LIFE TECHNOLOGIES CORPORATION

Overview

Life Technologies Corporation is a global biotechnology tools company dedicated to improving the human condition. Our systems, consumables and services enable researchers to accelerate scientific exploration, leading to discoveries and developments that better the quality of life.

On November 21, 2008, Invitrogen Corporation, a predecessor company to Life Technologies, completed the acquisition of Applied Biosystems, Inc. to form a new company called Life Technologies Corporation. Life Technologies employs approximately 9,000 people, has a presence in more than 160 countries, and possesses a rapidly growing intellectual property estate of approximately 3,900 patents and exclusive licenses.

We deliver a broad range of products and services, including systems, instruments, reagents, and custom services. Our growing portfolio of products includes innovative technologies for capillary electrophoresis based sequencing, next generation sequencing, mass spectrometry, sample preparation, cell culture, RNA interference analysis, functional genomics research, proteomics and cell biology applications, as well as clinical diagnostic applications and water testing analysis. We also give our customers convenient purchasing options through our 3,000 sales and service professionals, e-commerce capabilities and onsite supply center solutions.

In early 2003, we embarked upon a strategy to complete our product offerings by way of acquired and internally developed technologies. Since that time, we have expanded our overall size and breadth of the products offered by completing over fifteen acquisitions, including the 2009 acquisition of BioTrove, Inc. (also referred to as BioTrove), the 2008 acquisition of CellzDirect Inc. and Visigen Biotechnologies, Inc, the 2007 acquisition of Cascade Biologics, Inc. and Genomed GmbH, the 2006 acquisition of Sentigen Holding Corp. and the asset purchase of Xcyte Therapies, Inc., and the 2005 acquisitions of Dynal Biotech Holding AS, BioSource International, Inc., Caltag Laboratories and Zymed Laboratories, Inc. We have also acquired a number of other companies over the past several years. In 2007, we sold the BioReliance Corporation.

On January 29, 2010 we completed the sale of our mass spectrometry business to Danaher Corporation for \$450.0 million in cash, subject to a conventional working capital adjustment.

We began operations as a California partnership in 1987 and incorporated in California in 1989. In 1997, we reincorporated as a Delaware corporation. Our principal offices are located at 5791 Van Allen Way in Carlsbad, California 92008 and our phone number is (760) 603-7200. Our website address is <http://www.lifetechnologies.com>. USE OF PROCEEDS

We are not selling any securities under this prospectus and will not receive any proceeds from sales of the shares of common stock sold from time to time under this prospectus by the selling stockholders.

SELLING STOCKHOLDERS

This prospectus relates to the offer and sale from time to time by the holders of up to 2,370,586 shares of our common stock. Of these shares of our common stock, 692,509 were issued in connection with the closing of our acquisition of BioTrove pursuant to the agreement and plan of merger between us, Boxster Acquisition Corporation, BioTrove and Biocius Holdings, LLC as Sellers Representative, dated as of November 10, 2009, which we refer to as the Merger Agreement, and an additional 1,718 were issued pursuant to a post-closing working capital adjustment provision contained in the Merger Agreement. Upon the completion of this acquisition on December 15, 2009, pursuant to the Merger Agreement, Boxster Acquisition Corporation merged with and into BioTrove, followed by the merger of BioTrove with and into a wholly-owned subsidiary of our company, through which BioTrove became a wholly-owned subsidiary of our company. The selling stockholders named in the table below, who are accredited former stockholders of BioTrove, received the shares of our common stock offered hereby as consideration for their holdings in BioTrove. As described below, all or a portion of the remaining 1,676,359 shares of our common stock to which this prospectus relates may be issued to such former stockholders of BioTrove pursuant to an earn-out provision contained in such agreement.

Pursuant to the terms of the Merger Agreement, we are required to make earn-out payments to the selling stockholders if cumulative revenue related to the sale of certain assets acquired in connection with the merger exceeds a specified amount during the three-year period commencing upon the closing of the acquisition. A portion of any earn-out payment is to be made in shares of our common stock. If the maximum earn-out is achieved, the number of shares of our common stock issuable in respect of the earn-out will be 1,676,359 shares.

All shares issued, or to be issued, in connection with the acquisition will be valued based upon the closing price of a share of our common stock on the Nasdaq Global Select Market on November 9, 2009, the day immediately preceding the execution of the Merger Agreement, which was \$49.87.

Each accredited selling stockholder is entitled to receive a pro rata share of any earn-out payment based upon their prior holdings of BioTrove's capital stock. The shares of our common stock representing the earn-out payment are not listed in the selling stockholder table below. Shares of our common stock that may be issued pursuant to the earn-out, if any, will be listed in a prospectus supplement when and if such shares are issued by us to the selling stockholders.

The shares of our common stock offered pursuant to this prospectus were, or will be, issued to the selling stockholders in transactions that were, or will be, exempt from the registration requirements of the Securities Act.

As used in this prospectus, the term selling stockholder includes each of the selling stockholders listed below, and any donees, pledges, transferees or other successors in interest selling shares received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other non-sale related transfer. Beneficial ownership is determined in accordance with Rule 13d-3(d) promulgated by the Commission under the Exchange Act.

The selling stockholders listed in the table below may offer and sell, pursuant to this prospectus, any or all of such shares of our common stock owned by them and offered hereby in accordance with one or more of the methods of distribution described under the caption Plan of Distribution.

Pursuant to the Merger Agreement, we also agreed to file a registration statement, of which this prospectus is a part, with the Commission to register the shares of our common stock we issued (or will issue) in connection with the acquisition and to keep the registration statement continuously effective until the earlier of (a) such time as all such shares covered by this prospectus have been disposed of pursuant to and in accordance with the registration

statement or (b) the date on which the shares may be sold pursuant to Rule 144 of the Securities Act of 1933, as amended, or the Securities Act, without volume or manner of sale restrictions.

The following table sets forth information with respect to each selling stockholder, the number of shares of our common stock owned by such selling stockholder and the number of shares of our common stock owned by such selling stockholder that may be sold pursuant to this prospectus. Because each selling stockholder may sell all or some of such stockholder's shares of our common stock from time to time under this prospectus, no estimate can be given at this time as to the number of shares of our common stock that will be held by a particular selling stockholder following any particular sale of our common stock by such selling stockholder. Changes in the information concerning the selling stockholders, including as a result of the making of any earn-out payments pursuant to the Merger Agreement, will be set forth in supplements to this prospectus when and if necessary. As of December 31, 2009, there were 180,068,609 shares of our common stock outstanding.

Stockholder	Shares of Common Stock Beneficially Owned Prior to the Offering	Number of Outstanding Shares Being Offered	Shares of Common Stock Beneficially Owned After the Offering

PLAN OF DISTRIBUTION

We are registering the shares of common stock issued to the selling stockholders to permit the resale of these shares of common stock by the holders of the shares of common stock from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling stockholders of the shares of common stock. We will bear all fees and expenses incident to our obligation to register the shares of common stock.

The selling stockholders, which as used herein includes donees, pledgees, transferees or other successors in interest selling shares received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when disposing of shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales effected after the effective date the registration statement of which this prospectus is a part;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus. The selling stockholders are not obligated to, and there is no assurance that the selling stockholders will, sell all or any of the shares we are registering. The selling stockholders may transfer, devise or gift such shares by other means not described in this prospectus.

In connection with the sale of our shares, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction to the extent required by law).

Edgar Filing: Life Technologies Corp - Form S-3ASR

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not

Table of Contents

expect these commissions and discounts to exceed what is customary in the types of transactions involved. Any profits on the resale of shares by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by a selling stockholder. The selling stockholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the shares against certain liabilities, including liabilities arising under the Securities Act.

The Company is required to pay certain fees and expenses incurred incident to the registration of the shares. The Company has agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

The selling stockholders, broker-dealers or agents that participate in the sale of the common stock may be underwriters within the meaning of Section 2(11) of the Securities Act in connection with such sales. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts or commissions under the Securities Act. Selling stockholders who are underwriters within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act. There is no underwriter or coordinating broker acting in connection with the proposed sale of the shares by the selling stockholders.

The selling stockholders may from time to time pledge or grant a security interest in some or all of the shares owned by them and, if they default in the performance of any of their secured obligations, the pledgees or secured parties may offer and sell the shares from time to time under this prospectus as it may be supplemented from time to time, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

To the extent required, the shares to be sold, the names of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealers or underwriters, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with as part of such sale.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed with the selling stockholders to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (1) such time as all of the shares covered by this prospectus have been disposed of pursuant to and in accordance with the registration statement, or (2) the date on which the shares may be sold pursuant to Rule 144 of the Securities Act without volume or manner of sale restrictions.

Item 15. *Indemnification of Directors and Officers.*

Section 145(a) of the General Corporation Law of the State of Delaware (Delaware Corporation Law) provides, in general, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise. Such indemnity may be against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and if, with respect to any criminal action or proceeding, the person did not have reasonable cause to believe the person's conduct was unlawful.

Section 145(b) of the Delaware Corporation Law provides, in general, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise, against any expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145(g) of the Delaware Corporation Law provides, in general, that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise, against any liability asserted against the person in any such capacity, or arising out of the person's status as such, regardless of whether the corporation would have the power to indemnify the person against such liability under the provisions of the law. Life Technologies has obtained liability insurance for the benefit of its directors and officers.

The restated certificate of incorporation of Life Technologies provides that, to the fullest extent that the Delaware Corporation Law as from time to time in effect permits the limitation or elimination of the liability of

directors, no director of Life Technologies shall be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director.

In addition, Life Technologies has entered into indemnification agreements with each of its executive officers and directors containing provisions that may require Life Technologies, among other things, to indemnify those officers and directors against liabilities that may arise by reason of their status or service as officers or directors. The agreements also provide for Life Technologies to advance to the officers and directors expenses that they expect to incur as a result of any proceeding against them as to which they could be indemnified. Life Technologies also intends to execute such agreements with its future directors and executive officers.

These indemnification provisions may be sufficiently broad to permit indemnification of Life Technologies' officers, directors and other corporate agents for liabilities (including reimbursement of expenses incurred) arising under the Securities Act of 1933, as amended.

The foregoing is only a general summary of certain aspects of Delaware Corporation Law and Life Technologies' restated certificate of incorporation dealing with indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of Section 145 of the Delaware Corporation Law and Life Technologies' restated certificate of incorporation.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement; *provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) The undersigned Registrant hereby further undertakes that, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of, and included in, the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act, and will be governed by the final adjudication of such issue.
