These documents may contain forward-looking statements about expected future events and financial results that involve risks and uncertainties. Such statements are based on our current expectations and are subject to uncertainties and risks that could cause actual results to differ materially from those described in the forward-looking statements. Factors that could cause such a difference include, but are not limited to, those described under "Risk Factors" in the Company's annual report on Form 20-F filed with the United States Securities and Exchange Commission.

The Company expects that it will be a "passive foreign investment company" under the U.S. Internal Revenue Code. A U.S. holder of the shares of the Company is therefore subject to special rules of taxation in respect of certain dividend, gain or other income on such shares. Investors should consult their tax advisors with respect to such rules, which are summarized in the Company's annual report.
