REPORT OF INDEPENDENT AUDITORS

To the Board of Directors and Shareholders of
PS Business Parks, Inc.

We have audited the accompanying statement of certain revenue and certain operating expenses (as defined in Note 1) of the Shady Grove Executive Center (the Property), for the year ended December 31, 2009. The statement of certain revenue and certain operating expenses is the responsibility of the Property s management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of certain revenue and certain operating expenses is free of material misstatement. We were not engaged to perform an audit of the Property s internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement, assessing the accounting principles used, and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of certain revenue and certain operating expenses of the Property were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in the current report on Form 8-K of PS Business Parks, Inc. as described in Note 1, and are not intended to be a complete presentation of the revenue and expenses of the Property.

In our opinion, the statement of certain revenue and certain operating expenses referred to above presents fairly, in all material respects, the certain revenue and certain operating expenses, as defined above of the Shady Grove Executive Center for the year ended December 31, 2009, in conformity with U.S. generally accepted accounting principles.

SHADY GROVE EXECUTIVE CENTER

Notes to Statements of Certain Revenue and Certain Operating Expenses

1. Background and Basis for Presentation

The accompanying statements of certain revenue and certain operating expenses consist of the accounts of the Shady Grove Executive Center (the Property) located in Rockville, Maryland, and acquired by PS Business Parks, Inc. (PSB), through its operating partnership, PS Business Parks, L.P. (PSB and PS Business Parks, L.P. are collectively referred to as the Company), on March 16, 2010 for \$60.0 million. In connection with the purchase, the Company received a \$1.6 million credit for committed tenant improvements and leasing commissions. The statements have been prepared in order to comply with Rule 3-14 of Regulation S-X, Special instructions for real estate operations to be acquired and are prepared on an accrual basis of accounting.

The statements of certain revenue and certain operating expenses include only the accounts and activities of the Property. Items that are not comparable to the future operations of the Property have been excluded. Such items include depreciation, amortization of above-market and below-market leases values, payroll expenses, management fees and interest expense.

The Company has evaluated subsequent events through October 7, 2010, the date of issuance of these statements.

2. Summary of Significant Accounting Policies

Revenue Recognition

The Property leases space to tenants for which they charge minimum rents and receive reimbursement for certain operating expenses. The leases are accounted for as operating leases and are non-cancelable with varying terms and expiration dates. Rental income is recognized on a straight-line basis over the terms of the leases. Straight-line rental income of \$300,000 and \$494,000 was recognized for the six months ended June 30, 2010 and for the year ended December 31, 2009, respectively. Recoveries from tenants are recognized as income in the period the applicable costs are accrued.

Certain Operating Expenses

Certain operating expenses include costs paid or incurred by the owners for maintaining, operating and repairing the operating properties. This includes, among others, utilities, repairs and maintenance and real estate taxes.

Use of Estimates

The preparation of the statements of certain revenue and certain operating expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statements of certain revenue and certain operating expenses and accompanying notes. Actual results could differ from those estimates.

Interim Statements

The interim financial data for the six months ended June 30, 2010 is unaudited; however, in the opinion of the management of the Company, the interim data includes all adjustments, consisting only of normal recurring adjustments, necessary for a fair statement of the results for the interim period. The results for the interim period presented are not necessarily indicative of the results for the full year.

Table of Contents**3. Leasing Arrangements**

All leases are classified as operating leases and expire at various dates through 2020. The following is a schedule of future minimum rent revenues on non-cancelable operating leases in effect as of June 30, 2010 (in thousands, unaudited):

July 1, 2010 through December 31, 2010	\$ 3,570
2011	6,814
2012	6,279
2013	5,918
2014	2,228
Thereafter	10,960
Total	\$ 35,769

Leases generally require reimbursement of the tenant's proportional share of common area, real estate taxes and other operating expenses, which are excluded from the amounts above.

4. Tenant Concentrations

For the six months ended June 30, 2010 (unaudited) and the year ended December 31, 2009, two tenants represented approximately 63% of the Property's total revenue.

5. Commitments and Contingencies

The Property currently is neither subject to any material litigation nor, to management's knowledge, is any material litigation currently threatened against the Property other than routine litigation and administrative proceedings arising in the ordinary course of business.

The statement of certain revenue and certain operating expenses is the responsibility of the Property s management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

The following unaudited pro forma consolidated financial statements were prepared to reflect the acquisition of real estate facilities by PS Business Parks, Inc. (PSB), through its operating partnership, PS Business Parks, L.P. (PSB and PS Business Parks, L.P. are collectively referred to as the Company).

The Company acquired Shady Grove Executive Center, a 350,000 square foot multi-tenant office business park located in Rockville, Maryland, for \$60.0 million on March 16, 2010. In connection with the purchase, the Company received a \$1.6 million credit for committed tenant improvements and leasing commissions. In connection with the purchase, the Company received a \$256,000 credit for committed tenant improvements. The Company is not affiliated with the sellers and the purchase prices were established through arm s length negotiations. Both acquisitions were funded with the Company s existing cash balances.

A pro forma consolidated balance sheet at June 30, 2010 has not been included since our historical balance sheet at June 30, 2010 gives effect to the acquisitions of the Shady Grove Executive Center and the Austin Portfolio.

The pro forma consolidated statements of income for the six months ended June 30, 2010 and the year ended December 31, 2009 have been prepared assuming the acquisitions of the Shady Grove Executive Center and Austin Portfolio occurred as of January 1, 2009. The results of operations are based on historical operating results.

The pro forma adjustments are based upon available information and upon certain assumptions as set forth in the notes to the pro forma consolidated financial statements that the Company believes are reasonable in the circumstances. The pro forma consolidated financial statements and accompanying notes should be read in conjunction with the historical financial statements of the Company and other documents filed with the Securities and Exchange Commission (such as Form 8-K s which reference property acquisitions) from time to time. The following pro forma consolidated financial statements do not purport to represent what the Company s results of operations would actually have been if the transaction had in fact occurred on the dates or at the beginning of the periods indicated or to project the Company s results of operations for any future date or period.
