Rationale for the Offers

Through tender offers for certain Euro, Sterling and U.S. dollar denominated senior unsecured securities, the Offeror intends to manage its wholesale funding level and future interest expense with reference to the overall reduction in its balance sheet, while maintaining a prudent approach to liquidity.

The Offeror has today also invited holders of certain U.S. dollar denominated debt securities to tender those securities for purchase (the "U.S. Tender"). Only the Offers are being made pursuant to the Tender Offer Memorandum, which does not relate to the U.S. Tender.

Maximum Offer Amount

The maximum aggregate principal amount of Securities to be accepted in the Offers across all Series of Securities combined (converted in the case of Euro Securities into pounds sterling at the Euro FX Rate) is £2,000,000,000 (or such greater or lesser amount as the Offeror may determine in its sole discretion) (the "Maximum Offer Amount").

The Offeror may set the aggregate principal amount of Securities of any Series that it will accept for purchase pursuant to the Offers (each such amount the "Series Acceptance Amount") at any level (including zero) in its sole and absolute discretion.

Purchase Price

The Offeror will pay the applicable purchase price in respect of each Series of Securities which will be determined pursuant to a modified Dutch auction procedure, in the manner described in the Tender Offer Memorandum (the "Purchase Price"), in each case together with the applicable Accrued Interest.

Offer Period and Results

The Offers commenced today, 5 September 2012, and will end at 4:00 p.m. (London time) on 14 September 2012 (the "Expiration Deadline"), unless extended, re-opened, amended or terminated as provided in the Tender Offer Memorandum.

The relevant deadline set by any intermediary or each Clearing System will be earlier than this deadline.

The Offeror will announce on the Price Determination Date, which is expected to be 17 September 2012, whether it accepts for purchase Securities of each or any Series validly tendered in the Offers and the aggregate nominal amount (if any) of Securities of a Series accepted for purchase, and whether such Securities are to be accepted in full or on a pro rata basis (in which case the Offeror will also announce the applicable pro ration factors). Payment of the relevant Purchase Price and applicable Accrued Interest is expected to take place on 19 September 2012.

In order to be eligible to receive the relevant Purchase Price and Accrued Interest, holders of Securities must validly tender their Securities by the Expiration Deadline, by delivering, or arranging to have delivered on their behalf, a valid Competitive Tender Instruction or Non-competitive Tender Instruction (each as more fully described in the Tender Offer Memorandum) that is received by the Tender Agent by the Expiration Deadline. Tender Instructions must be submitted in respect of a minimum principal amount of Securities of no less than the relevant Minimum Denomination as set out in the Tender Offer Memorandum.

Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum. A separate Tender Instruction must be completed by each beneficial owner and in respect of each series of Securities that are tendered.

Announcements in connection with the Offers will be made by the issue of a press release through RNS, the relevant Reuters Insider Screen, a Notifying News Service, by the delivery of notices to the Clearing Systems for communication to Direct Participants and by publication on the Offeror's website. Copies of all announcements, notices and press releases can also be obtained from the Tender Agent, the contact details for which are set out below.
