PROSPECTUS SUMMARY

This summary highlights information contained in other parts of this prospectus. You should carefully read the entire prospectus, including "Risk Factors," and the documents incorporated by reference in this prospectus before making an investment decision.

ORTHODONTIC CENTERS OF AMERICA, INC.

We are the leading provider of integrated business services to orthodontists. Since 1985, we have executed a retail-oriented approach to developing orthodontic practices, which we believe has resulted in significant increases in productivity and profitability for our affiliated orthodontists. As of March 31, 2001, we were affiliated with over 400 orthodontists practicing in over 600 orthodontic centers located throughout the United States and parts of Japan, Mexico, Spain and Puerto Rico. During 2000, our affiliated orthodontists initiated treatment of about 161,000 patients, representing initial new patient contract balances of \$494.1 million for 2000. As of March 31, 2001, our affiliated orthodontists were treating a total of more than 350,000 patients.

Our corporate headquarters are located at 3850 N. Causeway Boulevard, Suite 1040, Metairie, Louisiana 70002, telephone number (504) 834-4392, and at 5000 Sawgrass Village, Suite 25, Ponte Vedra Beach, Florida 32082, telephone number (904) 280-4500. We were incorporated in Delaware in 1994.

PROPOSED MERGER WITH ORTHALLIANCE

We are a party with OrthAlliance, Inc. to an agreement and plan of merger, dated May 16, 2001, which provides for the merger of one of our

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

wholly-owned subsidiaries with and into OrthAlliance, with OrthAlliance becoming our wholly-owned subsidiary. Completion of this proposed merger is subject to a number of conditions, including approval of the merger agreement by OrthAlliance stockholders. Additional information about this proposed merger may be obtained from a registration statement on Form S-4, and a related prospectus/proxy statement, that we have filed with the Securities and Exchange Commission in connection with the proposed merger.

INCENTIVE PROGRAMS FOR ORTHALLIANCE ALLIED PRACTITIONERS

In connection with the proposed merger with OrthAlliance, we have implemented six programs under which we may offer shares of our common stock to orthodontists and pediatric dentists who are owners and employees of professional entities that are parties to service, management service or consulting agreements with OrthAlliance and its subsidiaries. Participation in each of these programs would be conditioned upon execution of a participation agreement and completion of the proposed merger with OrthAlliance, among other things. These six programs are described in further detail in the section of this document captioned "INCENTIVE PROGRAMS FOR ORTHALLIANCE ALLIED PRACTITIONERS." In addition, the terms of these programs are attached as annexes to this document. We encourage you to read these carefully.

INCENTIVES IN CONNECTION WITH AMENDMENTS TO EMPLOYMENT AGREEMENTS AND ORTHALLIANCE SERVICE, MANAGEMENT SERVICE OR CONSULTING AGREEMENTS, OR CONVERSION TO OCA BUSINESS SERVICES AGREEMENT.

If these OrthAlliance affiliated practitioners and their respective professional entities either amend their employment agreements and their service, management service or consulting agreements with OrthAlliance and its subsidiaries, as contemplated in the merger agreement, or enter into a new business services agreement with us or OrthAlliance, based on our form of that agreement, in replacement of the professional entities' existing service, management service or consulting agreements with OrthAlliance or its subsidiaries effective as of the proposed merger, they would be eligible, subject to some conditions, to participate in our Stock Pool Program, Target Stock Program, OrthAlliance Stockholder Bonus Program and High Participation Bonus Program.

3

5

- o STOCK POOL PROGRAM. To be eligible to participate in our Stock Pool Program, the OrthAlliance affiliated practitioners must enter into the amendments or new business services agreement by the earlier to occur of September 30, 2001 or the effective time of the merger. Under the Stock Pool Program, we would grant participants shares of our common stock based on the amount of service fees paid to OrthAlliance or its subsidiaries, the number of months that they have been a party to a service, management service or consulting agreement with OrthAlliance or its subsidiaries and the date on which they enter into the amendments or new business services agreements.
- o TARGET STOCK PROGRAM. To be eligible to participate in our Target Stock Program, the OrthAlliance affiliated practitioners must enter into the amendments or new business services agreement prior to the proposed merger. Under the Target Stock Program, we would grant participants shares of our common stock, or a promissory note, with a value equal to three times 70% of the amount of service fees that their respective professional entities paid OrthAlliance or its

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

subsidiaries during the 12 months prior to completion of the proposed merger with OrthAlliance, provided that the amount of service fees they paid in the third year following completion of the proposed merger is at least 70% greater than that amount. If the service fees increase by less than 70%, then the participant would receive a pro rata amount of shares of our common stock, or a promissory note.

- o ORTHALLIANCE STOCKHOLDER BONUS PROGRAM. To be eligible to participate in our OrthAlliance Stockholder Bonus Program, the OrthAlliance affiliated practitioners must enter into the amendments or new business services agreement by the earlier to occur of September 30, 2001 or the effective time of the merger, along with a minimum amount of other OrthAlliance affiliated practitioners, and have received shares of OrthAlliance common stock as 50% or more of the consideration paid to them in connection with their initial affiliation with OrthAlliance or one of its subsidiaries. Under the OrthAlliance Stockholder Bonus Program, we would grant participants a number of shares of our common stock which varies depending on, among other things, the number of participants in the program.
- o HIGH PARTICIPATION BONUS PROGRAM. To be eligible to participate in our High Participation Bonus Program, the OrthAlliance affiliated practitioners must enter into the amendments or new business services agreement by the earlier to occur of September 30, 2001 or the completion of the merger, along with a minimum amount of other OrthAlliance affiliated practitioners. Under the High Participation Bonus Program, we would grant participants a number of shares of our common stock which varies depending on the number of participants in the program.

ADDITIONAL INCENTIVES IN CONNECTION WITH CONVERSION TO OCA BUSINESS SERVICES AGREEMENT.

In addition to the four programs listed above, if these OrthAlliance affiliated practitioners and their respective professional entities enter into a new business services agreement with us or OrthAlliance, based on our customary form of that agreement, in replacement of the professional entities' existing service, management service or consulting agreements with OrthAlliance or its subsidiaries effective as of the completion of the proposed merger, they would be eligible, subject to some conditions to participate in our Conversion Incentive Program and Doctors Trust Program.

- o CONVERSION INCENTIVE PROGRAM. To be eligible to participate in our Conversion Incentive Program, the OrthAlliance affiliated practitioners must enter into the new business services agreement by the earlier to occur of September 30, 2001 or the effective time of the merger. Under the Conversion Incentive Program, we would grant participants shares of our common stock with a value equal to four times the amount by which service fees that would have been payable to us during the year prior to completion of the proposed merger with OrthAlliance if the participant and their respective professional entity had been a party to our customary form of business services agreement exceed the service fees actually paid during that period under their

6

existing service, management service or consulting agreement with OrthAlliance or one of its subsidiaries.

- o DOCTORS TRUST PROGRAM. To be eligible to participate in our Doctors Trust Program, the OrthAlliance affiliated practitioners must enter into the new business services agreement prior to the merger. Under the Doctors Trust Program, participants could purchase a specified number of shares of our common stock and pay for the shares in installments over a period of 10 years.

RISK FACTORS

An investment in shares of our common stock involves a high degree of risk. Prospective investors should carefully consider the following risk factors, in addition to the other information set forth in or incorporated by reference into this prospectus, in connection with an investment in shares of our common stock. If any of the following risks actually occurs, our business, financial condition or operating results could be harmed, the trading price of our common stock could decline and you could lose all or part of your investment.

OUR GROWTH STRATEGY MAY NOT SUCCEED, WHICH COULD HAVE AN ADVERSE EFFECT ON OUR FINANCIAL PERFORMANCE.

Since we began operating in 1985, we have expanded to being affiliated with over 400 orthodontists practicing in over 600 orthodontic centers as of March 31, 2001. We expect to continue to add additional orthodontic centers and affiliated orthodontists. Our growth, however, will depend on a number of factors, including:

- o Our ability to identify and affiliate with a sufficient number of orthodontists to open new orthodontic centers or operate within our existing network of affiliated orthodontic centers;
- o Our ability to obtain quality locations for orthodontic centers in suitable markets;
- o Our ability to identify and affiliate with a sufficient number of existing orthodontic practices;
- o The ability of our affiliated orthodontists to add new patients;
- o Our ability to implement initiatives designed to increase the productivity of our affiliated orthodontic centers;
- o Our ability to obtain adequate financing to fund our expansion strategy;
- o Our ability to successfully operate under applicable government regulations;
- o Our ability to establish brand identity; and
- o Our ability to affiliate with orthodontists in other countries

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

and successfully operate in those markets.

Our growth strategy may not succeed, and we may have to modify it. We may be unable to identify and recruit suitable orthodontists. A shortage of available orthodontists with the skills we require would have a material adverse effect on our ability to grow. In addition, many of our service agreements include covenants not to compete, in which we agreed that we would not affiliate with other orthodontists within a specified area and that we would limit the total number of orthodontic practices with which we affiliate within a particular market area. This could limit our ability to add orthodontists and orthodontic centers within the markets in which we have existing affiliated orthodontic centers.

Our ability to attract additional orthodontists, and our prospects for success and growth, depend on our ability to integrate an increasing number of affiliated orthodontists, orthodontic centers and employees. If we fail to manage our growth, our business may suffer.

6

8

OUR AFFILIATED ORTHODONTISTS ARE EXTENSIVELY REGULATED, WHICH MAY ADVERSELY AFFECT OUR BUSINESS AND LIMIT HOW WE CAN OPERATE.

Governmental authorities regulate the orthodontic industry and orthodontic practices extensively. We do not control the practice of orthodontics by our affiliated orthodontists or their compliance with legal requirements that apply to orthodontists and their practices. Many states prohibit us, as a non-professional corporation, from:

- o Practicing orthodontics, which, in some states, includes managing or operating an orthodontic office;
- o Splitting professional fees with orthodontists;
- o Owning or controlling equipment used in orthodontic practice;
- o Employing orthodontists;
- o Setting fees charged for orthodontic services;
- o Maintaining an orthodontist's patient records; or
- o Controlling the content of an orthodontist's advertisements.

Many states also prohibit orthodontists from paying any portion of fees received for orthodontic services in exchange for a patient referral. In addition, many states impose limits on the tasks an orthodontist may delegate to other staff members. These laws and their interpretation vary from state to state, and regulatory authorities enforce them with broad discretion.

If a court or regulatory authority reviewed our business arrangements with an affiliated orthodontist and concluded that our arrangements did not comply with applicable law, we might have to change those arrangements in a way that adversely affects us. An affiliated orthodontist may successfully challenge the legality of our long-term service and consulting agreements, and we may be unable to enforce non-competition and other provisions of those agreements. The laws and regulations of states and countries in which we operate or seek to expand may restrict or adversely affect our relationships with orthodontists in those states and countries. The laws and regulations of states and countries in

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

which we currently operate could change or be interpreted in a way that adversely affects our operations and relationships with affiliated orthodontists. We may have to change our contractual relationships, alter our financial arrangements or restrict our operations in those states and countries. These laws and regulations could also prevent us from affiliating with, or providing business services to, orthodontists practicing in those states and countries.

OUR FINANCIAL SUCCESS DEPENDS ON THE EFFORTS AND SUCCESS OF OUR AFFILIATED ORTHODONTISTS, AND OUR BUSINESS COULD SUFFER IF THEY DO NOT SUCCEED OR IF OUR SERVICE OR CONSULTING AGREEMENTS WITH THEM ARE TERMINATED.

We receive fees for services we provide for orthodontic practices under service and consulting agreements. These fees under the service or consulting agreements are generally tied to the financial performance of our affiliated orthodontists, so our success depends on the success of our affiliated orthodontists. Changes in the healthcare industry, such as the growth of managed care organizations and provider networks, may result in lower compensation for the services of our affiliated orthodontists. Our service agreements and some of our consulting agreements with affiliated orthodontists have terms ranging from 20 to 40 years, with most ranging from 20 to 25 years. Affiliated orthodontists may terminate those agreements for "cause," which generally includes our

7

9

material breach of the agreement. In some cases, an affiliated orthodontist may terminate his or her agreement without cause after a specified period of time, subject to substitution of another affiliated orthodontist and an obligation not to compete within a specified area. The loss of a substantial number of our agreements with affiliated orthodontists or a material loss of revenue by our affiliated orthodontists, for whatever reason, could materially and adversely affect our financial condition and results of operations.

OTHER ORTHODONTISTS AND DENTISTS COMPETE WITH OUR AFFILIATED ORTHODONTISTS, AND OTHER COMPANIES COMPETE WITH US.

Orthodontics is a highly competitive business in each market in which our affiliated orthodontists operate. Our affiliated orthodontists face competition from other orthodontists and general dentists in the communities they serve. Many of these competing orthodontists and general dentists have more established practices. Providing business services to orthodontic practices is also a competitive business. We compete with other companies with strategies similar to ours in providing business services to orthodontic practices. Competitors with greater access to financial resources may enter our markets and compete with us. We may not be able to compete successfully with existing or new competitors. Also, additional competition may make it more difficult for us to affiliate with additional orthodontists on terms that are favorable to us. Any of these factors could cause us to become less profitable.

OUR FINANCIAL RESULTS MAY SUFFER IF WE HAVE TO WRITE OFF INTANGIBLE ASSETS.

In connection with our affiliations with existing orthodontic practices, we recorded intangible assets, net of accumulated amortization, of about \$198.6 million on our balance sheet as of March 31, 2001. We may not realize the value of these intangible assets. We expect to engage in additional transactions that will result in our recognition of additional intangible assets and amortization expense. Part of the amortization generated by these intangible assets is not deductible for tax purposes. We evaluate on a regular basis whether events and circumstances have occurred that indicate that all or a portion of the carrying

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

amount of these intangible assets may no longer be recoverable, and is therefore impaired. Under current accounting rules, any future determination that impairment has occurred would require us to write off the impaired portion of unamortized intangible assets, resulting in a charge to our earnings. Such a write-off could have a material adverse effect on our financial condition and results of operations.

CHANGES IN ACCOUNTING PRINCIPLES MAY AFFECT OUR REPORTED OPERATING RESULTS AND STOCK PRICE.

As a public company with securities registered under the Securities Exchange Act of 1934, we prepare our financial statements in accordance with generally accepted accounting principles. SEC Staff Accounting Bulletin No. 101, "Revenue Recognition in Financial Statements," which summarizes the SEC staff's views in applying generally accepted accounting principles to revenue recognition in financial statements, became effective in the fourth quarter of 2000 for companies, such as us, with fiscal years ending on December 31. We have modified our revenue recognition policies to conform with the guidance in Staff Accounting Bulletin No. 101, which resulted in a cumulative charge to our earnings in 2000 to reflect the change in accounting principle effective January 1, 2000. This change may make it more difficult for investors to compare our historical operating results against our future operating results. In addition, any further changes to generally accepted accounting principles or additional SEC statements or guidance on accounting policies may require us to further change our accounting practices and policies. These uncertainties may cause our stock price to decline or result in additional adjustments to our financial results.

8

10

OUR INFORMATION SYSTEMS ARE CRITICAL TO OUR BUSINESS, AND A FAILURE OF THOSE SYSTEMS COULD HAVE A MATERIAL ADVERSE EFFECT ON US.

Our business and success depends, in part, upon our ability to store, retrieve, process and manage a significant amount of information, and to provide our affiliated orthodontists with efficient and effective inventory, accounting and scheduling systems. If our information systems fail to perform as expected, or if we suffer an interruption, malfunction or loss of information processing capabilities, it could have a material adverse effect on our business, results of operations, relationships with our affiliated orthodontists and ability to affiliate with additional orthodontists.

OUR INTERNATIONAL ACTIVITIES EXPOSE US TO OPERATIONAL CHALLENGES THAT WE MIGHT NOT OTHERWISE FACE.

We currently operate in Japan, Mexico and Spain, and may expand into additional countries. As we increase our international activities, we will have to confront and manage a number of risks and expenses that we would not otherwise face if we conducted our operations solely in the United States, which could have a material negative effect on our operating results. These risks and expenses include:

- o Difficulties in staffing and managing foreign offices as a result of, among other things, language and cultural differences;
- o Foreign currency exchange rate fluctuations;
- o Protectionist laws and business practices that favor local

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

companies;

- o Political and economic instability in some international markets;
- o Multiple, conflicting and changing government laws and regulations;
- o Trade barriers;
- o Reduced protection for intellectual property rights in some countries; and
- o Potentially adverse tax consequences.

WE DEPEND ON A FEW KEY EMPLOYEES, AND IF WE LOSE THEM OUR BUSINESS COULD SUFFER.

Our success depends upon the continued active participation of our senior management. The loss of the services of any of these officers could have a material adverse effect on our business. Our success also depends on our ability to attract and retain other highly qualified managerial personnel.

OUR FINANCIAL RESULTS MAY BE DAMAGED BY SUCCESSFUL CLAIMS AGAINST OUR AFFILIATED ORTHODONTISTS.

We provide business services to orthodontists who provide orthodontic treatment to the public and are exposed to the risk of professional liability and other claims. Those claims, if successful, could result in substantial damage awards. Those awards might exceed the limits of any applicable insurance coverage. Insurance against losses of this type can be expensive. Insurance rates vary from state to state. We do not control the practice of orthodontics by our affiliated orthodontists or their compliance with the legal and other requirements applicable to orthodontists and their practices. A successful malpractice claim against us or an affiliated orthodontist could have a material adverse effect on our financial position and results of operations.

9

11

ANTITRUST LAWS COULD LIMIT OUR ABILITY TO OPERATE OR EXPAND.

We are subject to a range of antitrust laws that prohibit anticompetitive conduct, including price fixing, concerted refusals to deal and divisions of markets. These laws may limit our ability to enter into service or consulting agreements with separate orthodontists who compete with one another in the same geographic market.

OUR ANTI-TAKEOVER PROVISIONS MAY DISCOURAGE CHANGE IN OUR CONTROL, EVEN IF IT WOULD BENEFIT OUR STOCKHOLDERS.

Some of the provisions of Delaware law and our certificate of incorporation and bylaws may discourage a change in our control or make it more difficult to achieve, even if a change in control is in our stockholders' best interests. For example, some actions by our Board of Directors require a supermajority vote rather than a simple majority vote. In addition, our certificate of incorporation allows our Board of Directors to determine the preferences and rights of preferred stock which we may issue without any vote or approval of the holders of our common stock. The rights of common stockholders will be subject to and may be adversely affected by the rights of the holders of any preferred stock that we may issue in the future. Through the issuance of preferred stock

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

with certain powers, the Board of Directors may prevent changes in our management and control. Our Board of Directors is divided into three classes of directors. Directors from each class serve staggered three-year terms, which may limit our stockholders' ability to replace a majority of our directors.

OUR STOCK PRICE MAY FLUCTUATE, AND YOU MAY NOT BE ABLE TO SELL YOUR SHARES OF OUR COMMON STOCK AT OR ABOVE THE PRICE YOU PAID FOR THEM.

From time to time, the market price of our common stock may fluctuate significantly in response to a variety of factors, including:

- o Variations in our financial results;
- o Changes in securities analysts' recommendations about our stock or estimates about our earnings, or our failure to achieve estimated results;
- o Announcements of material events by us or our competitors;
- o Regulatory changes;
- o Developments in the healthcare or business services industry;
- o Changes in general conditions in the economy or financial markets; and
- o Other reasons unrelated to our financial results or condition.

SALES OF SUBSTANTIAL AMOUNTS OF OUR COMMON STOCK, OR THE AVAILABILITY OF THOSE SHARES FOR FUTURE SALE, COULD ADVERSELY AFFECT OUR STOCK PRICE AND LIMIT OUR ABILITY TO RAISE CAPITAL.

As of March 31, 2001, we had outstanding about 49.2 million shares of our common stock. In addition, up to 6,000,000 shares of our common stock may be issued under our three stock option plans. As of March 31, 2001, 4,009,329 shares of our common stock were issuable upon the exercise of stock options which were outstanding but not exercisable, and 1,043,609 shares of our common stock were issuable upon the exercise of stock options which were outstanding and exercisable. We have registration statements on file with the SEC registering shares of our common stock issuable under our stock option plans. We also intend to issue shares of our common stock from time to time in connection with the development and affiliation of new orthodontic centers. These shares may be issued under a shelf registration statement on file with the SEC or in transactions exempt from registration. The market price of our common stock could decline as a result of sales of substantial

10

12

amounts of our common stock in the public market after this offering or the perception that substantial sales could occur. These sales also may make it more difficult for us to sell common stock in the future.

(1) Information for OCA affiliated orthodontists is for 2000.

(2) Information for traditional orthodontists is for 1998, and is derived from the 1999 Journal of Clinical Orthodontists Orthodontic Practice Study, a biennial study of the U.S. orthodontic industry. Information for 1999 and 2000 has not been published.

(3) For traditional orthodontists, this amount represents a weighted average.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

- (4) For OCA affiliated orthodontists, this amount represents the standard fee for a term of treatment that averages 26 months.
- (5) For OCA affiliated orthodontists, this amount is based upon orthodontists who had been affiliated with us for at least 12 months as of January 1, 2000.

We develop and implement marketing and advertising plans for our affiliated orthodontists, using television, radio and print advertising and internal marketing promotions. During 2000, we spent an average of \$66,439 per affiliated orthodontist on direct marketing costs and advertising. In contrast, traditional orthodontists, who rely primarily on referrals from dentists and patients, spent an average of \$4,400 on marketing and advertising in 1998.

We believe that our marketing and advertising strategy has allowed our affiliated orthodontists to generate significantly greater patient volume than traditional orthodontists. Each of our affiliated orthodontists who had been affiliated with us and our subsidiaries for at least one year generated an average of 538 new case starts during 2000, as compared to the 1998 national average of 200 new case starts per orthodontist. During 2000, our affiliated orthodontists generated a total of about 160,639 new case starts, representing initial new patient contract balances of \$494.1 million for 2000, an increase of 33.9% from \$369.1 million for 1999.

Our operating systems and office designs, along with the efficient use of an average of five orthodontic assistants per orthodontic center, have enabled our affiliated orthodontists to treat more patients per day as compared to traditional orthodontists. Our innovative office designs permit an affiliated orthodontist to treat patients without moving from room to room. Our proprietary patient scheduling system groups appointments by the type of procedure and dedicates certain days exclusively to new patients. During 2000, our affiliated orthodontists who practiced in orthodontic centers open throughout 1999 and 2000 treated an average of 78 patients per operating day, as compared to an average of 45 patients per operating day treated during 1998 by orthodontists in the United States generally.

Orthodontists who had been affiliated with us for at least three years earned pre-tax practice income of about \$420,000 during 2000, which was 40.0% higher than the average pre-tax practice income of \$300,000 reported in the 1999 Journal of Clinical Orthodontists Orthodontic Practice Study as earned by orthodontists in the United States during 1998.

The following table provides information about the growth in the number of our affiliated orthodontic centers during the periods shown:

	YEAR ENDED DECEMBER 31		
	----- 1996 ----	----- 1997 ----	----- 1998 ----
Number of centers at beginning of period	145	247	360
Number of centers developed during period	53	58	54
Number of centers acquired during period	68	78	66
Number of centers consolidated during period	(19)	(23)	(11)

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

	---	---	---
Number of centers at end of period	247	360	469
	===	===	===

Of our 603 affiliated orthodontic centers at March 31, 2001, 315 were developed by us, 364 were existing orthodontic practices the assets of which we acquired and 76 were consolidated into another affiliated orthodontic center. We expect that future growth in the number of our affiliated orthodontic centers will come from both developing orthodontic centers with existing and newly recruited orthodontists affiliated with us and acquiring the assets of, and entering into service and consulting agreements with, existing orthodontic practices.

PROPOSED MERGER WITH ORTHALLIANCE

We are a party with OrthAlliance, Inc. to an Agreement and Plan of Merger, dated May 16, 2001 (the "Merger Agreement"), which provides for the merger of one of our wholly-owned subsidiaries with and into OrthAlliance, with OrthAlliance becoming our wholly-owned subsidiary (the "Merger"). Completion of this proposed Merger is subject to a number of conditions, including approval of the Merger Agreement by OrthAlliance stockholders.

If the Merger is completed, OrthAlliance stockholders will receive a fixed number of shares of our common stock for each share of OrthAlliance Class A and Class B common stock they own, except for holders of OrthAlliance Class B common stock who properly exercise their appraisal rights under Delaware law, with cash to be paid instead of any fractional shares of our common stock. The amount of the exchange ratio will depend upon how many of 184 designated orthodontists and pediatric dentists who are owners/employees of professional entities that are parties to OrthAlliance service, management service or consulting agreements, enter into, along with their professional entity, amendments to their respective employment agreements and OrthAlliance service, management service or consulting agreements prior to the Merger, as provided in Section 2.4 of the Merger Agreement.

Our obligation to complete the Merger is also conditioned upon, among other things, at least 56 of those 184 designated orthodontists and pediatric dentists who are owners/employees of professional entities that are parties to service or consulting agreements with OrthAlliance, and a number of those orthodontists and pediatric dentists representing at least 30% of OrthAlliance's service fees during the 12 months ended March 31, 2001, executing, along with their professional entity, those amendments to their respective employment agreements and OrthAlliance service, management service or consulting agreements prior to the Merger.

Additional information about this proposed Merger may be obtained from a registration statement on Form S-4, and a related prospectus/proxy statement, that we have filed with the Securities and Exchange Commission in connection with the proposed Merger.

INCENTIVE PROGRAMS FOR ORTHALLIANCE ALLIED PRACTITIONERS

OVERVIEW

In connection with the proposed Merger, we have implemented the following six programs under which we may offer shares of our common stock to certain orthodontists and pediatric dentists who are owners and employees ("OrthAlliance Affiliated Practitioners") of professional entities that are parties to service, management service, consulting or similar long-term agreements ("OrthAlliance Service or Consulting Agreements") with OrthAlliance and its subsidiaries:

- o Stock Pool Program;
- o Target Stock Program;
- o OrthAlliance Stockholder Bonus Program;
- o High Participation Bonus Program;
- o Conversion Incentive Program; and
- o Doctors Trust Program.

The Stock Pool Program, Target Stock Program, OrthAlliance Stockholder Bonus Program and High Participation Bonus Program provide incentives to OrthAlliance Affiliated Practitioners who, along with their respective professional entities, either:

- o Amend their respective employment agreement and OrthAlliance Service or Consulting Agreement as contemplated by Sections 2.4 and 7.2(e) of the Merger Agreement (the "Amendments"), or
- o Enter into our form of business services agreement (the "OCA Business Services Agreement") with us or OrthAlliance in replacement of their existing OrthAlliance Service or Consulting Agreement effective as of the proposed Merger with OrthAlliance.

The Conversion Incentive Program and Doctors Trust Program provide incentives only to those OrthAlliance Affiliated Practitioners who, along with their respective professional entities, enter into an OCA Business Services Agreement effective as of the completion of the proposed Merger.

Each of these programs would be conditioned upon, and subject to, completion of the proposed Merger, execution of a participation agreement and compliance with federal and state securities laws.

These programs will be administered by a committee consisting of officers of OCA. The committee is authorized to interpret provisions of the programs and make determinations it deems advisable for the administration of the programs. Any decision made, or action taken, by the committee to administer the programs will be final and conclusive.

We may amend or terminate each of these programs at any time; however, an amendment that would have a material adverse effect on a participant's rights under an outstanding award under a program would require the participant's consent.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

In the amendment to their respective employment agreement, the OrthAlliance Affiliated Practitioner, and his or her professional entity, would agree to include OrthAlliance as a third party beneficiary and continue his or her employment as an orthodontist or pediatric dentist, as applicable, for a period of at least three years following the Merger. In the amendment to their respective OrthAlliance Service or Consulting Agreement, the OrthAlliance Affiliated Practitioner, and his or her professional entity, would agree to use our proprietary computer software and business systems in connection with the business functions of their practice, maintain the current status of the advertisement or non-advertisement, as the case may be, of their practice to the general public, unless we otherwise agree, and continue the orthodontist's or pediatric dentist's employment as an

16

18

orthodontist or pediatric dentist, as applicable, for a period of at least three years following the Merger. These Amendments would be conditioned upon completion of the Merger. If the Merger Agreement is terminated, other than due to completion of the Merger, the Amendments would also terminate.

The OCA Business Services Agreements would be based on our form of business services agreement, including provisions regarding services to be provided, service fees, termination and restrictive covenants. These OCA Business Services Agreements would become effective upon completion of the Merger. If the Merger Agreement is terminated, other than due to completion of the Merger, these OCA Business Services Agreements would also terminate.

INCENTIVES FOR AMENDING EXISTING EMPLOYMENT AGREEMENT AND ORTHALLIANCE AGREEMENT, OR ENTERING INTO NEW OCA AGREEMENT

We may offer shares of our common stock to OrthAlliance Affiliated Practitioners as an incentive for these individuals and their professional entities to enter into the Amendments or an OCA Business Services Agreement prior to the Merger. These shares may be issued to eligible OrthAlliance Affiliated Practitioners generally on the following terms under our:

- o Stock Pool Program;
- o Target Stock Program;
- o OrthAlliance Stockholder Bonus Program; and
- o High Participation Bonus Program.

STOCK POOL PROGRAM

Under our Stock Pool Program, we may grant shares of our common stock to eligible OrthAlliance Affiliated Practitioners who, along with their professional entity, enter into the Amendments or an OCA Business Services Agreement by the earlier to occur of September 30, 2001 or the effective time of the Merger, as follows:

CLINICAL ADVISORY COMMITTEE MEMBERS. In addition, each of the 12 OrthAlliance Affiliated Practitioners who are selected by us and OrthAlliance to serve on our Clinical Advisory Committee upon completion of the Merger, and who do serve on that committee, may be granted 2,500 shares of our common stock if, by June 22, 2001, that individual and his or her professional entity enters into the Amendments or an OCA Business Services Agreement.

DATES SHARES ISSUED; CONDITION TO VESTING. Shares granted under this program would be issuable in three annual installments, with one-third of the shares to be issued following each of the first, second and third anniversaries of the completion of the Merger if the amount of service or consulting fees paid by the OrthAlliance Affiliated Practitioner and his or her professional entity to

us or our subsidiary during and for the 12 calendar months prior to that anniversary is at least 90% of the amount of service or consulting fees they paid to OrthAlliance or its subsidiary during and for the 12 calendar months immediately preceding the completion of the Merger. However, if that 90% minimum target is not achieved in a particular 12 calendar month period, but is achieved during one of the subsequent 12 calendar month periods prior to the third anniversary of the Merger, then the installment of shares would be issuable at that time.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

PRACTICES WITH MULTI-OWNERS. If an OrthAlliance Affiliated Practitioner's professional entity is partially owned by one or more other OrthAlliance Affiliated Practitioners, the number of shares to be granted based on the amount of service or consulting fees paid would be computed on a pro rata basis. In addition, the co-owner OrthAlliance Affiliated Practitioners would have to execute and deliver the Amendments or OCA Business Services Agreement, as applicable, by the earlier to occur of September 30, 2001 or the effective time of the Merger.

ELIGIBILITY TO PARTICIPATE. To be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, would have to enter into the Amendments or an OCA Business Services Agreement by the earlier to occur of September 30, 2001 or the effective time of the Merger. Participation would also require the execution of a written participation agreement between us and the OrthAlliance Affiliated Practitioner that sets forth, or incorporates by reference, the terms of the program. Participation in and the grant of any shares under this program would also be conditioned upon, and subject to, completion of the Merger.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any pending or threatened litigation against OrthAlliance, OCA or their respective subsidiaries, nor have given notice of termination or intention to terminate their respective OrthAlliance Service or Consulting Agreement, and must be in compliance with their obligation to pay service or consulting fees under their OrthAlliance Service or Consulting Agreement. If such litigation or notice has been commenced, threatened or given, it would need to have been dismissed with prejudice or fully withdrawn in a manner acceptable to us.

TARGET STOCK PROGRAM

Under our Target Stock Program, we may grant eligible OrthAlliance Affiliated Practitioners shares of our common stock, except as described below, as follows:

FOR NEW OCA AGREEMENTS. For OrthAlliance Affiliated Practitioners who, along with their respective professional entities, enter into an OCA Business Services Agreement prior to the Merger, which would become effective upon the Merger, we may issue them a number of shares of our common stock equal to:

(x) 3,

TIMES

(y) 70% OF ASSUMED SERVICE FEES IN PRIOR 12 MONTHS. 70% of the amount of service or consulting fees, excluding any center or other expense reimbursement, that would have been payable to us or our subsidiary by the OrthAlliance Affiliated Practitioner or his or her professional entity under the OCA Business Services Agreement during the 12 calendar months immediately preceding the completion of the Merger, assuming that the OCA Business Services Agreement had been in effect during that period and also assuming that the operating margin of the practice during that period was 5% higher than the actual operating margin for that period,

DIVIDED BY

- (z) AVERAGE CLOSING PRICE AT THIRD ANNIVERSARY. The average closing price of our common stock during the 10 trading days immediately preceding the third anniversary of the completion of the Merger,

IF, during the 12 calendar months immediately preceding the third anniversary of the completion of the Merger, the amount of:

- (A) Service or consulting fees, excluding any center or other expense reimbursement, paid to us or our subsidiary by the OrthAlliance Affiliated Practitioner or his or her professional entity under the OCA Business Services Agreement,

is at least 70% greater than

- (B) Service or consulting fees, excluding any center or other expense reimbursement, that would have been payable to us or our subsidiary by the OrthAlliance Affiliated Practitioner or his or her professional entity under the OCA Business Services Agreement during the 12 calendar months immediately preceding the completion of the Merger, assuming that the OCA Business Services Agreement had been in effect during that period and also assuming that the operating margin of the practice during that period was 5% higher than the actual operating margin for that period.

PRO RATA AMOUNT. However, if this 70% target increase in service or consulting fees is not achieved during the 12 calendar months immediately preceding the third anniversary of the completion of the Merger, but the amount of service or consulting fees paid during that period is at least equal to the amount that would have been paid under the OCA Business Services Agreement during the 12 calendar months immediately preceding the completion of the Merger, based on the assumptions described above, then we would grant the OrthAlliance Affiliated Practitioner a pro rata amount of the shares of our common stock that we would have granted if the target amount had been achieved. For example, if the amount of service or consulting fees increased 35% (i.e., one-half of the targeted increase) during that period, then the OrthAlliance Affiliated Practitioner would be granted one-half of the number of shares issuable if the target had been achieved.

FOR AMENDMENTS. For OrthAlliance Affiliated Practitioners who, along with their respective professional entities, enter into the Amendments prior to completion of the Merger, we may issue them a number of shares of our common stock equal to:

- (x) 3,

TIMES

- (y) 70% OF SERVICE FEES IN PRIOR 12 MONTHS. 70% of the amount of service, consulting or management fees, excluding any center or other expense reimbursement, paid by the OrthAlliance Affiliated Practitioner or his or her professional entity to OrthAlliance or its

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

subsidiaries during the 12 calendar months prior to completion of the Merger,

DIVIDED BY

- (z) AVERAGE CLOSING PRICE AT THIRD ANNIVERSARY. The average closing price of our common stock during the 10 trading days immediately preceding the third anniversary of the completion of the Merger,

IF, during and for the 12 calendar months immediately preceding the third anniversary of the completion of the Merger, the amount of:

20

22

- (A) Service or consulting fees, excluding any center or other expense reimbursement, paid to us or our subsidiary by the OrthAlliance Affiliated Practitioner or his or her professional entity under their OrthAlliance Service or Consulting Agreement, is at least 70% greater than,
- (B) Service or consulting fees, excluding any center or other expense reimbursement, paid to OrthAlliance or its subsidiary by the OrthAlliance Affiliated Practitioner or his or her professional entity under their OrthAlliance Service or Consulting Agreement during the 12 calendar months immediately preceding the completion of the Merger.

PRO RATA AMOUNT. However, if this 70% target amount of increased service or consulting fees is not achieved during the 12 calendar months immediately preceding the third anniversary of the completion of the Merger, but the amount of service or consulting fees paid during that period is at least equal to the amount paid during the 12 calendar months immediately preceding the completion of the Merger, then we would grant the OrthAlliance Affiliated Practitioner a pro rata amount of the shares of our common stock that we would have granted if the target amount had been achieved. For example, if the amount of service or consulting fees increased 35% (i.e., one-half of the targeted increase) during that period, then the OrthAlliance Affiliated Practitioner may be granted one-half of the number of shares issuable if the target had been achieved.

WE MAY CHOOSE TO SUBSTITUTE INTEREST BEARING NOTE. We may elect under the Target Stock Program, in our sole discretion, to issue the OrthAlliance Affiliated Practitioner a non-transferable promissory note in lieu of shares of our common stock. The original principal amount of the promissory note would be the amount calculated in determining the amount of shares that would otherwise be issued, but without dividing by the price per share of our common stock. We would pay principal and accrued interest under the promissory note in annual installments over a period of five years. The note would bear interest at the prime rate plus 1.5% per year. Payment of each annual installment of principal and interest under the promissory note would be subject to satisfaction of the same condition described in the following paragraph with respect to issuance of shares of our common stock.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

DATES OF GRANTS; CONDITION TO VESTING. Shares granted under this program would be issuable in four annual installments, with one-fourth of the shares to be issued following each of the fifth, sixth, seventh and eighth anniversaries of the completion of the Merger if the amount of service or consulting fees paid by the OrthAlliance Affiliated Practitioner and his or her professional entity to us or our subsidiary during and for the 12 calendar months prior to that anniversary is at least 90% of the amount of service or consulting fees they paid to OrthAlliance or its subsidiary during and for the 12 calendar months prior to completion of the Merger. However, if that 90% minimum target is not achieved in a particular 12 calendar month period, but is achieved during one of the subsequent 12 calendar month periods prior to the eighth anniversary of the completion of the Merger, then the installment of shares would be issuable at that time.

PRACTICES WITH MULTI-OWNERS. If an OrthAlliance Affiliated Practitioner's professional entity is partially owned by one or more other OrthAlliance Affiliated Practitioners, these amounts would be computed on a pro rata basis. In addition, the co-owner OrthAlliance Affiliated Practitioners would have to execute and deliver the Amendments or OCA Business Services Agreement, as applicable, prior to completion of the Merger.

ELIGIBILITY TO PARTICIPATE. To be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, would have to enter into the Amendments or an OCA Business Services Agreement prior to completion of the Merger.

21

23

Participation would also require the execution of a written participation agreement between us and the OrthAlliance Affiliated Practitioner that sets forth, or incorporates by reference, the terms of the program. Participation in and the grant of any shares under this program would also be conditioned upon, and subject to, completion of the Merger.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any pending or threatened litigation against OrthAlliance, OCA or their subsidiaries, nor have given notice of termination or intention to terminate their respective OrthAlliance Service or Consulting Agreement, and must be in compliance with their obligation to pay service or consulting fees under their OrthAlliance Service or Consulting Agreement. If such litigation or notice has been commenced, threatened or given, it would need to have been dismissed with prejudice or fully withdrawn in a manner acceptable to us.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any practice improvement performance guarantee agreement with OrthAlliance or its subsidiary.

DUE DILIGENCE TO DETERMINE OPERATING MARGIN. To permit us to determine the appropriate operating margin for computing the number of shares to be granted under this program with respect to a new OCA Business Services Agreement, the OrthAlliance Affiliated Practitioner would provide us with financial information we reasonably request about his or her practice.

ORTHALLIANCE STOCKHOLDER BONUS PROGRAM

We have received from OrthAlliance a listing of those OrthAlliance Affiliated Practitioners who received shares of OrthAlliance common stock as 50%

- (i) The number of shares originally issued to the OrthAlliance Stock Recipient in connection with his or her original affiliation with OrthAlliance or its subsidiary, times an assumed stock price per share of \$5.30, plus the dollar amount of cash and promissory notes received from OrthAlliance or its subsidiary in that transaction,

DATES OF GRANTS; CONDITION TO VESTING. Shares granted under this program would be issuable in four annual installments, with one-fourth of the shares to be issued following each of the second, third, fourth and fifth anniversaries of the completion of the Merger if the amount of service or consulting fees paid by the OrthAlliance Affiliated Practitioner and his or her professional entity to us or our subsidiary during and for the 12 calendar months prior to that anniversary is at least 90% of the amount of service or consulting fees they paid to OrthAlliance or its subsidiary during and for the 12 calendar months prior to the completion of the Merger. However, if that 90% minimum target is not achieved in a particular 12 calendar month period, but is achieved during one of the subsequent 12 calendar month periods prior to the fifth anniversary of the completion of the Merger, then the installment of shares would be issuable at that time.

ELIGIBILITY TO PARTICIPATE. OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any pending or threatened litigation against OrthAlliance, OCA or their subsidiaries, nor have given notice of termination or intention to terminate their respective OrthAlliance Service or Consulting Agreement, and must be in compliance with their obligation to pay service or consulting fees under their OrthAlliance Service or Consulting Agreement. If such litigation or notice has been commenced, threatened or given, it would need to have been dismissed with prejudice or fully withdrawn in a manner acceptable to us.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any practice improvement performance guarantee agreement with OrthAlliance or its subsidiary.

PRACTICES WITH MULTI-OWNERS. If an OrthAlliance Affiliated Practitioner's professional entity is partially owned by one or more other OrthAlliance Affiliated Practitioners, the co-owner OrthAlliance Affiliated Practitioners would have to execute and deliver the Amendments or OCA Business Services Agreement, as applicable, by the earlier to occur of September 30, 2001 or the effective time of the Merger, as applicable.

HIGH PARTICIPATION BONUS PROGRAM

Under our High Participation Bonus Program, we may grant shares of our common stock to certain eligible OrthAlliance Affiliated Practitioners who, along with their professional entity enter into the Amendments or, as applicable OCA Business Services Agreements by the earlier to occur of September 30, 2001 or the effective time of the Merger, as follows:

MINIMUM NUMBER OF ORTHALLIANCE AFFILIATED PRACTITIONERS SIGNING AMENDMENTS OR NEW OCA AGREEMENT. No shares will be issued to anyone under this program unless the following minimum amount of OrthAlliance Affiliated Practitioners, along with their professional entities, enter into the Amendments or OCA Business Services Agreements by the earlier to occur of September 30, 2001 or the completion of the Merger:

Minimum Number of OrthAlliance Affiliated Practitioners:

(1) At least 148 OrthAlliance Affiliated Practitioners,

AND

(2) OrthAlliance Affiliated Practitioners representing at least 80% of OrthAlliance's service fees during the 12 months ended March 31, 2001.

AWARD OF SHARES TO PARTICIPATING ORTHALLIANCE STOCK RECIPIENTS. An eligible OrthAlliance Stock Recipient participating in this program would receive a number of shares of OCA common stock that varies depending on (A) the number of OrthAlliance Affiliated Practitioners who, along with their professional entity, enter into the Amendments or an OCA Business Services Agreement by the earlier to occur of September 30, 2001 or the effective time of the Merger, and (B) the percentage of OrthAlliance's service fees during the 12 months ended March 31, 2001 represented by those OrthAlliance Affiliated Practitioners (with certain adjustments and annualization as described in

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

Section 2.4 of the Merger Agreement), as described in the following chart:

NUMBER OF SHARES PER PARTICIPANT IN PROGRAM	ORTHALLIANCE AFFILIATED PRACTITIONERS EXECUTING AMENDMENTS BY THE EARLIER TO OCCUR OF SEPTEMBER 30, 2001 OR THE EFFECTIVE TIME OF THE MERGER	
	NUMBER	PERCENTAGE OF ORTHALLIA SERVICE FEES REPRESENTED

0.....	Less than 148	or Less than 80.00%

DATES OF GRANTS; CONDITION TO VESTING. Shares granted under this program would be issuable in four annual installments, with one-fourth of the shares to be issued following each of the second, third, fourth and fifth anniversaries of the completion of the Merger if the amount of service or consulting fees paid by the OrthAlliance Affiliated Practitioner and his or her professional entity

to us or our subsidiary during and for the 12 calendar months prior to that anniversary is at least 90% of the amount of service or consulting fees they paid to OrthAlliance or its subsidiary during and for the 12 calendar months prior to the completion of the Merger. However, if that 90% minimum target is not achieved in a particular 12 calendar month period, but is achieved during one of the subsequent 12 calendar month periods prior to the fifth anniversary of the completion of the Merger, then the installment of shares would be issuable at that time.

ELIGIBILITY TO PARTICIPATE. To be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, would have to enter into the Amendments or an OCA Business Services Agreement by the earlier to occur of September 30, 2001 or the effective time of the Merger. Participation would also require the execution of a written participation agreement between OCA and the OrthAlliance Affiliated Practitioner that sets forth, or incorporates by reference, the terms of the program. Participation in and the grant of any shares under this program would also be conditioned upon, and subject to, completion of the Merger.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any pending or threatened litigation against OrthAlliance, OCA or their subsidiaries, nor have given notice of termination or intention to terminate their respective OrthAlliance Service or Consulting Agreement, and must be in compliance with their obligation to pay service or consulting fees under their OrthAlliance Service or Consulting Agreement. If such litigation or notice has been commenced, threatened or given, it would need to have been dismissed with prejudice or fully withdrawn in a manner acceptable to us.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any practice improvement performance guarantee agreement

with OrthAlliance or its subsidiary.

PRACTICES WITH MULTI-OWNERS. If an OrthAlliance Affiliated Practitioner's professional entity is partially owned by one or more other OrthAlliance Affiliated Practitioners, the co-owner OrthAlliance Affiliated Practitioners would have to execute and deliver the Amendments or OCA Business Services Agreement, as applicable, by the earlier to occur of September 30, 2001 or the effective time of the Merger.

ADDITIONAL INCENTIVES FOR ENTERING INTO NEW OCA AGREEMENT

In addition to the four programs described above, we may offer additional shares of our common stock to OrthAlliance Affiliated Practitioners as an incentive for these individuals and their professional entities to enter into an OCA Business Services Agreement prior to completion of the Merger, in replacement of their existing OrthAlliance Service or Consulting Agreement effective as of the Merger. These shares may be issued to eligible OrthAlliance Affiliated Practitioners generally on the following terms under our:

- o Conversion Incentive Program; and
- o Doctors Trust Program.

CONVERSION INCENTIVE PROGRAM

Under our Conversion Incentive Program, we may grant shares of our common stock to eligible OrthAlliance Affiliated Practitioners who, along with their professional entities, enter into OCA Business Services Agreements by the earlier to occur of September 30, 2001 or the effective time of the Merger, in an amount equal to:

- (a) 4,

 - (ii) FEES UNDER EXISTING AGREEMENT. Service, consulting or management fees, excluding any center or other expense reimbursement, paid

- (c) AVERAGE CLOSING PRICE AT MERGER. The average closing price of our common stock during the 10 trading days prior to completion of the Merger.

DATES OF GRANTS; CONDITION TO VESTING. Shares granted under this program would be issuable in four annual installments, with one-fourth of the shares to be issued following each of the second, third, fourth and fifth anniversaries of the completion of the Merger if the amount of service or consulting fees paid by the OrthAlliance Affiliated Practitioner and his or her professional entity to us or our subsidiary during and for the 12 calendar months prior to that anniversary is at least 90% of the amount of service or consulting fees they paid to OrthAlliance or its subsidiary during and for the 12 calendar months prior to the completion of the Merger. However, if that 90% minimum target is not achieved in a particular 12 calendar month period, but is achieved during one of the subsequent 12 calendar month periods prior to the fifth anniversary of the completion of the Merger, then the installment of shares would be issuable at that time.

ELIGIBILITY TO PARTICIPATE. To be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, would have to, by the earlier to occur of September 30, 2001 or the effective time of the Merger, enter into an OCA Business Services Agreement in replacement of their existing OrthAlliance Service or Consulting Agreement effective as of the completion of the Merger. Participation would also require the execution of a written participation agreement between us and the OrthAlliance Affiliated Practitioner that sets forth, or incorporates by reference, the terms of the program. Participation in and the grant of any shares under this program would also be conditioned upon, and subject to, completion of the Merger.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any pending or threatened litigation against OrthAlliance, OCA or their subsidiaries, nor have given notice of termination or intention to terminate their respective OrthAlliance Service or Consulting Agreement, and must be in compliance with their obligation to pay service or consulting fees under their OrthAlliance Service or Consulting Agreement. If such litigation or notice has been commenced, threatened or given, it would need to have been dismissed with prejudice or fully withdrawn in a manner acceptable to us.

27

DUE DILIGENCE TO DETERMINE OPERATING MARGIN. To permit us to determine the appropriate operating margin for computing the number of shares to be granted under this program, the OrthAlliance Affiliated Practitioner would provide us with financial information we reasonably request about the practice.

PRACTICES WITH MULTI-OWNERS. If an OrthAlliance Affiliated Practitioner's professional entity is partially owned by one or more other

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

OrthAlliance Affiliated Practitioners, these amounts would be computed on a pro rata basis. In addition, the co-owner OrthAlliance Affiliated Practitioners would have to execute and deliver the new OCA Business Services Agreement by the earlier to occur of September 30, 2001 or the effective time of the Merger.

DOCTORS TRUST PROGRAM

Under our Doctors Trust Program, for eligible OrthAlliance Affiliated Practitioners who enter into an OCA Business Services Agreement prior to effective time of the Merger:

TWO YEAR OPTION TO PURCHASE SHARES. At anytime during the two years immediately following the completion of the Merger, the OrthAlliance Affiliated Practitioner could elect, by giving us written notice, to purchase a number of shares of our common stock equal to (1) \$60,000, divided by (2) the average closing sales price per share of our common stock reported for the 10 trading days immediately prior to completion of the Merger.

INSTALLMENT PAYMENTS OF PURCHASE PRICE. The purchase price of the shares would equal \$40,000 and would be payable by the OrthAlliance Affiliated Practitioner in 40 equal quarterly installments of \$1,000 each over a period of 10 years, beginning on the second anniversary of the completion of the Merger.

RESTRICTIONS ON TRANSFER. These shares would be subject to contractual restrictions on transfer. No shares could be sold or transferred prior to the eleventh anniversary of the completion of the Merger. Beginning on that eleventh anniversary, one-seventh of the shares would become eligible for sale or transfer during each of the following seven years.

FORFEITURE OF SHARES. Shares that are not then granted or eligible for sale or transfer would be forfeited if the:

- o OrthAlliance Affiliated Practitioner ceases to be employed full-time as an orthodontist or pediatric dentist, as applicable, in his or her respective practice prior to the tenth anniversary of the completion of the Merger, or
- o OrthAlliance Affiliated Practitioner ceases to own an equity interest in the professional entity that is a party to his or her OCA Business Services Agreement prior to the tenth anniversary of the completion of the Merger, or
- o OrthAlliance Affiliated Practitioner and his or her professional entity's OCA Business Services Agreement terminates, or
- o OrthAlliance Affiliated Practitioner or his or her professional entity fails to utilize our proprietary computer software and business systems in connection with the business functions of their practice, or
- o OrthAlliance Affiliated Practitioner or his or her professional entity fails to comply with our policies, procedures and systems, including a productive working relationship with our corporate office staff and other orthodontists and dental professionals who are affiliated with us, fails to fulfill his or her financial obligations to us or our subsidiaries, or breaches his or her OCA Business Services Agreement.

NO RETURN OF PURCHASE PRICE. If shares acquired under this program are forfeited, any purchase price previously paid would not be returned, but further

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

obligations to pay the quarterly installments would be canceled.

DEATH OR DISABILITY. If the OrthAlliance Affiliated Practitioner dies or becomes permanently disabled, and ceases to practice orthodontics or pediatric dentistry, as applicable, a

28

30

proportionate number of shares for which quarterly installments of purchase price had then been paid (that is, one-fortieth of the number of shares for each quarterly installment of purchase price that had been paid) would not be forfeited due to those events, and one-seventh of that proportionate amount would become eligible for sale or transfer during each of the following seven years.

TRANSFER OF PRACTICE AFTER 10 YEARS. If the OrthAlliance Affiliated Practitioner remains employed full-time as an orthodontist or pediatric dentist, as applicable, in his or her respective practice, owns an equity interest in the professional entity that is a party to the OCA Business Services Agreement, remains a party to an OCA Business Services Agreement and otherwise complies with the terms and conditions of this program through the tenth anniversary of the completion of the Merger, then the OrthAlliance Affiliated Practitioner could thereafter transfer his or her practice to another orthodontist or pediatric dentist, as applicable, acceptable to us who assumes all of the OrthAlliance Affiliated Practitioner's obligations under the OCA Business Services Agreement and, subject to continued compliance with his or her covenant not to compete, a proportionate number of shares for which quarterly installments of the purchase price had then been paid would not be forfeited due to those events, and one-seventh of that proportionate amount would become eligible for sale or transfer during each of the following seven years.

ELIGIBILITY TO PARTICIPATE. To be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, would have to, prior to the Merger, enter into an OCA Business Services Agreement in replacement of their existing OrthAlliance Service or Consulting Agreement, effective as of the completion of the Merger. Participation would also require the execution of a written participation agreement between us and the OrthAlliance Affiliated Practitioner that sets forth, or incorporates by reference, the terms of the program. Participation in and purchase of shares under this program would also be conditioned upon, and subject to, completion of the Merger.

In addition, to be eligible to participate in this program, an OrthAlliance Affiliated Practitioner, along with his or her professional entity, may not be a party to any pending or threatened litigation against or involving OrthAlliance, OCA or their subsidiaries, nor have given notice of termination or intention to terminate their respective OrthAlliance Service or Consulting Agreement, and must be in compliance with their obligation to pay service or consulting fees under their OrthAlliance Service or Consulting Agreement. If such litigation or notice has been commenced, threatened or given, it would need to have been dismissed with prejudice or fully withdrawn in a manner acceptable to us.

PRACTICES WITH MULTI-OWNERS. If an OrthAlliance Affiliated Practitioner's professional entity is partially owned by one or more other OrthAlliance Affiliated Practitioners, the co-owner OrthAlliance Affiliated Practitioners would have to execute and deliver the new OCA Business Services Agreement prior to the Merger.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

ISSUANCE TO PROFESSIONAL CORPORATION. Shares of our common stock issued under this program may be issued to the participant's professional corporation or other entity, rather than to the individual participant. If the professional corporation is conveyed to a successor practitioner in accordance with the applicable OCA Business Services Agreement, the shares of our common stock would not be forfeited due to that event, but rather would continue as an asset of the professional corporation under the ownership of the successor practitioner. For purposes of the minimum number of years of full-time employment and ownership of the professional corporation required under this program, the successor would be credited with those of the original owner of the professional corporation.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the material anticipated U.S. federal income tax consequences of the issuance of shares of our common stock under our Stock Pool Program, Target Stock Program, OrthAlliance Stockholder Bonus Program, High Participation Bonus Program, Conversion Incentive Program and Doctors Trust Program to OrthAlliance Affiliated Practitioners who participate in these programs. The summary is based on the Internal Revenue Code, applicable Treasury regulations, and administrative rulings and court decisions in effect as of the date of this prospectus, all of which are subject to change at any time, possibly with retroactive effect.

This discussion of material U.S. federal income tax consequences is intended to provide only a general summary, and is not a complete analysis or description of all potential federal income tax consequences of these programs. This discussion does not address tax consequences that may vary with, or are contingent on, individual circumstances. In addition, it does not address any non-income tax or any foreign, state or local tax consequences of these programs. ACCORDINGLY, WE URGE YOU TO CONSULT WITH YOUR TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF THESE PROGRAMS TO YOU, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND OF POTENTIAL CHANGES TO APPLICABLE TAX LAW.

STOCK POOL PROGRAM, TARGET STOCK PROGRAM, ORTHALLIANCE STOCKHOLDER BONUS PROGRAM, HIGH PARTICIPATION BONUS PROGRAM AND CONVERSION INCENTIVE PROGRAM

Shares of our common stock offered under the Stock Pool Program, the Target Stock Program, the OrthAlliance Stockholder Bonus Program, the High Participation Bonus Program and the Conversion Incentive Program will not be subject to any contractual restrictions on transfer after they are issued to the applicable OrthAlliance Affiliated Practitioner. Accordingly, an OrthAlliance Affiliated Practitioner who receives shares of our common stock under these programs would recognize ordinary income at the time that we issue these shares of our common stock to him or her. The amount of income to be recognized would equal the fair market value of the shares of our common stock received on the date of issuance.

If we exercise our right under the Target Stock Program to issue an interest-bearing promissory note to the OrthAlliance Affiliated Practitioner in lieu of shares of our common stock, the OrthAlliance Affiliated Practitioner would recognize ordinary income at the time the payments are received under the promissory note.

We are generally entitled to take a tax deduction at the same time and in the same amount that the OrthAlliance Affiliated Practitioner recognizes as income under these programs. Because we do not employ OrthAlliance Affiliated Practitioners, we are not required to withhold amounts for federal income taxes.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

Any subsequent gains on the shares of common stock received under these programs would be subject to capital gains treatment at the time the shares are sold. For this purpose, the OrthAlliance Affiliated Practitioner's tax basis in these shares of common stock is the amount of income recognized by the OrthAlliance Affiliated Practitioner at the time the shares are issued. Reduced capital gains rates apply to the shares of common stock that the OrthAlliance Affiliated Practitioner holds for at least 12 months before they are sold. A further rate reduction applies if the shares are held for at least five years from the date of issuance.

DOCTORS TRUST PROGRAM

The federal tax consequences under the Doctors Trust Program is different in some respects from tax consequences under the Stock Pool Program, the Target Stock Program, the OrthAlliance Stockholder Bonus Program, the High Participation Bonus Program and the Conversion Incentive Program. The right to purchase shares of our common stock under the Doctors Trust Program during

30

32

the two years following completion of the Merger would be treated as a stock option for tax purposes. Generally, an OrthAlliance Affiliated Practitioner will not recognize income, and we are not entitled to take a deduction, upon the issuance of this option to purchase shares. Moreover, because the shares of our common stock are subject to substantial restrictions and risk of forfeiture, the OrthAlliance Affiliated Practitioner would not recognize income, and we would not be entitled to take a deduction, upon the exercise of the option to purchase shares of our common stock under the Doctors Trust Program. OrthAlliance Affiliated Practitioners will recognize ordinary income on shares of our common stock on the date that the shares become transferable under the Doctors Trust Program. The amount of income to be recognized would be based on the fair market value of common stock on that date, less the amount paid by the OrthAlliance Affiliated Practitioner to purchase those shares. An OrthAlliance Affiliated Practitioner may instead elect to recognize income at the time that shares are "transferred" under the Doctors Trust Program to the OrthAlliance Affiliated Practitioner. For this purpose, a transfer generally occurs at the time the OrthAlliance Affiliated Practitioner exercises the option to purchase the shares of our common stock. This election is described in Section 83(b) of the Internal Revenue Code and must be made in writing to the Internal Revenue Service no later than 30 days after the shares are transferred. If an OrthAlliance Affiliated Practitioner makes this election under Section 83(b), he will be taxed on the fair market value of the common stock on the date of transfer.

The OrthAlliance Affiliated Practitioner would be subject to capital gains treatment on the subsequent sale of common stock after the stock becomes vested or transferable. For this purpose, the OrthAlliance Affiliated Practitioner's tax basis in the shares of common stock would be the amount of income recognized by the OrthAlliance Affiliated Practitioner due to the vesting of the shares or, as applicable, due to the OrthAlliance Affiliated Practitioner's election under Section 83(b). Reduced capital gains rates would apply to the shares of common stock that the OrthAlliance Affiliated Practitioner holds for at least 12 months before they are sold. A further reduction in the capital gains rate would apply if the shares are held for at least five years. A loss resulting from a forfeiture of shares of common stock under the terms of the Doctors Trust Program or a decrease in value after a Section 83(b) election is made would be treated as a capital loss.

We are generally entitled to take a tax deduction at the same time and

in the same amount that the OrthAlliance Affiliated Practitioner recognizes as income due to the stock award. Because we do not employ the OrthAlliance Affiliated Practitioners, we are not required to withhold amounts for federal income taxes.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

4.1 General. No OCA Common Stock shall be issued under the Program except in compliance with all federal or state laws and regulations (including, without limitation, withholding tax requirements), federal and state securities laws and regulations and the rules of all securities exchanges or self-regulatory organizations on which OCA's shares may be listed. OCA shall have the right to rely on an opinion of its counsel as to such compliance. Any certificate issued to evidence shares of OCA Common Stock granted under the Program may bear such legends and statements as the Committee upon advice of counsel may deem advisable to assure compliance with federal or state laws and regulations. No OCA Common Stock shall be issued and no certificate for shares shall be delivered until OCA has obtained such consent or approval as the Committee may deem advisable from any regulatory bodies having jurisdiction over such matters.

4.2 Representations by Participants. As a condition to the issuance of OCA Common Stock, OCA may require a Participant to represent and warrant at the time of grant that the Participant does not have a present intention to sell or distribute such shares. At the option of OCA, a stop transfer order against any shares of stock may be placed on the official stock books and records of OCA, and a legend indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel was provided (concurring in by counsel for OCA) and stating that such transfer is not in violation of any applicable law or regulation may be stamped on the stock certificate in order to assure exemption from registration. The Committee may also require such other action or agreement by the Participants as may from time to time be necessary to comply with federal or state securities laws. This provision shall not obligate OCA or any Affiliate to undertake registration of stock hereunder.

ARTICLE V. ADMINISTRATION AND AMENDMENT

5.1 Administrative Committee. The Program shall be administered by a committee composed of the chief executive officer and chief financial officer of OCA and any other officer of OCA appointed to such committee by the chief executive officer of OCA (the "Committee"). The express grant in the Program of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. Any decision made or action taken by the Committee to administer the Program shall be final and conclusive. No member of the Committee shall be liable for any act done in good faith with respect to the Program or any Participation Agreement. In addition to all other authority vested with the Committee under the Program, the Committee shall have complete authority to:

- (b) Prescribe the form of any Participation Agreement;
- (c) Make amendments to all Participation Agreements;
- (d) Adopt, amend, and rescind rules for Program administration; and
- (e) Make all determinations it deems advisable for the administration of the Program.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

limited to, whether or not Participants have achieved the standards of financial performance required to receive awards of OCA Common Stock. The Committee shall make such determinations by reference to any data and information that it deems appropriate and, to the extent that such information that is provided by a Participant is not otherwise subject to disclosure, shall employ reasonable measures that are designed to keep such information confidential.

5.3 Amendment. OCA may amend or terminate the Program at any time; provided, however, an amendment that would have a material adverse effect on the rights of a Participant under an outstanding award of OCA Common Stock is not valid without the Participant's consent.

ARTICLE VI. GENERAL PROVISIONS

6.1 Unfunded Program. The Program shall be unfunded, and OCA shall not be required to segregate any assets that may at any time be represented by grants under the Program. Any liability of OCA to any person with respect to any grant under the Program shall be based solely upon contractual obligations that may be created hereunder. No such obligation of OCA shall be deemed to be secured by any pledge of, or other encumbrance on, any property of OCA.

6.2 Rules of Construction. Headings are given to the articles and sections of the Program solely as a convenience to facilitate reference. The masculine gender when used herein refers to both masculine and feminine. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

6.3 Governing Law. The internal laws of the State of Louisiana (without regard to the choice of law provisions of Louisiana) shall apply to all matters arising under the Program, to the extent that federal law does not apply.

6.4 Federal Withholding Tax Requirements. To the extent that withholding is required by law, at the time that any OCA Common Stock is granted, the Participant shall, upon notification of the amount due, pay to OCA amounts necessary to satisfy applicable federal, state and local withholding tax requirements or shall otherwise make arrangements satisfactory to OCA for such requirements.

expenses) paid to OCA or its subsidiary by the applicable OrthAlliance Affiliated Practitioner or his or her OrthAlliance Affiliated PC under the applicable OCA Business Services Agreement during and with respect to the 12 calendar months immediately preceding the third anniversary of the effective date of the Merger.

(b) Pro Rata Amount. However, if a Participant does not achieve the 70% Increase In Year 3 Service Fees, but the amount of such Participant's Year 3 Service Fees is at least equal to the amount of such Participant's Prior 12 Months Assumed Service Fees, then the number of shares of OCA Common Stock awarded under this Section 2.1 (subject to Section 2.3 and the other terms and conditions of the Program) shall be a pro rata amount (rounded to the nearest whole number) calculated by multiplying the number of shares of OCA Common Stock that would have been awarded under subsection (a) of this Section 2.1, times a fraction, the numerator of which is the percentage by which such Year 3 Service Fees exceed such Prior 12 Months Assumed Service Fees, and the denominator of which is 70%.

(c) Not Eligible Under Both Sections. If a Participant enters into the Amendments, and also or subsequently enters into an OCA Business Services Agreement, he or she would only be eligible for Awards under this Section 2.1 (and not Section 2.2).

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

2.2 Awards for Entering into Amendments. An eligible Participant who, along with his or her respective OrthAlliance Affiliated PC, executes and delivers to OCA their Amendments prior to the effective time of the Merger will be granted (subject to Section 2.3 and the other terms and conditions of the Program) a number of shares of OCA Common Stock calculated under the following terms:

(a) 70% Increase in Service Fees. If, during the 12 calendar months immediately preceding the third anniversary of the effective date of the Merger, the Participant achieves the 70% Increase In Year 3 Service Fees Under Amendments (as defined below), then the number of shares of OCA Common Stock granted under this Section 2.2 shall be equal to the result (rounded to the nearest whole number) of the following:

- (x) 3,
TIMES
- (y) 70% of the amount of the Prior 12 Months Service Fees (as defined below), with respect to such Participant,
DIVIDED BY
- (z) The average closing price per share of OCA Common Stock as reported on the New York Stock Exchange (or other stock exchange or market on which shares of OCA Common Stock are then principally traded) during THE 10 trading days immediately preceding the third anniversary of the effective date of the Merger.

For purposes of the Program:

"70% Increase in Year 3 Service Fees Under Amendments" means that the amount of Year 3 Service Fees Under Amendments (as defined below) is at least 70% greater than the amount of the Prior 12 Months Service Fees, with respect to the applicable Participant.

B-5

52

"Prior 12 Months Service Fees" means the amount of service or consulting fees (excluding any amounts reimbursed, paid, earned or accrued with respect to center expenses, operating and non-operating expenses incurred in the operation of the applicable OrthAlliance Affiliated Practice or other expenses) paid to OrthAlliance or its subsidiary by the OrthAlliance Affiliated Practitioner or his or her OrthAlliance Affiliated PC under the applicable OrthAlliance Service/Consulting Agreement during and with respect to the 12 calendar months immediately preceding the effective date of the Merger.

"Year 3 Service Fees Under Amendments" means the service or consulting fees (excluding any amounts reimbursed, paid, earned or accrued with respect to center expenses, operating and non-operating expenses incurred in the operation of the applicable OrthAlliance Affiliated Practice or other expenses) paid to OCA or its subsidiary by the applicable OrthAlliance Affiliated Practitioner or his or her OrthAlliance Affiliated PC under the applicable OrthAlliance Service or Consulting Agreement during and with respect to the 12 calendar months immediately preceding the third anniversary of the effective date of the Merger.

(b) Pro Rata Amount. However, if a Participant does not achieve the 70% Increase In Year 3 Service Fees Under Amendments, but the amount of such Participant's Year 3 Service Fees Under Amendments is at least equal to the

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

amount of such Participant's Prior 12 Months Service Fees, then the number of shares of OCA Common Stock awarded under this Section 2.2 (subject to Section 2.3 and the other terms and conditions of the Program) shall be a pro rata amount (rounded to the nearest whole number) calculated by multiplying the number of shares of OCA Common Stock that would have been awarded under subsection (a) of this Section 2.2, times a fraction, the numerator of which is the percentage by which such Year 3 Service Fees Under Amendments exceed such Prior 12 Months Service Fees, and the denominator of which is 70%.

2.3 Substitution of Promissory Note. Notwithstanding any provision herein regarding the issuance of OCA Common Stock, OCA may, in its sole discretion, elect to issue the eligible Participant a non-transferable, non-negotiable promissory note (each, a "Promissory Note") in lieu of shares of OCA Common Stock that would otherwise be awarded pursuant to Sections 2.1 and 2.2 hereof. Such Promissory Note shall be payable in equal annual installments over a period of five years commencing on the fifth anniversary of the effective date of the Merger, and shall bear interest at the prime rate (as reported in the Wall Street Journal) on the effective date of the Merger plus 1.5% per annum; provided, however, that payment of each such annual installment of principal and interest under the Promissory Note shall be subject to and conditioned upon the prior satisfaction of the conditions described in Section 2.5 hereof over the term of the Promissory Note (on the same basis as the Award of shares of OCA Common Stock, except that a five year payment period shall apply).

2.4 Pro Rata Basis for Practices with Multiple Owners. If a Participant's OrthAlliance Affiliated PC is partially owned by one or more other OrthAlliance Affiliated Practitioners, then the value of the Award granted pursuant to Section 2.1 or 2.2 hereof (or under a Promissory Note pursuant to Section 2.3 hereof) for such Participant shall be calculated by multiplying the total value of the Award that would otherwise be granted to such person pursuant to such Section 2.1 or 2.2 by his or her percentage of equity ownership of such OrthAlliance Affiliated PC.

2.5 Timing and Conditions of Grants. Shares of OCA Common Stock awarded under the Program shall be issuable to Participants in four annual installments, as follows:

(a) For each Participant, one-fourth of the total number of shares of OCA Common Stock (rounded to the nearest whole number) to be issued to such Participant under the Program will be issued to such Participant following each of the fifth, sixth, seventh and eighth anniversaries of the effective date of the Merger if the amount of service or consulting fees (excluding any amounts

B-6

53

reimbursed, paid, earned or accrued with respect to center expenses, operating and non-operating expenses incurred in the operation of the applicable OrthAlliance Affiliated Practice or other expenses) paid to OCA or its subsidiary by the Participant and/or his or her OrthAlliance Affiliated PC during and with respect to the 12 calendar months immediately preceding that particular anniversary pursuant to the applicable OCA Business Services Agreement or OrthAlliance Service/Consulting Agreement ("Service Fees") is at least 90% (the "90% Minimum Target") of the amount of Service Fees such Participant and/or OrthAlliance Affiliated PC paid to OrthAlliance or its subsidiary during and with respect to the 12 calendar months immediately preceding the Merger.

(b) However, if the 90% Minimum Target is not achieved in the 12

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

calendar month period immediately preceding the fifth, sixth or seventh anniversary of the effective date of the Merger (each, an "Earlier Period), but is achieved during the 12 calendar month period immediately preceding the sixth, seventh or eighth, as applicable, anniversary of the effective date of the Merger (each, a "Later Period"), then the installment of shares of OCA Common Stock issuable with respect to such Earlier Period will be issued following such Later Period.

2.6 Only Whole Shares. Only whole shares of OCA Common Stock will be issued or awarded under the Program; no fractional shares shall be issued.

ARTICLE III. ADJUSTMENT UPON CERTAIN CORPORATE CHANGES

3.1 Adjustments to Shares. The number of shares of OCA Common Stock subject to an outstanding award of shares of OCA Common Stock granted to a Participant under and pursuant to the Program shall be adjusted as the Committee (as defined below) determines (in its sole discretion) to be appropriate, in the event that:

(a) OCA or an Affiliate (as defined below) effects one or more stock dividends, stock splits, reverse stock splits, subdivisions, consolidations or other similar events;

(b) OCA or an Affiliate engages in a transaction to which section 424 of the Code (as defined below) applies; or

(c) there occurs any other event which in the judgment of the Committee necessitates such action.

For purposes of the Program:

(i) "Affiliate" means a "parent corporation," as defined in section 424(e) of the Code, or "subsidiary corporation," as defined in section 424(f) of the Code, of OCA.

(ii) "Code" means the U.S. Internal Revenue Code of 1986, as amended.

3.2 No Adjustment upon Certain Transactions. The issuance by OCA of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services rendered, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of OCA convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, outstanding Awards.

ARTICLE IV. LEGAL COMPLIANCE CONDITIONS

4.1 General. No OCA Common Stock shall be issued under the Program except in compliance with all federal or state laws and regulations (including, without limitation, withholding tax

B-7

54

requirements), federal and state securities laws and regulations and the rules of all securities exchanges or self-regulatory organizations on which OCA's shares may be listed. OCA shall have the right to rely on an opinion of its counsel as to such compliance. Any certificate issued to evidence shares of OCA Common Stock granted under the Program may bear such legends and statements as the Committee upon advice of counsel may deem advisable to assure compliance

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

with federal or state laws and regulations. No OCA Common Stock shall be issued and no certificate for shares shall be delivered until OCA has obtained such consent or approval as the Committee may deem advisable from any regulatory bodies having jurisdiction over such matters.

4.2 Representations by Participants. As a condition to the grant of an Award or the issuance of OCA Common Stock, OCA may require a Participant to represent and warrant at the time of grant that the Participant does not have a present intention to sell or distribute such shares. At the option of OCA, a stop transfer order against any shares of stock may be placed on the official stock books and records of OCA, and a legend indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel was provided (concurred in by counsel for OCA) and stating that such transfer is not in violation of any applicable law or regulation may be stamped on the stock certificate in order to assure exemption from registration. The Committee may also require such other action or agreement by the Participants as may from time to time be necessary to comply with federal or state securities laws. This provision shall not obligate OCA or any Affiliate to undertake registration of stock hereunder.

ARTICLE V. ADMINISTRATION AND AMENDMENT

5.1 Administrative Committee. The Program shall be administered by a committee composed of the chief executive officer and chief financial officer of OCA and any other officer of OCA appointed to such committee by the chief executive officer of OCA (the "Committee"). The express grant in the Program of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. Any decision made or action taken by the Committee to administer the Program shall be final and conclusive. No member of the Committee shall be liable for any act done in good faith with respect to the Program or any Participation Agreement or Award. In addition to all other authority vested with the Committee under the Program, the Committee shall have complete authority to:

- (a) Interpret all provisions of the Program;
- (b) Prescribe the form of any Participation Agreement;
- (c) Make amendments to all Participation Agreements;
- (d) Adopt, amend, and rescind rules for Program administration; and
- (e) Make all determinations it deems advisable for the administration of the Program.

5.2 Determination of Performance Standards. The authorities of the Committee described in Section 5.1 include the full discretionary authority to make all determinations regarding financial performance and related matters referenced in the Program. Such matters include, but are not limited to, whether or not Participants have achieved the standards of financial performance required to receive Awards or payments thereunder. The Committee shall make such determinations by reference to any data and information that it deems appropriate and, to the extent that such information that is provided by a Participant is not otherwise subject to disclosure, shall employ reasonable measures that are designed to keep such information confidential.

B-8

55

5.3 Amendment. OCA may amend or terminate the Program at any time; provided,

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

however, an amendment that would have a material adverse effect on the rights of a Participant under an outstanding Award is not valid with respect to such Award without the Participant's consent.

ARTICLE VI. GENERAL PROVISIONS

6.1 Unfunded Program. The Program shall be unfunded, and OCA shall not be required to segregate any assets that may at any time be represented by grants under the Program. Any liability of OCA to any person with respect to any grant under the Program shall be based solely upon contractual obligations that may be created hereunder. No such obligation of OCA shall be deemed to be secured by any pledge of, or other encumbrance on, any property of OCA.

6.2 Rules of Construction. Headings are given to the articles and sections of the Program solely as a convenience to facilitate reference. The masculine gender when used herein refers to both masculine and feminine. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

6.3 Governing Law. The internal laws of the State of Louisiana (without regard to the choice of law provisions of Louisiana) shall apply to all matters arising under the Program, to the extent that federal law does not apply.

6.4 Federal Withholding Tax Requirements. To the extent that withholding is required by law, at the time that any Award is granted or OCA Common Stock is issued, the Participant shall, upon notification of the amount due, pay to OCA amounts necessary to satisfy applicable federal, state and local withholding tax requirements or shall otherwise make arrangements satisfactory to OCA for such requirements.

ARTICLE III. ADJUSTMENT UPON CERTAIN CORPORATE CHANGES

3.1 Adjustments to Shares. The number of shares of OCA Common Stock subject to an outstanding award of shares of OCA Common Stock granted to a Participant under and pursuant to the Program shall be adjusted as the Committee (as defined below) determines (in its sole discretion) to be appropriate, in the event that:

(a) OCA or an Affiliate (as defined below) effects one or more stock dividends, stock splits, reverse stock splits, subdivisions, consolidations or other similar events;

(b) OCA or an Affiliate engages in a transaction to which section 424 of the Code (as defined below) applies; or

ARTICLE IV. LEGAL COMPLIANCE CONDITIONS

4.1 General. No OCA Common Stock shall be issued under the Program except in compliance with all federal or state laws and regulations (including, without limitation, withholding tax requirements), federal and state securities laws and regulations and the rules of all securities exchanges or self-regulatory organizations on which OCA's shares may be listed. OCA shall have the right to rely on an opinion of its counsel as to such compliance. Any certificate issued to evidence shares of OCA Common Stock granted under the Program may bear such legends and statements as the Committee upon advice of counsel may deem advisable to assure compliance with federal or state laws and regulations. No OCA Common Stock shall be issued and no certificate for shares shall be delivered until OCA has obtained such consent or approval as the Committee may deem advisable from any regulatory bodies having jurisdiction over such matters.

4.2 Representations by Participants. As a condition to the grant of an Award or the issuance of OCA Common Stock, OCA may require a Participant to represent and warrant at the time of grant that the Participant does not have a present intention to sell or distribute such shares. At the option

of OCA, a stop transfer order against any shares of stock may be placed on the official stock books and records of OCA, and a legend indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel was provided (concurrent in by counsel for OCA) and stating that such transfer is not in violation of any applicable law or regulation may be stamped on the stock certificate in order to assure exemption from registration. The Committee may also require such other action or agreement by the Participants as may from time to time be necessary to comply with federal or state securities laws. This provision shall not obligate OCA or any Affiliate to undertake registration of stock hereunder.

ARTICLE V. ADMINISTRATION AND AMENDMENT

5.1 Administrative Committee. The Program shall be administered by a committee composed of the chief executive officer and chief financial officer of OCA and any other officer of OCA appointed to such committee by the chief executive officer of OCA (the "Committee"). Any decision made or action taken by the Committee to administer the Program shall be final and conclusive. No member of the Committee shall be liable for any act done in good faith with respect to the Program or any Participation Agreement. In addition to all other authority vested with the Committee under the Program, the Committee shall have complete authority to:

Such matters include, but are not limited to, whether or not Participants have achieved the standards of financial performance required to receive awards of OCA Common Stock. The Committee shall make such determinations by reference to any data and information that it deems appropriate and, to the extent that such information that is provided by a Participant is not otherwise subject to disclosure, shall employ reasonable measures that are designed to keep such information confidential.

5.3 Amendment. OCA may amend or terminate the Program at any time; provided, however, an amendment that would have a material adverse effect on the rights of a Participant under an outstanding award is not valid with respect to such award without the Participant's consent.

ARTICLE VI. GENERAL PROVISIONS

6.1 Unfunded Program. The Program shall be unfunded, and OCA shall not be required to segregate any assets that may at any time be represented by grants under the Program. Any liability of OCA to any person with respect to any grant under the Program shall be based solely upon contractual obligations that may be created hereunder. No such obligation of OCA shall be deemed to be secured by any pledge of, or other encumbrance on, any property of OCA.

6.4 Federal Withholding Tax Requirements. To the extent that withholding is required by law, at the time that any Award is granted or OCA Common Stock is issued, the Participant shall, upon notification of the amount due, pay to OCA amounts necessary to satisfy applicable federal, state and local withholding tax requirements or shall otherwise make arrangements satisfactory to OCA for such requirements.

Each Participant must also be a party to a written employment agreement (each, an "Employment Agreement") with his or her respective OrthAlliance Affiliated PC, pursuant to which such Participant provides orthodontic or pediatric dental services as a full-time employee of such OrthAlliance Affiliated PC.

1.2 Must Enter into New OCA Business Services Agreement. In order to be a Participant in the Program and to be issued any shares of OCA Common Stock under or pursuant to the Program or any Participation Agreement, an OrthAlliance Affiliated Practitioner must also, along with his or her respective OrthAlliance Affiliated PC, execute and deliver their respective OCA Business Services Agreement (as defined below) no later than the earlier to occur of September 30, 2001 or the effective time of the Merger. For purposes of the Program, "OCA Business Services Agreement" means a written long-term business services agreement among the OrthAlliance Affiliated Practitioner, his or her respective OrthAlliance Affiliated PC and OrthAlliance (or a subsidiary of OCA), in form and substance satisfactory to OCA and its counsel and based on OCA's form of such agreement (including, without limitation, the service fee, restrictive covenant and termination provisions thereof), which agreement shall be in full force and effect upon and following the effective time of the Merger, and pursuant to which OCA and/or its subsidiary would provide business management or consulting services for such OrthAlliance Affiliated Practitioner's orthodontic or pediatric dental practice in exchange for a consulting or service fee.

1.3 No Litigation, Notice of Termination or Non-Compliance. An OrthAlliance Affiliated Practitioner may not be a Participant in the Program, and will not be issued any shares of OCA Common Stock under or pursuant to the Program or any Participation Agreement, if:

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

other legal proceedings against or involving OrthAlliance, OCA or their subsidiaries. If any such litigation or legal proceedings has been commenced or threatened, such OrthAlliance Affiliated Practitioner may become a Participant only if the same has been dismissed with prejudice or fully withdrawn in a manner acceptable to OCA;

(b) Such OrthAlliance Affiliated Practitioner and/or his or her OrthAlliance Affiliated PC has threatened or given notice of termination or intention to terminate their respective OrthAlliance Service/Consulting Agreement. If any such notice has been threatened or given, such OrthAlliance Affiliated Practitioner may become a Participant only if the same has been fully withdrawn in a manner acceptable to OCA; and/or

(c) Such OrthAlliance Affiliated Practitioner and/or his or her OrthAlliance Affiliated PC is in default or breach of, or is not in compliance with, their obligation to pay service or consulting fees under the applicable OrthAlliance Service/Consulting Agreement.

For purposes of the Program, "OrthAlliance Affiliated Practice" means an orthodontic or pediatric dental practice that is owned by the OrthAlliance Affiliated Practitioner or his or her respective OrthAlliance Affiliated PC, and is the subject of an OrthAlliance Service/Consulting Agreement.

1.4 Must Execute Participation Agreement. In order to be a Participant in the Program and to be issued shares of OCA Common Stock under or pursuant to the Program or any Participation Agreement, an OrthAlliance Affiliated Practitioner must execute and deliver to OCA, and OCA must have executed and delivered to such OrthAlliance Affiliated Practitioner, a written participation agreement with OCA (each, a "Participation Agreement"), which participation agreement shall be in form and substance satisfactory to OCA and its counsel and in full force and effect upon and following the effective time of the Merger, and shall provide for such OrthAlliance Affiliated Practitioner's participation in the Program subject to each of the terms and conditions set forth herein and in such Participation Agreement.

1.5 Conditioned on Completion of the Merger. Participation in the Program, and the issuance of any shares of OCA Common Stock or other awards under or pursuant to the Program or any Participation Agreement, is expressly conditioned upon completion of the Merger pursuant to the Merger Agreement. If the Merger Agreement is voided or terminated (other than upon completion of the Merger), OCA will thereupon and thereafter have no further obligations under the Program or any Participation Agreement or otherwise with respect to the Program, any Participation Agreement and any participation or awards thereunder, and any and all awards under and participation in the

E-2

81

Program shall thereupon automatically terminate without any obligation or liability on the part of OCA or Affiliate (as defined below) thereof.

1.6 Provision of Requested Information. In order to be a Participant in the Program and to be issued shares of OCA Common Stock under or pursuant to the Program or any Participation Agreement, an OrthAlliance Affiliated Practitioner must provide OCA with any financial information that OCA reasonably requests in order to determine the number of shares of OCA Common Stock, if any, to be granted to the OrthAlliance Affiliated Practitioner under the Program.

ARTICLE II. STOCK AWARDS

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

2.1 Service Fee/Tenure Based Awards. Eligible Participants will be granted shares of OCA Common Stock under the Program, subject to the terms and conditions of the Program, in an amount equal to:

- (a) Four,

TIMES
- (b) The amount by which:
 - (i) the Prior 12 Months Assumed Service Fees (as defined below), with respect to such Participant,

EXCEED
 - (ii) the Prior 12 Months Service Fees (as defined below), with respect to such Participant,

DIVIDED BY
- (c) The average closing price per share of OCA Common Stock as reported on the New York Stock Exchange (or other stock exchange or market on which shares of OCA Common Stock are then principally traded) during the 10 trading days immediately preceding the effective date of the Merger.

For purposes of the Program:

"Prior 12 Months Assumed Service Fees" means the amount of service or consulting fees (excluding any amounts reimbursed, paid, earned or accrued with respect to center expenses, operating and non-operating expenses incurred in the operation of the applicable OrthAlliance Affiliated Practice or other expenses) that would have been payable to OCA, its subsidiary or OrthAlliance, as applicable, by the OrthAlliance Affiliated Practitioner or his or her OrthAlliance Affiliated PC under the OCA Business Services Agreement during and with respect to the 12 calendar months immediately preceding the effective date of the Merger (assuming that the OCA Business Services Agreement had been in effect during that period and also assuming that the operating margin of the OrthAlliance Affiliated Practice during that period was 5% higher than the actual operating margin for that period).

"Prior 12 Months Service Fees" means the amount of service or consulting fees (excluding any amounts reimbursed, paid, earned or accrued with respect to center expenses, operating and non-operating expenses incurred in the operation of the applicable OrthAlliance Affiliated Practice or other expenses) paid to OrthAlliance or its subsidiary by the OrthAlliance Affiliated Practitioner or

82

his or her OrthAlliance Affiliated PC under the applicable OrthAlliance Service/Consulting Agreement during and with respect to the 12 calendar months immediately preceding the effective date of the Merger.

2.2 Pro Rata Basis for Practices with Multiple Owners. If a Participant's OrthAlliance Affiliated PC is partially owned by one or more other OrthAlliance Affiliated Practitioners, then the number of shares of OCA Common Stock granted pursuant to Section 2.1 above for such Participant shall be calculated by multiplying the number of shares of OCA Common Stock that would otherwise be

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

granted to such person pursuant to Section 2.1 by his or her percentage of equity ownership of such OrthAlliance Affiliated PC.

2.3 Timing and Conditions of Grants. Shares of OCA Common Stock awarded under the Program shall be issuable to Participants in four annual installments, as follows:

(a) For each Participant, one-fourth of the total number of shares of OCA Common Stock (rounded to the nearest whole number) to be issued to such Participant under the Program will be issued to such Participant following each of the second, third, fourth and fifth anniversaries of the effective date of the Merger if the amount of service or consulting fees (excluding any amounts reimbursed, paid, earned or accrued with respect to center expenses, operating and non-operating expenses incurred in the operation of the applicable OrthAlliance Affiliated Practice or other expenses) paid to OCA or its subsidiary by the Participant and/or his or her OrthAlliance Affiliated PC during and with respect to the 12 calendar months immediately preceding that particular anniversary pursuant to the applicable OCA Business Services Agreement or OrthAlliance Service/Consulting Agreement ("Service Fees") is at least 90% (the "90% Minimum Target") of the amount of Service Fees such Participant and/or OrthAlliance Affiliated PC paid to OrthAlliance or its subsidiary during and with respect to the 12 calendar months immediately preceding the Merger.

(b) However, if the 90% Minimum Target is not achieved in the 12 calendar month period immediately preceding the second, third or fourth anniversary of the effective date of the Merger (each, an "Earlier Period"), but is achieved during the 12 calendar month period immediately preceding the third, fourth or fifth, as applicable, anniversary of the effective date of the Merger (each, a "Later Period"), then the installment of shares of OCA Common Stock issuable with respect to such Earlier Period will be issued following such Later Period.

2.4 Only Whole Shares. Only whole shares of OCA Common Stock will be issued or awarded under the Program; no fractional shares shall be issued.

ARTICLE III. ADJUSTMENT UPON CERTAIN CORPORATE CHANGES

3.1 Adjustments to Shares. The number of shares of OCA Common Stock subject to an outstanding award of shares of OCA Common Stock granted to a Participant under and pursuant to the Program shall be adjusted as the Committee (as defined below) determines (in its sole discretion) to be appropriate, in the event that:

(a) OCA or an Affiliate (as defined below) effects one or more stock dividends, stock splits, reverse stock splits, subdivisions, consolidations or other similar events;

(b) OCA or an Affiliate engages in a transaction to which section 424 of the Code (as defined below) applies; or

(c) there occurs any other event which in the judgment of the Committee necessitates such action.

For purposes of the Program:

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

(i) "Affiliate" means a "parent corporation," as defined in section 424(e) of the Code, or "subsidiary corporation," as defined in section 424(f) of the Code, of OCA.

(ii) "Code" means the U.S. Internal Revenue Code of 1986, as amended.

3.2 No Adjustment upon Certain Transactions. The issuance by OCA of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services rendered, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of OCA convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, outstanding awards.

ARTICLE IV. LEGAL COMPLIANCE CONDITIONS

4.1 General. No OCA Common Stock shall be issued under the Program except in compliance with all federal or state laws and regulations (including, without limitation, withholding tax requirements), federal and state securities laws and regulations and the rules of all securities exchanges or self-regulatory organizations on which OCA's shares may be listed. OCA shall have the right to rely on an opinion of its counsel as to such compliance. Any certificate issued to evidence shares of OCA Common Stock granted under the Program may bear such legends and statements as the Committee upon advice of counsel may deem advisable to assure compliance with federal or state laws and regulations. No OCA Common Stock shall be issued and no certificate for shares shall be delivered until OCA has obtained such consent or approval as the Committee may deem advisable from any regulatory bodies having jurisdiction over such matters.

4.2 Representations by Participants. As a condition to the grant of an award or the issuance of OCA Common Stock, OCA may require a Participant to represent and warrant at the time of grant that the Participant does not have a present intention to sell or distribute such shares. At the option of OCA, a stop transfer order against any shares of stock may be placed on the official stock books and records of OCA, and a legend indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel was provided (concurring in by counsel for OCA) and stating that such transfer is not in violation of any applicable law or regulation may be stamped on the stock certificate in order to assure exemption from registration. The Committee may also require such other action or agreement by the Participants as may from time to time be necessary to comply with federal or state securities laws. This provision shall not obligate OCA or any Affiliate to undertake registration of stock hereunder.

ARTICLE V. ADMINISTRATION AND AMENDMENT

5.1 Administrative Committee. The Program shall be administered by a committee composed of the chief executive officer and chief financial officer of OCA and any other officer of OCA appointed to such committee by the chief executive officer of OCA (the "Committee"). The express grant in the Program of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. Any decision made or action taken by the Committee to administer the Program shall be final and conclusive. No member of the Committee shall be liable for any act done in good faith with respect to the Program or any Participation Agreement. In addition to all other authority vested with the Committee under the Program, the Committee shall have complete authority to:

(a) Interpret all provisions of the Program;

- (b) Prescribe the form of any Participation Agreement;
- (c) Make amendments to all Participation Agreements;
- (d) Adopt, amend, and rescind rules for Program administration; and
- (e) Make all determinations it deems advisable for the administration of the Program.

5.2 Determination of Performance Standards. The authorities of the Committee described in Section 5.1 include the full discretionary authority to make all determinations regarding financial performance and related matters referenced in the Program. Such matters include, but are not limited to, whether or not Participants have achieved the standards of financial performance required to receive awards OCA Common Stock. The Committee shall make such determinations by reference to any data and information that it deems appropriate and, to the extent that such information that is provided by a Participant is not otherwise subject to disclosure, shall employ reasonable measures that are designed to keep such information confidential.

5.3 Amendment. OCA may amend or terminate the Program at any time; provided, however, an amendment that would have a material adverse effect on the rights of a Participant under an outstanding award of OCA Common Stock is not valid with respect to such award without the Participant's consent.

ARTICLE VI. GENERAL PROVISIONS

6.1 Unfunded Program. The Program shall be unfunded, and OCA shall not be required to segregate any assets that may at any time be represented by grants under the Program. Any liability of OCA to any person with respect to any grant under the Program shall be based solely upon contractual obligations that may be created hereunder. No such obligation of OCA shall be deemed to be secured by any pledge of, or other encumbrance on, any property of OCA.

6.2 Rules of Construction. Headings are given to the articles and sections of the Program solely as a convenience to facilitate reference. The masculine gender when used herein refers to both masculine and feminine. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

6.3 Governing Law. The internal laws of the State of Louisiana (without regard to the choice of law provisions of Louisiana) shall apply to all matters arising under the Program, to the extent that federal law does not apply.

6.4 Federal Withholding Tax Requirements. To the extent that withholding is required by law, at the time that OCA Common Stock is issued, the Participant shall, upon notification of the amount due, pay to OCA amounts necessary to satisfy applicable federal, state and local withholding tax requirements or shall otherwise make arrangements satisfactory to OCA for such requirements.

IN WITNESS WHEREOF, the undersigned officer has executed this document effective as of August 6, 2001.

(b) Such OrthAlliance Affiliated Practitioner and/or his or her OrthAlliance Affiliated PC has threatened or given notice of termination or intention to terminate their respective OrthAlliance Service/Consulting Agreement. ARTICLE II. AWARDS

2.1 Participation and Award Grants. Following the effective time of the Merger, each eligible Participant shall be granted an Award that entitles the Participant to purchase shares of OCA Common Stock from OCA, subject to the terms and conditions of the Program, in an amount (rounded to the nearest whole number) equal to the result of:

Such shares of OCA Common Stock would be subject to forfeiture and/or certain restrictions on transfer that are identified in the Program and the Participation Agreement.

2.2 Method of Exercise of Award. An Award may be exercised, if at all, by a Participant at anytime during the two year period ending on and including the second anniversary of the effective date of the Merger, by giving written notice of such exercise to the Chief Financial Officer of OCA and remitting to OCA the first Purchase Price Installment (as defined below) in cash. An Award shall be deemed to be exercised on the date that OCA's Chief Financial Officer receives such written notice of exercise and OCA accepts tender of payment of such Purchase Price Installment. An Award may not be exercised in part or for less than the total number of shares of OCA Common Stock subject to such Award.

2.3 Purchase Price. A Participant who elects to exercise his or her rights under an Award shall purchase the OCA Common Stock identified in the Award for the aggregate purchase price (the "Purchase Price") of \$40,000.

2.4 Payment of Purchase Price. Any portion of the Purchase Price that is not previously paid shall be immediately due and payable on the twelfth anniversary of the effective date of the Merger. All payments of the Purchase Price shall be in cash. For convenience, Purchase Price Installments shall be retained by OCA from funds otherwise remittable to the Participant in respect of the applicable OCA Business Services Agreement and collections thereunder; however, payment of the Purchase Price shall be a full recourse obligation of the Participant, and shall not reduce the amount of service, consulting or other fees or reimbursement payable to OCA under or pursuant to such OCA Business Services Agreement. Any Purchase Price Installments or portion thereof that are not paid to OCA when due shall bear interest at the prime rate (as reported in the Wall Street Journal, or if not available, a comparable authoritative source selected by OCA) plus 1.5% per annum until paid in full.

2.6 Issuance and Delivery of Shares. Shares of OCA Common Stock issued pursuant to the exercise of an Award hereunder shall be issued and delivered to Participants by OCA (or its transfer agent) in equal annual installments following each of the eleventh through seventeenth anniversaries of the effective date of the Merger, with one-seventh of the total number of such shares to be issued following each such anniversary (rounded down to the nearest whole share); provided, however, that no shares of OCA Common Stock shall be issued hereunder unless and until all Purchase Price Installments payable on or prior to such issuance have been paid to OCA in accordance with Section 2.4 above.

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

2.7 Shareholder Rights. No Participant shall have any rights as a shareholder with respect to shares subject to Awards prior to the issuance thereto of shares of OCA Common Stock pursuant to such Award.

2.8 Only Whole Shares. Only whole shares of OCA Common Stock will be issued or awarded under the Program; no fractional shares shall be issued.

ARTICLE III. STOCK RIGHTS AND RESTRICTIONS

3.1 Restrictions on Transfer. Prior to the eleventh anniversary of the effective date of the Merger, a Participant may not Transfer (as defined below) any shares of OCA Common Stock acquired pursuant to, through or under an Award or the Program. Beginning on the eleventh anniversary of the Merger, such Participant may Transfer up to one-seventh of the total number of such shares of OCA Common Stock so acquired, and on each of the twelfth through seventeenth anniversaries of the effective date of the Merger, such Participant may Transfer up to an additional one-seventh of the total number of such shares of OCA Common Stock so acquired. Such increments shall be cumulative, so that such Participant may Transfer all of such shares of OCA Common Stock so acquired upon and following the seventeenth anniversary of the effective date of the Merger.

For purposes of the Program, "Transfer" means any sale, transfer, encumbrance, gift, donation, assignment, pledge, hypothecation, or other disposition, whether similar or dissimilar to those previously enumerated, whether voluntary or involuntary, and whether during the Participant's lifetime or upon or after the Participant's death, including, but not limited to, any disposition by operation of law, by court order, by judicial process, or by foreclosure, levy, or attachment. (c) The Participant's OCA Business Services Agreement terminates, or the Participant ceases to be a party to such OCA Business Services Agreement;

(d) The Participant and/or his or her OrthAlliance Affiliated PC fail to utilize OCA's proprietary computer software and business systems in connection with the business functions of their OrthAlliance Affiliated Practice; and/or

(e) The Participant and/or his or her OrthAlliance Affiliated PC fail to comply with OCA's policies, procedures and systems, including a productive working relationship with OCA's corporate office staff and other orthodontists and dental professionals who are affiliated with OCA, fulfil his, her or their financial obligations to OCA or its subsidiaries, or breach such OCA Business

Services Agreement.

Upon any such Event of Forfeiture, any Purchase Price Installments theretofore paid to OCA by such Participant shall remain the property of OCA and shall not be returned to such Participant, and any Purchase Price Installments that were due and payable prior to such Event of Forfeiture shall remain due and payable to OCA; however, the Participant shall not be obligated to pay any Purchase Price Installments that first become due and payable after the date of such Event of Forfeiture.

3.3 Retirement After Tenth Anniversary. Notwithstanding the forfeiture provisions of Section 3.2, if, after the tenth anniversary of the effective date of the Merger, a Participant retires from practice as an orthodontist or pediatric dentist, as applicable, by transferring his or her OrthAlliance Affiliated Practice to another orthodontist or pediatric dentist, as applicable, acceptable to OCA who enters into a written agreement with OCA and such Participant acceptable to OCA in which such other orthodontist or pediatric dentist assumes all of the Participant's obligations under the applicable OCA Business Services Agreement, it shall not be deemed to be an Event of Forfeiture with respect to a Pro Rata Amount of Shares (as defined below), and such Pro Rata Amount of Shares shall be issuable as provided in Section 2.6 above and subject to the terms and conditions of the Program (provided, that the Award shall be terminated with respect to the remaining number of shares subject to such Award), if (a) at least through the tenth anniversary of the effective date of the Merger, such Participant remains employed full-time as an orthodontist or pediatric dentist, as applicable, in his or her respective OrthAlliance Affiliated Practice, owns an equity interest in the OrthAlliance Affiliated PC that is a party to the OCA Business Services Agreement, remains a party to an OCA Business Services Agreement, and otherwise complies with the terms and conditions of the Program and the respective Participation Agreement, and (b) such Participant thereafter continues to comply with the provisions of any applicable covenant not to compete or solicit, or other non-competition, non-solicitation and/or confidentiality agreement or provision in or under the applicable OCA Business Services Agreement or otherwise with OCA or its subsidiary (collectively, the "Non-Competition Agreements"). In the event that the Participant breaches any of the Non-Competition Agreements, any and all of such shares of OCA Common Stock that have not then been issued to a Participant pursuant to Section 2.6 above, or become eligible for Transfer pursuant to Section 3.1 above, shall be forfeited to OCA and/or shall not be issued, and the related portion of such Award shall be canceled and forfeited.

For purposes of the Program, "Pro Rata Amount of Shares" means a number of shares of OCA Common Stock (rounded down to the nearest whole share) which equals the same proportion of the total number of shares of OCA Common Stock issuable to a Participant under or pursuant to his or her Award as the proportion that the aggregate amount of Purchase Price Installments theretofore paid to OCA by such Participant with respect to such shares bears to the total Purchase Price for such shares.

3.4 Death or Disability. Notwithstanding the forfeiture provisions of Section 3.2, if a Participant dies or becomes disabled (and permanently ceases to practice orthodontics or pediatric dentistry, as applicable), it shall not be deemed to be an Event of Forfeiture with respect to a Pro Rata Amount of Shares, and such Pro Rata Amount of Shares shall be issuable as provided in Section 2.6 above and subject to the terms and conditions of the Program (provided, that the Award shall be terminated with respect to the remaining number of shares subject to such Award), if such Participant thereafter continues to comply with the provisions of any applicable Non-Competition Agreements. In the event that the

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

Participant breaches any of the Non-Competition Agreements, any and all of such shares of OCA Common Stock that have not then been issued to a Participant pursuant to Section 2.6 above, or become eligible for Transfer pursuant to Section 3.1 above, shall be forfeited to OCA and/or shall not be issued, and the related portion of such Award shall be canceled and forfeited.

3.5 Issuance to Professional Entity. Shares of OCA Common Stock issued under the Program may, if requested in writing to OCA by a Participant, be issued to the Participant's OrthAlliance Affiliated PC, rather than to the individual Participant, if the OrthAlliance Affiliated PC executes and delivers to OCA a Participation Agreement in which it agrees to become bound by, and take such shares subject to, the terms and conditions of the Program (including, without limitation, Sections 3.1 and 3.2), as if such shares were held by such Participant. If the OrthAlliance Affiliated PC is conveyed to a successor orthodontist or pediatric dentist, as applicable, acceptable to OCA and who concurrently enters into a written agreement with OCA and such Participant acceptable to OCA in which such successor assumes all of such Participant's obligations under the applicable OCA Business Services Agreement, such conveyance shall not be deemed to be an Event of Forfeiture with respect to shares of OCA Common Stock so issued to such OrthAlliance Affiliated PC (provided, that the applicable Award shall be terminated with respect to any unissued shares subject to such Award), and such shares may continue as an asset of the OrthAlliance Affiliated PC under the ownership of the successor practitioner, and shall be treated for purposes of the Program as if held by the successor practitioner. For purposes of the years of employment or ownership in Sections 3.2(a) and (b) and Section 3.4, such successor practitioner shall be credited with the number of years (or portion thereof) completed by the Participant transferring such OrthAlliance Affiliated PC prior to such transfer.

ARTICLE IV. ADJUSTMENT UPON CERTAIN CORPORATE CHANGES

4.1 Adjustments to Shares. The number of shares of OCA Common Stock subject to an outstanding Award shall be adjusted as the Committee (as defined below) determines (in its sole discretion) to be appropriate, in the event that:

(a) OCA or an Affiliate (as defined below) effects one or more stock dividends, stock splits, reverse stock splits, subdivisions, consolidations or other similar events;

(b) OCA or an Affiliate engages in a transaction to which section 424 of the Code (as defined below) applies; or

(c) there occurs any other event which in the judgment of the Committee necessitates such action.

For purposes of the Program:

(i) "Affiliate" means a "parent corporation," as defined in section 424(e) of the Code, or "subsidiary corporation," as defined in section 424(f) of the Code, of OCA.

(ii) "Code" means the U.S. Internal Revenue Code of 1986, as amended.

4.2 No Adjustment upon Certain Transactions. The issuance by OCA of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services rendered, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

conversion of shares or obligations of OCA convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, outstanding Awards.

ARTICLE V. LEGAL COMPLIANCE CONDITIONS

5.1 General. No Award shall be exercisable, no OCA Common Stock shall be issued, no certificates for shares of OCA Common Stock shall be delivered, and no payment shall be made under the Program or any Participation Agreement except in compliance with all federal or state laws and regulations (including, without limitation, withholding tax requirements), federal and state securities laws and regulations and the rules of all securities exchanges or self-regulatory organizations on which OCA's shares may be listed. OCA shall have the right to rely on an opinion of its counsel as to such compliance. Any certificate issued to evidence shares of OCA Common Stock for which an Award is exercised may bear such legends and statements as the Committee upon advice of counsel may deem advisable to assure compliance with federal or state laws and regulations. No Award shall be exercisable, no OCA Common Stock shall be issued, no certificate for shares shall be delivered and no payment shall be made under the Program or any Participation Agreement until OCA has obtained such consent or approval as the Committee may deem advisable from any regulatory bodies having jurisdiction over such matters.

5.2 Representations by Participants. As a condition to the exercise of an Award, OCA may require a Participant to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares. At the option of OCA, a stop transfer order against any shares of stock may be placed on the official stock books and records of OCA, and a legend indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel was provided (concurred in by counsel for OCA) and stating that such transfer is not in violation of any applicable law or regulation may be stamped on the stock certificate in order to assure exemption from registration. The Committee may also require such other action or agreement by the Participants as may from time to time be necessary to comply with federal or state securities laws. This provision shall not obligate OCA or any Affiliate to undertake registration of options or stock hereunder.

ARTICLE VI. ADMINISTRATION AND AMENDMENT

6.1 Administrative Committee. The Program shall be administered by a committee composed of the chief executive officer and chief financial officer of OCA and any other officer of OCA appointed to such committee by the chief executive officer of OCA (the "Committee"). The express grant in the Program of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. Any decision made or action taken by the Committee to administer the Program shall be final and conclusive. No member of the Committee shall be liable for any act done in good faith with respect to the Program or any Participation Agreement or Award. In addition to all other authority vested with the Committee under the Program, the Committee shall have complete authority to:

- (a) Interpret all provisions of the Program;
- (b) Prescribe the form of any Participation Agreement;
- (c) Make amendments to all Participation Agreements;

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

(d) Adopt, amend, and rescind rules for Program administration; and

(e) Make all determinations it deems advisable for the administration of the Program.

6.2 Amendment. OCA may amend or terminate the Program at any time; provided, however, an amendment that would have a material adverse effect on the rights of a Participant under an outstanding Award is not valid with respect to such Award without the Participant's consent.

ARTICLE VII. GENERAL PROVISIONS

7.1 Unfunded Program. The Program, insofar as it provides for grants, shall be unfunded, and OCA shall not be required to segregate any assets that may at any time be represented by grants under the Program. Any liability of OCA to any person with respect to any grant under the Program shall be based solely upon contractual obligations that may be created hereunder. No such obligation of OCA shall be deemed to be secured by any pledge of, or other encumbrance on, any property of OCA.

7.2 Rules of Construction. Headings are given to the articles and sections of the Program solely as a convenience to facilitate reference. The masculine gender when used herein refers to both masculine and feminine. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

7.3 Governing Law. The internal laws of the State of Louisiana (without regard to the choice of law provisions of Louisiana) shall apply to all matters arising under the Program, to the extent that federal law does not apply.

7.4 Federal Withholding Tax Requirements. To the extent that withholding is required by law, at the time that an Award is exercised, the Participant shall, upon notification of the amount due, pay to OCA amounts necessary to satisfy applicable federal, state and local withholding tax requirements or shall otherwise make arrangements satisfactory to OCA for such requirements.

* Filed herewith.

(b) Financial Statement Schedules

All schedules for which provision is made in the applicable accounting regulations of the SEC are not required under the related instructions or are inapplicable, and therefore have been omitted.

ITEM 17. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or

the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) For the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to

II-2

102

Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form S-3

director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
