Dear Shareholder:

I would like to extend an invitation for you to join us at our annual meeting of shareholders on Friday, June 4, 2010 at 11:00 a.m. at the Thomasville Municipal Auditorium in Thomasville, Georgia.

At this year's meeting, you will vote to:

elect four director-nominees to serve for a term of three years and one director-nominee to serve for a term of two years; and

ratify PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal year 2010.

In addition, Flowers Foods' senior management team will report on the performance of the company and respond to questions from shareholders.

This year the company is implementing the Securities and Exchange Commission Notice and Access rule that permits companies to send their shareholders a Notice that proxy materials are available in electronic form on the Internet or in printed form by request instead of mailing a printed proxy statement and annual report to every shareholder. By utilizing Notice and Access, we are able to speed delivery of the proxy materials, lower our distribution costs and reduce the environmental impact of proxy delivery. On April 21, 2010, we mailed to our shareholders a notice that contains instructions on how to access our 2010 proxy statement and annual report and vote online or to affirmatively elect to receive the proxy materials by mail.

Please carefully review the proxy materials. Your vote is important to us and to our business. **Please also be aware that under a new rule of the New York Stock Exchange that became effective this year, if you hold your shares of Flowers Foods common stock in a bank or brokerage account, your bank or broker will no longer be able to vote your shares for the election of the director-nominees without specific instructions from you. You will need to vote your own shares.**

I encourage you to vote using telephone or Internet voting prior to the annual meeting, so that your shares of Flowers Foods common stock will be represented and voted at the annual meeting even if you cannot attend. If you elected to receive paper copies of the proxy materials by mail, you may vote by signing, dating and mailing the proxy card in the envelope provided.

I hope to see you in Thomasville.

George E. Deese
*Chairman of the Board and
Chief Executive Officer*

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD
JUNE 4, 2010**

This proxy statement and the accompanying form of proxy are being furnished to the shareholders of Flowers Foods, Inc. on or about April 21, 2010 in connection with the solicitation of proxies by our board of directors for use at the annual meeting of shareholders to be held on June 4, 2010 at 11:00 a.m. Eastern Time at the Thomasville Municipal Auditorium, 144 East Jackson Street, Thomasville, Georgia, and any adjournment or postponement of the meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the annual meeting?

At the annual meeting, shareholders will:

vote to elect four nominees as directors of the company to serve for a term of three years and one nominee as director of the company to serve for a term of two years;

vote on the ratification of the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm for Flowers Foods for the fiscal year ending January 1, 2011; and

transact any other business that may properly come before the meeting and any adjournment or postponement of the meeting.

In addition, Flowers Foods' senior management team will report on the performance of the company and respond to questions from shareholders.

How does the board of directors recommend that I vote on each proposal?

The board of directors recommends that you vote **FOR**:

the election of one director-nominee to serve as a Class II director until 2012;

the election of the four director-nominees to serve as Class III directors until 2013; and

the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 1, 2011.

What is a proxy?

A proxy is your legal designation of another person to vote the shares of Flowers Foods common stock you own as of the record date for the annual meeting. If you appoint someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated three of our executive officers as proxies for the annual meeting. These three officers are George E. Deese, our chairman of the board and chief executive officer, R. Steve Kinsey, our executive vice president and chief financial officer and Stephen R. Avera, our executive vice president,

secretary and general counsel.

Are the proxy materials available electronically?

Yes. Under Securities and Exchange Commission rules, Flowers Foods is making this proxy statement and its 2009 annual report available to its shareholders electronically via the Internet at www.proxyvote.com. On April 21, 2010, we mailed to our shareholders a Notice containing instructions on how to access this proxy statement and our 2009 annual report online. If you received a Notice by mail, you will not receive a printed copy of the proxy

Table of Contents

materials in the mail. Rather, the Notice instructs you on how to access and review all of the important information contained in the proxy statement and annual report on the Internet. The Notice also instructs you on how you may submit your proxy vote over the Internet.

If you received a Notice by mail but would like to receive a printed copy of the proxy statement and 2009 annual report, please follow the instructions for requesting such materials contained on the Notice.

Who can vote?

To be eligible to vote, you must have been a shareholder of record of the company's common stock at the close of business on April 1, 2010, which is the record date for the annual meeting. There were 91,729,922 shares of our common stock outstanding and entitled to vote on the record date.

How many votes do I have?

With respect to each matter to be voted upon at the annual meeting, you are entitled to one vote for each share of common stock you held on the record date for the annual meeting. For example, if you owned 100 shares of our common stock on the record date, you would be entitled to 100 votes for each matter to be voted upon at the annual meeting.

How do I vote?

You can vote in the following ways:

Voting by Mail. If you elect to receive your proxy materials by mail, you may vote by completing and signing the enclosed proxy card and promptly mailing it in the enclosed postage-paid envelope. The envelope does not require additional postage if you mail it in the United States.

Internet Voting. If you have Internet access, you may vote your shares from any location in the world at www.proxyvote.com by following the instructions set forth on the Notice or the proxy card.

Telephone Voting. You may authorize the voting of your shares by following the Vote by Telephone instructions set forth on the proxy card.

Vote at the Meeting. If you attend the annual meeting and you are a registered shareholder, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot, which will be available at the annual meeting. If your shares are held in street name through a broker, bank or other record holder, to be eligible to vote your shares in person, you must obtain a legal proxy from your bank, broker or agent that specifies the number of shares you owned on the record date and bring the legal proxy with you to the annual meeting.

By executing and returning your proxy (either by returning the proxy card or by submitting your proxy electronically via the Internet or by telephone), you appoint George E. Deese, R. Steve Kinsey and Stephen R. Avera to represent you at the annual meeting and to vote your shares at the annual meeting in accordance with your voting instructions. The Internet and telephone voting procedures are designed to authenticate shareholder identities, to allow shareholders to give voting instructions and to confirm that shareholders' instructions have been recorded properly. Any shareholder voting by Internet should understand that there may be costs associated with electronic access, like usage charges from Internet access and telephone or cable service providers, that must be paid by the shareholder.

If I am a registered holder, what if I do not give any instructions on a particular matter described in this proxy statement when voting by mail?

Registered shareholders should specify their choice for each matter on the proxy card. If no specific instructions are given, proxies that are signed and returned will be voted **FOR** the election of each director-nominee and each matter to be voted on at the annual meeting.

Table of Contents

Can I change my vote after I have mailed my proxy card or after I have authorized the voting of my shares over the Internet or by telephone?

Yes. You can change your vote and revoke your proxy at any time before the polls close at the annual meeting by doing any one of the following things:

Signing and delivering to our corporate secretary another proxy with a later date;

Giving our corporate secretary a written notice before or at the annual meeting that you want to revoke your proxy; or

Voting in person at the annual meeting.

Your attendance at the annual meeting alone will not revoke your proxy.

How do I vote my 401(k) shares?

If you participate in the Flowers Foods, Inc. 401(k) Retirement Savings Plan and you received the Notice, you may vote by internet or telephone as previously described in this proxy statement. Alternatively, you may elect to receive your proxy materials by mail by calling the number on the Notice and vote by signing and returning your proxy card or by Internet or telephone as previously described in this proxy statement. By voting, you will direct Mercer Trust Company, the Trustee of the 401(k) plan, how to vote the Flowers Foods, Inc. common shares allocated to your account. Any unvoted or unallocated shares will be voted by the Trustee in the same proportion on each proposal as the Trustee votes the shares of stock credited to the 401(k) plan participants' accounts for which the Trustee receives voting directions from the 401(k) plan participants. The number of shares you are eligible to vote is based on your balance in the 401(k) plan on the record date for the annual meeting.

Can I vote if my shares are held in street name by a bank or broker?

If your shares are held in street name through a broker, bank or other holder of record, you will receive instructions from the registered holder that you must follow in order for your shares to be voted for you by that record holder. Telephone and Internet voting is also offered to shareholders who own their Flowers Foods shares through certain banks and brokers. Under a new rule of the New York Stock Exchange that became effective this year, banks and brokers may no longer exercise discretionary voting authority for the election of the director-nominees. Therefore, it is important that you follow the voting instructions sent to you by the registered holder of your shares held in street name if you want your vote to be counted.

What constitutes a quorum?

The holders of at least a majority of the shares of our common stock entitled to vote at the annual meeting are required to be present in person or by proxy to constitute a quorum for the transaction of business.

Abstentions and broker non-votes will be counted as present in determining whether the quorum requirement is satisfied but will not be included in vote totals and will not affect the outcome of the vote. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal pursuant to discretionary authority or instructions from the beneficial owner, but does not vote on another proposal because the nominee has not received instruction from the beneficial owner and does not have discretionary power. The aggregate number of votes cast by

all shareholders present in person or represented by proxy at the meeting, whether those shareholders vote for or against the proposals, will be counted for purposes of determining the minimum number of affirmative votes required for approval of the proposals, and the total number of votes cast for each of these proposals will be counted for purposes of determining whether sufficient affirmative votes have been cast.

What vote is required for each matter to be voted upon at the annual meeting?

Once a quorum has been established, with respect to the election of Directors (Proposal I), the four director-nominees in Class III and the one director-nominee in Class II receiving the highest number of votes cast at the annual meeting will be elected, regardless of whether that number represents a majority of the votes cast. The

Table of Contents

affirmative vote of the holders of a majority of the shares of our common stock present at the meeting in person or by proxy is required to ratify the appointment of our independent auditors for fiscal 2010 (Proposal II).

Will any other business be conducted at the annual meeting or will other matters be voted on?

At this time, our board of directors does not know of any other business to be brought before the meeting, but if any other business is properly brought before the meeting, the persons named as proxies, Messrs. Deese, Kinsey and Avera, will exercise their judgment in deciding how to vote or otherwise act at the annual meeting with respect to that matter or proposal.

Where can I find the voting results from the annual meeting?

We will report the voting results on Form 8-K, which we expect to file with the Securities and Exchange Commission (SEC) on or before June 10, 2010.

How and when may I submit a shareholder proposal for the 2011 annual meeting?

For information on how and when you may submit a shareholder proposal for the 2011 annual meeting, please refer to the section entitled Shareholder Proposals in this proxy statement.

Who pays the costs of soliciting proxies?

We will pay the cost of soliciting proxies. We have engaged Georgeson Shareholder Communications, Inc. to assist in the solicitation of votes for a fee of \$10,000, plus out-of-pocket expenses. In addition, our directors and officers may solicit proxies in person, by telephone or facsimile but will not receive additional compensation for these services. Brokerage houses, nominees, custodians and fiduciaries will be requested to forward soliciting material to beneficial owners of stock held of record by them, and we will reimburse those persons for their reasonable expenses in doing so.

How can I obtain an Annual Report on Form 10-K?

The notice of the annual meeting, the proxy statement and the Annual Report are available on the Internet at www.proxyvote.com You may also receive a copy of the annual report free of charge by sending a written request to Flowers Foods, Inc., 1919 Flowers Circle, Thomasville, Georgia 31757, Attention: Investor Relations Department.

If you elected to receive your proxy materials by mail, a copy of Flowers Foods Annual Report, which includes our Form 10-K and our financial statements for the fiscal year ended January 2, 2010, is included in the mailing of this proxy statement.

The Annual Report does not form any part of the material for the solicitation of proxies.

Can I elect to receive future Notices and proxy materials electronically?

Those shareholders signing up for this service will receive all future proxy materials, including the Notice, proxy statement and annual report electronically.
