**ITEM 7.01 Regulation FD Disclosure**

On December 17, 2009, Pentair, Inc. (the Company) issued a press release affirming fourth quarter and full year 2009 earnings per share (EPS) guidance and introducing 2010 EPS guidance. A copy of the release is furnished herewith as Exhibit 99.1 and incorporated herein by reference.

This press release refers to certain non-GAAP financial measures (adjusted income from continuing operations and adjusted earnings per share). A reconciliation of those non-GAAP financial measures to the corresponding financial measures contained in the Company's financial statements prepared in accordance with generally accepted accounting principles is included in Pentair's October 20, 2009 press release furnished as Exhibit 99.1 on Form 8-K filed on October 20, 2009. Management utilizes these adjusted financial measures to assess the run-rate of its continuing operations against those of prior periods without the distortion of certain factors. The Company believes that these non-GAAP financial measures will be useful to investors as well to assess the continuing strength of the Company's underlying operations in light of the downturn in global markets.

The information contained in Item 7.01 of this Current Report shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into a filing under the Securities Act of 1933, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
