Item 7.01 Regulation FD Disclosure.

On May 16, 2014, UNS Energy issued a press release related to the Settlement described in Item 8.01. A copy of the press release is attached hereto as Exhibit 99.1.

Item 8.01 Other Events.

As previously reported, on January 10, 2014, UNS Energy and Fortis Inc. (Fortis) filed an application with the Arizona Corporation Commission (ACC) requesting that the ACC approve a proposed merger (Merger) in which UNS Energy would become an indirect wholly-owned subsidiary of Fortis.

Completion of the Merger is subject to: the approval of the ACC; the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; the review of the Merger by the Committee on Foreign Investment in the United States; and the satisfaction of other customary closing conditions.

On May 16, 2014, UNS Energy, Fortis, ACC Staff, the Residential Utility Consumer Office and other parties to the Merger proceedings entered into a settlement (Settlement) in which the parties agree that the Merger is in the public interest and recommend approval by the ACC, subject to certain conditions. Those conditions include, but are not limited to, the following:

UNS Energy shall provide benefits totaling \$30 million over five years to the retail customers of its utility subsidiaries Tucson Electric Power Company, UNS Electric, Inc. and UNS Gas, Inc. (collectively, the Regulated Utilities); \$10 million in year one and \$5 million annually in years two through five. The amounts will be credited to customers' bills.

UNS Energy and the Regulated Utilities will adopt certain ring-fencing and corporate governance provisions.

Dividends paid from the Regulated Utilities to UNS Energy cannot exceed 60 percent of the Regulated Utilities' respective net income for a period of five years or until such time that their respective equity capitalization reaches 50 percent of total capital (excluding any goodwill recorded) as accounted for in accordance with U.S. Generally Accepted Accounting Principles. The dividend restrictions are contingent upon receiving necessary consents of the lenders in UNS Energy's credit facility.

Fortis shall make an equity investment totaling \$220 million through UNS Energy into the Regulated Utilities following closing of the Merger. However, if the Merger closes after September 30, 2014, the equity investment may be made into UNS Energy to retire debt.

The Settlement is subject to the review and approval of the ACC, which could approve, reject or require modifications to the Settlement as a condition of approval. ACC approval of the Merger must be obtained before the Merger can be completed.

All of the Merger conditions are described in the Settlement, which can be accessed through a link at <http://www.uns.com/acquisition/>. All documents filed with the ACC related to the Merger can be accessed on the ACC's website at <http://edocket.azcc.gov/>. The docket numbers are E-04230A-140011 and E-01933A-14-0011. We are providing the website addresses of UNS Energy and the ACC solely for the information of investors and do not intend the addresses to be active links. Information contained on these websites is not part of any report filed with the SEC by UNS Energy or Tucson Electric Power.
