Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

John G. Finneran, Jr., Esq., Executive Vice President, General Counsel and Corporate Secretary of the Registrant, who has rendered the opinion attached hereto as Exhibit 5.1, may participate in the Plan and currently holds 27,051 shares of Common Stock, vested options to purchase an additional 131,652 shares of Common Stock issued under the Registrant's 1994 Stock Incentive Plan and unvested options to purchase an additional 523,293 shares of Common Stock issued under the Registrant's 1994 Stock Incentive Plan.

Item 6. Indemnification of Directors and Officers.

Under Section 145 of the General Corporation Law of the State of Delaware (the "GCL"), a corporation may indemnify any person who was or is a party, or is threatened to be made a party, to any action, suit or proceeding, civil or criminal, by reason of the fact that he or she is or was a director or officer of such corporation if such person acted in good faith and in a manner he or she reasonably believed to be in and not opposed to the best interest of the corporation and, with respect to a criminal action or proceeding, such person had no reasonable cause to believe that his or her conduct was unlawful, except that, in the case of any action or suit by or in the right of the corporation, no indemnification is permitted if the person shall be adjudged liable to the corporation other than indemnification for such expenses as a court shall determine such person is fairly and reasonably entitled to.

Article XI of the Registrant's Restated Certificate of Incorporation and Section 6.7 of the Registrant's Restated Bylaws provide, in general, for mandatory indemnification of directors and officers to the fullest extent permitted from time to time by the GCL or any other applicable law, against liability incurred by them in proceedings instituted or threatened against them by third parties, or by or on behalf of the Registrant itself, relating to the manner in which they performed their duties unless they have been guilty of willful misconduct or of a knowing violation of the criminal law.

Under Article X of the Registrant's Restated Certificate of Incorporation, a director of the Registrant is not personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the GCL, or (iv) for any transaction from which the director derived an improper personal benefit.

The Registrant also maintains a directors and officers insurance policy which insures the officers and directors of the Registrant from any claim arising out of an alleged wrongful act by such persons in their respective capacities as officers and directors of the Registrant.

The Plan provides for indemnification of each member of the committee and the Registrant's Board of Directors responsible for administering the Plan, as well as each other director, employee or consultant of the Company to whom any power or duty relating to the administration or interpretation of the Plan has been delegated, against any cost or expense (including counsel fees) or liability arising out of any action, omission or determination relating to the Plan, to the maximum extent permitted by law.

Item 7. Exemption From Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of the prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered

therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
