provided Mr. Fejes is employed on December 31 of that year and the bonus plan is in full force and effect; and (v) unpaid bonus through the termination or resignation date, if any, or, if the full bonus has not been earned, a pro-rata portion of such bonus, pursuant to the terms of the Bonus Plan.

Under the terms of the Stock Option Agreement, dated March 27, 2014, between the Company and Mr. Fejes (the "2014 Fejes Option Agreement"), if upon a Change in Control (as defined in the 2008 Plan), the surviving or resulting corporation offers Mr. Fejes Equivalent Employment (as defined therein), then the unvested options granted under the 2014 Fejes Option Agreement will vest upon the earlier of one year following the Change in Control or according to the pre-Change in Control vesting schedule, provided that Mr. Fejes remains employed with the surviving or resulting corporation through the vesting date. If Mr. Fejes declines such offer of employment, or does not remain employed as required, then the vesting of the options will not be accelerated and all such options not so vested upon the termination of employment will terminate. If, however, Mr. Fejes is not offered Equivalent Employment with the surviving or resulting corporation then the vesting and exercisability of the outstanding options granted under 2014 Fejes Option Agreement will be accelerated. The Compensation Committee may also accelerate the vesting and exercisability of such outstanding options, in whole or in part, as determined by the Compensation Committee in its sole discretion.

If Mr. Fejes' employment was terminated as of December 31, 2014 and he was eligible to receive the severance payments, options (including under the 2014 Fejes Option Agreement) and benefits described above, such payments, options and benefits would equal approximately \$1,889,457. The value of stock options included in this amount has been calculated as the difference between the exercise price of the options and closing price of the Company's common stock on December 31, 2014, multiplied by the number of options vesting as a result of the above described termination.

On August 31, 2010, the Company entered into a Change-In-Control Agreement with Mr. Belardi. Pursuant to the Change-In-Control Agreement, if Mr. Belardi's employment is terminated without cause or if he terminates such employment for good reason within one year of a change in control of the Company or the execution of a definitive agreement contemplating a change in control of the Company, whichever is later, Mr. Belardi will receive: (i) a payment equal to one times his annual salary and (ii) payment on his behalf of premiums associated with one (1) year continuation of health insurance coverage pursuant to COBRA. The Change-In-Control Agreement has a term of seven years.

Under the terms of the Stock Option Agreement, dated March 27, 2014, between the Company and Mr. Belardi (the "2014 Belardi Option Agreement"), if upon a Change in Control (as defined in the 2008 Plan), the surviving or resulting corporation offers Mr. Belardi Equivalent Employment (as defined therein), then the unvested options granted under the 2014 Belardi Option Agreement will vest upon the earlier of one year following the Change in Control or according to the pre-Change in Control vesting schedule, provided that Mr. Belardi remains employed with the surviving or resulting corporation through the vesting date. If Mr. Belardi declines such offer of employment, or does not remain employed as required, then the vesting of the options will not be accelerated and all such options not so vested upon the termination of employment will terminate. If, however, Mr. Belardi is not offered Equivalent Employment with the surviving or resulting corporation then the vesting and exercisability of the outstanding options granted under 2014 Belardi Option Agreement will be accelerated. The Compensation Committee may also accelerate

the vesting and exercisability of such outstanding options, in whole or in part, as determined by the Compensation Committee in its sole discretion.

If Mr. Belardi's employment was terminated as of December 31, 2014 and he was eligible to receive the severance payments, options (including under the 2014 Belardi Option Agreement) and benefits described above, such payments and benefits would equal approximately \$561,806. The value of stock options included in this amount has been calculated as the difference between the exercise price of the options and closing price of the Company's common stock on December 31, 2014, multiplied by the number of options vesting as a result of the above described termination.

Limitation on Liability and Indemnification Matters

The Company's By-Laws and Amended and Restated Certificate of Incorporation provide for indemnification of its directors and officers to the fullest extent permitted by Delaware Law.

Effective November 20, 2014, the Company entered into indemnification agreements with each of the Company's directors and with each of Messrs. Fejes and Belardi (the "Indemnification Agreements"). The Indemnification Agreements contractually obligate the Company to indemnify each director and officer party to an Indemnification Agreement and to advance expenses on behalf of each such director or officer. The Company's obligations under the Indemnification Agreements are in addition to any other rights the indemnified director or officer may otherwise be entitled to by operation of law, vote of the Company's stockholders or directors or otherwise (including under the Company's Amended and Restated Certificate of Incorporation and By-Laws).

Directors' and Officers' Insurance

The Company currently maintains a directors' and officers' liability insurance policy that provides its directors and officers with liability coverage relating to certain potential liabilities.

Certain Relationships and Related Transactions

The Company's Corporate Governance Guidelines provide that any related party transactions (excluding compensation, whether cash, equity or otherwise, determination of which is delegated to the Compensation Committee) involving a director or executive officer of the Company must be on arm's length terms and be reviewed and approved by the Audit Committee or another independent body of the Board. The Audit Committee Charter provides that the Audit Committee is responsible for reviewing and approving all related party transactions, as defined by the applicable regulations. Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote on the approval or ratification of the transaction, however such member may be counted in determining the presence of a quorum at the meeting of the Audit Committee at which such transaction is reviewed.

On May 1, 2014, the Company renewed the Management Services Agreement ("Management Services Agreement") with SP Corporate Services LLC ("SP Corporate"). SP Corporate is an affiliate of SPH Group Holdings LLC (SPHG Holdings). Mr. Lichtenstein, a member of the Company's Board, is affiliated with SPHG Holdings. Also, the Company's Chairman of the Board, Mr. Kassan, is affiliated with SPHG Holdings. Pursuant to the Management Services Agreement, SP Corporate agreed to provide, at the direction of the Company's CEO, non-exclusive services to support the Company's growth strategy, business development, planning, execution assistance and related support services. The monthly fee for these services is \$10,400 paid in advance. The Management Services Agreement has a term of one year and has been approved by the Audit Committee of the Board of Directors and a majority of the disinterested directors of the Company.

On March 25, 2015, the Company and SP Corporate entered into an amendment to the Management Services Agreement (the "Amendment") in order to, among other things, extend the term of the Management Services Agreement until May 1, 2016, and to provide, at the direction of the Company's CEO, non-exclusive services to support the Company's talent and organizational development, including transformative change management, talent recruitment, talent development (both domestic and international), organizational review services, and other related support services. The services provided under the Amendment are in addition to the services provided under the Management Services Agreement prior to such amendment. The Amendment is effective May 1, 2015. Upon effectiveness of the Amendment, the monthly fee for services under the Management Services Agreement was set at \$27,400 paid in advance.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. Each member of the Audit Committee meets the criteria for being “independent” under Section 803(A) of the listing standards of the NYSE MKT. During the fiscal year ended December 31, 2014, the Committee met on 4 occasions.

In discharging its responsibility for oversight of the audit process, the Audit Committee obtained from the independent auditors, Grant Thornton LLP (“GT”), written disclosures regarding auditors’ independence as required by Public Company Accounting Oversight Board Ethics and Independence Rule 3526, “Communications with Audit Committees Concerning Independence.” In accordance with the foregoing standard, the Audit Committee discussed with GT any matters and relationships that might impact GT’s objectivity and independence and satisfied itself as to the auditors’ independence.

The Committee discussed and reviewed with the independent auditors the communications required by generally accepted auditing standards, including those described in Auditing Standard No. 16, “Communication with Audit Committees” and discussed and reviewed the results of the independent auditors’ examination of the financial statements for the fiscal year ended December 31, 2014.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2014, with management and the independent auditors. Management has the responsibility for preparation of the Company’s financial statements and the independent auditors have the responsibility for examination of those statements.

Based upon the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company’s audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the SEC.

PROPOSAL 2

ADVISORY VOTE ON THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) added Section 14A to the Exchange Act, which requires public companies to hold advisory (non-binding) votes on executive compensation. Pursuant to the requirements applicable to the Company under the Dodd-Frank Act and Section 14A of the Exchange Act, the Board of Directors is asking stockholders to cast an advisory vote approving the named executive officer compensation as described in this Proxy Statement.

The advisory vote on executive compensation is a non-binding vote on the compensation of the Company’s Named Executive Officers, as described in the Executive Compensation section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure, set forth in this Proxy Statement. The advisory vote on executive compensation is not a vote on the Company’s general compensation policies or compensation of the Company’s Board of Directors. The Dodd-Frank Act requires the Company to hold the advisory vote on executive compensation at least once every three years.

We are asking our stockholders to indicate their support for our Named Executive Officer compensation as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we ask our stockholder to vote “FOR” the following resolution at the Meeting:

RESOLVED, that the compensation paid to the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Summary Compensation Tables, and the related compensation tables, notes and narrative disclosure set forth in this annual meeting Proxy Statement is, on an advisory basis, hereby APPROVED.

Approval of this Proposal 2 requires the affirmative vote of the holders of the majority of the shares present, in person or by proxy, and entitled to vote on this Proposal 2. Although this advisory vote is not binding on the Compensation Committee or the Board of Directors, the Compensation Committee will carefully consider the outcome of the vote and take into consideration concerns raised by stockholders when determining future compensation arrangements.

Vote Required

The affirmative (“FOR”) vote of the majority of the votes cast is required to approve Proposal 2, provided that the affirmative votes cast must represent a majority of the shares present in person or represented by proxy at the Meeting and entitled to vote.

Board Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” PROPOSAL 2. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD WILL BE VOTED “FOR” THIS PROPOSAL UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.

PROPOSAL 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

The Board is considering Grant Thornton LLP to serve as the Company's independent registered public accounting firm. Grant Thornton LLP has served as the Company's independent registered public accounting firm since July 2002. While it is not required to do so, the Board is submitting to stockholders for ratification the selection of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015. Notwithstanding ratification of the selection of Grant Thornton LLP to serve as the Company's independent registered public accounting firm, the Board will be under no obligation to select Grant Thornton LLP as the Company's independent registered public accounting firm.

Audit Fees

The aggregate fees billed by Grant Thornton LLP for professional fees rendered in connection with the audit of the Company's annual financial statements and the reviews of the Company's financial statements included in the Company's Quarterly Reports on Form 10-Q, including services related thereto, were \$574,906 for the year ended December 31, 2014 and \$574,708 for the year ended December 31, 2013.

Audit-Related Fees

The aggregate fees billed by Grant Thornton LLP for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported as "Audit Fees," includes consultations concerning financial accounting and reporting matters not classified as audit, were zero for the years ended December 31, 2014 and December 31, 2013.

Tax Fees

The aggregate fees billed by Grant Thornton LLP for professional services rendered for tax compliance, tax advice and tax planning for the year ended December 31, 2014 were \$70,700 and \$25,847 for the year ended December 31, 2013. The fees for 2014 were primarily related to a research and development tax credit study and a domestic production activity deduction study. The fees for 2013 were primarily related to domestic production activity deduction study and transfer pricing.

All Other Fees

There were no other fees billed by Grant Thornton LLP for the years ended December 31, 2014 and December 31, 2013 for products and services, other than those described.

Pre-approval Policies and Procedures

All audit and non-audit services to be performed by the Company's independent registered public accounting firm must be approved in advance by the Audit Committee. Consistent with applicable law, limited amounts of services, other than audit, review or attest services, may be approved by the Chairman of the Audit Committee pursuant to authority delegated by the Audit Committee, provided each such approved service is reported to the full Audit Committee at its next meeting.

All of the engagements and fees for the year ended December 31, 2014 were approved by the Audit Committee. Of the total number of hours expended on Grant Thornton LLP's engagement to audit the Company's financial statements for the year ended December 31, 2014, none of the hours were attributed to work performed by persons other than permanent, full-time employees of Grant Thornton LLP in the United States and of a member firm of Grant Thornton International in China.

The Audit Committee considered whether the provision of non-audit services by Grant Thornton LLP was compatible with its ability to maintain independence from an audit standpoint and concluded that Grant Thornton LLP's independence was not compromised.

Representatives of Grant Thornton LLP are expected to be present at the Meeting and available to respond to appropriate questions. Such representatives will have the opportunity to make a statement if they desire to do so.

Vote Required

Ratification of the selection of Grant Thornton LLP will require the affirmative ("FOR") vote of the majority of the votes cast, provided that the affirmative votes cast must represent a majority of the shares present in person or represented by proxy at the Meeting and entitled to vote.

Board Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THIS PROPOSAL UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.

STOCKHOLDER PROPOSALS

In order to be considered for inclusion in the proxy materials to be distributed in connection with the next annual meeting of stockholders of the Company, stockholder proposals for such meeting must be submitted to the Corporate Secretary of the Company no later than December 25, 2015. In addition, all proposals will need to comply with Rule 14a-8 under the Exchange Act, which lists the requirements for the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholders wishing to nominate directors or bring a proposal before the 2016 annual meeting of stockholders (but not include it in the Company's proxy material) must provide written notice of such nomination or proposal to the attention of the Corporate Secretary, and be received by the Corporate Secretary, no later than the close of business on the 90th calendar day prior to the date of the 2016 annual meeting. The address for the Corporate Secretary is: SL Industries, Inc., 520 Fellowship Road, Suite A-114, Mount Laurel, New Jersey 08054.

Under the SEC's proxy rules, proxies solicited by the Board for the 2015 Annual Meeting of Stockholders may be voted at the discretion of the persons named in such proxies (or their substitutes). Any stockholder proposal may not be included in the Company's Proxy Statement if the Company does not receive notice of such proposal on or before the deadline set forth in the preceding paragraph.

To be in proper form, a stockholders notice must include the specified information concerning the proposal or nominee as described in the Company's By-Laws. The Company will not consider any proposal or nomination that does not meet the requirements of its By-Laws and the SEC rules for submitting a proposal or nomination.

OTHER MATTERS

So far as now known, there is no business other than that described above to be presented for action by the stockholders at the Meeting, but it is intended that the proxies will be voted upon any other matters and proposals that may legally come before the Meeting or any adjournment thereof, in accordance with the discretion of the persons named therein.

ANNUAL REPORT

The Company is concurrently sending all of its stockholders of record as of the Record Date, a copy of its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the 2014 Annual Report). The 2014 Annual Report contains the Company's certified consolidated financial statements for the year ended December 31, 2014, including that of the Company's subsidiaries.
