Basel, Switzerland, December 18, 2017

**Cancellation of publicly held syngenta shares**

Syngenta has today announced that the Appellate Court Basel-City (Appellationsgericht Basel-Stadt) has cancelled all publicly held registered shares of Syngenta AG.

Following the delisting of the Syngenta shares from the SIX Swiss Exchange, holders of cancelled shares will be paid a cash compensation in the amount of USD 465 for each cancelled share. This amount corresponds to the offer price that had been paid by CNAC Saturn (NL) B.V. in its public tender offer for all publicly held registered shares of Syngenta AG.

SIX Exchange Regulation had already approved the delisting of the Syngenta shares from SIX Swiss Exchange on October 26, 2017, subject to the decision of the Appellate Court.

The official announcement of the delisting and the last trading day will be published by Syngenta as required by applicable rules.

## About Syngenta

Syngenta is a leading agriculture company helping to improve global food security by enabling millions of farmers to make better use of available resources. Through world class science and innovative crop solutions, our 28,000 people in over 90 countries are working to transform how crops are grown. We are committed to rescuing land from degradation, enhancing biodiversity and revitalizing rural communities. ### *Cautionary statement regarding forward-looking statements*

*Some of the statements contained in this press release are forward-looking statements. These statements are based on current expectations, assumptions, estimates and projections, and involve known and unknown risks, uncertainties and other factors that may cause results, levels of activity, performance or achievements to be materially different from any forward-looking statements. These statements are generally identified by words or phrases such as "believe", "anticipate", "expect", "intend", "plan", "will", "may", "should", "estimate", "predict", "potential", "continue" or the negative of such terms or other similar expressions. If underlying assumptions prove inaccurate or unknown risks or uncertainties materialize, actual results and the timing of events may differ materially from the results and/or timing discussed in the forward-looking statements, and you should not place undue reliance on these statements. Syngenta disclaims any intent or obligation to update any forward-looking statements as a result of developments occurring after the period covered by this press release or otherwise.*
