Item 1.01. Entry into a Material Definitive Agreement.

On March 30, 2006, the Compensation Committee (the Committee) of the Board of Directors of the Registrant adopted performance criteria for the year ending December 31, 2006 for purposes of the Performance-Based Bonus Plan for Craig H. Neilsen, the Company's Chief Executive Officer. The Committee established a Target Bonus for Mr. Neilsen for 2006 of \$925,000 (100% of his annual base salary) and an EBITDA Target against which the Registrant's performance will be measured of \$257,500,000. A copy of the document setting forth the performance criteria and the formula pursuant to which Mr. Neilsen's bonus will be calculated is filed as Exhibit 10.1 to this Current Report.

Also on March 30, 2006, the Committee adopted the 2006 Annual Bonus Program for Corporate Senior Management (the Program), which covers the executive officers (other than the Chief Executive Officer) and certain other senior management personnel of the Registrant (the Covered Executives). The Program provides that each Covered Executive shall receive a cash bonus for the year ending December 31, 2006 determined exclusively by reference to the Registrant's EBITDA (as defined) and the Covered Executive's weighted-average base salary and merit performance grade, and further provides that bonuses shall be subject to such downward or upward adjustments, if any, as the Committee may make in its discretion. The Program incorporates the same EBITDA Target as established for the Chief Executive Officer and establishes a Target Bonus for each Covered Executive equal to a percentage of his or her 2006 weighted-average base salary. The Program shall not preclude the Committee, acting in its discretion, from awarding any Covered Executive any additional cash bonus or other compensation. A copy of the Program is filed as Exhibit 10.2 to this Current Report.
