ITEM 5. OTHER EVENTS

On May 30, 2003, UICI announced that its Board of Directors, at a meeting held on May 29, 2003, adopted a plan to close by sale or wind down its Senior Market Division, which it established in 2001 to develop long-term care and Medicare supplement insurance products for the senior market. The Senior Market Division generated operating losses of \$7.5 million and \$2.1 million in 2002 and 2001, respectively, and the Company anticipates that the Division will continue to generate operating losses in 2003.

The MEGA Life and Health Insurance Company and Mid-West National Life Insurance Company of Tennessee (the Company's wholly owned subsidiaries and issuers of all of the Company's long term care and Medicare supplement policies)

will continue to honor their commitments under and administer all insurance contracts issued to date.

As a result of the adoption of the plan to close the Senior Market Division, the Company's Senior Market Division currently anticipates recording in the quarter ending June 30, 2003 a pre-tax loss in the amount of approximately \$12.0 million (\$0.16 per share net of tax), consisting of a write off of impaired assets, operating losses to be incurred at the Senior Market Division through the close-down date and costs to be incurred through June 30 associated with the wind down and closing of the operations. The Company currently anticipates incurring additional exit costs in an immaterial amount, substantially all of which costs will be expensed as incurred in future periods in accordance with Financial Accounting Standards Board Statement No. 146, Accounting for Costs Associated with Exit or Disposal Activities.

A copy of the Company's May 30, 2003 press release is filed as an exhibit hereto, the terms of which are incorporated herein by reference thereto.
