RISK FACTORS

Investing in the Debt Securities is subject to certain risks. Before purchasing Debt Securities, you should consider carefully the risk factors set forth below and those under the heading Risk Factors in our annual information form, which is contained in our annual report on Form 40-F for the year ended December 31, 2004 (and our annual information forms for subsequent years), as well as the other information contained in and incorporated by reference in this prospectus (including subsequently filed documents incorporated by reference) and, if applicable, those described in the applicable prospectus supplement. If any event arising from these risks occurs, our business, prospects, financial condition, results of operation and cash flows could be materially and adversely affected.

Fluctuations in exchange rates could give rise to foreign currency exposure.

Debt Securities denominated or payable in foreign currencies may entail significant risks, and the extent and nature of such risks change continuously. These risks include, without limitation, the possibility of significant fluctuations in the foreign currency market, the imposition or modification of foreign exchange controls and potential illiquidity in the secondary market. These risks will vary depending on the currency or currencies involved. Prospective purchasers should consult their own financial and legal advisors as to the risks entailed in an investment in Debt Securities denominated in currencies other than the local currency. Debt Securities are not an appropriate investment for investors who are unsophisticated with respect to foreign currency transactions.

Credit ratings assigned to Debt Securities may change.

We cannot assure you that any credit rating, if any, assigned to Debt Securities issued hereunder will remain in effect for any given period of time or that any rating will not be lowered or withdrawn entirely by the relevant rating agency. A lowering or withdrawal of such rating may have an adverse effect on the market value of the Debt Securities.

There may not be a trading market for the Debt Securities.

There is currently no market through which the Debt Securities may be sold. We cannot assure you that a secondary market for trading in the Debt Securities will develop or that any secondary market which does develop will continue.

The Debt Securities will be subordinated to creditors of our subsidiaries.

We conduct our operations through a number of subsidiaries and to the extent any such subsidiary has or incurs indebtedness with a third party, the holders of the Debt Securities will effectively be subordinated to the claims of the holders of such third party indebtedness, including in the event of liquidation or upon a realization of the assets of any such subsidiary.

RECENT DEVELOPMENTS

C\$400,000,000 6.90% medium term notes due June 4, 2008; and

We redeemed the privately-placed notes on August 16, 2005 and we redeemed the medium term notes on September 1, 2005. We anticipate that we will recognize a loss of approximately US\$20 million in the third quarter of 2005 in connection with these redemptions.

On August 9, 2005, we issued US\$400,000,000 of 5.50% debentures due August 15, 2035.

USE OF PROCEEDS

Unless otherwise specified in a prospectus supplement that accompanies this prospectus, the net proceeds from the sale of the Debt Securities will be added to our general funds and we will use them for general corporate purposes including to repay existing indebtedness. We may from time to time issue Debt Securities and incur additional indebtedness other than through an offering under this prospectus and any applicable prospectus supplements.

INTEREST COVERAGE

After giving effect to our issuance on August 9, 2005 of US\$400,000,000 aggregate principal amount of 5.50% debentures due 2035 and the use of the net proceeds from that offering, as if such offering occurred at the beginning of each period, the pro-forma interest, including these new debentures and other long-term and short-term debt for the 12 months ended December 31, 2004 and June 30, 2005, would amount to

Table of Contents

US\$242 million and US\$231 million, respectively, for each such period. Our consolidated net earnings before deducting interest expense and other financing costs (including the effect of related debt swaps) and before income taxes for the 12 months ended December 31, 2004 were US\$1,543 million, which is 6.38 times the pro-forma interest for that period, and for the 12 months ended June 30, 2005 were US\$1,564 million, which is 6.77 times the pro-forma interest for that period.

Excluding the results of discontinued operations, consolidated net earnings before deducting interest expense and other financing costs (including the effect of related debt swaps) and before income taxes for the 12 months ended December 31, 2004 were US\$1,374 million, which is 5.68 times the pro-forma interest for that period, and for the 12 months ended June 30, 2005 were US\$1,377 million, which is 5.96 times the pro-forma interest for that period.

These coverage ratios do not give effect to the issuance of Debt Securities that may be issued pursuant to this prospectus.

SHARE CAPITAL

Our authorized capital consists of an unlimited number of common shares and an unlimited number of preference shares without par value issuable in series. As of August 29, 2005, 653,654,196 common shares and 6,000,000 Series II cumulative redeemable floating rate preference shares were outstanding.

DESCRIPTION OF DEBT SECURITIES

This section describes certain general terms and provisions of the Debt Securities. We will provide the particular terms and provisions of a series of Debt Securities and a description of how the general terms and provisions described below apply to that series in a prospectus supplement. Thus, for a description of the terms of a particular series of Debt Securities, you must refer to both the applicable prospectus supplement relating to that series and the description of the Debt Securities contained in this prospectus. In this section, the words *we*, *us*, *our* and *our company* refer only to The Thomson Corporation and not to any of our consolidated subsidiaries.

Unless otherwise specified in a prospectus supplement, the Debt Securities will be issued under a trust indenture dated November 20, 2001, as amended and supplemented from time to time, between our company and Computershare Trust Company of Canada. We plan to appoint Deutsche Bank Trust Company Americas as an additional Trustee under the trust indenture, subject to the receipt of required regulatory approvals. The trust indenture is subject to the provisions of the *Business Corporations Act* (Ontario) and the provisions of the *U.S. Trust Indenture Act of 1939*, as amended, although it is exempt from the operation of certain provisions of the Trust Indenture Act pursuant to Rule 4d-9 thereunder.

This summary information does not purport to be complete and is qualified in its entirety by reference to the provisions of the Debt Securities and the trust indenture, including the definition of certain terms in the trust indenture. It is the trust indenture, and not this summary, that governs the rights of holders of Debt Securities. Capitalized terms that are used below and not defined have the meanings assigned to them in the trust indenture. We have defined selected terms at the end of this section. Section references below are to sections of the trust indenture.

General

The trust indenture does not limit the amount of Debt Securities that may be issued under the trust indenture. The trust indenture provides that Debt Securities may be issued from time to time in one or more series and may be denominated and payable in U.S. dollars or any other currency. We may offer no more than US\$2,000,000,000 (or the equivalent in non-U.S. Currency) aggregate principal amount of Debt Securities

Table of Contents

pursuant to this prospectus. The specific terms of any series of Debt Securities will be established at the time of issuance and will be described in the applicable prospectus supplement. These terms may include, but are not limited to, any of the following:

the specific designation of the Debt Securities;

any limit on the aggregate principal amount of the Debt Securities;

the date or dates, if any, on which the Debt Securities will mature and the portion (if other than all of the principal amount) of the Debt Securities to be payable upon declaration of acceleration of Maturity;

the rate or rates per annum (which may be fixed or variable) at which the Debt Securities will bear interest, if any, the date or dates from which any such interest will accrue, the Interest Payment Dates on which any such interest will be payable and the Regular Record Dates for any interest payable on the Debt Securities which are in registered form;

any mandatory or optional redemption or sinking fund provisions, including the period or periods within which, the price or prices at which and the terms and conditions upon which the Debt Securities may be redeemed or purchased at the option of our company or otherwise;

whether the Debt Securities will be issuable in registered form or bearer form or both, and, if issuable in bearer form, the restrictions as to the offer, sale and delivery of the Debt Securities in bearer form and as to exchanges between registered and bearer form;

whether the Debt Securities will be issuable in the form of one or more registered global securities and if so the identity of the depository for such registered global securities;

the denominations in which any of the Debt Securities will be issuable if other than denominations of US\$1,000 and any multiple thereof;

each office or agency where the principal of and any premium and interest on the Debt Securities will be payable and each office or agency where the Debt Securities may be presented for registration of transfer or exchange;

if other than U.S. dollars, the foreign currency or the units based on or relating to foreign currencies in which the Debt Securities are denominated and/or in which the payment of the principal of and any premium and interest on the Debt Securities will or may be payable;

any index pursuant to which the amount of payments of principal of and any premium and interest on the Debt Securities will or may be determined;

any other terms of the Debt Securities, including covenants and additional Events of Default (Section 301); and

upon appointing any additional Trustee, the identity of the Trustee for a particular series of Debt Securities.

The trust indenture also provides that there may be more than one Trustee under the trust indenture, each with respect to one or more different series of Debt Securities. See [Resignation of Trustee](#) below for more information. As there is more than one Trustee under the trust indenture, the powers and trust obligations of each Trustee as described in this prospectus shall extend only to the one or more series of Debt Securities for which it is Trustee. The Debt Securities (whether of one or more than one series) for which each Trustee is acting shall in effect be treated as if issued under separate trust indentures. The term [Debt Securities](#) as used in this prospectus shall mean the one or more

series with respect to which each respective Trustee is acting.

Some or all of the Debt Securities may be issued under the trust indenture as Original Issue Discount Securities (bearing no interest or interest at a rate that at the time of issuance is below market rates) to be issued at prices below their stated principal amounts.

Table of Contents

The general provisions of the trust indenture do not contain any provisions that would limit the ability of our company to incur indebtedness or that would afford Holders protection in the event of a highly leveraged or similar transaction involving our company.

Under the trust indenture, we will have the ability, in addition to the ability to issue Debt Securities with terms different from those of other Debt Securities previously issued, without the consent of the Holders, to reopen a previous issue of a series of Debt Securities and issue additional Debt Securities of such series. (Section 301)

Ranking and Other Indebtedness

The Debt Securities will be unsecured obligations of our company and will rank equally with all other unsecured and unsubordinated obligations of our company.

Form, Denomination, Exchange and Transfer

Debt Securities of a series may be issuable solely as registered Debt Securities issuable in denominations of US\$1,000 and integral multiples of US\$1,000 or in such other denominations as may be provided for by the terms of the Debt Securities of any particular series. The trust indenture also provides that Debt Securities of a series may be issuable in global form, which we refer to as Global Securities. Debt Securities of any series will be exchangeable for other Debt Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor. (Section 305)

The Debt Securities may be presented for exchange as described above, and Debt Securities may be presented for registration of transfer (duly endorsed or accompanied by a written instrument of transfer), at the corporate trust office of the Trustee or at the office of any transfer agent designated by our company for such purpose with respect to any series of Debt Securities. No service charge will be made for any transfer or exchange of Debt Securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. We may at any time designate one or more successor or additional transfer agents with respect to any series of Debt Securities and may from time to time rescind any such designation. (Section 305) We will be required to maintain a transfer agent in each Place of Payment for such series. (Section 1002)

So long as required by the *Business Corporations Act* (Ontario), we shall cause to be kept, by our company or a trust corporation registered in Ontario, a central securities register that complies with the requirements of the *Business Corporations Act* (Ontario). Additionally, we will cause to be recorded promptly in the central securities register maintained pursuant to the *Business Corporations Act* (Ontario), the particulars of each issue, exchange or transfer of Debt Securities. Unless otherwise provided for in the case of any series of Debt Securities, the Trustee shall maintain at its corporate trust office a branch register containing the same information with respect to each entry contained therein as contained in the central register. In the event of a conflict between the information contained in the central register and the information contained in a branch register, the information contained in the central register shall prevail. (Section 305)

We shall not be required to:

issue, register the transfer of or exchange Debt Securities of any series during a period beginning at the opening of business 15 days before any selection of Debt Securities of that series to be redeemed and ending at the close of business on the day of mailing of the relevant notice of redemption;

register the transfer of or exchange any Debt Security, or portion thereof, called for redemption, except the unredeemed portion of any Debt Security being redeemed in part; or

issue, register the transfer of or exchange any Debt Security which has been surrendered for repayment at the option of the Holder except the portion, if any, of such Debt Security not to be so repaid. (Section 305)

Events of Default

The trust indenture provides, with respect to any series of Outstanding Debt Securities thereunder, that the following shall constitute Events of Default:

(i) default in the payment of any interest upon any Debt Security of that series, when the same becomes due and payable, continued for 30 days;

(ii) default in the payment of the principal of or any premium on any Debt Security of that series at its Maturity;

(iii) default in the deposit of any sinking fund or analogous payment when due by the terms of any Debt Security of that series;

(iv) default in the performance, or breach, of any covenant or warranty of our company in the trust indenture (other than a covenant or warranty, a default in whose performance or whose breach is specifically dealt with elsewhere in the trust indenture), continued for 60 days after written notice to our company;

(v) certain events of bankruptcy, insolvency or reorganization; and

(vi) any other Event of Default provided with respect to the Debt Securities of that series. (Section 501)

No Event of Default provided with respect to a particular series of Debt Securities necessarily constitutes an Event of Default with respect to any other series of Debt Securities. (Section 501) We are required to file with the Trustee, annually, an Officer's Certificate as to our compliance with all conditions and covenants under the trust indenture. (Section 1004) The trust indenture provides that the Trustee may withhold notice to the Holders of Debt Securities of any default (except payment defaults on the Debt Securities) if it considers it in the best interest of the Holders of Debt Securities to do so. (Section 502)

If an Event of Default listed in clause (i), (ii), (iii), (iv) or (vi) of the second preceding paragraph with respect to Debt Securities of a particular series occurs and is continuing, the Trustee or the Holders of not less than 25% in principal amount of Outstanding Debt Securities of that series may declare the Outstanding Debt Securities of that series due and payable immediately. If an Event of Default listed in clause (v) of the preceding paragraph occurs and is continuing, then the Trustee or the Holders of not less than 25% in principal amount of all Debt Securities then Outstanding may declare the principal amount of all of the Outstanding Debt Securities to be due and payable immediately. However, in either case the Holders of a majority in principal amount of the Outstanding Debt Securities of that series, or of all Outstanding Debt Securities, as the case may be, by written notice to us and the Trustee, may, under certain circumstances, rescind and annul such declaration. (Section 503)

Subject to the provisions relating to the duties of the Trustee, in case an Event of Default with respect to Debt Securities of any or all series occurs and is continuing, the Trustee shall be under no obligation to exercise any of its rights or powers under the trust indenture at the request, order or direction of any of the Holders of such Debt Securities, unless such Holders shall have offered to the Trustee reasonable indemnity against the expenses and liabilities which might be incurred by it in compliance with such request. (Section 508) Subject to such provisions for the indemnification of the Trustee, the Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series (with respect to any remedy, trust or power relating to or arising under an Event of Default described in clause (i), (ii), (iii), (iv) or (vi) above) or the Holders of a majority in principal amount of all Outstanding Debt Securities (with respect to any other remedy, trust or power), as the case may be, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee under the trust indenture, or exercising any trust or power conferred on the Trustee. (Section 513)

The Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all the Debt Securities of such series waive any past default described in clause (i), (ii), (iii), (iv) or (vi) above (or, in the case of a default described in clause (v) above, the Holders

of not less than a majority in principal amount of all Outstanding Debt Securities may waive any such past default) and its consequences, except a default (a) in the payment of the principal of (or premium, if any) or any interest on any Debt Security, or (b) in respect of a covenant or provision that cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of such series affected thereby. (Section 514)

Negative Pledge

The trust indenture will provide that, so long as any Debt Securities are Outstanding, we will not:
create or permit to subsist after knowledge of the existence thereof any mortgage, lien, pledge, encumbrance, conditional sale or other title retention agreement, or other similar security interest, or Security Interest, upon any part of any undertaking or assets to secure any of our Debt; or

permit any Material Subsidiary to give any Guarantee to secure any of our Debt;
without at the same time or as soon as reasonably practicable thereafter according to the Holders of Debt Securities a ratable and *pari passu* interest in the same Security Interest or Guarantee, as applicable, but this covenant will not apply to, or operate to prevent:

(i) any Security Interest for, or any Guarantee by a Material Subsidiary of, any of our Debt, the amount of which, when aggregated with the amount of all other Debt of our company then outstanding in respect of which Security Interest or a Guarantee by a Material Subsidiary has been given, excluding any Security Interest or Guarantee given pursuant to the exceptions in subparagraphs (ii) to (iv), would not exceed 10% of Consolidated Shareholders Equity;

(ii) any Security Interest on (a) any asset (including shares) acquired or held by our company to secure our Debt incurred solely for the purpose of financing the acquisition, construction, research, development or improvement of such asset or (b) shares of a Subsidiary organized solely to acquire any such asset;

(iii) the assumption by our company of any Security Interest in existence on any asset at the time of acquisition thereof, including any such assumption consequent upon any amalgamation, merger, arrangement or other corporate reorganization;

(iv) our company giving a Security Interest (other than on shares or fixed assets) in the ordinary course of its business to any bank or banks or others to secure any Debt of our company that is not a Funded Obligation; or

(v) the extension, renewal or refunding of any Security Interest permitted under subparagraphs (ii) to (iv) to the extent of the principal amount of our Debt secured by and owing under any such Security Interest at the time of such extension, renewal or refunding. (Section 1007)

Modification and Waiver

Modification and amendment of the trust indenture may be made by our company and the Trustee with the consent of the Holders of not less than a majority in principal amount of all Outstanding Debt Securities that are affected by such modification or amendment; provided that no such modification or amendment may, without the consent of the Holder of each Outstanding Debt Security affected thereby, among other things;

change the Stated Maturity of, the principal of (or premium, if any), or any installment of interest on any such Debt Security;

change the time at which any Debt Security may or shall be redeemable or repayable;

reduce the principal amount or the rate of interest on or any premium payable on any Debt Security;

reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof;

Table of Contents

adversely affect any right of repayment at the option of the Holder of any such Debt Security;

change the Currency or Place of Payment of principal of, or any premium or interest on, any such Debt Security;

reduce the above-stated percentage of Holders of such Outstanding Debt Securities necessary to modify or amend the trust indenture or to consent to any waiver thereunder (including a waiver of certain defaults);

change any obligation of our company to pay Additional Amounts provided for pursuant to Section 1005 of the trust indenture, with certain exceptions; or

modify the foregoing requirements with certain exceptions. (Section 902)

The Holders of a majority in principal amount of Outstanding Debt Securities affected thereby have the right to waive compliance by our company with certain covenants. (Section 1008)

Our company and the Trustee may modify and amend the trust indenture without the consent of any Holder, for any of the following purposes:

to evidence the succession of another Person to our company as obligor under the trust indenture;

to add to the covenants of our company for the benefit of the Holders of all or any series of Debt Securities;

to add Events of Default for the benefit of the Holders of all or any series of Debt Securities;

to change or eliminate any provisions of the trust indenture, provided that any such change or elimination shall become effective only when there are no Debt Securities Outstanding of any series created prior thereto which are entitled to the benefit of such provision or any such change or elimination shall not apply to any Outstanding Debt Security;

to secure the Debt Securities pursuant to the provisions described above under Negative Pledge and Merger, Consolidation or Amalgamation, or otherwise;

to establish the form or terms of Debt Securities of any series;

to provide for the acceptance of appointment by a successor Trustee or facilitate the administration of the trusts under the trust indenture by more than one Trustee;

to cure any ambiguity, defect or inconsistency in the trust indenture, provided such action does not adversely affect the interests of Holders of Debt Securities of any series in any material respect;

to comply with any requirements of the Commission in order to effect and maintain the qualification of the trust indenture under the TIA; or

to supplement any of the provisions of the trust indenture to the extent necessary to permit or facilitate defeasance and discharge of any series of Debt Securities, provided, however, such action shall not adversely affect the interests of the Holders of any Debt Securities in any material respect. (Section 901)

The trust indenture provides that in determining whether the Holders of the requisite principal amount of Debt Securities of a series then Outstanding have given any request, demand, authorization, direction, notice, consent or waiver thereunder:

the principal amount of an Original Issue Discount Security that shall be deemed to be Outstanding shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon acceleration of the maturity thereof,

the principal amount of a Debt Security denominated in a Currency or Currencies other than U.S. dollars shall be the U.S. dollar equivalent, determined as of the date such Debt Securities were originally issued by our company, of the principal amount (or, in the case of an Original Issue Discount

Table of Contents

Security, the U.S. dollar equivalent on the issue date of such Original Issue Discount Security of the amount determined as provided in the first bullet above), and

Debt Securities owned by our company or any other obligor or affiliate of our company or such other obligor shall be disregarded and not deemed to be Outstanding. (Section 101)

Merger, Consolidation or Amalgamation

The trust indenture provides that our company may not amalgamate or consolidate with or merge into any other person or convey, transfer, sell or lease our properties and assets substantially as an entirety to any Person, unless: the Person formed by such consolidation or amalgamation or into which we are merged or the Person which acquires or leases our properties and assets substantially as an entirety is organized or existing under the laws of any Canadian, United States, United Kingdom or other country that is in the European Community jurisdiction expressly assumes our obligations on the Debt Securities and under the trust indenture, and

certain other conditions are met. (Section 801)

In addition, no such amalgamation, consolidation, merger or transfer may be made if, as a result thereof, any property or assets of our company would become subject to any mortgage or other encumbrance securing Debt, unless such mortgage or other encumbrance could be created pursuant to the provisions described under Negative Pledge above without equally and ratably securing the Debt Securities or unless the Debt Securities are secured equally and ratably with, or prior to, the Debt secured by such mortgage or other encumbrance. (Section 803)

Discharge, Defeasance and Covenant Defeasance

We may discharge certain obligations to Holders of any series of Debt Securities issued under the trust indenture which have not already been delivered to the Trustee for cancellation and which have either become due and payable or are by their terms due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the Trustee trust funds in an amount sufficient to pay the entire indebtedness on such Debt Securities for principal (and premium, if any) and interest to the date of such deposit (if such Debt Securities have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be. (Section 401)

We may, at our option and at any time, elect to have our obligations discharged with respect to the Outstanding Debt Securities of or within any series, which we refer to as defeasance. Defeasance means that we shall be deemed to have paid and discharged the entire indebtedness represented by such Outstanding Debt Securities and to have satisfied our other obligations under the trust indenture with respect to such Debt Securities, except for:

the rights of Holders of such Outstanding Debt Securities to receive solely from the trust fund described below payments in respect of the principal of (and premium, if any) and interest on such Debt Securities when such payments are due;

our obligations with respect to such Debt Securities relating to the issuance of temporary securities, the registration, transfer and exchange of the Debt Securities, the replacement of mutilated, destroyed, lost or stolen Debt Securities, the maintenance of an office or agency in the applicable Place of Payment, the holding of money for security payments in trust and with respect to the payment of Additional Amounts, if any, pursuant to Section 301 of the trust indenture;

the rights, powers, trusts, duties and immunities of the Trustee; and

the defeasance provisions of the trust indenture.

We may, at our option and at any time, elect to be released from our obligations with respect to certain covenants that are described in the trust indenture (including those described under Negative Pledge and

Table of Contents

Merger, Consolidation or Amalgamation above), and we refer to this as covenant defeasance, and any omission to comply with such obligations thereafter shall not constitute a default or an Event of Default with respect to such Debt Securities. (Sections 1401, 1402 and 1403)

In order to exercise either defeasance or covenant defeasance:

we must irrevocably deposit with the Trustee (or other qualifying trustee), in trust, for the benefit of the Holders of such Debt Securities, cash, Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of (and premium, if any) and interest on such Outstanding Debt Securities, and any mandatory sinking fund or analogous payments thereon, on the scheduled due dates therefor in the Currency in which such Debt Securities are then specified as payable at Stated Maturity;

in the case of defeasance, we shall have delivered to the Trustee an Opinion of Counsel qualified to practice law in the United States stating that (x) we have received from, or there has been published by, the Internal Revenue Service a ruling or (y) since the date of the trust indenture, there has been a change in the applicable United States Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of such Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

in the case of covenant defeasance, we shall have delivered to the Trustee an Opinion of Counsel qualified to practice law in the United States to the effect that the Holders of such Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of such covenant defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

in the case of defeasance or covenant defeasance, we shall have delivered to the Trustee an Opinion of Counsel qualified to practice law in Canada or a ruling from the Canada Customs and Revenue Agency to the effect that Holders of such Outstanding Securities will not recognize income, gain or loss for Canadian federal or provincial income tax or other tax purposes as a result of such defeasance or covenant defeasance, as applicable, and will be subject to Canadian federal or provincial income tax and other tax including withholding tax, if any, on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred; and

we have delivered to the Trustee an Opinion of Counsel to the effect that the deposit referenced in the first bullet above will not cause the Trustee or the trust so created to be subject to the U.S. Investment Company Act of 1940, as amended and that we are not an insolvent person within the meaning of the Bankruptcy and Insolvency Act (Canada) on the date of the deposit referred to in the first bullet above or at any time during the period ending on the 91st day after the date of such deposit. (Section 1404)

If, after we have deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to any Debt Securities:

the Holder of any such Debt Security is entitled to, and does, elect pursuant to the terms of such Debt Security to receive payment in a Currency other than that in which such deposit has been made in respect of such Debt Security, or

the Currency in which such deposit has been made in respect of any such Debt Security ceases to be used by its government of issuance, the indebtedness represented by such Debt Security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest,

if any, on such Debt Security as they become due out of the

15

proceeds yielded by converting the amount so deposited in respect of such Debt Security into the Currency in which such Debt Security becomes payable as a result of such election or such cessation of usage based on the applicable Market Exchange Rate. (Section 1405)

All payments of principal of (and premium, if any), and interest, if any, on any Debt Security that is payable in a Currency other than U.S. dollars that ceases to be used by its government of issuance shall be made in U.S. dollars. (Section 312)

Payment of Principal and Interest and Paying Agents

Unless otherwise specified in Section 301 of the trust indenture, principal (premium, if any) and interest, if any, on Debt Securities will be payable at an office or agency maintained by our company in New York, New York, except that at our option, interest, if any, may be paid by:

check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register, or

wire transfer to an account located in the United States or Canada maintained by the person entitled thereto as specified in the Security Register. (Sections 307, 1001 and 1002)

Payment of any installment of interest on Debt Securities will be made to the Person in whose name such Debt Security is registered at the close of business on the Regular Record Date for such interest. (Section 307)

Any Paying Agent outside the United States and any other Paying Agent in the United States initially designated by our company for the Debt Securities may be established for each series of Debt Securities. We may at any time designate additional Paying Agents or rescind the designation of any Paying Agent or approve a change in the office through which any Paying Agent acts, except that we will be required to maintain a Paying Agent in each Place of Payment for such series. (Section 1002)

Resignation of Trustee

The Trustee may resign or be removed with respect to one or more series of Debt Securities and a successor Trustee may be appointed to act with respect to such series. (Section 608) In the event that two or more persons are acting as Trustee with respect to different series of Debt Securities, each such Trustee shall be a Trustee of a trust under the trust indenture separate and apart from the trust administered by any other such Trustee (Section 609), and any action described herein to be taken by the Trustee may then be taken by each such Trustee with respect to, and only with respect to, the one or more series of Debt Securities for which it is Trustee.

Book-Entry Debt Securities

The Debt Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, a depository for a series of Debt Securities. Global Securities may be issued in either temporary or permanent form. Unless otherwise provided for a series of Debt Securities, Debt Securities that are represented by a Global Security will be issued in denominations of US\$1,000 and any integral multiple thereof or in such other denominations as may be provided for by the terms of the Debt Securities of any particular series, and will be issued in registered form only, without coupons. Payments of principal of (premium, if any) and interest on Debt Securities represented by a Global Security will be made by the Trustee to the depository or its nominee.

Governing Law

The trust indenture and the Debt Securities will be governed by, and construed in accordance with, the laws of the State of New York. The trust indenture is subject to the provisions of the Trust Indenture Legislation and shall, to the extent applicable, be governed by such provisions. (Section 111)

Table of Contents

Consent to Jurisdiction and Service

The trust indenture provides that we have designated Corporation Service Company, 2711 Centerville Road, Suite 400, Wilmington, Delaware 19805-1297, as our authorized agent for service of process in any suit, action or proceeding arising out of or relating to the trust indenture and the Debt Securities that may be instituted in any federal or state court located in the Borough of Manhattan, in The City of New York, or brought under United States federal or state securities laws or brought by the Trustee, and have irrevocably submitted to the jurisdiction of such courts. (Section 113)

Enforceability of Judgments under U.S. Laws

Since some of our assets are outside the United States, any judgment obtained in the United States against us, including any judgment with respect to the payment of interest and principal on the Debt Securities, may not be collectible within the United States.

A court of competent jurisdiction in the Province of Ontario would enforce a final and conclusive judgment *in personam* of a court sitting in the Borough of Manhattan, the City of New York, New York, which we refer to as a New York court, that is subsisting and unsatisfied respecting the enforcement of the trust indenture and the Debt Securities that is not impeachable as void or voidable under the internal laws of the State of New York for a sum certain if:

the court rendering such judgment had jurisdiction over the judgment debtor, as recognized by the courts of the Province of Ontario (and submission by our company in the trust indenture to the jurisdiction of the New York court will be sufficient for the purpose);

such judgment was not obtained by fraud or in a manner contrary to natural justice and the enforcement thereof would not be inconsistent with public policy, as such term is understood under the laws of the Province of Ontario, or contrary to any order made by the Attorney General of Canada under the Foreign Extraterritorial Measures Act (Canada);

the enforcement of such judgment does not constitute, directly or indirectly, the enforcement of foreign revenue or penal laws; and

the action to enforce such judgment is commenced within the applicable limitation period.

We believe that a monetary judgment of a United States court predicated solely upon the civil liability provisions of United States federal securities laws would likely be enforceable in Canada if the United States court in which the judgment was obtained had a basis for jurisdiction in the matter that was recognized by a Canadian court for such purposes. We cannot assure you that this will be the case. It is less certain that an action could be brought in Canada in the first instance on the basis of liability predicated solely upon such laws.

The obligations of the underwriters to purchase such Debt Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all the Debt Securities of the series offered through the applicable prospectus supplement if any of such Debt Securities are purchased. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

We may agree to pay the underwriters a commission for various services relating to the issue and sale of the Debt Securities offered hereby.

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREEES OR PURCHASERS

Indemnification of Directors and Officers

Under the Business Corporations Act (Ontario), The Thomson Corporation (the Company) may indemnify a present or former director or officer or a person who acts or acted at the Company's request as a director or officer of another corporation of which the Company is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the Company or such other corporation and provided that the director or officer acted honestly and in good faith with a view to the best interests of the Company, and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, such director or officer had reasonable grounds for believing that his or her conduct was lawful. Such indemnification may be made in connection with an action by or on behalf of the Company or such other corporation to procure a judgment in its favor only with court approval. A director or officer is entitled to indemnification from the Company as a matter of right if he or she was substantially successful on the merits in his or her defense of the action or proceeding and fulfilled the conditions set forth above.

The by-laws of the Company provide that the Company shall indemnify a director or officer, a former director or officer or a person who acts or acted at the Company's request as a director or officer of a body corporate of which the Company is or was a shareholder or creditor, and the heirs and legal representatives of such a person against all costs, charges, expenses and liabilities incurred while carrying out such acts, except as prohibited by law.

The by-laws of the Company further provide that the Company may, to the extent permitted by the Business Corporations Act (Ontario), purchase and maintain insurance for the benefit of any director or officer, a former director or officer or a person who acts or acted at the Company's request as a director or officer of a body corporate of which the Company is or was a shareholder or creditor.

A contractual indemnity is provided by The Woodbridge Company Limited, the Company's principal shareholder, which indemnifies, subject to certain exclusions, directors and officers for losses as a result of claims against the directors and officers of the Company in their capacity as directors and officers and also reimburses the Company for payments made pursuant to the indemnity provided by the Company pursuant to the Business Corporations Act (Ontario) and the by-laws of the Company.

In addition, the Company has entered into agreements with each of its directors which indemnify them to the maximum extent permitted by law.

Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.
