NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
APRIL 25, 2002

TO THE SHAREHOLDERS OF MICHAEL BAKER CORPORATION:

Notice is hereby given that the Annual Meeting of Shareholders of MICHAEL BAKER CORPORATION (the "Company") will be held at the Wyndham Pittsburgh Airport Hotel, 777 Aten Road, Coraopolis, Pennsylvania 15108, on Thursday, April 25, 2002 at 10:00 a.m., local time, for the purpose of considering and acting upon the following:

1. The election of nine directors to serve for a one-year term or until their respective successors shall have been elected and shall have qualified.
2. Such other matters as may properly be brought before the Annual Meeting.

The Company recently completed an exchange of the Company's Series B Common Stock for ordinary Common Stock, as described in the following paragraph. You will find enclosed between one and three proxy cards. You will receive one card to vote any Common Stock you hold through the Michael Baker Corporation Employee Stock Ownership Plan and Trust (the "ESOP"), which will represent all of your Common Stock holdings through the ESOP, both shares originally held as ordinary Common Stock and shares of ordinary Common Stock received as a result of the recent exchange of your Series B Common Stock. You will receive one card for any Common Stock of the Company held directly by you. You will also receive one card for any Common Stock held directly by you that was originally Series B Common Stock which has been automatically converted to ordinary Common Stock as a result of the exchange. Each individual proxy card must be voted. The Company's

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

2001 Annual Report to Shareholders is also enclosed.

The exchange of the Company's Series B Common Stock for ordinary Common Stock was effected with the ESOP as of February 28, 2002. Pursuant to the Company's articles of incorporation, at any time when the number of outstanding Series B shares falls below 5% of the total outstanding Series B and ordinary Common Stock combined, the Series B shares are automatically converted into shares of ordinary Common Stock. This automatic conversion was triggered upon the effective date of the exchange with the ESOP. Series B shareholders are not required to take any action. Certificates representing Series B shares outside of the ESOP will be deemed automatically to represent the same number of shares of ordinary Common Stock. Each share of ordinary Common Stock is entitled to one vote per share.

You are cordially invited to attend the Annual Meeting of Shareholders. Whether or not you plan to attend the Annual Meeting, we encourage you to vote. You may vote by Internet by accessing "www.voteproxy.com"; vote by telephone by following the instructions on the enclosed proxy card(s); or vote by signing, dating and promptly returning the enclosed proxy card(s) in the enclosed postage-paid envelope.

PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS - APRIL 25, 2002

GENERAL INFORMATION

The solicitation of the proxy or proxies enclosed with this Proxy Statement is made on behalf of the Board of Directors of Michael Baker Corporation (the "Company"), P.O. Box 12259, Pittsburgh, Pennsylvania 15231-0259, for the Annual Meeting of Shareholders to be held on Thursday, April 25, 2002 at 10:00 a.m. at the Wyndham Pittsburgh Airport Hotel, 777 Aten Road, Coraopolis, Pennsylvania 15108. It is expected that this Proxy Statement and proxies will be mailed to shareholders on or about April 2, 2002.

Each share of Common Stock entitles the holder thereof to one vote on all matters submitted to the shareholders. Holders of Common Stock have cumulative voting rights in the election of directors. Cumulative voting entitles each shareholder to that number of votes in the election of directors as is equal to the number of shares which he holds of record multiplied by the total number of directors to be elected, and to cast the whole number of such votes for one nominee or distribute them among any two or more nominees as he chooses. Shares represented by proxies, unless otherwise indicated on the proxy card, will be voted cumulatively in such manner that the number of shares so voted for each nominee (and for any substitute nominated by the Board of Directors if any nominee listed becomes unable or is unwilling to serve) will be as nearly equal as possible. The nine nominees receiving the highest number of affirmative votes cast at the Annual Meeting by the holders of Common Stock voting in person or by proxy, a quorum being present will be elected as directors.

On March 1, 2002, the Company had outstanding 8,301,253 shares of Common Stock. Holders of Common Stock of record at the close of business on March 1,

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

2002 are entitled to notice of and to vote on all matters that may properly come before the Annual Meeting.

The proxy solicited hereby may be revoked at any time before its exercise by giving notice of revocation to the Secretary of the Company or by delivering a proxy bearing a later date or by attending and voting at the Annual Meeting of Shareholders or any adjournment thereof. Unrevoked proxies will be voted at the Annual Meeting in accordance with the specifications made thereon, but in the absence of such specifications will be voted FOR each proposal. Votes with respect to the election of directors will be counted as set forth above. With respect to all other matters brought before the Annual Meeting, the affirmative vote of the holders of shares representing the majority of the votes cast at the Annual Meeting (in person or by proxy) will be required to approve such matter.

The Board of Directors does not know of any other business that may be presented for consideration at the 2002 Annual Meeting. If any other business should properly come before the Annual Meeting, it is the intention of those named in the proxies solicited hereby to vote the shares represented by such proxies in accordance with their judgment on such matters.

SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

A proposal submitted by a shareholder for the regular annual meeting of shareholders to be held in 2003 must be received by the Secretary, Michael Baker Corporation on or prior to November 25, 2002 in order to be eligible for inclusion in the Company's Proxy Statement for that annual meeting. In connection with the 2003 Annual Meeting of Shareholders, if the Company does not receive notice of a matter or proposal to be considered, on or before February 8, 2003, or in accordance with Section 2.01.1 of the Company's By-Laws with respect to nominations of candidates for election as directors, then the persons appointed by the Board of Directors to act as proxies for such annual meeting will be allowed to use their discretionary voting authority with respect to any such matter or proposal raised at such annual meeting.

The Executive Committee was established with all the powers and the right to exercise all the authority of the Board of Directors in the management of the business and affairs of the Company.

The Audit Committee of the Board of Directors, of which Messrs. Bontempo, Constantakis and Ms. Pierce are members, held eleven meetings. All Audit Committee members are independent as defined by the American Stock Exchange listing standards. The Audit Committee acts under a written charter which was amended by the Board of Directors on February 21, 2002, a copy of which is attached hereto as Appendix A. The functions performed by the Audit Committee include recommending the independent accountants subject to the Board of Directors ratification, reviewing with the independent accountants the plan for, and the results of, the auditing engagement, approving professional services provided by the independent accountants prior to the performance of such services, reviewing the independence of the independent accountants, discussing the Company's financial statements with the independent accountants and management, and reviewing the Company's system of internal accounting controls. The Audit Committee has considered whether the independent public accountant's provision of non-audit related services is compatible with maintaining the independence of the independent public accountants.

All directors attended at least 75% of the total number of meetings of the Board of Directors and of the total number of meetings of committees of the Board of which they were members.

AUDIT COMMITTEE REPORT

We have reviewed and discussed the consolidated balance sheet of Michael Baker Corporation and subsidiaries as of December 31, 2001, and the related consolidated statements of income, shareholders investment and cash flows, for the year then ended, with management of the Company. These financial statements, which are the responsibility of the Company's management, are included in the Company's Annual Report to Shareholders and in the Company's Annual Report on Form 10-K as filed with the Securities and Exchange Commission. They have been audited by PricewaterhouseCoopers LLP, independent public accountants, and their report thereon, which accompanies the financial statements, is an important part of the Company's reporting responsibility to its shareholders. Our responsibility is to review the financial statements and hold discussions with Company management and the independent public accountants, and based on this work, make a recommendation to the Board of Directors of the Company regarding inclusion of the audited financial statements in the Company's Annual Report on Form 10-K.

We have met with the independent public accountants and discussed the matters that they are required to communicate to us by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. These items include, but are not limited to, significant issues identified during the audit such as management judgments and accounting estimates, accounting policies, proposed audit adjustments, financial statement disclosure items and internal control issues, and if there were any disagreements with management or difficulties encountered in performing the audit.

The Company's independent public accountants also provided us with written disclosures required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees). We have met with and discussed that firm's independence.

We are not employees of the Company, are not professionally engaged in the practice of accounting or auditing and do not represent ourselves to be experts in the fields of accounting or auditing or in respect of auditor independence. In performing our oversight responsibility, we rely, without independent verification, on the information provided to us and on the representations made by management and the independent public accountants. Accordingly, our review and discussions with management and the independent public accountants do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the financial statements has been carried out in accordance with generally accepted auditing standards or that the independent public accountants are in fact "independent".

Based on our review and discussions, and subject to the limitations on our

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

role and responsibilities referred to above, we have recommended to the Company's Board of Directors that the aforementioned 2001 audited financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

This report is submitted by the Audit Committee of the Company's Board of Directors.

COMPENSATION OF DIRECTORS

During 2001, compensation for non-employee directors was increased pursuant to recommendations of William M. Mercer, a compensation consulting firm and was set as follows: Annual retainer -- \$17,000; Attendance at each regularly scheduled or special meeting of the Board of Directors -- \$1,000; Attendance at

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

a Board of Directors committee meeting -- \$750; Telephonic attendance at a Board of Directors or committee meeting -- \$100; Additional annual retainer for Chairman of the Board of Directors -- \$5,000; and Additional annual retainer for committee chairmen -- \$2,500. The increase in compensation for non-employee directors became effective May 2001.

In addition, non-employee directors participate in the 1996 Nonemployee Directors' Stock Incentive Plan, which provides long-term incentive compensation to eligible directors. During 2001, compensation under this plan was also increased. Each member of the Board of Directors who was not an employee of the Company or any of its subsidiaries was granted 1,000 restricted shares and an option to purchase 2,000 shares of Common Stock on the first business day following the Annual Meeting of Shareholders in 2001.

EMPLOYMENT CONTINUATION AGREEMENTS

The Company entered into Employment Continuation Agreements in October 2000, with Messrs. Fusilli, Mooney, McKnight, Whiteford and Whitten. Under the agreements with Messrs. Fusilli, Mooney, and McKnight, the executives agree to remain in the employ of the Company for thirty-six months following the date of a change of control (as defined in the agreements), and the Company agrees to provide salary and benefits at levels commensurate with those prior to the change of control for that period. The agreements further provide that if the executive's employment is terminated by reasons other than death, disability, voluntary termination (except a voluntary termination for good reason as defined in the agreements), or is terminated by the Company other than for cause (as defined in the agreements) during this period, the Company will pay the executives their (i) earned salary, (ii) a severance amount equal to three times the sum of the executives' annual base salary and the average bonus for the five fiscal years preceding the change of control, and (iii) obligations accrued under applicable benefit plans and programs, and continue their benefits for three years. The payments under the agreements may be subject to reduction to the extent that they are considered excess parachute payments under the Internal Revenue Code. Furthermore, the executives will under certain circumstances receive similar benefits if their employment is terminated in contemplation of a change of control and a change of control occurs within one year following such terminations.

The agreements with Messrs. Whiteford and Whitten are essentially the same except that the executives agree to remain in the employ of the Company for twenty-four months following a change of control and the severance amount is an amount equal to two times the sum of the executive's annual base salary and the average bonus for the five fiscal years preceding the change of control with continued benefits for two years.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities and Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement in whole or in part, the following report and the Stock Performance Graph on page 12 shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION COMMITTEE

Introduction

Decisions regarding compensation of the Company's executives generally are made by the Compensation Committee of the Board. In 2001, the Compensation Committee consisted of Dr. Larson as the Chairman and Messrs. Bontempo and Gavert and Ms. Pierce.

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

All recommendations of the Compensation Committee relating to compensation of the Company's executive officers are reviewed and approved by the full Board. Set forth below is a report submitted by Messrs. Larson, Bontempo and Gavert and Ms. Pierce in their capacity as the Board's Compensation

9

Committee addressing the Company's compensation policies for 2001 as they affected executive officers of the Company.

Compensation Philosophy

The Company's philosophy on compensation places a share of employee compensation "at risk", thereby rewarding employees based on the overall performance of the Company. The Company's "Line-of-Sight" annual incentive compensation plan adopted in 2001 utilizes this philosophy. The following are the Company's compensation objectives: (i) to attract and retain executive officers and other key employees of outstanding ability, and to motivate all employees to perform to the full extent of their abilities; (ii) to ensure that pay is competitive with other leading companies in the Company's industry; (iii) to reward executive officers and other key employees for corporate, group and individual performance; and (iv) to ensure that total compensation to the executive officers as a group is not disproportionate when compared to the Company's total employee population.

Compensation

The Compensation Committee retains the services of William M. Mercer, a compensation consulting firm, to assist the Committee in connection with performance of its duties. William M. Mercer provides ongoing advice to the Committee with respect to the reasonableness of compensation paid to executive officers of the Company. In addition, William M. Mercer reviews director's compensation and assists in the development of incentive compensation plans and policies.

Mr. Shaw, as the Chief Executive Officer of the Company until April 25, 2001, was paid during 2001 pursuant to the terms of his Employment Agreement at an annual salary of \$425,006. Effective April 25, 2001, Mr. Fusilli was elected to succeed Mr. Shaw as Chief Executive Officer, and Mr. Shaw continued as Chairman of the Board of Directors. Effective April 25, 2001, Mr. Shaw entered into a consulting agreement to provide for Mr. Shaw's performance of consulting services to the Company until April 26, 2003 with annual compensation equal to 25% of his salary of \$425,006 in effect on April 25, 2001. In addition, pursuant to the Consulting Agreement, the Company covers the costs of health insurance, reimburses actual out-of-pocket expenses and maintains a life insurance policy for Mr. Shaw. The agreement also provides for a supplemental retirement benefit of \$5,000 per month commencing at the expiration of the agreement. During 2001, in addition to group life insurance premiums paid on Mr. Shaw's behalf as an employee, certain life insurance premiums in the amount of \$37,013 were paid on Mr. Shaw's behalf.

On April 25, 2001, Mr. Fusilli became the President and Chief Executive Officer of the Company at an annual base salary of \$400,000. The Compensation Committee believes this salary is in line with the Company's philosophy for executive officers and is in accord with the increased responsibilities Mr. Fusilli assumed as Chief Executive Officer. In addition to his base salary, Mr. Fusilli may be awarded a bonus by the Compensation Committee based on the committee's evaluation of Mr. Fusilli's performance. In assessing Mr. Fusilli's performance, the Compensation Committee reviews a variety of areas affecting the Company's performance for which Mr. Fusilli is held accountable such as

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

leadership, strategic planning, financial results, succession planning, human resources, communications, and external and Board relations. Based on the Committee's assessment of Mr. Fusilli's results in these areas and his overall performance in his new role as Chief Executive Officer, the Committee awarded a bonus of \$259,503 to Mr. Fusilli for fiscal year 2001. The Compensation Committee also granted stock options to Mr. Fusilli for fiscal year 2001 on a basis consistent with other executive officers, utilizing the guidelines recommended by Mercer as discussed further below.

The Company applies a compensation program consisting of base salary, annual incentive compensation and long-term incentive compensation. In determining base salaries for 2001, the Compensation Committee reviewed the relationship of an executive's compensation to that of other executive officers of the Company, similar executive officers in comparable companies, and the Company's current and projected growth and profitability performance. In determining annual and long-term incentive compensation, the Compensation Committee reviewed the Company's performance in 2001.

The Chief Executive Officer recommends to the Compensation Committee salary adjustments for executive officers. The Committee reviews these recommendations in light of the above factors. A final

10

comparison is made to verify that the total percentage increase in compensation paid to the executive officers as a group is not disproportionate to the percentage increase applicable to other Company employee groups.

In keeping with its philosophy of placing a portion of employee compensation "at-risk", the Committee administers the Company's 2001 Line-of-Sight Incentive Compensation Plan, in which all employees have an opportunity to participate. Under the Plan, the Committee established a Company performance goal measured by earnings per share. Upon achievement of the Company earnings per share performance goal and other Company goals established based upon an employee's group within the Plan, the employee may receive payment of an incentive award up to the amount of a pre-established incentive target. The incentive targets are based upon market comparisons to ensure that incentive compensation opportunities are competitive with other leading companies in the Company's industries or lines of business. Providing an incentive compensation payment opportunity contingent upon the achievement of the Company's performance goals facilitates the objective of establishing a clear line-of-sight between the overall performance of the Company and the individual contribution of each employee.

1995 Stock Incentive Plan

The 1995 Stock Incentive Plan provides long-term incentive compensation to eligible employees. The Compensation Committee retained the services of William M. Mercer, a compensation consulting firm, to assist the Committee in evaluating its practice of granting stock options relative to practices of other publicly-traded companies engaging in one or more lines of business comparable to those of the Company. In connection with this evaluation, the Compensation Committee revised its guidelines relative to the grant of stock options. It will follow the Mercer recommendations to motivate strategic behavior by offering awards independent of short-term rises and falls in the Company's performance.

Stock options are awarded based on the Compensation Committee's judgment concerning the position and responsibilities of the employee being considered, the nature and value of his or her services, his or her current contribution to the long-term success of the Company, the employee's cash compensation, the expected rate of appreciation in the value of the stock option, and any other factors which the Compensation Committee may deem relevant. Stock option awards

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

tie the interests of employees to the long-term performance of the Company, and provide an effective incentive for employees to create shareholder value over the long-term since the full benefit of the compensation package cannot be realized unless an appreciation in the Company's stock price occurs over a number of years. The Committee determined to make an annual grant of stock option awards for 2001. In 2002, the Committee will consider the grant of stock options to executive officers and other key employees in the context of motivating strategic behavior beneficial to the Company's long-term performance.

This report is submitted by the Compensation Committee of the Company's Board of Directors.

- a director who is employed as an executive of another entity where any of the Corporation's executives serve on that entity's compensation committee.

Notwithstanding the above, there may be one member of this Committee who does not meet the above standards of independence; provided that such member is not a current employee or an immediate family member of such an employee, if the Board of Directors, under exceptional and limited circumstances, determines that membership on this Committee by the individual is required by the best interests of the Corporation and its shareholders, and the Board discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for the determination.

MEETING FREQUENCY

The Committee shall meet at least quarterly. Additional meetings shall be scheduled as considered necessary by the committee or chairperson.

TO OUR SERIES B SHAREHOLDERS:

In December 2001 Michael Baker Corporation announced that the Board of Directors had approved an exchange of Baker's Series B Common Stock for ordinary Common Stock. At that time, approximately 1.3 million shares of the Series B Common Stock were outstanding and approximately 95% of those shares were held by the Baker Employee Stock Ownership Plan and Trust (the "ESOP"). The Series B stock, which had a 10 votes to one share super voting structure, was distributed to shareholders in the form of a stock dividend in 1987. The Series B shares converted automatically to ordinary Common Stock when sold or transferred.

The exchange of Baker's Series B Common Stock for ordinary Common Stock with the Baker ESOP was effected February 28, 2002. Pursuant to Baker's articles of incorporation, at any time when the number of outstanding Series B shares falls below 5 percent of the total outstanding Series B and ordinary Common Stock combined, the Series B shares are automatically converted into shares of ordinary Common Stock. This automatic conversion was triggered upon the effective date of the exchange with the ESOP.

Series B shareholders are not required to take any action. Certificates representing Series B outside of the ESOP will be deemed automatically to represent the same number of shares of ordinary Common Stock. Each share of ordinary Common Stock is entitled to one vote per share. Each share of ordinary Common Stock is otherwise identical to the Series B Common Stock.

You will find enclosed between one and three proxy cards. You will receive one card to vote any Common Stock you hold through the ESOP, which will represent all of your Common Stock holdings through the ESOP, both shares originally held as Common Stock and shares of ordinary Common Stock received as a result of the recent exchange of your Series B Common Stock. You will receive one card for any Common Stock of the Company held directly by you. You will also receive one card for any Common Stock held directly by you that was originally Series B Common Stock which has been automatically converted to ordinary Common Stock as a result of the exchange. Each individual proxy card must be voted.

If you have any questions, please contact me at (412) 269-2532 or at jmcknight@mbakercorp.com.

Very truly yours,
