Item 1.01 Entry into a Material Definitive Agreement

The information set forth in Item 2.01 below is incorporated into this Item 1.01 by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets

On November 8, 2006, Complete Production Services, Inc. (the Company) acquired all of the outstanding capital stock of Pumpco Services, Inc. (Pumpco) pursuant to the terms of a Stock Purchase Agreement, dated as of November 8, 2006 (the Purchase Agreement). Pumpco is a provider of pressure pumping services in the Barnett Shale play of north Texas and owns and operates a fleet of pressure pumping units. Consideration for the acquisition included approximately \$157.5 million in cash and 1,010,566 shares of the Company's common stock (the Stock Consideration). In addition, Pumpco had debt outstanding of approximately \$30.3 million at the time of the acquisition.

The Company and the Pumpco stockholders receiving the Stock Consideration have entered into a Registration Rights Agreement (the Registration Rights Agreement) requiring the Company, subject to certain conditions, to file a registration statement covering the resale of the shares comprising the Stock Consideration if so requested by the Sellers.

Prior to the acquisition, SCF-VI, L.P. (SCF-VI) was the majority stockholder of Pumpco. SCF-VI is an affiliate of SCF-IV, L.P. (SCF-IV), which holds approximately 35% of the outstanding shares of common stock of the Company. Andy Waite and David Baldwin are Directors of the Company and are officers of the ultimate general partner of SCF-VI. In addition, John Schmitz, a key employee of the Company, was a stockholder of Pumpco prior to the acquisition.

The Board of Directors of the Company established a Special Committee of directors, each independent of SCF-IV or any of its affiliates, to review and approve the terms of the transaction. The nature and amount of the consideration paid was determined by negotiations between the stockholders of Pumpco and the Company's management under the direction of the Special Committee.

The foregoing description of the Purchase Agreement, the Registration Rights Agreement and the transactions contemplated thereby is qualified in its entirety by reference to the Purchase Agreement and the Registration Rights Agreement, attached as Exhibits 2.1 and 4.1, respectively, hereto and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities

The information set forth in Item 2.01 above is incorporated into this Item 3.02 by reference. In conjunction with the acquisition of Pumpco on November 8, 2006, the Company issued 1,010,566 shares of its \$0.01 par value common stock, as a portion of the consideration paid to the selling stockholders of Pumpco.

The Company believes that this transaction was exempt from registration requirements pursuant to Section 4(2) of the Securities Act or Regulation D promulgated under the Securities Act. The recipients of these securities represented their intention to acquire the securities for investment only and not with a view towards their distribution, and appropriate legends were affixed to the share certificates.

Item 7.01 Regulation FD

The Company issued a press release, dated November 8, 2006, announcing the Company's acquisition of Pumpco. This press release is attached as Exhibit 99.1 to this Current Report on Form 8-K, and its contents are hereby incorporated by reference into this report.
