Pennsylvania Real Estate Investment Trust and
Crown American Realty Trust Announce Merger Agreement

Combined Company to Become a Leading Mid-Atlantic Shopping Mall REIT

PHILADELPHIA AND JOHNSTOWN, PA, May 14, 2003 - Pennsylvania Real Estate Investment Trust ("PREIT") (NYSE: PEI) and Crown American Realty Trust ("Crown") (NYSE:CWN) today announced that the companies have entered into a definitive merger agreement by which Crown will merge into PREIT. The merger will position PREIT as a leading shopping mall REIT in the Mid-Atlantic region. The boards of trustees of PREIT and Crown have unanimously approved the merger.

Following completion of the merger and the previously announced Rouse transaction, PREIT will own interests in 54 retail properties with 33.5 million square feet in 12 states. Approximately 82% of the portfolio is located in the Mid - Atlantic states of PA, NJ, DE and MD. Included in the combined portfolio are interests in 40 regional malls and 14 power and strip centers. The merged company will have a total market capitalization of approximately \$2.7 billion based on PREIT's closing share price on May 13, 2003.

Under the terms of the agreement, PREIT will issue to Crown shareholders 0.3589 PREIT common shares for each outstanding share of Crown in a tax-free, share-for-share transaction. The exchange ratio was determined based on the

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 425

trailing 20 day average closing prices as of May 12, 2003, and is not subject to change and there is no "collar" or minimum trading price for the shares. The transaction includes a \$20 million termination fee payable to either PREIT or Crown if the merger is not completed in certain specified circumstances.

Following completion of the merger, PREIT will increase its quarterly cash dividend of \$0.51 to \$0.54 per share, an annual increase of \$0.12 per share or 5.9%. PREIT has paid 104 consecutive distributions since its initial dividend paid in August 1962. Crown announced a regular quarterly dividend of \$0.2150 per common share and \$1.375 per non-convertible senior preferred share on May 14, 2003.

PREIT will also expand its board of trustees by two members. The new members will be Mark Pasquerilla, Crown's chairman and chief executive officer, and another member of Crown's current board of trustees to be selected by PREIT.

Expected Financial Impact of the Crown Merger, Rouse and Multifamily Transactions

In its March 6, 2003 announcement of the Rouse and Multifamily transactions, PREIT provided FFO guidance of between \$3.16 and \$3.28 per share for calendar year 2003. The calendar year 2003 base case has increased to \$3.39 to \$3.51 per share attributable primarily to the earlier than expected closing of the first four Rouse assets. This base case assumes the acquisition of the remaining two Rouse properties in the second quarter of 2003 and the completion of the multifamily sale in the beginning of the third quarter of 2003. Based on the same assumptions, PREIT estimates calendar year 2004 FFO to be \$3.62 to \$3.74 per share.

For modeling purposes it has been assumed that the merger transaction will close at the beginning of the fourth quarter of 2003 with the first full year of combined operations in calendar year 2004. After giving effect to a one-time restructuring charge of approximately \$6.75 million, or \$.30 per share, PREIT estimates FFO for the calendar year 2003 to be \$3.34 to \$3.46 per share. Assuming completion of the merger, PREIT expects \$0.64 per share of FFO accretion in 2004 compared to the base case and estimates calendar year 2004 FFO to be \$4.26 to \$4.38 per share.

Assets Acquired

The Crown portfolio consists of 26 wholly owned regional malls and a 50% interest in Palmer Park Mall located in Easton, PA. PREIT manages and owns the remaining 50% interest in Palmer Park Mall. As of December 31, 2002, these assets had an in-line occupancy rate of approximately 89.1% with in-line store sales volume of \$274 per square foot. PREIT underwrote the Crown acquisition to generate an unleveraged return of approximately 10.2% on cost based on 2003 anticipated net operating income.

Following the merger, PREIT intends to place six of the Crown assets in a special purpose entity designed to facilitate their repositioning and disposition. As of December 31, 2002, these non-core assets had an in-line occupancy rate of approximately 72.6% with in-line sales volume of \$218 per square foot. The remaining 20 core assets had an in-line occupancy rate of approximately 90.5% with in-line sales volume of \$285 per square foot as of December 31, 2002.

PREIT's regional mall portfolio, prior to the completion of the Rouse portfolio acquisition, included four wholly-owned regional malls and four interests in regional malls held by joint ventures. As of December 31, 2002, these assets had

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 425

an in-line occupancy rate of approximately 89.9% with in-line sales volume of \$358 per square foot. In addition, the PREIT retail portfolio includes eight wholly owned strip and power centers and interests in six strip and power centers held by joint ventures. These assets had in-line occupancy rates of approximately 96.9% for the power center portfolio and 91.4% for the strip center portfolio as of December 31, 2002.

Following the merger, and assuming the completion of the Rouse portfolio acquisition, the regional mall portfolio of the combined Company will include 37 wholly owned regional malls and three interests in regional malls held by joint ventures. As of December 31, 2002, these assets had an in-line occupancy rate of approximately 90.6% with in-line store sales volume of \$303 per square foot.

In connection with the merger, PREIT will receive from Crown Investments Trust (an entity owned by Mark Pasquerilla) 16 unimproved land parcels comprising approximately 92 acres adjacent to three of Crown's regional malls in exchange for the transfer of ownership of Crown's headquarters building located in Johnstown, Pennsylvania, to Crown Investments Trust.

As previously reported, Crown, as part of its restructuring, recently sold its two weakest performing assets: Oak Ridge Mall in Oak Ridge, TN and Carlisle Plaza Mall, in Carlisle, PA.

PREIT CEO Rubin Comments

Ronald Rubin, PREIT chairman and chief executive officer, said, "The merger with Crown will be an important step in the strategic transformation of our company from a diversified REIT to an enterprise with a single focus on becoming a leading owner of value-oriented retail properties in the Mid-Atlantic states. The concentration of our portfolio in our home market, the Mid-Atlantic region, will further enhance our relationships with today's most dynamic retailers. We have a long track record in repositioning middle market malls. These are exactly the kind of properties that we understand. They come with many value-creation opportunities where we can use our leasing and redevelopment expertise. We seek this type of opportunity and we are excited about the growth and value-creation potential in the Crown portfolio."

Crown CEO Pasquerilla Comments

Mark Pasquerilla, Crown chairman and chief executive officer, said, "We are pleased to merge with a company the caliber of PREIT. We believe that PREIT's demonstrated ability to create value in middle-market retail properties will enhance the value of our portfolio and create strong future performance for our shareholders. Combining our portfolios in shared markets creates many operational synergies and enables the shareholders of both companies to benefit from a larger, more liquid platform with better access to capital. This presents a win-win opportunity for both companies."

Capital Structure

As part of the transaction, PREIT expects to assume Crown's mortgage debt which as of March 31, 2003, aggregated \$619.1 million, of which approximately \$589.1 million was fixed rate with a weighted average interest rate of 7.4%. Included in the mortgage debt as of March 31, 2003 was a \$449 million first mortgage loan secured by a portfolio of 15 Crown properties. This mortgage has an annual interest rate of 7.5% and a maturity of September 2008. In addition to its mortgage debt, Crown has a \$175 million line of credit facility with GECC of which \$153 million was available and \$139.5 million was outstanding as of March 31, 2003. PREIT currently expects to repay Crown's GECC line of credit with proceeds from additional debt financing which it is currently negotiating with prospective lenders together with additional borrowings under PREIT's existing

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 425

line of credit.

In accordance with GAAP, PREIT expects to record Crown's debt at a premium to the current principal balance of the loans. The premium will be based on the level of interest rates at the time of closing and would approximate \$49 million in the aggregate based on the current level of interest rates. The premium associated with each affected loan will be amortized over such loan's remaining term resulting in an offset to interest expense. Based on the \$49 million estimate, this amortization of debt premium from the Crown transaction would be \$0.07 per share for the fourth quarter 2003 and \$0.29 per share for calendar year 2004.

PREIT will issue in the merger new preferred shares to the current holders of Crown's non-convertible senior preferred shares. The terms of the new PREIT preferred shares will be substantially the same as the existing Crown preferred shares. There are currently 2.475 million preferred shares outstanding. This issue has an annual dividend of \$5.50 per share, or 11.0% based on its \$50.00 par value; it is callable at a premium beginning in July, 2007 and at par beginning in July, 2010.

As of March 31, 2003, PREIT had 16.8 million common shares outstanding and 1.8 million OP units. Crown has 32.1 million common shares outstanding and 10.0 million OP units. Assuming all Crown shares and units are exchanged at the stated exchange ratios and the Rouse acquisition is completed, PREIT expects to have approximately 28.3 million common shares and 4.1 million OP units outstanding immediately after the merger.

Integration

PREIT has retained the services of Generative Leadership Group and PricewaterhouseCoopers, LLP to assist PREIT with the integration of the Crown assets and personnel. The integration consultants are advising PREIT on organizational structure, personnel evaluation, systems and processes upgrades, change management and communication. It is anticipated that the operations of the combined company will be headquartered in Philadelphia, PA, and that operations and finance functions will be maintained at Crown offices in Johnstown, PA at least through the first quarter of 2004.

Settlement of Crown Cash Flow Support Agreement

In consideration for the termination of obligations to make any further contributions to Crown's Operating Partnership and to terminate all of the remaining cash flow support obligations of Crown Investments to Crown, Crown Investments' ownership in Crown's operating partnership was reduced in an amount equal to 500,000 common partnership units. In connection with the previously announced sale of Oak Ridge Mall to Crown Investments, Crown Investments' ownership in Crown's Operating Partnership was reduced by an aggregate amount equal to 3,759,794 common partnership units. As a result of these reductions, PREIT will issue 0.2053 PREIT OP units for each outstanding Crown OP unit, all of which, other than those issued to Crown, are currently held by Crown Investments and another entity affiliated with Mark Pasquerilla.

Schedule of Events

The merger is expected to close in the fourth quarter of 2003 and is subject to shareholder approval by the common shareholders of both companies and other

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 425

customary closing conditions, including consents of certain lenders of both parties. Crown insiders, including Mark Pasquerilla, who hold or control approximately 9.3% of Crown's outstanding shares, have agreed to vote in favor of the merger.

Financial Advisors

Lehman Brothers Inc. and Citigroup Global Markets Inc. served as financial advisors to PREIT. Wachovia Securities, Inc. served as exclusive financial advisor to Crown.

Recent Events

On April 29, 2003, PREIT announced that it had completed the acquisition of the first four of the Rouse assets including Cherry Hill Mall, Moorestown Mall, The Gallery at Market East and Exton Square Mall. The properties acquired in this closing total approximately 3.6 million square feet with an aggregate purchase price of \$469 million. The remaining two properties, Plymouth Meeting Mall and Echelon Mall, with approximately 2.0 million square feet and a purchase price of \$79 million, subject to certain adjustments based upon the date of closing, are expected to be acquired prior to the end of this quarter.

PREIT is financing the acquisition of the Rouse portfolio through a combination of the assumption of \$277 million of existing non-recourse mortgage debt, the issuance of \$35 million of OP units, a \$175 million term acquisition loan and \$61 million from the anticipated refinancing of PREIT portfolio assets. PREIT obtained the \$175 million acquisition term loan and a \$25 million revolving line of credit from Wells Fargo Bank. It is intended that any net proceeds from the sale of its multifamily portfolio will be applied to repay the Wells Fargo loans. Approximately \$17.8 million of the OP units are expected to be issued in the second quarter of 2004.

On April 10, 2003 PREIT announced that an affiliate of Morgan Properties had secured and accepted debt and equity financing commitments in the full amount necessary to close the purchase of the multifamily portfolio. PREIT filed the second amendment to the sale agreement for the multifamily property as an exhibit to its Form 8-K filed on April 10, 2003 with the Securities and Exchange Commission. The sale of the multifamily properties is subject to requisite consents and other conditions.

A registration statement relating to PREIT securities to be issued in the merger of Crown into PREIT has not been filed with the Securities and Exchange Commission. The securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

This press release contains certain "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 and the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and other matters that are not historical facts. These forward-looking statements reflect PREIT's and Crown's current views about future events and are subject to risks, uncertainties, assumptions and changes in circumstances that may cause future events, achievements or results to differ materially from those expressed by the forward-looking statements. In particular, PREIT and Crown may not be able to consummate the merger, or PREIT may not be able to consummate the sale of its multifamily portfolio, or the acquisition of Echelon Mall and Plymouth Meeting Mall from the Rouse Company on previously announced terms, on otherwise favorable terms to PREIT, or at all. If such transactions are consummated, PREIT's and Crown's actual results may differ significantly from those expressed in any forward-looking statement. If PREIT is unable to consummate the sale of the multifamily portfolio, it will be unable to repay the acquisition loan obtained in connection with the acquisition of the malls from the Rouse Company with the expected proceeds from such sale. Certain factors that could cause PREIT and Crown not to consummate the merger or such other transactions include, without limitation, failure of the requisite number of PREIT and Crown shareholders to approve the merger, the satisfaction of closing conditions applicable to such transactions (some of which are beyond PREIT's or Crown's control), and other economic, business or competitive factors. In addition, PREIT's and Crown's businesses are subject to uncertainties regarding the revenues, operating expenses, leasing activities, occupancy rates, and other competitive factors relating to PREIT's and Crown's respective portfolios and changes in local market conditions as well as general economic, financial and political conditions, including the possibility of outbreak or escalation of war or terrorist attacks, any of which may cause future events, achievements or results to differ materially from those expressed by the forward-looking statements. PREIT and Crown do not intend to and disclaim any duty or obligation to update or revise any forward-looking statements or industry information set forth in this press release to reflect new information, future events or otherwise.
