**Item 8.01 Other Events.**

On September 24, 2009, Enterprise Products Partners L.P. (the Partnership or Enterprise ), Enterprise Products OLPGP, Inc. ( OLPGP ) and Enterprise Products Operating LLC ( EPO ) entered into an underwriting agreement (the Underwriting Agreement ) with J.P. Morgan Securities Inc., Banc of America Securities LLC, Morgan Stanley & Co. Incorporated, BNP Paribas Securities Corp. and Mizuho Securities USA Inc., as representatives of the several underwriters named on Schedule I thereto (the Underwriters ), relating to the public offering of \$500,000,000 principal amount of EPO s 5.25% Senior Notes due 2020 (the 2020 Notes ) and \$600,000,000 principal amount of EPO s 6.125% Senior Notes due 2039 (the 2039 Notes, and together with the 2020 Notes, the Notes ). The Notes are guaranteed on an unsecured and unsubordinated basis by the Partnership (the Guarantee, and together with the Notes, the Securities ). Closing of the issuance and sale of the Securities is scheduled for October 5, 2009.

The offering of the Securities has been registered under the Securities Act of 1933, as amended (the Securities Act ), pursuant to a Registration Statement on Form S-3 (Registration Nos. 333-145709 and 333-145709-01) (the Registration Statement ), as supplemented by the Prospectus Supplement dated September 24, 2009 relating to the Securities, filed with the Securities and Exchange Commission ( Commission ) pursuant to Rule 424(b) of the Securities Act (together with the accompanying prospectus dated August 7, 2007, the Prospectus ).

The Underwriting Agreement provides that the obligations of the Underwriters to purchase the Notes are subject to approval of legal matters by counsel and other customary conditions. The Underwriters are obligated to purchase all the Notes if they purchase any of the Notes. The Partnership, EPO and EPO s general partner have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities. The Underwriting Agreement contains other customary representations, warranties and agreements. The summary of the Underwriting Agreement in this report does not purport to be complete and is qualified by reference to such agreement, which is filed as an exhibit hereto and incorporated herein by reference. The Underwriting Agreement contains representations, warranties and other provisions that were made or agreed to, among other things, to provide the parties thereto with specified rights and obligations and to allocate risk among them. Accordingly, the Underwriting Agreement should not be relied upon as constituting a description of the state of affairs of any of the parties thereto or their affiliates at the time it was entered into or otherwise.

The Prospectus provides that EPO will use net proceeds from the offering (i) to repay \$500.0 million in aggregate principal amount of its senior notes due October 2009 at maturity, (ii) to temporarily reduce borrowings outstanding under its multi-year revolving credit facility and (iii) for general company purposes. The Partnership expects to use some of the increased availability under the multi-year revolving credit facility to repay and terminate indebtedness under the credit facility of TEPPCO Partners, L.P. ( TEPPCO ) upon the consummation of the merger with TEPPCO, and to finance capital expenditures and other growth projects. Affiliates of the Underwriters are lenders under EPO s multi-year revolving credit facility and, accordingly, will receive a substantial portion of the proceeds from the offering of Notes. In addition, from time to time the Underwriters engage in transactions with the Partnership and its affiliates in the ordinary course of business. The Underwriters have performed investment banking services for the Partnership and its affiliates in the last two years and have received fees for these services.

The Securities are being issued under the Indenture, dated as of October 4, 2004 (the Indenture ), among EPO (as successor to Enterprise Products Operating L.P.), as issuer, the Partnership, as guarantor, and Wells Fargo Bank, N.A., as trustee, (collectively, as amended and supplemented by the Tenth Supplemental Indenture, dated as of June 30, 2007, providing for EPO as successor issuer, the Base Indenture ) as amended by the Sixteenth Supplemental Indenture thereto (the Supplemental Indenture ). The terms of the Securities and the Supplemental Indenture are further described in the Prospectus Supplement under the captions Description of the Notes and Description of Debt Securities, which descriptions are incorporated herein by reference and filed herewith as Exhibit 99.2. Such descriptions do not purport to be complete and are qualified by reference to the Base Indenture, which is filed as an exhibit hereto and incorporated herein by reference and the Supplemental Indenture, which will be filed upon execution thereof.

On September 24, 2009, the Partnership issued a press release relating to the public offering of the Notes contemplated by the Underwriting Agreement. A copy of the press release is furnished herewith as Exhibit 99.1.
