Item 8.01 Other Events

In 2000, Tronox acquired its titanium dioxide production facility in Savannah, Georgia, from Kemira Pigments Oy, a Finnish company, and its parent, Kemira Oyj (Kemira). After acquiring the facility, Tronox discovered that certain matters associated with environmental conditions and plant infrastructure were not consistent with representations made by Kemira. On February 12, 2003, Tronox filed an arbitration claim in the London Court of International Arbitration (LCIA) against Kemira, alleging breach of representations and warranties. On November 15, 2006, Tronox was notified that the LCIA awarded Tronox approximately \$8.9 million in damages and interest.
