The Administrative Committee

ACS Savings Plan

We have audited the accompanying statements of net assets available for benefits of the ACS Savings Plan ( the Plan ) as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2005 and 2004, and the changes in its net assets available for benefits for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule on page 18, referred to as supplemental information, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor s *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*. The supplemental information is the responsibility of the Plan s management. The supplemental information has been subjected to auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The term compensation for calculation of deferral shall be base pay, overtime and commissions. The maximum of contributions allowed by the Internal Revenue Service was \$14,000 for 2005. The Company will match the deferral contributions of 25% of pre-tax deferral up to 6% of compensation. No after-tax contributions may be made to the Plan.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Termination

Although it has not expressed any intent to do so, the Company's Board of Directors may terminate the Plan at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. In addition, upon termination of the Plan, the participants' vested interest in employer contributions shall be 100%. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

As of December 31, 2005, Mellon Trust Company holds the Plan investments, of which were transferred from Fidelity Management Trust Company on December 1, 2005. From January 1, 2005 to November 30, 2005, and for 2004, Fidelity Management Trust Company held the Plan's investments. The fair value per unit/share is stated at quoted market prices as determined by Mellon Trust Company from December 1, 2005 to December 31, 2005 and Fidelity Management Trust Company from January 1, 2005 to November 30, 2005 and for 2004.
