Letter Agreement Regarding Employment Contracts

On March 31, 2010, Corrections Corporation of America (the Company) entered into letter agreements with each of its executive officers who are currently party to employment agreements. The letter agreement provides for certain changes to the change in control provisions of the executive officers' employment agreements. First, the letter agreement eliminates the modified single trigger element of the provisions, which formerly allowed the executive officer to receive specified payments upon his resignation for any reason following a change in control. Now, only a termination without cause by the Company or a resignation by the executive officer following a material reduction in the executive officer's duties, powers, compensation or authority will provide the basis for receiving specified payments following a change in control. In addition, the letter agreement provides that the definition of change in control in the employment agreement is amended to conform to the definition contained in the Company's 2008 Stock Incentive Plan, such that the agreements will now provide that the consummation of a specified transaction by the Company (and not just stockholder approval thereof) will constitute a change in control.
