Item 4. Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

On January 25, 2016, Harvest Capital delivered a letter to the Issuer's Board of Directors (the "Board") and released a comprehensive presentation on the Issuer titled "Proven Leadership is the Missing Ingredient for Long-Term Success," outlining in detail Harvest Capital's significant concerns regarding the continued mismanagement and value destruction at the Issuer under the direction of its current Chief Executive Officer, Steve Streit, and demanding immediate leadership change to drive shareholder value and address the Issuer's poor operational execution, inconsistent financial results, and stock underperformance. In the letter and presentation, Harvest Capital highlights the chronic failures and destructive underperformance under the watch of Mr. Streit and the Board. Harvest Capital also outlines in the letter and presentation its plans for enhancing long-term shareholder value at the Issuer that Harvest Capital believes could double earnings per share over the next three years based on strategic "self-help" initiatives that it seeks the Issuer to immediately implement, which include, among others: (i) the removal of Mr. Streit as CEO; (ii) the reconstitution of the Board; (iii) the realignment of strategic initiatives for the purpose of balancing growth targets and profitability; (iv) rightsizing the cost-structure and optimizing the capital structure; and (v) unlocking inherent earnings power. Harvest Capital also stated in the letter and presentation that it has attempted to work privately and constructively with the Issuer to make the changes Harvest Capital believes are required to drive shareholder value at the Issuer but to no avail. The full text of the letter and presentation are attached hereto as Exhibits 99.2 and 99.3, respectively, and are incorporated herein by reference.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, continuing to engage in communications with management and the Board of the Issuer, continuing to engage in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including board composition) or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, entering into financial instruments or other agreements that increase or decrease the Reporting Persons' economic or beneficial exposure with respect to their investment in the Issuer, engaging in short selling of or any hedging or similar transaction with respect to the Shares, including swaps and other derivative instruments, or changing their intention with respect to any and all matters referred to in Item 4.

Item 5. Interest in Securities of the Issuer.

The aggregate percentage of Shares reportedly owned by each person named herein is based upon 52,276,710 Shares outstanding, as of October 31, 2015, which is the total number of Shares outstanding as reported in the Issuer's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on November 9, 2015.
