EMPLOYEES' SAVINGS & INCENTIVE PLAN AND EMPLOYEE STOCK OWNERSHIP PLAN OF CONSUMERS ENERGY COMPANY

FINANCIAL STATEMENTS AS OF DECEMBER 31, 2001 AND 2000
TOGETHER WITH AUDITORS' REPORT

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Employees' Savings & Incentive Plan and Employee Stock Ownership Plan of Consumers Energy Company:

We have audited the accompanying statements of financial position of EMPLOYEES' SAVINGS & INCENTIVE PLAN AND EMPLOYEE STOCK OWNERSHIP PLAN OF CONSUMERS ENERGY COMPANY (the "Plan") as of December 31, 2001 and 2000, and the related statements of changes in members' equity for each of the three years in the period ended December 31, 2001. These financial statements and the schedule referred to below are the responsibility of the Plan administrator. Our responsibility is to express an opinion on these financial statements and schedule based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Plan administrator, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Plan as of December 31, 2001 and 2000, and the changes in members' equity for each of the three years in the period ended December 31, 2001 in conformity with accounting principles generally accepted in the United States.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2001 is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

EMPLOYEES' SAVINGS & INCENTIVE PLAN AND EMPLOYEE STOCK OWNERSHIP PLAN OF CONSUMERS ENERGY COMPANY NOTES TO FINANCIAL STATEMENTS

(1) PLAN DESCRIPTION

General

The Employees' Savings & Incentive Plan and Employee Stock Ownership Plan of Consumers Energy Company (the "Plan") is an employee benefit plan in which participant contributions are supplemented by contributions from the Company/Employer (Consumers and CMS Energy and their subsidiaries which are at least 80% owned and have adopted the Plan). Ms. L. L. Mountcastle, Vice-President and Treasurer of Consumers Energy Company, is the Plan Administrator. The information provided below is only a summary of the Plan's provisions. Reference should be made to the Plan documents for more complete information.

Establishment of Employee Stock Ownership Plan

Effective January 1, 2001, the Company created an employee stock ownership plan from that portion of the Plan representing assets in Fund CE, which prior to January 1, 2001, was known as Fund C. The portion of the Plan representing Fund CE is intended to qualify as an employee stock ownership plan within that meaning and application of Section 4975(e)(7) of the Internal Revenue Code. Together, the stock ownership plan and the savings plan are intended to constitute a single plan within the meaning of Section 414(1) of the Internal Revenue Code.

As of January 1, 2001, the stock ownership plan consists of all amounts transferred from Fund CE of the savings plan. Thereafter, matching employer contributions and incentive contributions (as described under contributions) shall be contributed to the stock ownership plan.

Transfer of Employee Stock Ownership Plan

Effective September 30, 2001, the Consumers Energy Company Stock Ownership Plan (the "Tax Credit ESOP") was merged into the Plan. The assets of the Tax Credit ESOP, which were held by Comerica Bank, as trustee, were transferred to the Plan effective September 30, 2001. The transfer is included as a part of the accompanying statement of changes in members' equity.

Trustee

The Plan's funds are held in trust for the benefit of members covered by the Plan under the Trust Agreement. Effective October 1, 2001, the Plan changed trustees from State Street Bank and Trust to Comerica Bank (the "Trustee").

(1) PLAN DESCRIPTION (Continued)

Eligibility

To be eligible to participate in the Plan, an employee must be a regular employee, as defined in the Plan agreement.

Contributions

Each employee electing to participate in the Plan ("Member") contributes by payroll deductions not less than 1% nor more than 16% of his compensation up to a maximum of \$10,500 for 2001 and 2000. Each Member may change the amount of his contributions at any time by giving his Employer advance notice in writing. The change will be effective as soon as administratively feasible. A Member may discontinue contributions as of any pay date upon prior notice to his Employer. However, if he discontinues contributions without simultaneously making an election for Elective Employer Contributions, he may not resume making contributions for three months.

A Member can choose an "Elective Employer Contribution" option, which allows the Member to reduce his salary by as much as 12% and have this amount contributed by the Employer to the Plan. If a Member's regular annual salary is equal to or more than \$75,000, the most that can be contributed by the Employer on behalf of the Member to the Plan is 9%. Members' earnings related to such contributions are not currently taxable.

Each Employer contributes a Matching Employer Contribution equal to 50% of certain contributions by each of its participating employees. Such Employer contributions are limited to not more than 3% of each Member's compensation. The contributions of Members and the Employers are transferred monthly to the Trustee.

Each Employer may contribute an Incentive Contribution which is determined at the end of each year based on earnings performance goal set by Company at the beginning of the year.

The Incentive Contribution will be based on the Member's net Elective Employer and Participant Contributions of up to 6% of each Member's compensation. The Matching Employer and Incentive Contributions are allocated entirely to Fund CE.

The Plan Administrator may exclude Incentive Contributions to the accounts of certain officers of Employers.

Matching Employer and Incentive Contributions vest as follows: 10% for each of the first four years of service with the Employer, and 20% for each of the next three years of service. Member contributions and related earnings are fully vested at all times.

(1) PLAN DESCRIPTION (Continued)

Member Loans

Members may borrow from the Plan up to 50% of their account balance, to a maximum not exceeding \$50,000, including the vested portion of the Matching Employer Contributions, for extraordinary or emergency needs as defined in the Plan and at the discretion of the Plan Administrator. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant's loan fund (Fund D). Loan terms range from one to five years* and are secured by the balance in the Participant's account.** Repayments of principal and interest are made primarily through payroll deductions.

Plan-Related Expenses

The Company pays expenses relating to the administration of the Plan. Brokerage fees, commissions, stock transfer taxes and other expenses in connection with the purchases, sales and distributions of securities for each investment fund are charged to the fund that incurred the cost.

Fund Investments

Fund A - The investments in this fund consist of guaranteed investment contracts with the New York Life Insurance Company, New York, New York; Principal Mutual Life Insurance Co, Des Moines, Iowa; Prudential Asset Management Company, Chicago, Illinois; and Travelers Life & Annuity, Hartford, Connecticut; and cash, temporary investments of any type or cash equivalents as the Trustee shall deem necessary or advisable to maintain as part of this fund within the limitations specified in the Trust Agreement.

Fund B - The investments in this fund may consist of common stocks and securities convertible into common stock (other than securities of CMS Energy Corporation) selected by the Investment Manager, Independence Investment Associates, Inc., Boston, Massachusetts, in its sole discretion, and such amounts of cash, temporary investments of any type or cash equivalents as the Investment Manager shall deem necessary or advisable to maintain as part of the fund within the limitations specified in the Trust Agreement.

*Up to ten years for purchase of a principal residence.

**A new loan rate is determined by subtracting one full percentage point from the current major New York bank prime rate. The rate on new loans taken during

2001 was 8.50 percent to 5.00 percent.

(1) PLAN DESCRIPTION (Continued)

- Fund CE - The investments in this fund constitute the assets of the Employee Stock Ownership Plan and may consist of common stock of CMS Energy Corporation and such amounts of cash, temporary investments of any type or cash equivalents as the Trustee shall deem necessary or advisable to maintain as part of this fund within the limitations specified in the Trust Agreement. Employers' contributions must be invested in this fund.
- Fund CS - The investments in this fund may consist of common stock of CMS Energy Corporation and such amounts of cash, temporary investments of any type or cash equivalents as the Trustee shall deem necessary or advisable to maintain as part of this fund within the limitations specified in the Trust Agreement. Employees' contributions are invested in this fund.
- Fund D - The investments in this fund consist of the promissory notes of Plan Members.
- Fund E - The investments in this fund may consist of mid-cap growth-oriented common stock (other than securities of CMS Energy Corporation) selected by the Investment Manager, Nicholas-Applegate Capital Management, San Diego, California, in its sole discretion, and such amounts of cash, temporary investments of any type or cash equivalents as the Investment Manager shall deem necessary or advisable to maintain as part of the fund within the limitations specified in the Trust Agreement.
- Fund F - The investments in this fund may consist of international common stocks selected by the Investment Manager, Credit Suisse, New York, New York, in its sole discretion, and such amounts of cash, temporary investments of any type or cash equivalents as the Investment Manager shall deem necessary or advisable to maintain as part of the fund within the limitations specified in the Trust Agreement.
- Fund H - The investments in this fund may consist of stocks of the S&P 500 Index that are considered value stocks as selected by The Vanguard Group.

(1) PLAN DESCRIPTION (Continued)

- Fund I - The investments in this fund consist of stocks of the S&P 500 Index as selected by The Vanguard Group.
- Fund J - The investments in this fund consist of stocks of the S&P 500 Index that are considered growth stocks as selected by The Vanguard Group.
- Fund K - The investments in this fund may consist of small- cap growth-oriented common stocks selected by the Investment Manager, Nicholas-Applegate Capital Management, San Diego, California, in its sole discretion.

Reallocations

All or part of a Member's past contributions in the Employee's Savings Plan which are in the Member's account on a Valuation Date may be reallocated among Fund A, Fund B, Fund CS, Fund E, Fund F, Fund H, Fund I, Fund J or Fund K on a Valuation Date by giving his employer advance notice in writing of such change. Any such reallocations of contributions will be done on the basis of the value of the contributions on such Valuation Date.

Forfeitures

The Plan provides that Members who receive a distribution, under certain conditions, forfeit all or a portion of the value of any Matching Employer and Incentive Contributions credited to their accounts. Such amounts forfeited totaled approximately \$391,527 in 2001 and are treated as a reduction of the Employer's contribution liability.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Valuations

The accompanying financial statements reflect the accrual basis of accounting. Investments, other than short-term, in Funds B, CE, CS, E, F, H, I, J and K are stated at current market value. Market value for most Fund B, CE, CS, E, F, H, I, J and K common stock is defined as the closing price of such stock as shown in a composite report of one or more generally recognized exchanges, including the New York Stock Exchange. There are also some securities which are traded in the over-the-counter ("OTC") market. OTC issues are priced at the bid price or "last" price furnished by the NASDAQ National Market. Short-term investments held in Funds A, B, CE, CS, E, F, H, I, J and K are stated at cost which approximates market.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Gains and Losses

Amounts relating to gain (loss) on securities sold or distributed and change in unrealized appreciation (depreciation) as reported in the accompanying statement of changes in members' equity for the years ended December 31, 2001, 2000 and 1999 have been presented in conformity with the Department of Labor reporting requirements. Department of Labor rules require that realized gains (losses) and unrealized appreciation (depreciation) be based on the market value of the assets at the beginning of the Plan year or at the time of purchase during the year.

Guaranteed Investment Contracts

The Plan has entered into several fully benefit-responsive investment contracts with various insurance companies. All of these contracts are held in Fund A and are credited with interest and charged for Plan withdrawals and administrative expenses. The contracts are included in the financial statements at contract value (cost plus accrued interest less withdrawals) which approximates fair value. The contracts earn interest at fixed rates ranging from 5.40% to 7.20% and mature between April 1, 2003 and January 2008. The average aggregate yield for these contracts was 6.69% and 6.81% in 2001 and 2000, respectively.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(3) FEDERAL INCOME TAX ASPECTS OF THE PLAN

The last determination letter received by the Company from the Internal Revenue Service was dated April 24, 2002. The determination letter states that the Plan qualifies under Section 401(a) of the Internal Revenue Code (the "Code") of 1954 as amended by the "Employee Retirement Income Security Act of 1974" ("ERISA") and is exempt from taxation under Section 501(a) of the Code. Under existing Federal income tax laws, (a) the Company is entitled to deduct its contributions to the Plan in computing its Federal income tax; (b) the income of the trust funds accumulated under the Plan is exempt from Federal income tax; and (c) Members are not subject to tax on amounts contributed by the Company for their benefit until such time as such amounts are distributed to them, at which time they are taxable as ordinary income unless distributed as an "eligible rollover

distribution."
