Dividend payment dates:	February 15, May 15, August 15 and November 15
Maturity Date::	Perpetual
Forced Conversion	On or after February 20, 2011, the Issuer may automatically convert all, but not less than all, the preferred stock at the then existing conversion rate per \$1,000 liquidation preference of shares, but only if (i) closing sale price of common stock multiplied by the conversion rate then in effect equals or exceeds 130% of the liquidation preference for 20 trading days during any consecutive 30 trading day period, and (ii) the issuer has paid all accumulated and unpaid dividends on the dividend payment date immediately preceding the forced conversion date.
Put Dates:	None
Fundamental Change:	Holder may require the issuer to redeem all or a portion of their preferred stock upon the occurrence of a fundamental change. Issuer may pay the fundamental change redemption price in cash, shares or any combination thereof. In no event, however, will Issuer deliver more than 52,500,000 shares of common stock (or more than 250 shares of common stock per liquidation preference of \$1,000) in

Ranking:

satisfaction of the redemption price (subject to adjustment).

The preferred stock will be, with respect to dividend rights and rights upon liquidation, winding up or dissolution:

junior to all Issuer's existing and future debt obligations;

junior to each other class or series of Issuer's capital stock other than (a) shares of its common stock and any other class or series of its capital stock the terms of which provide that such class or series will rank junior to the preferred stock and

---

(b) any other class or series of Issuer's capital stock the terms of which provide that such class or series will rank on a parity with the preferred stock

on a parity with any class or series of Issuer's capital stock the terms of which provide that such class or series will rank on a parity with the preferred stock;

senior to Issuer's common stock and any other class or series of its capital stock the terms of which provide that such class or series will rank junior to the preferred stock; and

effectively junior to all of Issuer's subsidiaries (1) existing and future liabilities and (2) capital stock held by others.

Use of proceeds:

Issuer expects to receive approximately \$200.25 million in net proceeds from this offering, after deducting the underwriter's discount and its estimated offering expenses. Kansas City Southern has entered into an agreement to use the net proceeds from the sale of our preferred stock, in part, to purchase 9,000,000 shares of the Issuer's common stock formerly held by Grupo TMM, S.A. ( "TMM" ).

Adjustment to conversion rate upon a Fundamental Change:

The following table sets forth the stock price, effective date and number of additional shares to be issuable per \$1,000 liquidation preference of preferred stock. The following table (see next page) applies if a holder elects to convert its preferred stock following a fundamental change notice and prior to February 20, 2016.

In no event, however, will the total number of shares of common stock issuable upon conversion exceed 43.0108 per \$1,000 liquidation preference per share of preferred stock, subject to adjustments. In addition, if the stock price per share of Issuer's common stock is less than \$23.25 or more than \$140 (subject to adjustment), Issuer is not required to increase the conversion rate.
