**Current Report**

**December 22, 2006**

**Section 5 Corporate Governance and Management**

**Item 5.02(e) Compensatory Arrangements of Certain Officers**

On December 19, 2006, the Compensation Committee of the Board of Directors (the Committee) of Cambrex Corporation (Cambrex or the Company) approved new retention programs designed to enhance employee retention following consummation of the sale of the Company's Bioproducts and Biopharma businesses to Lonza Group Limited and certain of its subsidiaries, which transaction was previously announced by the Company in its Current Report on Form 8-K filed with the Securities and Exchange Commission on October 24, 2006 (the Transaction).

One of the retention programs adopted by the Committee covers certain executive officers of the Company, including Mr. Steven M. Klosk, Executive Vice President, Mr. Luke M. Beshar, Executive Vice President and Chief Financial Officer and Mr. Paolo Russolo, President Cambrex Profarmaco Business Unit, who are each named executive officers of the Company (the Executive Officer Program). Pursuant to this program, the Committee approved a pool of \$1.5 million, subject to a 15% increase or decrease in the size of such pool as determined by the Company's Chief Executive Officer. Individual awards granted pursuant to this program, which are at the discretion of the Company's Chief Executive Officer, have not been determined at this time and are subject to the consummation of the Transaction.

**Section 8 Other Events**

**Item 8.01 Other Events**

In addition to the Executive Officer Program, the Committee approved two other retention programs in order to enhance the Company's ability to retain employees following consummation of the Transaction.

The first program covers key employees including certain executive officers, but does not include any named executive officer. Pursuant to this program, the Committee approved a pool of \$1.465 million, subject to a 15% increase or decrease in the size of such pool as determined by the Company's Chief Executive Officer.

The second program covers certain employees and officers that are performing transition services in connection with the Transaction, but does not include any named executive officer. Pursuant to this program, the Committee approved a pool of \$1.465 million, subject to a 15% increase or decrease in the size of such pool as determined by the Company's Chief Executive Officer.

---

Individual awards granted pursuant to either of these programs, which are at the discretion of the Company's Chief Executive Officer, have not been determined at this time and are subject to the consummation of the Transaction.
