Item 1.01

On December 2, 2016, Century Aluminum of West Virginia, Inc. (“CAWV”), a wholly-owned subsidiary of Century Aluminum Company (“Century”), entered into an asset purchase agreement (the “Asset Purchase Agreement”) with Applied Partners, Inc. (“Applied Partners”) pursuant to which Applied Partners has agreed to acquire substantially all of CAWV’s assets, including CAWV’s Ravenswood aluminum smelter which has been curtailed since 2009. Pursuant to the Asset Purchase Agreement, Applied Partners has agreed to pay CAWV \$15 million in cash plus certain other post-closing cash payments and to assume certain liabilities related to the purchased assets. The transaction is expected to close in the first quarter of 2017 and is subject to customary closing conditions.

The description of the Asset Purchase Agreement set forth above is limited and qualified in its entirety by reference to the full terms and conditions of the Asset Purchase Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and which is incorporated herein by this reference.

The Asset Purchase Agreement contains representations and warranties by each of the parties to the Asset Purchase Agreement. These representations and warranties have been made solely for the benefit of the other party to the Asset Purchase Agreement and: (a) should not in all instances be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (b) have been qualified by disclosures that were made to the other party in connection with the execution of the Asset Purchase Agreement, which disclosures are not necessarily reflected in the Asset Purchase Agreement; (c) may apply standards of materiality in a way that is different from what may be viewed as material to you or other investors; and (d) were made only as of the date of the Asset Purchase Agreement or such other date or dates as may be specified in the Asset Purchase Agreement and are subject to more recent developments. Accordingly, these representations and warranties may not describe the actual state of affairs as of the date they were made or at any other time.
