**Item 8.01. Other Events.**

Patterson-UTI Energy, Inc. (the Company ) announced on November 10, 2005 that as a result of information received by senior management of the Company on November 9, 2005, the Audit Committee of the Board of Directors of the Company has begun an investigation into unauthorized payments made by the Company for assets which were not delivered to the Company. The Audit Committee will engage legal counsel and forensic accountants to conduct the investigation. Based on preliminary findings, it appears that approximately \$70 million may have been embezzled from the Company by Jonathan D. Nelson, a former officer of the Company, over a period of more than five years. Because the investigation is just beginning, the Company has not yet made a final determination as to the impact of these developments upon its previous financial results and assessment of financial controls. A copy of Patterson-UTI Energy, Inc.'s press release dated November 10, 2005 announcing the commencement of an internal investigation is attached as an exhibit hereto and incorporated herein by reference.
