If the maturity date or an interest payment date for any note is not a business day (as that term is defined in the prospectus supplement), principal, premium, if any, and interest for that note is paid on the next business day, and no interest will accrue from, and after, the maturity date or interest payment date.

The notes will be treated as fixed rate debt instruments for U.S. federal income tax purposes.

Davis Polk & Wardwell LLP, New York, New York, will pass upon the validity of the notes and will rely as to all matters of Scots law on the opinion of Dundas & Wilson CS LLP, Edinburgh, Scotland.
